Expiration of Offering Period; Completion of Merger

The offering period for the Offer expired at 12:00 midnight, New York City time, on November 13, 2014. As of such time, 34,299,586 Shares (not including Shares tendered pursuant to notices of guaranteed delivery for which Shares have not yet been delivered in settlement or satisfaction of such guarantee) had been validly tendered and not validly withdrawn pursuant to the Offer, representing, together with the Shares owned by Parent and its subsidiaries, approximately 83.1% of the issued and outstanding Shares. The number of Shares tendered into the Offer satisfied the Minimum Condition as of the expiration of the Offer. All conditions to the Offer having been satisfied or waived.

Following the expiration of the Offer, on November 14, 2014, Purchaser accepted for payment all Shares that were validly tendered in, and not withdrawn from, the Offer according to the terms and conditions of the Offer.

On November 14, 2014, Parent consummated the Merger pursuant to the terms of the Merger Agreement and in accordance with Section 251(h) of the DGCL. The Shares will be delisted and cease to trade on the NASDAQ Global Select Market. Parent has announced that it intends to take steps to cause the termination of the registration of the Shares under the Securities Exchange Act of 1934, as amended, and suspend all of the Company's reporting obligations under the act as promptly as practicable.

On November 14, 2014, Parent issued a press release announcing the expiration and results of the Offer and the consummation of the Merger. A copy of the press release is filed as Exhibit (a)(5)(F) hereto and is incorporated herein by reference.
