**PROXY STATEMENT**

**2016 ANNUAL MEETING OF SHAREHOLDERS**

**TO BE HELD ON MAY 3, 2016**

This Proxy Statement will be first mailed to shareholders on or about April 15, 2016. It is furnished in connection with the solicitation of proxies by the Board of Directors of OptimumBank Holdings, Inc. (the Company) to be voted at the annual meeting of the shareholders of the Company, which will be held at 10:00 a.m. on Tuesday, May 3, 2016, at the executive offices of OptimumBank (the Bank), 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Shareholders who execute proxies retain the right to revoke them at any time before the shares are voted by proxy at the meeting. A shareholder may revoke a proxy by delivering a signed statement to the Secretary of the Company at or prior to the annual meeting or by executing and delivering another proxy dated as of a later date. The Company will pay the cost of solicitation of proxies.

Shareholders of record at the close of business on March 18, 2016, will be entitled to vote at the meeting on the basis of one vote for each share held. On the record date, there were 962,886 outstanding shares of common stock held of record by approximately 800 shareholders.

**QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING**

**When and where will the annual meeting take place?**

The annual meeting will be held on May 3, 2016 at 10:00 a.m. (local time), at the executive offices of the Bank, 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308.

**Why did I receive this proxy statement?**

You received this proxy statement because you held shares of the Company's common stock on March 18, 2016 (the Record Date) and are entitled to vote at the annual meeting. The Board of Directors is soliciting your proxy to vote at the meeting.

**What am I voting on?**

You are being asked to vote on three items:

1. The election of three (3) Directors (see page 6);
2. The approval of an amendment to the Company's 2011 Equity Incentive Plan to increase the maximum number of shares that may be issued under the plan from 105,000 shares to 210,000 shares (see page 10); and

3. The ratification of the appointment of Hacker, Johnson & Smith, PA as the Company's independent registered public accounting firm for the 2016 fiscal year (see page 15).

### **How do I vote?**

#### Shareholders of Record

If you are a shareholder of record, there are four ways to vote:

By toll free telephone at 1-866-894-0537.

By internet at <http://www.cstproxyvote.com>

If you request printed copies of the proxy materials, you may vote by proxy by completing and returning your proxy card in the postage-paid envelope provided by the Company; or

By voting in person at the meeting.

#### Street Name Holders

Shares which are held in a brokerage account in the name of the broker are said to be held in street name.

If your shares are held in street name, you should follow the voting instructions provided by your broker. If you requested printed copies of the proxy materials, you may complete and return a voting instruction card to your broker, or, in many cases, your broker may also allow you to vote via the telephone or Internet. Check your notice from your broker for more information. If you hold your shares in street name and wish to vote at the meeting, you must obtain a legal proxy from your broker and bring that proxy to the meeting.

Regardless of how your shares are registered, if you request printed copies of the proxy materials, complete and properly sign the accompanying proxy card and return it to the address indicated, it will be voted as you direct.

### **What is the deadline for voting via Internet or telephone?**

Internet and telephone voting is available through 11:59 p.m. (Eastern Daylight Time) on Monday, May 2, 2016 (the day before the annual meeting).

### **What are the voting recommendations of the Board of Directors?**

The Board of Directors recommends that you vote in the following manner:

1. FOR each of the persons nominated by the Board of Directors to serve as Directors;
2. FOR the approval of an amendment to the Company's 2011 Equity Incentive Plan to increase the maximum number of shares that may be issued under the plan from 105,000 shares to 210,000 shares; and

3. FOR the ratification of the appointment of Hacker, Johnson & Smith, PA as independent registered public accounting firm for the 2016 fiscal year.

Unless you give contrary instructions in your proxy, the persons named as proxies will vote your shares in accordance with the recommendations of the Board of Directors.

**Will any other matters be voted on?**

We do not know of any other matters that will be brought before the shareholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your proxy would authorize Moishe Gubin, Joel Klein and Martin Schmidt of the Company to vote on such matters in their discretion.

**Who is entitled to vote at the meeting?**

Only shareholders of record at the close of business on the Record Date are entitled to receive notice of and to vote at the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the annual meeting, or any postponement or adjournment of the meeting.

**How many votes do I have?**

You will have one vote for each share of the Company's common stock that you owned on the Record Date.

