A proxy statement and proxy card for the Annual Meeting are enclosed. The Annual Meeting is for the purpose of considering and voting upon the following matters:

1. the election of three directors, each for a term of three years;
2. an advisory (non-binding) vote on executive compensation;
3. an advisory (non-binding) vote as to whether future advisory votes on executive compensation should be held every year, every two years or every three years;
4. the approval of the Great Southern Bancorp, Inc. 2018 Omnibus Incentive Plan;
5. the ratification of the appointment of BKD, LLP as Bancorp's independent registered public accounting firm for the fiscal year ending December 31, 2018; and
6. such other matters as may properly come before the Annual Meeting, or any adjournments or postponements thereof.

Pursuant to the bylaws of Bancorp, the Board of Directors has fixed February 28, 2018 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. Only record holders of the common stock of Bancorp as of the close of business on that date will be entitled to vote at the Annual Meeting, or any adjournments or postponements thereof.

The Board of Directors of Bancorp unanimously recommends that you vote FOR the election of the nominees named in the accompanying proxy statement, FOR the advisory (non-binding) vote on executive compensation, FOR every year (One Year) on the advisory (non-binding) vote as to the frequency of future advisory votes on executive compensation, FOR the approval of the Great Southern Bancorp, Inc. 2018 Omnibus Incentive Plan and FOR the ratification of the appointment of the independent registered public accounting firm.

This year Bancorp is using a Securities and Exchange Commission rule to furnish its proxy statement, Annual Report and proxy card over the internet to stockholders who own fewer than 500 shares. This means that these stockholders will not receive paper copies of the proxy materials. Instead, these stockholders will receive only a notice containing instructions on how to access the proxy materials over the internet. If you received only this notice by mail and would like to request a printed copy of the proxy materials, the notice contains instructions on how you can do so.

Stockholders are encouraged to attend the Annual Meeting in person. Regardless of whether you plan to attend the Annual Meeting in person, please read the accompanying proxy statement and then vote by internet, telephone or mail as promptly as possible. Voting promptly will help ensure the presence of a quorum and save Bancorp from additional expense in soliciting proxies.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be held on May 9, 2018.

PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 9, 2018

Solicitation of Proxies

This proxy statement is being furnished to stockholders of Great Southern Bancorp, Inc. ("Bancorp," the "Company," "we," "us," "our") in connection with the solicitation by our Board of Directors of proxies to vote our common stock, \$.01 par value per share ("Common Stock"), at our Annual Meeting of Stockholders (the "Annual Meeting") to be held at the Great Southern Operations Center, 218 S. Glenstone, Springfield, Missouri, on May 9, 2018, at 10:00 a.m., local time, and at any and all adjournments or postponements thereof. The Notice of the Annual Meeting, a proxy card and our Annual Report to Stockholders for the fiscal year ended December 31, 2017 accompany this proxy statement. Certain of the information in this proxy statement relates to Great Southern Bank ("Great Southern" or the "Bank"), a wholly owned subsidiary of Bancorp.

At the Annual Meeting, stockholders are being asked to consider and vote upon (i) the election of three directors of Bancorp, (ii) an advisory (non-binding) vote on executive compensation (the "Say on Pay Vote"), (iii) an advisory (non-binding) vote on whether an advisory vote on executive compensation should be held every year, every two years or every three years (the "Say on Pay Frequency Vote"), (iv) the approval of the Great Southern Bancorp, Inc. 2018 Omnibus Incentive Plan (the "Omnibus Incentive Plan Proposal") and (v) the ratification of the appointment of BKD, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018 (the "Independent Auditor Proposal").

Regardless of the number of shares of Common Stock owned, it is important that stockholders be represented by proxy or present in person at the Annual Meeting. Stockholders are requested to vote by internet, telephone or mail as promptly as possible.

A proxy may be revoked by a stockholder at any time prior to its exercise by filing written notice of revocation with the Secretary of Bancorp at the above address, by delivering to Bancorp, at any time before the Annual Meeting, a duly executed proxy card bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in and of itself have the effect of revoking a properly executed proxy. If your shares are held in "street name" through a bank, broker or other nominee, you must follow the instructions on the form you receive from your bank, broker or other nominee with respect to revoking your proxy.

The cost of solicitation of proxies and of the Annual Meeting will be borne by Bancorp. In addition to the solicitation of proxies by mail, proxies may also be solicited personally or by telephone by directors, officers and other employees of Bancorp or Great Southern not specifically engaged or compensated for that purpose. Bancorp will also, upon request, reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in sending proxy materials to beneficial owners of the Common Stock.

This year we are using a Securities and Exchange Commission ("SEC") rule to furnish our proxy statement, Annual Report and proxy card over the internet to stockholders who own fewer than 500 shares. This means that these stockholders will not receive paper copies of the proxy materials. Instead, these stockholders will receive only a notice containing instructions on how to access the proxy materials over the internet. If you received only this notice by mail and would like to request a printed copy of the proxy materials, the notice contains instructions on how you can do so.

The approximate date on which this proxy statement and the accompanying proxy card are first being made available to stockholders is March 27, 2018.

Voting

Bancorp's Board of Directors has fixed February 28, 2018 as the record date (the "Record Date") for the determination of stockholders entitled to notice of and to vote at the Annual Meeting, and any and all adjournments or postponements thereof. Only stockholders of record as of the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. The total number of shares of Common Stock outstanding on the Record Date was 14,106,962. These are the only securities of Bancorp entitled to vote at the Annual Meeting.

Each holder of the Common Stock is entitled to cast one vote for each share of Common Stock held on the Record Date on all matters, except that, pursuant to Section D of Article V of Bancorp's charter, any stockholder that beneficially owns in excess of 10% of the then outstanding shares of Common Stock (the "Limit") is not entitled to vote shares in excess of the Limit.

In order for any proposals considered at the Annual Meeting to be approved by stockholders, a quorum must be present. The holders of a majority of the shares of the Common Stock entitled to vote, present in person or represented by proxy at the meeting, will constitute a quorum. Abstentions and broker non-votes will be counted for purposes of determining a quorum. Shares in excess of the Limit, however, will not be considered present for purposes of determining a quorum. Directors will be elected by a plurality of the votes cast. The approvals of the Say on Pay Vote, the Omnibus Incentive Plan Proposal and the Independent Auditor Proposal each require the affirmative vote of a majority of the votes cast on the matter. On the Say on Pay Frequency Vote, the choice receiving the greatest number of votes – one year, two years or three years – will be the frequency that stockholders will be deemed to have approved.

With regard to the election of directors, votes may be cast in favor or withheld. Votes that are withheld and broker non-votes will be excluded entirely from the vote and will have no effect on the election of directors. With regard to the Say on Pay Vote, the Omnibus Incentive Plan Proposal, and the Independent Auditor Proposal, stockholders may vote for or against these proposals or abstain from voting on these proposals. In determining the percentage of shares that have been affirmatively voted on the Say on Pay Vote, the Omnibus Incentive Plan Proposal and the Independent Auditor Proposal, the affirmative votes will be measured against the aggregate votes for and against each proposal. Thus, abstentions and broker non-votes will have no effect on the Say on Pay Vote, the Omnibus Incentive Plan Proposal or the Independent Auditor Proposal. With regard to the Say on Pay Frequency Vote, stockholders may vote for a frequency of one year, two years or three years or abstain from voting on this proposal. Abstentions and broker non-votes will have no effect on the Say on Pay Frequency Vote.

All shares of Common Stock represented at the Annual Meeting by proxies solicited hereunder will be voted in accordance with the specifications made by the stockholders executing the proxies. If a properly executed and unrevoked proxy solicited hereunder does not specify how the shares represented thereby are to be voted, the shares will be voted FOR the election as directors of the persons named in this proxy statement, FOR the Say on Pay Vote, for a frequency of every ONE YEAR on the Say on Pay Frequency Vote, FOR the Omnibus Incentive Plan Proposal and FOR the Independent Auditor Proposal, and in accordance with the discretion of the persons appointed proxy for the shares upon any other matters as may properly come before the Annual Meeting.

PROPOSAL I. ELECTION OF DIRECTORS

The number of directors constituting Bancorp's Board of Directors is currently nine. Bancorp's Board is divided into three classes. The term of office of one class of directors expires each year in rotation so that the class up for election at each annual meeting of stockholders serves for a three-year term. The terms of three of the present directors are expiring at the Annual Meeting.

Each director elected at the Annual Meeting will hold office for a three-year term expiring in 2021, or until his or her successor is elected and qualified. We expect that the other directors will continue in office for the remainder of their terms. The nominees for director have indicated that they are willing and able to serve as director if elected and have consented to being named as nominees in this proxy statement. If the nominees should for any reason become unavailable for election, it is intended that the proxies will be voted for the substitute nominees as shall be designated by the present Board of Directors, upon the recommendation of the Nominating Committee, unless the proxies direct otherwise.

Director Independence

The Board of Directors of Bancorp has determined that Directors Ausburn, Carlson, Frazier, Hart, Pitt and Steinert are "independent directors," as that term is defined in Rule 5605 of the Listing Rules of the NASDAQ Stock Market. These directors constitute a majority of the Board.

Board Leadership Structure and Board's Role in Risk Oversight

Leadership Structure. The positions of Chairman of the Board and Chief Executive Officer of the Company are currently held by two persons, with Mr. W. Turner serving as Chairman and Mr. J. Turner serving as Chief Executive Officer. This structure has been in place since 2000, when, as part of a leadership transition, Mr. J. Turner was promoted to Chief Executive Officer and Mr. W. Turner, who had served as Chairman and Chief Executive Officer since 1974, continued as Chairman in an executive capacity. Although Mr. J. Turner has subsequently assumed increased responsibilities from Mr. W. Turner, the Board believes that the separation of the Chairman and Chief Executive Officer positions remains appropriate, as this allows Mr. J. Turner to better focus on his primary responsibilities of overseeing the implementation of our strategic plans and daily consolidated operations, while allowing Mr. W. Turner to lead the Board in its fundamental role of oversight of management.

Role in Risk Oversight. Risk is inherent with the operation of every financial institution, and how well an institution manages risk can ultimately determine its success. We face a number of risks, including but not limited to credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks we face, while the Board has ultimate responsibility for the oversight of risk management. The Board believes that risk management, including setting appropriate risk limits and monitoring mechanisms, is an integral component and cannot be separated from strategic planning, annual operating planning, and daily management of the Company. Consistent with this approach as well as based on the belief that certain risks require an oversight focus that a Board committee can better provide, the Board integrated the oversight of certain risk areas (internal control, financial reporting and compliance; and compensation and incentive programs) with the Audit Committee and Compensation Committee, respectively. These committees regularly provide reports of their activities and recommendations to the full Board. The Board directly oversees all other material risks, including interest rate risk, credit risk, liquidity and capital adequacy. In support of those activities, members of senior management regularly attend meetings of the Board to report to the Board on the primary areas of risk facing the Company and to respond to any questions or concerns raised by the directors.

DIRECTORS MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Meetings of the Board and Committees of the Board

The Board of Directors of Bancorp meets monthly and may have additional special meetings upon the request of one third of the directors then in office (rounded up to the nearest whole number) or upon the request of the President. The Board of Directors of Bancorp is authorized to appoint various committees and has formed the Audit Committee, the Compensation Committee, the Stock Option Committee and the Nominating Committee. The Board of Directors of Bancorp has not formed any other committees. The Board of Directors of Bancorp held 18 meetings during fiscal 2017. During fiscal 2017, each of the directors of Bancorp attended 75% or more of the aggregate of (i) the total number of meetings of the Board of Directors of Bancorp and (ii) the total number of meetings held by all committees of the Board of Directors of Bancorp on which the director served, in each case during the period in which he or she served, other than William E. Barclay, who retired as a director of Bancorp in May 2017 but remains a director of Great Southern. Mr. Barclay attended 57% of the Bancorp Board of Directors meetings held in 2017 during the period in which he served on that Board; Mr. Barclay did not serve on any committees of Bancorp's Board of Directors during that period. The missed meetings by Mr. Barclay were for health-related reasons.

