

Item 7.01 Regulation FD Disclosure

On January 2, 2013 we disclosed our partnership with the Cooperative of American Physicians, Inc. to offer a new liability protection product, CAPAssurance, designed to meet the unique needs of hospitals and other medical facilities in California. With the establishment of CAPAssurance, we are entering into a prospective business arrangement that we anticipate will allow ProAssurance to grow the premium that we already write in California. We are not acquiring or committing to acquire a material amount of assets or a book of business under this arrangement. As this is prospective for both parties, neither we, nor CAP, can predict with any certainty, how much business we will write as a result of this joint effort. A copy of the news release announcing the closing of this transaction is included as Exhibit 99.1 and included in this Item by reference.