**How many votes can be cast by all shareholders?**

The Company had 962,886 outstanding shares of common stock on the Record Date. Each of these shares is entitled to one vote. There is no cumulative voting.

**How many votes must be present to hold the meeting?**

The holders of a majority of the Company's common stock outstanding on the Record Date must be present at the meeting in person or by proxy in order to fulfill the quorum requirement necessary to hold the meeting. This means at least 481,443 shares must be present in person or by proxy.

If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will also be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved.

**What vote is required to approve each proposal?**

For the election of Directors (Proposal No. 1), the affirmative vote of a plurality of the votes present in person or by proxy and entitled to vote at the meeting is required. A proxy that has properly withheld authority with respect to the election of one or more Directors will not be voted with respect to the Director or Directors indicated, although it will be counted for the purposes of determining whether there is a quorum.

For the approval of the amendment to the Company's 2011 Equity Incentive Plan to increase the maximum number of shares that may be issued under the plan from 105,000 shares to 210,000 shares (Proposal No. 2), the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote at the meeting will be required for approval. An abstention with respect to this proposal will not be voted with respect to the amendment, although it will be counted for the purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

For the ratification of the appointment of Hacker, Johnson & Smith, PA (Proposal No. 3), the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote at the meeting will be required for approval. An abstention with respect to this proposal will be counted for the purposes of determining the number of shares entitled to vote that are present in person or by proxy. Accordingly, an abstention will have the effect of a negative vote.

### **Can I change my vote?**

Yes. If you are a shareholder of record, you may change your vote at any time before your proxy is voted at the annual meeting. You can do this in one of three ways. First, you can send a written notice stating that you would like to revoke your proxy. Second, you can submit new proxy instructions either on a new proxy card, by telephone or via the Internet. Third, you can attend the meeting, and vote in person. Your attendance alone will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow directions received from your broker to change those instructions.

### **Who can attend the annual meeting?**

Any person who was a shareholder of the Company on March 18, 2016 may attend the meeting. If you own shares in street name, you should ask your broker or bank for a legal proxy to bring with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement so that we can verify your ownership of the Company's stock and admit you to the meeting. However, you will not be able to vote your shares at the meeting without a legal proxy.

### **What happens if I sign and return the proxy card but do not indicate how to vote on an issue?**

If you return a proxy card without indicating your vote, your shares will be voted as follows:

FOR each of the nominees for Director named in this proxy statement;

FOR the approval of the amendment to the Company's 2011 Equity Incentive Plan to increase the maximum number of shares that may be issued under the plan from 105,000 shares to 210,000 shares;  
and

FOR ratification of the appointment of Hacker, Johnson & Smith, PA as the independent registered public accounting firm for the Company for the 2016 fiscal year.

**Who can help answer my questions?**

If you are a shareholder, and would like additional copies, without charge, of this proxy statement or if you have questions about the annual meeting, including the procedures for voting your shares, you should contact:

**CORPORATE GOVERNANCE**

**Director Independence**

The Board of Directors analyzed the independence of each director and determined that Moishe Gubin and Martin Schmidt, each meet the standards of independence under the listing standards of NASDAQ Stock Market ( NASDAQ ).

**The Board of Directors Meetings and Committees**

OptimumBank Holdings Board of Directors met 14 times during 2015. The independent directors did not meet in executive session without management during 2015. Each of the current members of the Board of Directors attended at least 75% of the meetings of the Board and committees on which he served. The Company s Board of Directors has established several standing committees, including the following:

**Compensation Committee**

The Compensation Committee currently consists of Moishe Gubin (Chairman) and Martin Schmidt. Mr. Gubin and Mr. Schmidt are independent under the NASDAQ listing standards. The Compensation Committee reviews and recommends to the Board of Directors the compensation arrangements for executive management and non-employee directors. The Compensation Committee met once during 2015 and operates under a written charter. A copy of the current Compensation Committee Charter can be viewed on the Company s website at [www.optimumbank.com/information-center/corporate-governance/](http://www.optimumbank.com/information-center/corporate-governance/).

In 2015, no executive officer had a role in determining or recommending the amount or form of outside director compensation. The Compensation Committee does not delegate its authority to any other persons. The Compensation Committee does not use consultants to determine or recommend the amount or form of compensation arrangements.