The Audit Committee is currently comprised of Directors Ausburn, Carlson, Frazier, Hart, Pitt and Steinert. Each member of the Audit Committee is "independent," as independence for audit committee members is defined in the Listing Rules of the NASDAQ Stock Market. The Board of Directors of Bancorp has determined that Director Steinert is an "audit committee financial expert," as defined in the SEC's rules. The Audit Committee held 10 meetings during fiscal 2017.

The Audit Committee operates under a written charter adopted by Bancorp's Board of Directors, a copy of which is available on our website, at www.greatsouthernbank.com, by clicking "Investor Relations" and then "Corporate Governance." The Audit Committee is appointed by Bancorp's Board of Directors to provide assistance to the Board in fulfilling its oversight responsibility relating to the integrity of our consolidated financial statements and the financial reporting processes, the systems of internal accounting and financial controls, compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, the performance of our internal audit function and independent registered public accounting firm and any other areas of potential financial risks as may be specified by the Board. The Audit Committee also is responsible for hiring, retaining and terminating Bancorp's independent registered public accounting firm.

Audit Committee Report. The Audit Committee Report included herein shall not be incorporated by reference into any filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, both as amended, notwithstanding the incorporation by reference of this proxy statement into any such filings. The Audit Committee of the Board of Directors of Bancorp has issued the following report with respect to the audited financial statements of Bancorp for the fiscal year ended December 31, 2017:

The Audit Committee has reviewed and discussed with management Bancorp's fiscal 2017 audited financial statements;

The Audit Committee has discussed with Bancorp's independent registered public accounting firm (BKD, LLP) the matters required to be discussed by PCAOB Auditing Standard No. 16;

The Audit Committee has received the written disclosures and letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the firm's communications with the Audit Committee concerning independence and has discussed with the independent registered public accounting firm their independence; and

Based on the review and discussions referred to in the items above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Bancorp's Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

The Compensation Committee is currently comprised of Ausburn, Carlson, Frazier, Hart, Pitt and Steinert. The Compensation Committee consists solely of independent directors.

The Compensation Committee is responsible for reviewing and evaluating executive compensation and administering our compensation and benefit programs. The Compensation Committee also is responsible for:

reviewing from time to time our compensation plans and, if the Committee believes it to be appropriate, recommending that the Board amend these plans or adopt new plans;

annually reviewing and approving corporate goals and objectives relevant to our Chief Executive Officer's compensation, evaluating the Chief Executive Officer's performance in light of these goals and objectives and recommending to the Board the Chief Executive Officer's compensation level based on this evaluation; overseeing the evaluation of our management, and recommending to the Board the compensation for our executive officers and other key members of management; recommending to the Board the appropriate level of compensation and the appropriate mix of cash and equity compensation for directors; administering any benefit plan which the Board has determined should be administered by the Committee; and reviewing, monitoring and reporting to the Board, at least annually, on management development efforts to ensure a pool of candidates for adequate and orderly management succession.

The Compensation Committee operates under a formal written charter, a copy of which is available on our website, at www.greatsouthernbank.com, by clicking "Investor Relations" and then "Corporate Governance." The members of the Compensation Committee are "independent directors," as that term is defined in the Listing Rules of the NASDAQ Stock Market. During 2017, the Compensation Committee met once.

The charter of the Compensation Committee does not specifically provide for delegation of any of the authorities or responsibilities of the committee. In setting the compensation of executive officers other than the Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer.

The Stock Option Committee is currently comprised of Directors Ausburn, Frazier, Hart and Pitt. The Stock Option Committee consists solely of independent directors. The Stock Option Committee generally meets at least once per year (usually late in the third quarter or early in the fourth quarter) to consider stock option grants to officers and at other times during the year as necessary to consider proposals for the granting of stock options to employees. The Stock Option Committee met five times during 2017.

The current members of the Nominating Committee are Directors Ausburn, Carlson, Frazier, Hart, Pitt and Steinert. The Nominating Committee consists solely of independent directors. The Nominating Committee met four times during 2017.

The Nominating Committee is responsible for identifying and recommending director candidates to serve on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the recommendation of the Nominating Committee. The Nominating Committee also is responsible for:

recommending to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;

recommending candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in Bancorp's charter and bylaws relating to the nomination or appointment of directors, based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable organizations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to Bancorp's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole. Although we do not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Board seeks candidates who further its objective of having a Board that encompasses a broad range of talents and expertise and that reflects a diversity of background, experience and viewpoints;

reviewing nominations submitted by stockholders, which have been addressed to the Corporate Secretary, and which comply with the requirements of Bancorp's charter and bylaws. Nominations from stockholders will be considered and evaluated using the same criteria as all other nominations;

annually recommending to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary; and

performing any other duties or responsibilities expressly delegated to the Committee by the Board.

Pursuant to Bancorp's bylaws, nominations for directors by stockholders must be made in writing and delivered to the Secretary of Bancorp no earlier than 120 days prior to the meeting date and no later than 90 days prior to the meeting date. If, however, less than 100 days' notice of the date of the meeting is given or made to stockholders by public notice or mail, nominations must be received by Bancorp not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed or public announcement of the date of the meeting was first made. In addition to meeting the applicable deadline, nominations must be accompanied by certain information specified in Bancorp's bylaws.

The Nominating Committee operates under a formal written charter, a copy of which is available on our website, at www.greatsouthernbank.com, by clicking "Investor Relations" and then "Corporate Governance."

Stockholder Communications with Directors

Stockholders may communicate with Bancorp's Board of Directors by writing to: William V. Turner, Chairman of the Board, Great Southern Bancorp, Inc., 1451 E. Battlefield, Springfield, Missouri 65804.

Board Member Attendance at Annual Stockholder Meetings

Although we do not have a formal policy regarding director attendance at annual stockholder meetings, directors are expected to attend these meetings absent extenuating circumstances. Every current director of Bancorp (who was also a director as of last year's annual meeting) attended last year's annual meeting of stockholders.

Directors' Compensation

For 2017, directors of Bancorp received a monthly fee of \$1,000 for each Board meeting attended, which was the only compensation paid to directors by Bancorp, except for stock options which may be granted in the discretion of the Board of Directors. Directors of Great Southern received a monthly fee of \$3,000 for each regular Board meeting attended. In 2017, the directors of Bancorp and the directors of Great Southern were the same individuals, except for Mr. Barclay, who retired as a director of Bancorp in 2017 but remains a director of Great Southern. Ms. Brown, who serves on Great Southern's Compliance Committee, receives a fee of \$300 for each meeting of that committee that she attends. The directors of Bancorp serving on the Audit Committee are paid a fee of \$300 per meeting attended, except for the Chairman of the Audit Committee, who is paid a fee of \$350 per meeting attended. The directors of Bancorp and its subsidiaries are not reimbursed for their costs incurred in attending Board and Board committee meetings.

The following table sets forth certain information regarding the compensation earned by or awarded to each director, who is not also a named executive officer, who served on Bancorp's Board of Directors in 2017. Compensation paid to Messrs. W. and J. Turner for their service as directors is reflected in the Summary Compensation Table under the "Salary" Column.

Name	Fees Earned or Paid in			Total (\$)

An option to purchase 2,000 shares of the Company's common stock was awarded during 2017 to each of the non-employee directors named in the table, and an additional option to purchase 5,000 shares was awarded during 2017 to each of Mr. Ausburn and Ms. Hart. The amount in the table reflects the grant date fair value of each award determined in accordance with Accounting Standards Codification Topic 718, Compensation-Stock Compensation ("ASC Topic 718") using the Black-Scholes option-pricing model. The assumptions used in the Black-Scholes (1) option-pricing model to calculate the grant date fair value of these awards are included in Note 21 of the Notes to Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended December 31, 2017 filed with the SEC. As of December 31, 2017, total shares underlying stock options held by such directors were as follows: Mr. Ausburn – 7,000 shares, Mr. Barclay – 9,000 shares, Ms. Brown – 7,750 shares, Mr. Carlson – 9,000 shares, Mr. Frazier – 9,000 shares, Ms. Hart – 7,000 shares, Mr. Pitt – 9,000 shares and Mr. Steinert - 6,500 shares.

(2) Mr. Ausburn and Ms. Hart were first appointed directors of Bancorp and Great Southern effective March 1, 2017.

(3) Mr. Barclay retired as a director of Bancorp in May 2017 but remains a director of Great Southern.

Transactions with Certain Related Persons

The charter of the Audit Committee of Bancorp's Board of Directors provides that the Audit Committee is to review and approve all related party transactions (defined as transactions requiring disclosure under Item 404 of SEC Regulation S-K) on a regular basis.

Loans to Directors and Executive Officers. Great Southern, like many financial institutions, has from time to time extended loans to its officers, directors and employees, generally for the financing of their personal residences, at favorable interest rates. Generally, residential first mortgage loans and home equity lines of credit have been granted at interest rates equal to Great Southern's cost of funds. Residential first mortgage loans are subject to annual adjustments while home equity lines of credit are subject to monthly adjustments. Other than the interest rate, these loans have been made in the ordinary course of business, on substantially the same terms and collateral as those of comparable transactions prevailing at the time, and, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features. All loans by Great Southern to its directors and executive officers are subject to regulations restricting loans and other transactions with affiliated persons of Great Southern. Great Southern may also grant loans to officers, directors and employees, their related interests and their immediate family members in the ordinary course of business on substantially the same terms, including interest rates

and collateral, as those prevailing at the time for comparable transactions with other persons which, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features.

No directors, executive officers or their affiliates had aggregate indebtedness to Great Southern on below market rate loans exceeding \$120,000, or a combination of outstanding indebtedness to and credit availability from Great Southern exceeding \$120,000 at below market rates, at any time since January 1, 2017 except as noted below.

The estimated average market rates of interest for 2017 as shown in the table above are based on the interest rate index and margin for each loan that would have been used if Great Southern's cost of funds was not used. Interest rate reset dates were factored into the index rates used. The estimated difference in interest from actual rate amounts to average market rate amounts shown in the table above represent the difference in interest actually paid during 2017 and interest that would have been paid if the estimated market rates of interest for 2017 were charged.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In this section, we provide an overview and analysis of our compensation programs, the material compensation policy decisions we have made under those programs, and the material factors that we considered in making those decisions. Following this section, you will find a series of tables containing specific information about compensation paid or payable to the following individuals, whom we refer to as our "named executive officers":

- William V. Turner, Chairman of the Board of Directors of Bancorp and Great Southern;
- Joseph W. Turner, President and Chief Executive Officer of Bancorp and Great Southern;
- Rex A. Copeland, Treasurer of Bancorp and Senior Vice President and Chief Financial Officer of Great Southern;
- Kevin L. Baker, Vice President and Chief Credit Officer of Great Southern; and
- John M. Bugh, Vice President and Chief Lending Officer of Great Southern.

The discussion below is intended to help you understand the detailed information provided in those tables and put that information into context within our overall compensation program.

Compensation Philosophy and Objectives

The Compensation Committee (the "Committee") of Bancorp's Board of Directors, which consists solely of independent directors, administers our compensation and benefit programs and determines the compensation of our senior management. The Committee is responsible for setting and administering the policies which govern executive compensation. The Committee has focused its evaluation of executive compensation on operating performance and the creation of stockholder value, with the intent of meeting the following objectives:

- maintain the financial strength, safety and soundness of Bancorp and Great Southern;
- reward and retain key personnel by compensating them at the middle to upper levels of compensation for comparable financial institutions;
- focus management on long term goals through long-term incentives;
- provide fair, reasonable and competitive base salaries;
- provide the opportunity to earn additional compensation if Bancorp's stockholders experience long-term increases in the value of Bancorp stock;
- emphasize long-term stock ownership of Bancorp stock by executive officers; and
- properly align risk-taking and compensation.

