**Safe Harbor Statement**

This Current Report on Form 8-K contains forward looking statements that are not historical facts, including statements about our beliefs and expectations. These statements are based on beliefs and assumptions of the Company's management, and on information currently available to management. These forward looking statements include, among other things: the growth and demand for the Company's vehicles, including the Tactical Support Vehicle, the ForceArmor kits and the M-ATV Cheetahs; the Company's ability to develop new technologies and products, and the effectiveness of these technologies and products; the Company's execution of its business strategy and strategic transformation, including its opportunities to grow the business, its ability to right-size its manufacturing base, and its dependency on certain vehicles and awards; and the Company's expected financial and operating results, including its revenues and cash flow, for future periods. Forward-looking statements speak only as of the date they are made, and the Company undertakes no obligation to update any of them publicly in light of new information or future events. A number of important factors could cause actual results to differ materially from those contained in any forward-looking statements. Examples of these factors include, but are not limited to, the Company's ability to fulfill the above described orders on a timely basis; the ability to effectively manage the risks in the Company's business; the ability to develop new technologies and products and the acceptance of these technologies and products; the ability to obtain new orders for its vehicles and products; the timing and nature of the final resolution of the