**Nominating Committee**

The Nominating Committee currently consists of Mr. Gubin, Mr. Klein, and Mr. Schmidt. The committee evaluates new candidates and current directors, and recommends candidates to the Board to fill vacancies occurring between annual shareholder meetings. A copy of the charter for the Nominating Committee can be viewed on the Company s website at [www.optimumbank.com/information-center/corporate-governance/](http://www.optimumbank.com/information-center/corporate-governance/).

All of the director nominees of the Company set forth in the Proposal entitled Election of Directors were recommended by a majority of the independent directors of the Company. The independent directors, acting in their capacity as the nominating committee, held one meeting during 2016.

The Nominating Committee will initially consider nominating the Company's existing directors for re-election to the Board as appropriate or to other director nominees proposed, as appropriate, by the directors, and in doing so considers each director's independence, if required, share ownership, skills, performance and attendance at a minimum of 75% of the Board and respective committee meetings. In evaluating any candidates for potential director nomination, the Nominating Committee will consider candidates that are independent, if required, who possess personal and professional integrity, have good business judgment, relevant experience and skills, including banking, financial, real estate and/or legal expertise, who would be effective as a director in conjunction with the full Board, who would commit to attend Board and committee meetings, and whose interests are aligned with the long-term interests of the Company's shareholders.

The Nominating Committee will consider director candidates recommended by shareholders, provided the recommendation is in writing and delivered to the Corporate Secretary of the Company at the principal executive offices of the Company not later than the close of business on the 120th day prior to the first anniversary of the date on which the Company first mailed its proxy materials to shareholders for the preceding year's annual meeting of shareholders. For the 2017 annual meeting, recommendations must be received by December 3, 2016. The nomination and notification must contain the nominee's name, address, principal occupation, total number of shares owned, consent to serve as a director, and all information relating to the nominee and the nominating shareholder as would be required to be disclosed in solicitation of proxies for the election of such nominee as a director pursuant to the SEC's proxy rules.

#### **Audit Committee**

The Audit Committee of the Board of Directors is responsible for the oversight of the Company's financial and accounting reporting processes and the audits of the Company's financial statements. The Audit Committee is currently composed of three non-employee directors consisting of Joel Klein, Moishe Gubin, and Martin Schmidt. The Audit Committee operates under a written charter adopted and approved by the Board of Directors. A copy of the current Audit Committee Charter can be viewed on the Company's website at [www.optimumbank.com/information-center/corporate-governance](http://www.optimumbank.com/information-center/corporate-governance).

Prior to 2015, the Board determined that all of the members of the Audit Committee were financially literate and independent in accordance with the NASDAQ listing standards applicable to audit committee members. During the fall of 2015, Mr. Klein agreed to assume, on an interim basis, the duties of the Company's principal executive officer and principal accounting officer, due to the resignation of Thomas Procelli, who had been serving in these positions. As a result, Mr. Klein is not currently deemed to be independent. The Board also has determined that both Moishe Gubin and Joel Klein are audit committee financial experts as defined by SEC rules. The Audit Committee met 12 times during 2015. A Report from the Audit Committee is included on page 19.

### **Attendance by Directors at Annual Shareholders Meetings**

The Board believes that risk management is an important component of the Company's corporate strategy. While we assess specific risks at the Company's committee levels, the Board, as a whole, oversees the Company's risk management process, and discusses and reviews with management major policies with respect to risk assessment and risk management. The Board is regularly informed through committee reports about the Company's risks. The Audit Committee reviews and assesses the Company's processes to manage financial reporting risk. It also reviews the Company's policies for risk assessment and assesses steps management has taken to control significant risks. The Compensation Committee oversees risks relating to compensation practices and policies.

## **PROPOSAL NO. 2**

### **APPROVAL OF AN AMENDMENT TO THE COMPANY'S 2011 EQUITY INCENTIVE**

#### **PLAN TO INCREASE THE NUMBER OF SHARES THAT MAY BE ISSUED UNDER**

#### **THE PLAN**

The Company has adopted the 2011 Equity Incentive Plan. The plan allows the Company to provide equity compensation to employees and directors, under a shareholder-approved plan, and enables the Company to attract and retain qualified persons to serve as directors and officers.

As of the date of this proxy statement, the Company has issued 52,959 shares under the plan. As a result, there are only 52,041 additional shares available for issuance under the plan.