While the primary components of our compensation program have been base salary, annual incentive bonus and long-term incentives in the form of stock options, the Committee also takes into account the full compensation package provided to the individual, including pension benefits, termination agreements, insurance, perquisites and other benefits. In structuring Mr. J. Turner's base salary for 2018, the Committee reviewed several surveys of base salaries paid to the chief executive officers of groups of financial institutions comparable to us in size and performance on a nationwide basis and based in the Midwest region. Specifically, the Committee considered the following information:

- surveys prepared by SNL Financial of the average base salary paid to chief executive officers at banks and thrifts
- (i) with total assets of between \$1.0 billion and \$5.0 billion (A) on a nationwide basis (\$466,061), (B) for the Midwest region (\$452,369) and (C) on a nationwide basis limited to institutions with a return on average equity of 10.00% to 12.49% (\$467,677), with the average of the amounts in (A) – (C) being \$462,036;
 - a survey prepared by McLagan Aon Hewitt of the base salaries paid to chief executive officers at regional and
 - (ii) community banks nationwide with total assets between \$3.0 billion and \$8.0 billion, the average of which was \$607,300;
 - surveys prepared by Compdata Surveys of the average base salary paid to chief executive officers at banks and other financial services organizations nationwide with (A) total assets of between \$1.0 billion and \$9.9 billion
 - (iii) (\$515,900), (B) with a total number of full-time equivalent employees of between 1,000 and 4,999 (\$751,000), (C) Midwest Region (\$480,300) and (D) commercial banks (\$487,900), with the average of (A) – (D) being \$558,775;
 - surveys prepared by Crowe Horwath of the average base salary paid to chief executive officers at banks and other
 - (iv) financial services organizations (A) on a nationwide basis (\$268,599), (B) with total assets \$1.0 billion to \$5.0 billion (\$452,159) and (C) with headquarters located in a population greater than 100,000 (\$347,214), with the average of (A) – (C) being \$355,991.

Mr. J. Turner's base salary of \$368,985 for both 2017 and 2018 were below the average chief executive officer base salary in each of the surveys noted above, except for survey (iv).

Base Salaries

We provide the opportunity for our named executive officers and other executives to earn a competitive annual base salary. We do so in order to attract and retain an appropriate caliber of talent for the position, and to provide a base wage that is not subject to our performance risk. Our base salary levels reflect a combination of factors, including competitive pay levels, the executive's experience and tenure, our overall annual strategic plan for salary increases, the executive's individual performance, and changes in responsibility. We review salary levels annually to recognize these factors. We do not target base salary at any particular percentage of total compensation.

Each of Messrs. W. and J. Turner has an employment agreement with Bancorp. These agreements provide that the annual base salaries payable to Messrs. W. and J. Turner may be reduced only as part of an overall program, implemented prior to a change in control, applied uniformly and equitably to all members of our senior management. Since 2005, in recognition of the increased responsibilities assumed by Mr. J. Turner and at Mr. W. Turner's suggestion, Mr. W. Turner's base annual salary has remained at \$200,000 and he has waived his right to receive the annual cash bonus provided for under his employment agreement (discussed below under "-Bonuses"). Mr. J. Turner was paid salary of \$368,985 for 2017 and his base salary remained at \$368,985 for 2018. During 2017, Messrs. Copeland, Baker and Bugh were paid salaries of \$328,387, \$305,938 and \$305,000, respectively. For 2018, the base salary amounts for Messrs. Copeland, Baker and Bugh increased to \$334,955, \$312,057 and \$311,100, respectively. In setting the base salaries of the executive officers other than Mr. W. Turner, the Committee takes into account the responsibilities of the position and the experience level of the individual executive, as well as our financial performance and the size and complexity of our operations. In structuring the base salaries for 2018 for Messrs. Copeland, Baker and Bugh, the Committee reviewed surveys of base salaries paid to the chief financial officers and chief credit and lending officers of groups of financial institutions comparable to us in size and performance on a nationwide basis and based in the Midwest region.

Bonuses

Under their employment agreements, Messrs. W. and J. Turner are each entitled to receive annual cash bonuses equal to one-half of one percent of Bancorp's pre-tax earnings. We believe that this provides an appropriate short-term incentive to increase our earnings, when coupled with the incentives Messrs. W. and J. Turner have through their substantial stock holdings to increase our earnings over the long term. Since 2005, Mr. W. Turner has waived

his right to this bonus, with the understanding that Mr. J. Turner's bonus, if any, may be increased by one-fourth of one percent of our pre-tax earnings. The Compensation Committee approved this arrangement in recognition of the additional responsibilities that Mr. J. Turner had assumed from Mr. W. Turner, and the fact that it would at the same time reduce by 25% the total cost to the Company for bonuses, if any, under the employment agreements. The amount of this bonus (\$463,936 for 2016 and \$527,412 for 2017) is included in the Summary Compensation Table below under the "Non-Equity Incentive Plan Compensation" column.

Under our 2017 Annual Incentive Bonus Plan, each of the named executive officers other than Messrs. W. and J. Turner (Messrs. Copeland, Baker and Bugh) could earn a cash bonus of up to 15.75% of base annual salary, with up to one-half of this bonus based on the achievement of targeted earnings per share and up to one-half of this bonus based on individual performance. Bonuses paid to the participating named executive officers under our 2017 Annual Incentive Bonus Plan are included in the Summary Compensation Table below under the "Non-Equity Incentive Plan Compensation" column. Because, as noted above, their bonus arrangements are set forth in previously negotiated employment agreements, Messrs. W. Turner and J. Turner do not participate in our Annual Incentive Bonus Plan and therefore are not subject to a cap on their bonus as a percentage of base salary.

The earnings per share component was based on actual quarterly earnings per share relative to targeted quarterly earnings per share, with each quarter receiving an equal weighting in determining that component. For the quarterly periods during 2017, the targeted and actual levels of earnings per share were as follows:

First Quarter 2017

Targeted EPS	Percentage received for EPS component
\$0.70	50%
0.74	75%
0.78	100%
0.82	110%

Earnings per share for the first quarter of 2017 calculated in accordance with accounting principles generally accepted in the United States ("GAAP") were \$0.81. No adjustment during this quarter was warranted, so this amount was used as the actual earnings per share for purposes of the bonus plan.

Second Quarter 2017

Targeted EPS	Percentage received for EPS component
\$0.74	50%
0.78	75%
0.82	100%
0.86	110%

Earnings per share for the second quarter of 2017 calculated in accordance with GAAP were \$1.14. The actual earnings per share used for purposes of the bonus plan was an adjusted (non-GAAP) measure of earnings per share of \$0.82, which reflected non-operational activity during the quarter resulting in adjustments of \$0.32 per share due to a gain associated with the early termination during the quarter of Great Southern Bank's loss-sharing agreements with the Federal Deposit Insurance Corporation (the "FDIC") in connection with one FDIC-assisted transaction.

Third Quarter 2017

Targeted EPS	Percentage received for EPS component
\$0.75	50%
0.79	75%
0.83	100%
0.87	110%

Earnings per share for the third quarter of 2017 calculated in accordance with GAAP were \$0.82. No adjustment during this quarter was warranted, so this amount was used as the actual earnings per share for purposes of the bonus plan.

Fourth Quarter 2017

Targeted EPS	Percentage received for EPS component
\$0.79	50%
0.84	75%
0.88	100%
0.92	110%

Earnings per share for the fourth quarter of 2017 calculated in accordance with GAAP were \$0.86. The actual earnings per share used for purposes of the bonus plan was an adjusted (non-GAAP) measure of earnings per share of \$0.89, which reflected non-operational activity during the quarter resulting in an adjustment of: (i) \$0.05 per share for a one-time compensation expense associated with the Company's decision to pay a special bonus to employees as a result of the tax reform legislation enacted in December 2017 and (ii) \$0.02 per share of reduced income tax expense associated with the Company's accounting entries required as a result of the tax reform legislation enacted in December 2017.

For the individual performance component of the bonuses paid to the named executive officers who participated in the 2017 Annual Incentive Bonus Plan (Rex A. Copeland, Kevin L. Baker and John M. Bugh), the factors considered included the following accomplishments during 2017 attributable to the efforts of these officers, in addition to recognition of their contributions to the Company's normal, day-to-day operations: Mr. Copeland – the successful negotiation of the termination of loss-sharing agreements with the FDIC for one of the Company's FDIC-assisted transactions; Mr. Baker – the size and complexity of the Company's loan portfolio in light of competitive market conditions, the level of new commercial loan origination volume and the overall level of credit quality of the portfolio; Mr. Bugh – the maintenance of growth in the size of the Company's loan portfolio in light of competitive market conditions, the level of new commercial loan origination volume, including the successful opening of a new commercial loan production office, and the overall level of credit quality of the portfolio. It was determined that Messrs. Copeland, Baker and Bugh each earned 93.3% of the individual performance component.

In addition to the bonus he earned under the 2017 Annual Incentive Bonus Plan, Mr. Bugh earned \$7,625 under a separate commercial lending bonus plan in which he participated prior to becoming an executive officer in July 2017. This additional bonus was based on the level of new commercial loan origination volume and the overall level of credit quality of the portfolio.

Stock Options

Stock options have been an integral part of our executive compensation program. They are intended to encourage ownership and retention of Bancorp's stock by key employees as well as non-employee members of the Board of Directors. Through stock options, the objective of aligning key employees' long-term interests with those of stockholders may be met by providing key employees with the opportunity to build, through the achievement of corporate goals, a meaningful stake in Bancorp. In fiscal 2013, Bancorp's stockholders approved the 2013 Equity Incentive Plan. Upon approval of the 2013 plan by stockholders, Bancorp's Board of Directors froze the 2003 Stock

Option and Incentive Plan, which means that no new grants of awards will be made under that plan, but outstanding awards under the plan were not affected. The Stock Option Committee considers additional options each year as needed to attract and retain employees. These grants typically have been made late in the third quarter or early in the fourth quarter of each year, though the Stock Option Committee retains discretion to grant options at any time during the year. Our senior management group provides recommendations to the Committee for option grants for rank and file employees. Mr. J. Turner provides recommendations to the Committee for grants to members of the senior management group other than himself. All options granted by the Committee are subject to ratification by the Board of Directors, which typically occurs on the same day as the Committee approval. We do not coordinate the timing of stock option grants with the release of material non-public information. Option grants made during 2017 to the named executive officers are included in the Grants of Plan-Based Awards table.

As required by plan, stock options have an exercise price that is equal to no less than the market value of Bancorp's common stock on the date of grant, which is the date on which the Board of Directors ratifies the approval of the grant by the Stock Option Committee. To provide an incentive for a sustained increase in the value of our common stock, stock options granted to employees typically do not begin vesting until the second anniversary of the grant date, with 25% of the option vesting on that second anniversary date and 25% vesting on each anniversary date thereafter through the fifth anniversary date.

The 2013 Stock Option and Incentive Plan authorizes the granting of restricted stock in addition to stock options. Although no shares of restricted stock have been granted to date under the 2013 plan, the Committee and the Board may consider the utilization of restricted stock awards in the future.

At the Annual Meeting, stockholders will be asked to approve the 2018 Omnibus Incentive Plan, which would, as does the 2013 Stock Option and Incentive Plan, permit the granting of stock options, stock appreciation rights and restricted stock awards, as well as restricted stock units, performance shares and performance units. If the 2018 Omnibus Incentive Plan is approved at the Annual Meeting, then no future awards will be made under the 2013 Stock Option and Incentive Plan. See "Proposal IV. Approval of the 2018 Omnibus Incentive Plan."

