Terence Bernard Wise, together with the other participants named herein, intends to file a preliminary proxy statement and accompanying proxy card with the Securities and Exchange Commission (the "SEC") to be used to solicit votes for the election of his director nominees at the 2014 annual meeting of stockholders of Forward Industries, Inc. ("Forward"), a New York corporation.

On August 15, 2014, Mr. Wise issued the following press release:

Forward Industries' Largest Shareholder, Terence Bernard Wise, Continues Campaign to Elect New Independent Directors & Sets the Record Straight on Derivative Suit Against Chairman Frank LaGrange Johnson & Other Directors for Breach of Duty

Wise Assures Forward Shareholders that he is Committed to Removing Chairman Frank La Grange Johnson and his Supporters from the Board and Electing New, Highly Qualified, and Independent Directors Capable of Creating Value for Forward's shareholders at the 2014 Annual Meeting

Wise Sets the Record Straight on Forward's Self-Serving and Inaccurate Press Release

SAFFRON WALDEN, Essex, UK, August 15, 2014 – Terence Bernard Wise, the largest shareholder and member of the board of directors of Forward Industries, Inc. (NASDAQ: FORD), a designer and distributor of custom carry and protective solutions, issued a statement today confirming that he is continuing with his efforts to replace Chairman Johnson and his supporters on the Board at the 2014 Annual Meeting and commenting on a press release issued by Forward, mischaracterizing the status of the derivative case filed against Johnson and affiliated members of Forward's Board for breach of fiduciary and director duties.

"The press release and statements put out by Chairman Frank LaGrange Johnson and Forward in response to my efforts to elect new, independent and qualified directors to Forward's board are misleading, without merit and nothing more than an attempt to confuse a clear record and deflect attention from the real issue – the fact that Mr. Johnson and his management team have presided over a significant and inexcusable decline in shareholder value and will stop at nothing to preserve their control of the Board."

As previously disclosed, Mr. Wise filed a derivative suit on behalf of Forward in the Supreme Court of the State of New York against Frank LaGrange Johnson and affiliated directors after learning of the filing of a false and misleading listing application with NASDAQ, contemplating the issuance of shares representing over 20% of Forward's outstanding common stock at a 10% discount to market value and without Board or shareholder approval. Mr. Wise continues to believe that Johnson and his supporters on the Board have engaged in entrenchment tactics aimed at disenfranchising shareholders in advance of Forward's 2014 Annual Meeting in violation of their fiduciary duties, and continues to aggressively pursue the claims before the Supreme Court. Mr. Johnson and the other defendants represented in the Supreme Court that the false and misleading NASDAQ application had been withdrawn and that no stock issuance was imminent, thus obviating the need for a temporary restraining order. Thereafter, following a special meeting of the Board, Mr. Wise withdrew his motion for immediate injunctive relief, without prejudice to making a subsequent application if necessary, based on representations and statements by Mr. Johnson and the other defendant directors that there was no imminent plan to issue new preferred shares or otherwise engage in any dilutive or extraordinary transaction in advance of the 2014 Annual Meeting without appropriate approvals. Mr. Wise will again seek injunctive relief in the event that the Board's representations and statements prove to be false and the interests of the Company are again threatened by imminent and improper conduct.