The Board of Directors of the Company believes that equity compensation is a key aspect of the Company's ability to attract and retain qualified directors and officers. During 2015, the Company issued 22,442 shares to Moishe Gubin, 16,537 shares to Joel Klein, and 7,613 shares to Martin Schmidt as part of their compensation for their services as Directors. Norman Ginsparg, a Director of the Bank, who is pending regulatory approval to be a Director of the Company, was issued 13,257 shares for his service as Director of the Bank. The Company expects to issue a similar number of shares in 2016.

The Board has approved an amendment to increase the aggregate number of shares of common stock authorized for issuance under the plan from 105,000 to 210,000 shares, subject to shareholder approval, in order to ensure that the Company is able to continue to grant equity compensation at levels determined appropriate by the Board.

#### **Summary of the Plan**

The principal features of the plan are summarized below. The summary does not contain all information that may be important to you. The complete text of the plan is set forth in Appendix A to this proxy statement.

#### **Plan Administration**

The plan is administered by our Board of Directors, a majority of whom meet the NASDAQ standard for director independence, and/or our Board's Compensation Committee, which consists of at least two members of the Board, each of whom meets the NASDAQ standard for director independence. The Board through its Compensation Committee, has the sole authority, among other things, to:

Select participants and grant awards,

Determine the number of shares to be subject to the types of awards,

Determine the terms and conditions upon which awards will be granted under the plan, including the vesting requirements of awards,

Prescribe the form and terms of award agreements,

Establish procedures and regulations for the administration of the plan,

Interpret the plan, and

Make all determinations necessary or advisable for administration of the plan.

### **Eligibility**

The directors and employees of the Company and its subsidiaries are eligible to participate in the plan.

### **Awards**

The plan provides for the grant of incentive and non-statutory options, bonus shares, restricted shares, and performance shares, as such terms are defined in the plan.

### **Shares Subject to the Plan**

The plan currently authorizes the issuance of up to 105,000 shares of the Company common stock. If any shares are subject to an award under the plan that is forfeited, cancelled, expired, lapsed or otherwise terminate without the issuance of such shares, those shares will again be available for grant under the plan. Likewise, shares that are tendered to the Company by a participant as full or partial payment of the exercise price of any stock option granted under the plan or in payment of any withholding tax incurred in connection with any award under the plan will be available for issuance under the plan. The shares issued under the plan may consist, in whole or in part, of authorized but unissued shares or treasury shares.

### **Adjustments**

In the event of a merger or consolidation (in each case where the shares of the Company are converted into stock and/or cash of another entity), or any corporate structure affecting Company common stock, adjustments and other substitutions will be made to the plan, including adjustments in the maximum number of shares subject to the plan and other numerical limitations. Adjustments will also be made to awards under the plan as the Board in its sole discretion deems equitable or appropriate.

### **Options**

Incentive and non-statutory options to purchase shares of Company common stock may be granted under the plan, either alone or in addition to other awards and for no consideration or for such consideration as the Board and/or Compensation Committee may determine or as may be required by applicable law. The price at which a share may be purchased under an option may not be less than the market value of a share on the date the option is granted. The plan permits the Board and/or Compensation Committee to establish the term of each option, but its term may not exceed ten years. Options may be exercised for whole shares only. If an option would otherwise be exercisable for fractional shares, the option is rounded down to the nearest whole share amount. Options may vest and become fully exercisable in the event a change in control occurs as described below. The plan contains various provisions governing the participant's right to exercise an option upon the termination of the participant's employment with the Company.

### **Restricted Stock**

Restricted stock awards may be issued to participants for no cash consideration, or for such minimum consideration as may be required by applicable law, either alone or in addition to other awards granted under the plan. Restricted stock vests and becomes fully exercisable as determined by the Board. Restricted stock vests and becomes fully exercisable in the event: (i) a change in control occurs, as described below, and service is terminated within 12 months thereafter; or (ii) of the death or disability of the participant. If a participant's service with the Company is terminated, the participant will forfeit any unvested restricted stock (except in certain cases following a change in control).

### **Performance Share Awards**

Other awards of Company common stock that are valued in whole or in part by reference to, or are otherwise based on, Company common stock or the attainment by the Company of certain performance goals, may be granted to participants, either alone or in addition to other awards. Stock awards are paid in shares of Company common stock. Shares granted as stock awards may be issued for no cash consideration or for such minimum consideration as may be required by applicable law. At the time the performance goals established have been attained or otherwise satisfied within the performance cycle, the payment of the performance shares in the name of the participant will be made at the end of the performance cycle.