Retirement and Other Benefits

We participate in a multi-employer defined benefit pension plan covering all employees who have met minimum service requirements. Effective July 1, 2006, this plan was closed to new participants. Employees already in the plan will continue to accrue benefits. For information regarding benefits payable under this plan to the named executive officers, see "Pension Benefits."

We have a defined contribution retirement plan covering substantially all of our employees. During 2017, we matched 100% of the employee's contribution on the first 3% of the employee's compensation, and also matched 50% of the employee's contribution on the next 2% of the employee's compensation. Our matching contributions for 2017 under this plan to the named executive officers are reflected in the Summary Compensation Table under the "All Other Compensation" column.

In addition to the basic term life insurance coverage maintained for nearly all employees (providing a maximum death benefit of \$60,000), Great Southern maintains supplemental life insurance coverage for all personnel with an "officer" designation, which provides an additional death benefit of \$175,000. Each named executive officer has supplemental life insurance coverage of \$175,000, other than Mr. W. Turner whose coverage has been age-adjusted to \$87,500, and each named executive officer other than Mr. W. Turner (who does not have the basic term life insurance benefit) has the maximum coverage (\$60,000) under the basic term life insurance benefit. Premiums paid on behalf of the named executive officers are reflected in the Summary Compensation Table under the "All Other Compensation" column. As part of its health insurance coverage, Great Southern also provides long-term disability coverage to all employees generally. Each of the named executive officers other than Mr. W. Turner (who does not participate in Great Southern's health insurance plan) is entitled to the maximum long-term disability benefit of \$10,000 per month.

Perquisites and Other Personal Benefits

We provide the named executive officers with perquisites and other personal benefits that we and the Committee believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

Payments Upon Termination or Change in Control

Each of Messrs. W. and J. Turner has an employment agreement with Bancorp that provides for certain payments and benefits if their employment is terminated under certain scenarios, including, but not limited to, within the 12 months preceding, at the time of or within 24 months after a change in control. See "Employment Agreements." These employment agreements thus require a "double trigger" in order for any payments or benefits under the agreements to be provided to Messrs. W. or J. Turner in connection with or following a change in control - in other words, both a change in control and an involuntary termination of employment (which includes a voluntary termination by the executive following a material reduction in his duties, responsibilities or benefits) must occur. The purpose of providing the change in control payments and benefits is to attract and retain top level executives of the highest caliber and mitigate the risk to these executives that their employment will be involuntarily terminated in the event we are acquired. At the same time, the mere sale of our company will not automatically trigger a payout, as our intention is to induce the executive to remain employed following a change in control so long as the acquiring company so desires without a material reduction in the executive's duties, responsibilities or benefits. Each of the employment agreements with Messrs. W. and J. Turner contains a tax gross up provision which provides generally that if the executive receives payments or benefits in connection with a change in control, then to the extent such payments or benefits constitute "excess parachute payments" under Section 280G of the Internal Revenue Code, he generally will be paid an additional amount (referred to as a "gross up payment") that will offset, on an after tax basis, the effect of any excise tax consequently imposed on him under Section 4999 of the Internal Revenue Code. The effects of Section 4999 generally are unpredictable and can have widely divergent and unexpected effects based on an executive's personal compensation history. Therefore, to provide an equal level of benefit without regard to the effects of the excise tax, we determined that Section 4999 gross up payments are appropriate for Messrs. W. and J. Turner.

We do not have employment or severance agreements with any of our other named executive officers. To mitigate the risk of loss of benefits to these officers if a change in control occurs, their unvested stock options (like the unvested stock options of all other employees) will vest in full upon a change in control.

Tax Considerations

As in effect during 2017 and prior years, Section 162(m) of the Internal Revenue Code of 1986, as amended, generally eliminated the deductibility of compensation over \$1 million paid to the principal executive officer and certain highly compensated executive officers of publicly held corporations, excluding certain qualified performance-based compensation. Stock options, which are the only form of equity-based award currently provided to our executive officers, automatically constituted qualified performance-based compensation, provided that certain plan content and grant procedure requirements were met. Effective for 2018 and future years, H.R. 1, originally known as the "Tax Cut and Jobs Act," amended Section 162(m) to provide that qualified performance-based compensation will be subject to the \$1 million deduction limit, subject to grandfathering of amounts payable under certain agreements in effect on November 2, 2017.

Role of Executive Officers in Determining Compensation

Our Chief Executive Officer, Mr. J. Turner, makes recommendations to the Committee regarding compensation for executive officers other than himself. These recommendations are taken under advisement by the Committee, which may decide to provide compensation in amounts greater or lesser than the amounts recommended by Mr. J. Turner. For 2016, the compensation paid to the executive officers other than Mr. J. Turner was generally consistent with Mr. J. Turner's recommendations. Mr. J. Turner is not involved with any aspect of determining his own compensation; nor is his sister, Ms. Turner Brown. Mr. W. Turner is not involved with any aspect of the determining the compensation of Mr. J. Turner, other than waiving Mr. W. Turner's right to receive a bonus under Mr. W. Turner's employment agreement with the understanding that Mr. J. Turner's bonus, if any, may be increased by one-fourth of one percent of our pre-tax earnings. See "—Bonuses."

Director compensation is determined by the Company's Board of Directors. Other than Mr. W. Turner and Mr. J. Turner acting in their capacity as Board members, none of the Company's executive officers has any role in determining the amount of director compensation.

(1) For Messrs. W. and J. Turner, the 2017, 2016 and 2015 amounts in the table include directors' fees of \$48,000, \$42,000 and \$36,000, respectively.

(2) Represents the grant date fair value of the award determined in accordance with ASC Topic 718 using the Black-Scholes option-pricing model. The assumptions used in the Black-Scholes option-pricing model to calculate the grant date fair value of these awards are included in Note 21 of the Notes to Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended December 31, 2017 filed with the SEC.

(3) Represents incentive bonus awards earned for the years shown in the table. Mr. Bugh's incentive bonus award for 2017 also included \$7,625 earned under a separate commercial lending bonus plan prior to becoming an executive officer.

(4) Represents the changes during the years shown in the table in the actuarial present value of the named executive officer's accumulated benefit under Great Southern's multi-employer defined benefit pension plan. The assumptions used for this calculation were the same as those used for the calculation of the present value of accumulated benefit in the table under "Pension Benefits." For 2015, the actual change in pension value was \$0 for Mr. W. Turner and \$(18,000) for Mr. J. Turner. The negative amount for Mr. J. Turner is reflected as zero in the table per SEC rules. Mr. Bugh is not eligible for this benefit.

(5) For Messrs. W. Turner, J. Turner, Copeland and Bugh, the 2017 amounts in the table include the aggregate incremental cost to Bancorp of certain perquisites and other personal benefits provided to them, comprised of the following: for Mr. W. Turner, personal use of company vehicle, the payment of club dues, personal use of company aircraft and use of tickets to various local sporting events; Mr. J. Turner, personal use of company aircraft, the payment of club dues, payments of the costs of executive physicals, and use of tickets to various local sporting events; Mr. Copeland, the payment of club dues, fitness center benefit and use of tickets to various local sporting events; and for Mr. Bugh, the payment of club dues. SEC rules require that each perquisite or other personal benefit provided to a named executive officer that exceeds the greater of \$25,000 or 10% of the total amount of perquisites and other personal benefits for that officer be quantified. The only such perquisites or other personal benefits provided to Messrs. W. Turner and J. Turner during 2017 that are required to be quantified are the personal use of a company vehicle by Mr. W. Turner (\$54,258) and the personal use of a company aircraft by Mr. J. Turner (\$38,759). For Mr. Baker, the aggregate incremental cost to Bancorp of the perquisites and other personal benefits provided to him during 2017 was less than \$10,000; in accordance with the rules of the SEC, the amounts of these perquisites and other personal benefits are not included in the table. For Messrs. W. Turner, J. Turner, Copeland and Bugh, the amounts in the table for 2017 also include, and for Mr. Baker, the amounts in the table for 2017 are comprised of, the following: (a) company matching contributions under our

401(k) plan (Mr. W. Turner - \$10,800, Mr. J. Turner - \$10,800, Mr. Copeland - \$10,800, Mr. Baker - \$10,800 and Mr. Bugh - \$10,800); (b) life insurance premiums paid by Great Southern for the benefit of each named executive officer of \$231, except for Mr. W. Turner, whose premium was \$116; and (c) annual benefit payments under our pension plan to Mr. W. Turner - \$123,000.

(6) No compensation information is provided for Mr. Baker or Mr. Bugh for 2015 and 2016 because they were not named executive officers for those years.

William V. Turner	5,000	\$ 130,735

Kevin L. Baker	2,000	\$ 64,740

Pension Benefits

Great Southern participates in the Pentegra Financial Institutions Retirement Fund, a multi-employer comprehensive defined benefit pension plan. Effective July 1, 2006, this plan was closed to new participants. Employees already in the plan as of that date generally will continue to accrue benefits. Mr. W. Turner is no longer accruing additional benefits under the plan. A participant becomes fully vested after five years of service or upon attaining age 65 regardless of the number of years of service. The annual benefit for normal retirement (after attaining age 65) is calculated as follows:

$$[(2\% \times \text{years of service prior to 7/1/06} \times \text{"high-five average salary" through 6/30/06}) - (1\% \times \text{years of service prior to 7/1/06} \times \text{"high-five average salary" through 6/30/06})] + (1\% \times \text{years of service before and after 7/1/06} \times \text{"high-five average salary" before and after 7/1/06}) = \text{annual benefit}$$

The "high-five average salary" refers to the participant's average annual salary for the five consecutive years of highest salary. A participant retiring with 30 years of service (15 prior to 07/01/06 and 15 after 07/01/06) and a high-five average salary of \$40,000 (\$30,000 prior to July 1, 2006) would receive an annual benefit of \$16,500 computed as $((2\% \times 15 \times \$30,000) - (1\% \times 15 \times \$30,000) + (1\% \times 30 \times \$40,000))$; $\$9,000 - \$4,500 + \$12,000 = \$16,500$.

A participant becomes eligible for early retirement at age 45, in which case the benefit, otherwise payable beginning at age 65, is reduced by applying an early retirement factor based on his or her age when payments begin. The factor is determined by subtracting the following from 100%: 6% for each year between age 60 and 65, 4% for each year between age 55 and 60 and 3% for each year between age 45 and 55. If payments were to begin at age 55, the early retirement factor would be 50%. A participant taking early retirement at age 55 with 18 years of service and a high-five average salary of \$90,000 prior to July 1, 2006 and 12 years of service after July 1, 2006 and a high-five average salary of \$100,000 (\$90,000 before July 1, 2006) would receive an annual benefit of \$23,100 computed as $((2\% \times 18 \times \$90,000) - (1\% \times 18 \times \$90,000) + (1\% \times 30 \times \$100,000)) \times 50\%$. Each of Messrs. J. Turner, Copeland and Baker are currently eligible for early retirement under the pension plan.

The regular form of retirement benefit (whether normal or early) is guaranteed for the life of the participant, but not less than 120 monthly installments. If a retired participant dies before receiving 120 monthly installments, his or her beneficiary would be entitled to the present value of the unpaid installments in a lump sum (or in installments, at the election of the participant or his or her beneficiary). If a participant dies in active service after having become vested, his or her beneficiary is entitled to a lump sum death benefit equal to the present value of 120 monthly retirement benefit installments which would have been payable had the participant's retirement benefits commenced on the first day of the month after the month in which he or she died.

