Section 1 —Registrant’s Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

On August 31, 2018, Aspen Insurance UK Services Limited, Aspen Insurance U.S. Services Inc. and Aspen Bermuda Limited entered into an Outsourcing Agreement (the “Agreement”) with Cognizant Worldwide Limited, a company registered in England (“Cognizant”). Pursuant to the Agreement, Cognizant will provide Aspen Insurance Holdings Limited and its subsidiaries (collectively, “Aspen”) with information technology services to enable Aspen to deliver greater operating effectiveness and efficiencies. The Agreement is effective August 31, 2018 and shall have an initial term period of five years from October 1, 2018. Aspen has the right to extend the Agreement for an additional two year term.

The Agreement has minimum service levels that Cognizant must meet or exceed. Cognizant will progressively assume responsibility for these services during a phased transition period that will extend over nine months in line with a transition plan. Certain of Aspen’s employees will become employees of Cognizant.

The compensation structure under the Agreement includes a combination of fixed and variable fees which may fluctuate, as set forth in the Agreement, based on Aspen’s actual use of Cognizant’s services. Based on the currently projected usage of services, Aspen expects to pay Cognizant approximately \$65 million during the initial five-year term of the Agreement. Additionally, Aspen has the right to periodically compare the charges under the Agreement to the market prices for comparable services.

The Agreement contains customary representations and warranties and indemnity, termination and default provisions. The Agreement contains both general and specific liability caps which limits Aspen’s liability under the Agreement to a percentage of annual charges or a fixed cap and, in the case of Cognizant, to the greater of a percentage of annual charges or various fixed caps for specific breaches.

Aspen may terminate the Agreement for any reason by providing ninety days’ prior written notice. In addition, Aspen may terminate the Agreement as a result of, among other things, a material breach if not cured within a specified time, insolvency, persistent breaches, failure to meet key milestones, material adverse change as defined in the Agreement or particular circumstances constituting a change in control.

The foregoing summary of the terms and conditions of the Agreement does not purport to be complete and is subject to, and qualified in its entirety, by reference to the Agreement which is filed as Exhibit 10.1.