### **Bonus Shares and Awards in Lieu of Obligations**

Bonus share awards may be issued to participants as a bonus or in consideration for past services actually rendered for the Company, or in lieu of obligations of the Company to pay cash or deliver other property under the plan or under other plans or compensation arrangements. The bonus shares can be awarded under terms and agreements that are determined by the Compensation Committee and/or the Board.

### **Change in Control**

Unless otherwise determined by the Board and/or Compensation Committee at the time of the grant of an award, in the event of a change in control of the Company, all outstanding stock options will become fully vested. If a participant's service with the Company is involuntarily terminated at any time within twelve months after a change in control, and unless otherwise determined by the Board and/or Compensation Committee at the time of the grant of an award, any restricted period with respect to restricted shares will lapse and all such shares will become fully vested.

A change in control means, with certain exceptions: (i) an acquisition of beneficial ownership of 50% or more of the outstanding common stock; (ii) a merger in which the Company is not the surviving entity, or a sale by the Company or the Bank of all or substantially all of its assets; or (iii) the acquisition by any person or group by means of a merger, consolidation or purchase of 80% or more of its outstanding shares.

### **Effective Date, Term, Amendment and, Termination**

The plan became effective in 2011 and will remain in effect until the earlier of (a) the date that no additional shares are available for issuance, (b) the date the plan is terminated by the Board of Directors in accordance with its terms or (c) the tenth anniversary of such shareholder approval.

Termination will not affect grants and awards then outstanding under the plan. The Board of Directors may terminate or amend the plan at any time without shareholder approval, unless such approval is necessary to comply with the Securities Exchange Act of 1934, the Internal Revenue Code, NASDAQ rules, or other applicable law. No termination, amendment or modification of the plan may in any manner affect any award previously granted under the plan without the consent of the participant to whom the award was granted or the transferee of the award.

### **Restriction on Transfer**

Awards granted under the plan are generally non-transferable, except by will or the laws of descent and distribution. The Board may permit participants to transfer awards (other than stock options) to members of their immediate family, to one or more trusts solely for the benefit of such immediate family members, and to partnerships into which such family members or trusts are the only trusts.

### **Other Provisions**

The Board may establish procedures providing for the delivery of shares of Company common stock, in satisfaction of withholding tax obligations.

### **Federal Income Tax Consequences**

Under present law, the following are the U.S. federal income tax consequences generally arising with respect to stock options, restricted stock, bonus shares and performance share awards:

Upon exercising a non-statutory option, a participant must recognize ordinary compensation income equal to the difference between the fair market value of the shares on the date of exercise and the exercise price. The Company will be entitled to a deduction for the same amount. Upon sale of such shares by the optionee, any difference between the sales price and fair market value on the date of exercise will be treated as a long-term capital gain (loss) if the stock has been held for at least 12 months.

For an incentive stock option, the optionee generally will recognize no taxable income upon grant or exercise of the option. If the acquired stock is held for at least two years from date of grant and one year from date of exercise, any gain or loss realized upon disposition of the shares will be treated as long-term capital gain (loss). If the acquired stock is sold prior to the satisfaction of these holding period requirements, the difference between the option price and the fair market value of the shares on the date of exercise will be treated as ordinary compensation income. The Company will be entitled to a deduction for the same amount. If compensation is recognized and the stock is sold, any difference between fair market value on date of exercise and the sales price will be recognized as either short or long term capital gain or loss, depending upon the amount of time the acquired stock was held. For alternative minimum tax purposes, the exercise of an incentive stock option will create an adjustment item in the year of exercise equal to the difference between the option price and fair market value on date of exercise. This adjustment item will create an adjusted tax basis for alternative minimum tax purposes different from regular tax purposes in the stock equal to the fair market value on date of exercise.

Recipients of restricted stock awards will recognize ordinary income in an amount equal to the fair market value of the shares of Company common stock granted to them at the time that

the shares vest and become transferable. A recipient of a restricted stock award may, however, elect to accelerate the recognition of income with respect to his or her grant to the time when shares of common stock are first transferred to him or her, notwithstanding the vesting schedule of such awards. The Company will be entitled to deduct as a compensation expense for tax purposes the same amounts recognized as income by recipients of restricted stock awards in the year in which such amounts are included in income.