The benefit under the pension plan is subject to Internal Revenue Service annual compensation limits (generally \$270,000 for 2017 and \$275,000 for 2018).

The following table sets forth information regarding benefits payable to the named executive officers under the pension plan.

Name	Plan Name	Number of Years Credited Service (#)	Present Value of Accumulated Benefit (\$)	Payments During Last Fiscal Year (\$)
William V. Turner	Pentegra Retirement Fund	24	\$ 1,219,000	\$ 123,000
Joseph W. Turner	Pentegra Retirement Fund	25	997,000	---
Rex A. Copeland	Pentegra Retirement Fund	17	535,000	---
Kevin L. Baker	Pentegra Retirement Fund	12	278,000	---
John M. Bugh	Not eligible under the plan	---	---	---

The information contained in the table above was provided to us by Pentegra Retirement Services. The amounts shown for the present value of accumulated benefit were calculated by Pentegra Retirement Services assuming an age 65 retirement date, a discount rate of 3.60% and the RP-2014 Mortality table (with Scale MP-2017).

Employment Agreements

Effective October 1, 2002, Messrs. W. and J. Turner (the "Employees") entered into new employment agreements with Bancorp (the "Employment Agreements"). Each Employment Agreement is for a five-year term and provides for an extension of one year, in addition to the then-remaining term under the agreement, on each October 1st, as long as (1) Bancorp has not notified the Employee at least 90 days in advance that the term will not be extended further and (2) the Employee has not received an unsatisfactory performance review by the Board of Directors of Bancorp or Great Southern. Pursuant to the most recent extensions, the term of each Employment Agreement ends September 30, 2022. The Employment Agreements provide for annual base salaries as determined from time to time by the Compensation Committee of the Board of Directors, subject to reduction only as part of an overall program, implemented prior to a change in control (as defined in the Employment Agreements), applied uniformly and equitably to all members of senior management. The Employment Agreements also provide for participation in benefit plans and the receipt of fringe benefits to the same extent as the other executive officers of Bancorp and Great Southern and equitable participation in any performance-based and discretionary bonuses awarded to the executive officers of Bancorp and Great Southern. In addition, each Employee is entitled to an annual bonus equal to one-half of one percent of Bancorp's pre-tax earnings for the year; for every year since 2005, Mr. W. Turner has waived his right to receive this bonus.

Each Employment Agreement provides that if the Employee's employment is involuntarily terminated, then during the remaining term of the agreement he will be entitled to receive (1) on a monthly basis, 1/12th of his annual salary and 1/12th of the average annual amount of cash bonus and cash incentive compensation for the two full fiscal years preceding the date of termination, subject to reduction by the amount of the Employee's earned income from personal services during the applicable payout period; (2) substantially the same life and disability insurance coverage and health and dental benefits as he and his dependents and beneficiaries would have received if he had remained employed, subject to reduction to the extent he receives equivalent or better benefits from another employer (the "Post-Employment Group Health, Life and Disability Insurance Benefits"); and (3) if the involuntary termination occurs within the 12 months preceding, at the time of, or within 24 months after a change in control of Bancorp, a lump sum amount in cash equal to 299% of the Employee's "base amount" (as defined in Section 280G of the Internal Revenue Code).

The term "involuntary termination" is defined as termination of the Employee's employment by Bancorp or Great Southern (other than for cause, or due to death, disability or a prohibition by law from participating in the conduct of the affairs of a depository institution) without the Employee's consent or by the Employee following a material reduction of or interference with his duties, responsibilities or benefits without his consent. Each Employment

Agreement provides that to the extent the Employee receives any amounts or benefits, whether under the Employment Agreement or otherwise, that will constitute "excess parachute payments" under Section 280G of the

23

Internal Revenue Code and subject him to excise tax under Section 4999 of the Internal Revenue Code, he will be paid an additional amount that will offset the effect of any such excise tax.

Each Employment Agreement also provides that if the Employee dies while employed under the Employment Agreement, his estate or designated beneficiary will receive (1) the salary the Employee would have earned if he had remained employed through the 180th day after the date of his death; (2) the amounts of any benefits or awards which were earned with respect to the fiscal year in which the Employee died and the amount of any bonus or incentive compensation for that fiscal year, pro-rated in accordance with the portion of the fiscal year elapsed prior to his death; and (3) any unpaid deferred amounts described in the next paragraph.

Each Employment Agreement provides that to the extent the Employee's total compensation for any taxable year exceeds the greater of \$1,000,000 or the maximum amount of compensation deductible by the Company under Section 162(m) of the Internal Revenue Code (the greater of these two amounts referred to below as the "maximum allowable amount"), the excess amount must be deferred, with interest (at an annual rate equal to the Federal short-term rate under Section 1274(d)(1) of the Internal Revenue Code, determined as of the last day of the calendar year in which the Employee's compensation is first not deductible under Section 162(m) of the Internal Revenue Code) compounded annually, to a taxable year in which the amount to be paid to the Employee in that year (including deferred amounts and interest) does not exceed the maximum allowable amount.

Potential Payments Upon Termination of Employment

Messrs. W. and J. Turner. The following tables summarize the approximate value of the termination payments and benefits that Messrs. W. and J. Turner would have received if their employment had been terminated on December 31, 2017 under the circumstances shown. The tables also exclude (i) amounts accrued through December 31, 2017 that would be paid in the normal course of continued employment, such as accrued but unpaid salary and bonus amounts, (ii) vested account balances under Great Southern's 401(k) plan and (iii) vested account balances under our defined benefit pension plan, as described under "Pension Benefits."

(1) Represents the total salary and bonus continuation payments payable monthly to Mr. W. Turner under his employment agreement, as described under "Employment Agreements," for the remaining term of the agreement (i.e., through September 30, 2022, assuming Mr. W. Turner's employment were "involuntarily terminated" (as defined under "Employment Agreements") on December 31, 2017). The monthly payment amount would be \$16,667. While the employment agreement provides for a reduction in the monthly payment amount to the extent of any income earned from providing services to another company during the payout period, the monthly payment amount in the preceding sentence and the total amount of payments shown in the table assumes no such reduction.

(2) Although Mr. W. Turner's employment agreement provides that if his employment is involuntarily terminated, he will continue to receive through the remaining term of the agreement (i.e., through

September 30, 2022, assuming an involuntary termination on December 31, 2017), at the same premium cost to him, substantially the same life and disability insurance coverage and health and dental benefits as he would have received had he remained employed, Mr. Turner was not receiving any such benefits on December 31, 2017. Consequently, no such benefits would be provided to him following termination of his employment.

- (3) Represents the value of acceleration of unvested stock options, based on the closing price of Bancorp's common stock on December 31, 2017 (\$51.65) and the exercise prices of the options. All unvested options vest upon a change in control, regardless of whether Mr. W. Turner's employment is "involuntarily terminated."
- (4) Represents the lump sum amount payable to Mr. W. Turner under his employment agreement in the event his employment is "involuntarily terminated" within the 12 months preceding, at the time of or within 24 months after a change in control of Bancorp, as described under "Employment Agreements."
- (5) Represents tax gross up payment payable to Mr. W. Turner under his employment agreement.
- (6) Represents the amount of Mr. W. Turner's salary that he would have earned had he remained employed by Bancorp through the 180th day after the date of death, payable to Mr. W. Turner's estate or designated beneficiary in accordance with his employment agreement.
- (7) Represents the death benefit payable under the supplemental life insurance policy maintained for Mr. W. Turner and other officers.

Represents the approximate cost to Bancorp of providing the "Post-Employment Group Health, Life and Disability Insurance Benefits," described under "Employment Agreements," to which Mr. J. Turner would be entitled for the remaining term of his employment agreement (i.e., through September 30, 2022, assuming Mr. J. Turner's employment were terminated on December 31, 2017). Amount shown represents the aggregate share of the premium payments to be made by Bancorp, based on the monthly premium rates in effect on December 31, 2017. While the employment agreement provides for a reduction in these benefits to the extent Mr. J. Turner receives such benefits, on no less favorable terms, from another employer during the benefits continuation period, the amount shown in the table assumes no such reduction in benefits.

Messrs. Copeland, Baker and Bugh. None of Messrs. Copeland, Baker or Bugh has an employment or severance agreement with Bancorp or any of its subsidiaries. Each of Messrs. Copeland, Baker and Bugh held unvested stock options as of December 31, 2017, the vesting of which accelerates upon a change in control of Bancorp. If a change in control of Bancorp had occurred on December 31, 2017, the value that would have been realized by Messrs. Copeland, Baker and Bugh as a result of the accelerated vesting of these options (based on the closing price of Bancorp's common stock on December 31, 2017 (\$51.65) and the exercise prices of the options) are \$109,568, \$65,219 and \$52,020, respectively. Great Southern maintains supplemental life insurance for Messrs. Copeland, Baker and Bugh, along with other officers. If Messrs. Copeland, Baker and Bugh were to have died on December 31, 2017, the death benefit payable for each officer under the supplemental life insurance coverage would have been \$175,000. This is in addition to the term life insurance benefit generally available to all employees (which would have provided a death benefit of \$60,000 for each of Messrs. Copeland, Baker and Bugh).

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee is a current or former officer or employee of Bancorp or any of Bancorp's subsidiaries. None of our executive officers has served on the board of directors or the compensation committee of any other entity that had an executive officer serving on Bancorp's Board of Directors or on the Compensation Committee of Bancorp's Board of Directors.

CEO Pay Ratio

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and the SEC's implementing rules, we are providing the following information about the relationship of the compensation of our President and CEO, Joseph W. Turner, to the compensation of our median employee. The pay ratio set forth below is a reasonable estimate determined in a manner consistent with the SEC's rules.

For 2017, our last completed fiscal year:

- the annual total compensation of our median employee was \$28,552;
- the annual total compensation of our President and CEO was \$1,250,110; and
- the ratio of the annual total compensation of our President and CEO to the annual total compensation of our median employee was 44 to 1.

To identify our median employee, as well as to determine the annual total compensation of our median employee and our President and CEO, we took the following steps:

To identify the "median employee," we compared the amount of total cash earnings (base salary, bonus, paid time off and any other cash payments) during the year ended December 31, 2017 for each employee (other than our President and CEO) included in our payroll records as of December 31, 2017. Earnings were annualized for those employees who were not employed for the full year. Because there was an even number of employees in the population, we designated the employee with the lower level of compensation between the two middlemost employees as the median employee.

Once we identified our median employee, we combined all of the applicable elements of such employee's compensation for 2017 in accordance with the SEC's rules for reporting compensation in the Summary Compensation Table, and used the amount that would be reportable in the "Total" column of that table as such employee's annual total compensation.

With respect to the annual total compensation of our President and CEO, we used the amount reported in the "Total" column of our 2017 Summary Compensation Table included in this proxy statement.

PROPOSAL II. ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

We are required, like most other publicly held companies, to include a non-binding vote to approve the compensation of our executives in our proxy statement pursuant to the Dodd-Frank Act and the SEC's implementing rules, commonly known as a "say on pay" vote. A say on pay vote is required to be held no less often than every three years. We last held a say on pay vote at our annual meeting of stockholders in 2015.

The say on pay proposal at the Annual Meeting gives stockholders the opportunity to endorse or not endorse the compensation of the Company's named executive officers as disclosed in this proxy statement. The proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in the Company's proxy statement for the annual meeting pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby approved.

This vote will not be binding on Bancorp's Board of Directors and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. Nor will it affect any compensation paid or awarded to any executive. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The purpose of our compensation policies and procedures is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of stockholder value. The Board of Directors believes that our compensation policies and procedures achieve this objective, and therefore recommends that stockholders vote FOR this proposal.

PROPOSAL III. ADVISORY (NON-BINDING) VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Act, in addition to providing stockholders with the opportunity to cast an advisory vote on executive compensation, we are required this year to include in this proxy statement and present at the Annual Meeting a non-binding stockholder vote on whether an advisory vote on executive compensation should be held every year, every two years or every three years. At our 2012 annual meeting of stockholders, when we last held this frequency vote, our stockholders expressed a preference to hold a say on pay vote every three years.

After considering the practices by other companies in this area, the Board and Compensation Committee now believe that holding an advisory vote on executive compensation each year is the optimal interval for conducting and responding to a say on pay vote.

Stockholders have the opportunity to choose among four options (holding the advisory vote on executive compensation every year, every two years, every three years or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the Board's recommendation.

Although this advisory vote on the frequency of the say on pay vote is nonbinding, the Board and the Compensation Committee may take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

The Board of Directors recommends that stockholders vote for a say on pay frequency of every "ONE YEAR."

PROPOSAL IV. APPROVAL OF THE 2018 OMNIBUS INCENTIVE PLAN

Introduction

On February 21, 2018, based upon the recommendation of the Compensation Committee, our Board of Directors approved the Company's 2018 Omnibus Incentive Plan (the "2018 Plan"), subject to approval by the Company's stockholders at the Annual Meeting. The 2018 Plan will only become effective if it is approved by the Company's stockholders at the Annual Meeting.

The purpose of the 2018 Plan is to promote the long-term success, and enhance the long-term value, of the Company by linking the personal interests of employees and directors with those of the Company's stockholders. The 2018 Plan is further intended to provide flexibility to the Company in its ability to motivate, attract, and retain the services of employees and directors upon whose judgment, interest, and special effort the successful conduct of its operation largely is dependent, in a manner that does not expose the Company to imprudent risks and that is consistent with the long-term health of the Company.

We currently have one active equity-based incentive plan in effect, the Company's 2013 Equity Incentive Plan (the "Existing Plan"), which provide for awards to employees, officers and directors (including emeritus directors and advisory directors) of the Company and its subsidiaries of stock options, stock appreciation rights and restricted stock. If our stockholders approve the 2018 Plan, no further awards will be made under the Existing Plan, and shares of Common Stock reserved to make new awards under that plan will be released; shares of Common Stock reserved to fund issued and outstanding awards under the Existing Plan and our prior equity incentive plans will continue to be reserved for those awards. All awards outstanding under the Existing Plan and our prior equity incentive plans will remain outstanding in accordance with their terms and will continue to be governed solely by the terms of the documents evidencing such awards, and no provision of the 2018 Plan will be deemed to affect or otherwise modify the rights or obligations of the holders of such awards with respect to their acquisition of shares.

Reasons for Seeking Stockholder Approval of the 2018 Plan

We use equity compensation as a key tool for attracting, retaining and motivating the best available talent. Our stockholders have previously authorized a total of 700,000 shares of Common Stock for awards under the Existing Plan. As of March 20, 2018 (the latest practicable date prior to the mailing of this proxy statement), 656,907 shares were subject to outstanding awards under the Existing Plan and our prior equity incentive plans and 79,862 shares remained available for future awards under the Existing Plan. We believe approval of the 2018 Plan is critical to ensuring that we have adequate shares available to attract, retain and motivate top talent.

As previously stated, if stockholders approve the 2018 Plan, no further awards will be made under the Existing Plan and shares of Common Stock reserved to make new awards under the Existing Plan will be released.

Certain Considerations

Burn Rate: Longevity of Authorized Shares. Burn rate, which is a measure of the rate at which companies use (or burn) shares available for grant in their equity compensation plans, is an important factor for investors concerned about stockholder dilution. The burn rate is defined in terms of the gross number of equity awards granted during a

calendar year divided by the weighted average of number of shares of Common Stock outstanding during the year. We believe our current three-year average burn rate of 1.00% should be viewed favorably by our stockholders.

Although our future annual share usage will depend upon and be influenced by a number of factors, such as the number of plan participants, the price per share of our Common Stock and the methodology used to establish the equity award mix, the 800,000 shares of Common Stock reserved for issuance under the 2018 Plan will enable us to continue to utilize equity awards as an important component of our compensation program and help meet our objectives to attract, retain and incentivize talented personnel. The calculation of the share reserve took into account, among other things: (i) the effect the acquisitions over the previous seven years have had on our size and employee head count, (ii) our stock price and volatility, (iii) our share burn rate and overhang, (iv) the existing terms of our outstanding awards, and (v) our proposed fungible share rate of 2.5-for-1 for full value awards (stock-based awards other than stock options and stock appreciation rights) under the 2018 Plan. The results of this analysis were presented to our Compensation Committee for their consideration. In addition, we anticipate that the fungible share design will permit a more efficient and effective use of those shares for future equity awards. Upon approval of the proposal, based on the factors described above, we estimate that the pool of shares available under the 2018 Plan would last for approximately four to six years.

Plan Cost. Another metric often used by investors to assess the appropriateness of the number of shares to be authorized for issuance under an equity plan is the cost of the shares relative to the current outstanding shares of the Company. The 800,000 shares being requested will represent 5.7% of the approximately 14.1 million shares outstanding as of the date of this proxy statement. Although our current practice has been to grant a significant portion of the awards as options, to the extent we grant full value awards, the number of the additional shares which will actually be issued will be less, because each share issued under full value awards counts on a 2.5-for-1 basis against the number of shares authorized for issuance according to the plan. For example, this means that, for every 100 shares of restricted stock issued by us under the 2018 Plan, the number of shares available under the 2018 Plan will be reduced by 250 shares. We believe these facts should be viewed favorably by investors as they demonstrate that the cost of our 2018 Plan is reasonable.

Overhang. Overhang is another measure that is sometimes used to assess the dilutive impact of equity programs such as the 2018 Plan. Overhang indicates the amount by which existing stockholder ownership would be diluted if the shares authorized for issuance under our Existing Plan, coupled with the shares subject to outstanding awards under the Existing Plan and our prior equity incentive plans, were issued. As of March 20, 2018, the overhang represented by the number of outstanding awards plus shares available for issuance under the Existing Plan stood at 5.22%. The additional 800,000 shares to be authorized under the 2018 Plan (taking into account that no further grants will be made under the Existing Plan if stockholders approve the 2018 Plan) will result in an overhang of between 6.92% and 10.33%, depending on the mix of awards. We believe these levels of overhang should not be viewed as excessive by investors.

The following description sets forth the material terms of the 2018 Plan. It does not purport to be complete and is qualified in its entirety by reference to the full text of the 2018 Plan, a copy of which is attached to this proxy statement as Appendix A.

Corporate Governance Practices

The 2018 Plan incorporates the following provisions that enable us to maintain sound corporate governance practices in granting equity-based awards to employees and directors that we believe are consistent with the interests of stockholders, including:

Limit on Shares Authorized: Based on our current three-year average burn rate, we believe that the shares authorized for issuance under the 2018 Plan would be sufficient to make awards for four to six years following approval of the 2018 Plan by stockholders.

Limit on Shares Issued for Full Value Awards: The 2018 Plan limits the number of shares which may be issued under full value awards (awards other than stock options and stock appreciation rights). Under the 2018 Plan, utilizing shares for full value awards has the effect of reducing the aggregate shares available

for issuance on a 2.5-for-1 basis. Although our past grant practices have been to award stock options, to the extent a portion of awards are full value awards (for example, time or performance-based restricted stock), the actual number of shares that will be issued will be less than the number of shares authorized for issuance. In the event all awards granted under the 2018 Plan are full value awards, then the actual number of shares to be issued will be 320,000.

Annual Limit on Director Awards: The 2018 Plan limits the number of shares of Common Stock that may be subject to awards to non-employee directors. Not more than 10,000 shares may be issuable under awards made to a non-employee director in any one calendar year.

No Liberal Share Recycling Provisions: The 2018 Plan provides that the following shares may not be added back (recycled) to the aggregate plan limit: (1) shares tendered in payment of the option exercise price; (2) shares withheld by the Company to satisfy tax withholding obligations; and (3) shares that are repurchased by the Company with proceeds from option exercises. The 2018 Plan expressly provides that the gross number of stock appreciation rights exercised or settled, in stock and not just the net shares issued upon exercise or settlement, count against the aggregate limit on the number of shares which may be issued under the 2018 Plan.

Minimum Vesting and Restricted Period: Not more than 5% of the shares authorized for issuance under the 2018 Plan may be issued with time-vested award schedules that fully vest in less than one year from the grant date (three years for the chief executive officer).

No Discount Stock Options or Stock Appreciation Rights: The 2018 Plan prohibits the grant of stock options or stock appreciation rights with an exercise or grant price less than the fair market value of the Common Stock on the date of grant. Fair market value is the closing price of the Common Stock on the date of grant.

No Repricing of Stock Options or Stock Appreciation Rights: The 2018 Plan prohibits the repricing of stock options and stock appreciation rights without stockholder approval. It also prohibits the exchange of underwater stock options or stock appreciation rights for cash or a different award without stockholder approval.

"Double-Trigger" Vesting on Change in Control: A change in control does not, by itself, trigger full vesting of awards under the 2018 Plan. The continuing awards or replacement awards will continue under their pre-change in control vesting and other terms, except that full vesting will occur in the event the participant's employment is involuntarily terminated within two years following a change in control (the occurrence of the "double trigger").

Protective Provisions: The 2018 Plan authorizes the Committee (as defined below under "-Administration of the 2018 Plan") to include clawback, holding period or other protective provisions in the terms of any award. Clawback provisions enable the Company to recover amounts which were paid or earned based upon financial statements or other metrics which subsequently prove to be erroneous. Holding period requirements mandate that participants retain earned shares in order to further link their interests to the long-term interests of the stockholders. Other protective provisions, such as conditioning an award upon the participant's consent to restrictive covenants, are additional ways through which participants' interests and those of the Company can be aligned.

No Dividend Equivalents Paid on Unvested Performance Awards or on Options and SARs: The 2018 Plan prohibits payment of dividends or dividend equivalents on performance share awards until those awards are earned and vested. It also prohibits the granting of dividends or dividend equivalents on Options and SARs.

Material Amendments to the Plan Require Stockholder Approval: The 2018 Plan provides that a material amendment to the plan will not be effective unless approved by the Company's stockholders.

Independent Committee Administration: The 2018 Plan is to be administered by a committee of the Company's board of directors comprised entirely of independent directors.

Awards, Shares Authorized and Limitations

The 2018 Plan provides for the grant to employees and directors of the Company and its subsidiaries (whom we refer to collectively as "participants") of the following types of awards:

- options to purchase shares of Common Stock, which may be either "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code (which we refer to as "incentive stock options") or non-statutory options which do not satisfy the provisions of Section 422 of the Internal Revenue Code (which we refer to as "non-qualified stock options") (incentive stock options and non-qualified stock options are together referred to as "stock options" or "options");
- stock appreciation rights;
- restricted stock and restricted stock units; and
- performance shares and performance units.

Subject to adjustment as described under "- Changes in Capitalization," the total number of shares available for awards under the 2018 Plan will be 800,000. Shares issued under the 2018 Plan may be either authorized but unissued shares, or shares that have been reacquired by the Company. Shares subject to awards which terminate, expire or lapse are again available for awards under the 2018 Plan. Awards that are not settled in shares will not be counted against the limit described above.

The 2018 Plan sets forth annual limits with respect to awards which may be granted to a participant. A participant may receive different types of awards during a calendar year. Under the 2018 Plan, subject to adjustment as described in "Changes in Capitalization," awards granted during a calendar year to any one participant are subject to the following limitations: (1) aggregate grants of stock options or stock appreciation rights are subject to an annual limit of 100,000 shares; (2) aggregate grants of restricted stock or restricted stock units are subject to an annual limit of 25,000 shares; and (3) aggregate grants of performance shares or performance units are subject to an annual limit of 25,000 shares. In addition, the aggregate number of shares that may be credited as director compensation and/or covered by awards to a non-employee director with respect to a calendar year is subject to an annual limit of 10,000 shares. The 2018 Plan provides that up to 750,000 of the shares available for award under the Plan may be issued as incentive stock options.