Performance share and bonus share awards result in the recognition of ordinary income in an amount equal to the fair market value of shares of Company common stock paid to participants. The Company will be entitled to deduct as a compensation expense for tax purposes the same amounts recognized as income by plan participants. The Internal Revenue Code generally limits the deduction for certain compensation in excess of \$1.0 million per year paid by a publicly-traded corporation to its covered executives. Certain types of compensation, including compensation based on performance goals, are excluded from the \$1.0 million deduction limitation. In order for compensation to qualify for this exception: (i) it must be paid solely on account of the attainment of one or more pre-established, objective performance goals; (ii) the performance goal must be established by a compensation committee consisting solely of two or more outside directors; (iii) the material terms under which the compensation is to be paid, including performance goals, must be disclosed to and approved by shareholders in a separate vote prior to payment; and (iv) prior to payment, the compensation committee must certify that the performance goals and any other material terms were in fact satisfied.

#### **Other Information**

The Board has not made any determination as to the allocation of benefits or amounts under the plan if approved by shareholders. If the plan is not approved by shareholders, the Board of Directors will consider other alternatives for performance-based compensation. The plan is not exclusive and does not limit the authority of the Board or its Committees to grant awards or authorize any other compensation, with or without reference to shares, under any other plan or authority.

#### **Vote Required and Recommendation of Board of Directors.**

Assuming the presence of a quorum, this Proposal will require the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote at the meeting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE INCREASE IN THE NUMBER OF SHARES THAT MAY BE ISSUED UNDER COMPANY S 2011 EQUITY INCENTIVE PLAN.**

**PROPOSAL NO. 3**

**RATIFICATION OF INDEPENDENT AUDITOR**

The Audit Committee has selected Hacker, Johnson & Smith PA (Hacker Johnson) as the Company's independent auditor for fiscal year 2016, and the Board asks shareholders to ratify that selection. Although current law, rules, and regulations, as well as the charter of the Audit Committee, require the Audit Committee to engage, retain, and oversee the Company's independent auditor, the Board considers the selection of the independent auditor to be an important matter of shareholder concern and is submitting the selection of Hacker Johnson for ratification by shareholders as a matter of good corporate governance.

## CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following are transactions since January 1, 2015, or proposed transactions in which the Company was or is a party, in which the amount involved exceeded \$120,000, and in which a director, director nominee, executive officer, holder of more than 5% of the Company's common stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

### **Loans to Officers, Directors and Affiliates**

The Bank offers loans in the ordinary course of business to its directors and employees, including executive officers, their related interests and immediate family members. Applicable law and Bank policy require that these loans be on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unrelated parties, and must not involve more than the normal risk of repayment or present other unfavorable features. Loans to individual employees, directors and executive officers must also comply with the Bank's lending policies and statutory lending limits, and directors with a personal interest in any loan application are excluded from the consideration of such loan application.

### **Loan Purchase**

On November 8, 2011 the Bank made a loan to Keser Holdings, LLC, the guarantor of which is Moishe Gubin, a Director of the Company. The amount of the loan was \$305,000. The loan was a cash-out refinance of an investment property. The loan was for a term of three years with a loan-to-value ratio at closing of 60%, at an interest rate of 5% per annum and payments amortizing on a 25 year basis. Regulation O was applicable to this loan as Mr. Gubin was a director of the Bank. This loan was approved by the full Board in accordance with Florida Statutes Section 655.0386 because Mr. Gubin is a financial institution-affiliated party under Section 655.0386. This loan was not prohibited by Section 402 of the Sarbanes-Oxley Act because Mr. Gubin independently qualified for the loan and it was made in the ordinary course of the Bank's business, of a type generally made available by the Bank to the public, and made by the Bank on market terms, or terms that are no more favorable than those offered to the general public for such extensions of credit. This loan was found to be in violation of Regulation O by the Bank's regulators. To remedy this violation, in March 2014, Mr. Gubin executed a Hypothecation Agreement by which he pledged cash collateral in the outstanding amount of the loan and his guaranty of the loan was terminated. The Hypothecation Agreement was approved by the Board. The loan was paid off on July 7, 2015.