Changes in Capitalization

The 2018 Plan provides that in the event of any corporate event or transaction, including, but not limited to, a change in the shares of Common Stock or the capitalization of the Company, such as may result from a merger, consolidation, reorganization, recapitalization, separation, stock dividend, stock split, reverse stock split, split up, spin-off, or other distribution of stock or property of the Company, combination of shares, exchange of shares, dividend in kind, or other like change in capital structure or distribution, other than normal cash dividends, in order to prevent dilution or enlargement of participant rights under the 2018 Plan, the number of shares of Common Stock authorized for issuance, available for issuance or covered by any outstanding award and the exercise price or other per share amounts applicable to any such award, and the various limitations described above, will be adjusted. Fractional shares will not be issued under the 2018 Plan.

Eligibility

Any employee or director (including advisory and emeritus directors) of the Company or any of its subsidiaries is eligible to receive an award under the 2018 Plan. As of December 31, 2017, there were approximately 1,225 employees, including 290 part-time employees and eight non-employee directors of the Company and its subsidiaries.

Administration of the 2018 Plan

The 2018 Plan is administered by a committee (which we refer to in this section as the "Committee") of two or more members of the Company's board of directors, each of whom qualifies as (i) a "Non-Employee Director," as defined in Rule 16b-3 under the Securities Exchange Act of 1934, and (ii) an "Independent Director" under the Listing Rules of the NASDAQ Stock Market. Committee members serve at the discretion of the Company's board of directors and may be removed by the board at any time.

The Committee generally has full power to:

- determine the size and types of awards;
- determine the terms and conditions of awards in a manner consistent with the 2018 Plan;
- interpret the 2018 Plan and any agreement or instrument entered into under the 2018 Plan;
- establish, amend or waive rules and regulations for the administration of the 2018 Plan;
- amend or otherwise modify the 2018 Plan or the terms and conditions of any outstanding award under the 2018 Plan;
- make all other determinations which are necessary or advisable for the administration of the 2018 Plan; and
- delegate its authority under the 2018 Plan to the extent permitted by law, rule or regulation.

Duration and Modification

The 2018 Plan will remain in effect until terminated in accordance with its terms; however, no award may be made under the 2018 Plan on or after the tenth anniversary of its approval by the Company's stockholders. The Company's board of directors or the Committee generally may, at any time, terminate, amend or modify the 2018 Plan without approval of participants or the Company's stockholders. Stockholder approval must be obtained if it is required by law, rule or regulation. As a result, stockholder approval will generally be required for material amendments to the 2018 Plan, such as amendments to increase the number of shares which may be issued under awards. Additionally, the Company's board of directors, in its discretion, may voluntarily seek stockholder approval if it so desires.

No Repricing Without Stockholder Approval

Stock options and stock appreciation rights may not be repriced, replaced or regranted through cancellation, exchanged for cash or other awards or by lowering the exercise or grant price of a previously granted stock option or stock appreciation right (other than as described under "- Changes in Capitalization"), except with the approval of the Company's stockholders.

Stock Options

General. Stock options may be granted to employees and directors at any time and from time to time by the Committee. The Committee has broad discretion in determining the number of shares subject to options granted to each participant. Each option grant is evidenced by an option agreement that specifies the exercise price, the duration of the option, the number of shares to which the option pertains, the vesting schedule, and such other provisions as the Committee determines. In addition, the option agreement specifies whether the option was intended to be an incentive stock option or a non-qualified stock option. The exercise price must not be less than the fair market value of a share of Common Stock on the date of grant, provided that the exercise price of an incentive stock option granted to a holder of more than ten percent of the Common Stock must not be less than 110% of fair market value on the date of grant. The

duration of a stock option may not exceed ten years, provided that the duration of an incentive stock option granted to a holder of more than ten percent of the Common Stock may not exceed five years.

Stock Option Exercises. A participant may pay the exercise price of his or her option in cash, by delivering shares of Common Stock that he or she already owns having a total market value equal to the total exercise price, through a broker-assisted (cashless) exercise, by net settlement, or by a combination of cash and shares.

Exercising Options After Termination of Employment or Service. The termination of a participant's employment or service as a director affects his or her ability to exercise options granted under the 2018 Plan.

Termination of Service or Employment-General. Unless otherwise set forth in the participant's option agreement or as described below, if a participant's employment or service terminates, any portion of the participant's option which has not yet vested will be forfeited, unless the Committee decides to waive this forfeiture and allow the participant to exercise that portion (in addition to the already vested portion) of the option. Thereafter, unless otherwise provided in the participant's option agreement, the exercisable portion of the participant's option may be exercised for three months after the date of termination or until the expiration date of the option, whichever period is shorter. Unless otherwise set forth in the participant's option agreement, should the participant die during the shorter of these two periods, the participant's option may be exercised by the participant's designated beneficiary (or, if no beneficiary has been designated, by such person or persons who have acquired the participant's rights under the option by will or the laws of descent and distribution) for one year after the participant's death.

Termination Due to Death. Unless otherwise set forth in the participant's option agreement, if a participant's employment or service is terminated due to death, any unvested portion of the participant's option will immediately become exercisable and the option may be exercised by the participant's designated beneficiary (or, if no beneficiary has been designated, by such person or persons who have acquired the participant's rights under the option by will or the laws of descent and distribution) for one year after the participant's death.

Termination Due to Disability. Unless otherwise set forth in the participant's option agreement, if a participant's employment or service is terminated due to permanent and total disability, any unvested portion of the participant's option will immediately become exercisable and the option may be exercised for one year after the date of termination or until the expiration date of the option, whichever period is shorter. Unless otherwise set forth in the participant's option agreement, should the participant die during the shorter of these two periods, the participant's option may be exercised by the participant's designated beneficiary (or, if no beneficiary has been designated, by such person or persons who have acquired the participant's rights under the options by will or the laws of descent and distribution) for one year after the participant's death.

Termination Due to Cause. If a participant's employment or service is terminated for cause, all of his or her outstanding options under the 2018 Plan (regardless of vesting status) will immediately be forfeited.

Transferability. Except as otherwise permitted by the Internal Revenue Code or the regulations under the Internal Revenue Code, no incentive stock option may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than, upon the participant's death, to the participant's designated beneficiary or, if no beneficiary has been properly designated by the participant, by will or by the laws of descent and distribution. An incentive stock option may be transferred incident to a divorce (within the meaning of Section 1041 of the Internal Revenue Code) or pursuant to a qualified domestic relations order, but such a transfer will cause the incentive stock option to become a non-qualified stock option as of the day of the transfer. An incentive stock option may be transferred to a grantor trust under which the participant is considered the sole beneficial owner of the incentive stock option while it is held by the trust. No non-qualified stock option may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than (1) upon the participant's death, to the participant's designated beneficiary or, if no beneficiary has been properly designated by the participant, by will or by the laws of descent and distribution, (2) pursuant to a qualified domestic relations order, (3) to a grantor trust, or (4) if specified by the Committee in the participant's option agreement, by gift to any member of the participant's immediate family or to a trust for the benefit of the participant or one or more of the participant's immediate family members. For these purposes, a participant's "immediate family" means the participant, and the lineal ascendants and lineal descendants of the participant or his or her spouse, or any one or more of them. Unless transferred as permitted under the 2018 Plan, a stock option may be exercised during the participant's lifetime only by the participant.

Stock Appreciation Rights

The exercise of a stock appreciation right entitles its holder to receive in cash, shares of Common Stock or a combination of both (as determined by the Committee), an amount equal to (1) the difference between the fair market value of a share of Common Stock on the date of exercise over the grant (exercise) price, multiplied by (2) the number of shares with respect to which the stock appreciation right is exercised.

Stock appreciation rights may be granted to employees and directors at any time and from time to time as determined by the Committee. The Committee has broad discretion in establishing the terms of stock appreciation rights, including the number of shares subject to a particular award, conditions to exercising, grant price (which must be equal to at least 100% of the fair market value of a share of Common Stock on the date of grant) and duration of the award (which may not exceed ten years). A stock appreciation right may be related to a stock option or be granted independently of any option. In the case of a stock appreciation right that is related to a stock option, the exercise of one award will reduce, on a one-to-one basis, the number of shares covered by the other award. The plan provisions on exercising stock appreciation rights after termination of employment or service and transferability of stock appreciation rights are essentially the same as those applicable to stock options.

Restricted Stock and Restricted Stock Units

General. Shares of restricted stock and restricted stock units may be granted to employees and directors at any time and from time to time by the Committee. Each restricted stock or restricted stock unit grant is evidenced by a restricted stock or restricted stock unit agreement that specifies the period of restriction (that is, the period during which the entitlement of the participant under the award is limited in some way or subject to forfeiture) and any other vesting terms, the number of shares of restricted stock or restricted stock units granted, and such other provisions as the Committee may determine, including whether the award is subject to vesting upon the achievement of performance goals. Each restricted stock unit agreement will also specify the time at which, after vesting, the award will be settled (i.e., paid out to the participant) and the form in which settlement will be made (i.e., in shares of Common Stock, in cash, or a combination of both). In addition, the Committee may require that a participant pay a stipulated purchase price for each share of restricted stock or restricted stock unit, or impose holding requirements or sale restrictions upon vesting of restricted stock or settlement of restricted stock units in shares.

The 2018 Plan does not prescribe a specific period over which shares of restricted stock and restricted stock units generally must vest. During the period of restriction, a participant holding shares of restricted stock may exercise full voting rights with respect to those shares, and also is entitled to receive all dividends and distributions paid with respect to those shares while they are held. The Committee may provide that payment of such dividends shall not be made until the underlying restricted stock vests. If any dividends or distributions are paid in shares of Common Stock, those shares will be subject to the same restrictions as the shares of restricted stock with respect to which they were paid. A participant has no voting or dividend rights with respect to shares underlying restricted stock units unless and until the shares are issued to the participant in settlement of the restricted stock units. The Committee may, however, provide in the participant's restricted stock unit agreement for the crediting of dividend equivalent units.

Termination of Service or Employment. Unless otherwise set forth in the participant's restricted stock or restricted stock unit agreement, if a participant's employment or service is terminated due to death or permanent and total disability, the period of restriction will lapse as of the date of termination. Unless otherwise set forth in the participant's restricted stock or restricted stock unit agreement, if a participant's employment or service is terminated for any other reason, all unvested shares awarded as restricted stock and restricted stock units will immediately be forfeited unless the termination is not for cause and the Committee, in its sole discretion, determines to provide for the lapsing of all or a portion of the unvested shares or restricted stock units.

Transferability. Shares of restricted stock and restricted stock units generally may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable period of restriction (and in the case of restricted stock units, until the date of delivery or other payment), or upon earlier satisfaction of any other conditions, as specified by the Committee in its sole discretion and set forth in the restricted stock or restricted stock unit agreement.

Performance Shares and Performance Units

General. Performance shares and performance units may be granted to employees and directors at any time and from time to time by the Committee, entitling the participant to future cash payments, shares of Common Stock or a combination of both, based upon the level of achievement with respect to one or more pre-established performance goals over a specified performance period.

The Committee will establish a maximum amount of a participant's award, denominated in shares of Common Stock, in the case of performance shares, or units, in the case of performance units. Each award of performance shares or performance units will be evidenced by a performance share or performance unit agreement, which will set forth (1) the target and maximum amount payable to the participant, (2) the performance goals and level of achievement versus these goals that will determine the amount of payment, (3) the performance period as to which performance will be measured, (4) the timing of any payment earned by virtue of performance, (5) whether and the extent to which participants holding performance shares or performance units will receive dividends or dividend equivalents, (6) restrictions on the alienation or transfer of the award prior to actual payment and restrictions on the sale or transfer of shares following actual payment of an award paid in shares, (7) forfeiture provisions and (8) such other terms as may be determined by the Committee.

After the end of each performance period, the Committee will determine the extent to which performance goals have been attained, and the satisfaction of any other terms and conditions. The Committee will determine what, if any, payment is due with respect to an award and, in the case of performance units, whether the payment will be made in cash, shares of Common Stock or a combination of both. Payment will be made in a lump sum within 60 days after the Committee determines that a payment is due. Notwithstanding satisfaction of any performance goals, the amount paid under an award of performance shares or performance units on account of either financial performance or personal performance evaluations may be reduced by the Committee in its discretion, if the terms of the award so provide.

Termination of Employment or Service. Unless provided otherwise in the participant's agreement evidencing his or her award of performance shares or performance units, if the employment or service of a participant terminates before the end of a performance period due to death or permanent and total disability, then to the extent it is determined by the Committee following the end of the performance period that the performance goals have been attained, the participant will be entitled to a pro rata payment based on the number of months' service during the performance period but based on the achievement of performance goals during the entire performance period; payment under these circumstances will be made at the same time payments are made to participants who did not terminate service during the performance period. Unless provided otherwise in the participant's agreement evidencing his or her award of performance shares or performance units, if the employment or service of a participant terminates before the end of a performance period for any other reason, all outstanding performance shares or performance units awarded to the participant will be canceled; however, if the participant's employment or service is terminated by the Company other than for cause, the Committee in its sole discretion may waive the automatic cancellation provision and pay out on a pro rata basis as described in the immediately preceding sentence.

Transferability. Except as otherwise provided in the participant's agreement evidencing his or her award of performance shares or performance units, performance shares and performance units may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than upon the participant's death, to the participant's designated beneficiary or, if no beneficiary has been designated by the participant, by will or by the laws of descent and distribution.

Change in Control

Under the 2018 Plan in the event of a change in control, to the extent that outstanding awards under the Plan are assumed or replaced with a replacement award, such awards will not vest automatically (so-called "single-trigger" vesting), but instead remain outstanding and continue to be governed by their terms. However, if within two years following a change in control, a participant is involuntarily terminated other than for cause (including voluntary resignation for good reason under an applicable plan or agreement), death or disability, then upon such termination the awards will become fully vested (so-called "double-trigger" vesting). If the Committee determines that existing

awards are not appropriately assumed or are not appropriately replaced in connection with a change in control, and unless otherwise provided by the Committee in the agreement applicable to an award, upon a change in control:

- each option and stock appreciation right then outstanding shall become fully vested and exercisable;
- all restrictions on restricted stock will lapse and all restricted stock units will become fully-vested; and

each performance-based award will be deemed earned and shall be paid to the extent of the greater of (i) the extent, as determined by the Committee, to which the performance goals applicable to such performance-based award have been met during the applicable performance period up through and including the effective date of the change in control or (ii) the target number of performance shares or performance units determined at the date of grant.

Federal Income Tax Consequences

The following discussion is intended for the information of stockholders considering how to vote on the proposed 2018 Plan, and not as tax guidance to plan participants. Under current U.S. federal income tax laws, awards of stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares and performance units under the 2018 Plan will generally have the following federal income tax consequences:

- (1) The grant of a stock option will not, by itself, result in the recognition of taxable income to the participant or entitle the Company to a deduction at the time of grant.
- (2) If the participant exercises an incentive stock option, the exercise of the option will generally not, by itself, result in the recognition of taxable income by the participant or entitle the Company to a deduction at the time of exercise. However, the difference between the exercise price and the fair market value of the shares of Common Stock acquired on the date of exercise is an item of adjustment included for purposes of calculating the participant's alternative minimum tax.

If the participant does not hold the shares of Common Stock acquired upon exercise of an incentive stock option for at least one year after the exercise of the stock option or two years after the grant of the stock option, whichever is later, the participant will recognize ordinary (compensation) income upon disposition of the shares in an amount equal to the difference between the exercise price and the fair market value of the shares on the date of exercise of the stock option. If this happens, the Company will be entitled to a corresponding deduction in the amount of ordinary income, if any, that the participant recognizes, subject to the deduction limitations under Section 162(m) of the Internal Revenue Code. The participant also will recognize a capital gain (loss) to the extent the sale price exceeds (is less than) the fair market value of the shares of Common Stock on the date of exercise of the stock option. The Company will not be entitled to a corresponding deduction for any such capital gain. The capital gain (loss) will be characterized as short-term if the participant does not hold the shares for more than one year after the exercise of the stock option and long-term if the participant does hold the shares for more than one year after the exercise of the stock option.

If the participant holds the shares of Common Stock acquired upon exercise of an incentive stock option for one year after the stock option is exercised and two years after the option is granted, the participant will recognize a capital gain (loss) upon disposition of the shares to the extent the sale price exceeds (is less than) the exercise price. This capital gain (loss) will be characterized as short-term if the participant does not hold the shares for more than one year after the exercise of the stock option and long-term if the participant does hold the shares for more than one year after the exercise of the stock option. The Company will not be entitled to a corresponding deduction for any such capital gain.

- (3) If the participant exercises a non-qualified stock option, the participant will recognize ordinary (compensation) income on the date of exercise in an amount equal to the difference between the fair market value on the date of exercise of the shares of Common Stock acquired pursuant to the exercise and the exercise price of the non-qualified stock option. The Company will be allowed a deduction in the amount of any ordinary income recognized by the participant upon exercise of the non-qualified stock option, subject to the deduction limitations

under Section 162(m) of the Internal Revenue Code. When the participant sells the shares acquired upon exercise of a non-qualified stock option, the participant will recognize a capital gain (loss) to the extent of any appreciation (depreciation) in value of the shares from the date of exercise to the date of sale. The Company will not be entitled to a corresponding deduction for any such capital gain. The capital gain (loss) will be short-term if the participant does not hold the shares for more than one year after the exercise of the stock option and long-term if the participant does hold the shares for more than one year after the exercise of the stock option.

(4) The grant of a stock appreciation right will not, by itself, result in the recognition of taxable income to the participant or entitle the Company to a deduction at the time of grant. If the participant exercises a stock appreciation right, the participant will recognize ordinary (compensation) income on the date of exercise in an amount equal to the difference between the fair market value on the date of exercise of the shares of Common Stock underlying the stock appreciation right being exercised and the grant price of the stock appreciation right. The Company will be entitled to a corresponding tax deduction, subject to the deduction limitations under Section 162(m) of the Internal Revenue Code. To the extent the stock appreciation right is settled in shares of Common Stock, when the participant sells the shares, the participant will recognize a capital gain (loss) to the extent of any appreciation (depreciation) in value of the shares from the date of exercise. The Company will not be entitled to a corresponding deduction for any such capital gain. The capital gain (loss) will be short-term if the participant does not hold the shares for more than one year after the exercise of the stock appreciation right and long-term if the participant does hold the shares for more than one year after the exercise of the stock appreciation right.

(5) The grant of restricted stock will not, by itself, result in the recognition of taxable income to the participant or entitle the Company to a deduction at the time of grant. Holders of shares of restricted stock will recognize ordinary (compensation) income on the date that the shares of restricted stock are no longer subject to a substantial risk of forfeiture, in an amount equal to the fair market value of the shares on that date. A holder of restricted stock may generally elect under Section 83(b) of the Internal Revenue Code to recognize ordinary income in the amount of the fair market value of the shares of restricted stock on the date of grant. The Company will be entitled to a tax deduction equal to the amount of ordinary income recognized by the holder, subject to the deduction limitations under Section 162(m) of the Internal Revenue Code. When the participant disposes of shares granted as restricted stock, the difference between the amount received by the participant upon the disposition and the fair market value of the shares on the date the participant recognized ordinary income will be treated as a capital gain or loss. The capital gain or loss will be short-term if the participant does not hold the shares for more than one year after recognition of ordinary income and long-term if the participant does hold the shares for more than one year after the recognition of ordinary income. The holding period begins when the restricted stock vests, unless a Section 83(b) election is made, in which case the holding period begins upon the restricted stock grant date. The Company will not be entitled to a corresponding deduction for any such capital gain. Holders of restricted stock will also recognize ordinary income equal to any dividend when such payments are received, even if the restricted stock remains subject to a substantial risk of forfeiture.

(6) The grant of restricted stock units will not, by itself, result in the recognition of taxable income to the participant or entitle the Company to a deduction at the time of grant. Upon settlement of the restricted stock units, the participant will generally recognize ordinary (compensation) income in the amount of the fair market value of the shares of Common Stock and/or the amount of cash paid to the participant. The Company will be entitled to a tax deduction equal to the amount of ordinary income recognized by the holder, subject to the deduction limitations under Section 162(m) of the Internal Revenue Code. When the participant disposes of any shares of Common Stock paid upon settlement of the restricted stock units, the difference between the amount received by the participant upon the disposition and the fair market value of the shares on the date the participant recognized ordinary income with respect to the shares will be treated as a capital gain or loss. The capital gain or loss will be short-term if the participant does not hold the shares for more than one year after recognition of ordinary income and long-term if the participant does hold the shares for more than one year after the recognition of ordinary income. The Company will not be entitled to a corresponding deduction for any such capital gain.

(7) The grant of performance shares or performance units will not, by itself, result in the recognition of taxable income to the participant or entitle the Company to a deduction at the time of grant. The participant will recognize ordinary

(compensation) income, and the Company will be entitled to a corresponding deduction, at the time shares of Common Stock are delivered in payment of performance shares or shares of Common Stock and/or cash are delivered in payment of performance units. The amount of such ordinary income will be the amount of the fair

market value of the shares of Common Stock and/or the amount of cash delivered to the participant. The Company will be entitled to a tax deduction equal to the amount of ordinary income recognized by the holder, subject to the deduction limitations under Section 162(m) of the Internal Revenue Code. When the participant disposes of any shares of Common Stock, the difference between the amount received by the participant upon the disposition and the fair market value of the shares on the date the participant recognizes ordinary income will be treated as a capital gain or loss. The capital gain or loss will be short-term if the participant does not hold the shares for more than one year after recognition of ordinary income and long-term if the participant does hold the shares for more than one year after the recognition of ordinary income. The Company will not be entitled to a corresponding deduction for any such capital gain.

Turner and his spouse as general partners, each family member's share of the partnership's capital account and profits did not substantially change and their economic interest in the shares of the Common Stock held by the partnership were not significantly affected by the exchange.

Battlefield, Springfield, Missouri 65804, by November 27, 2018. Any such proposal will be subject to the requirements of the proxy rules adopted under the Securities Exchange Act of 1934, as amended.

In addition to the deadline and other requirements referred to above for submitting a stockholder proposal to be included in Bancorp's proxy materials for its next annual meeting of stockholders, Bancorp's bylaws require a separate notification to be made in order for a stockholder proposal to be eligible for presentation at the meeting, regardless of whether the proposal is included in Bancorp's proxy materials for the meeting. In order to be eligible for presentation at Bancorp's next annual meeting of stockholders, written notice of a stockholder proposal containing the information specified in Article I, Section 6 of Bancorp's bylaws must be received by the Secretary of Bancorp not earlier than the close of business on January 9, 2019 and not later than the close of business on February 8, 2019. OTHER MATTERS

The Board of Directors knows of no business that will be presented for consideration at the Annual Meeting other than the proposals discussed in this proxy statement. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the holders of the proxies to vote the shares represented thereby on such matters in accordance with their best judgment.

The cost of solicitation of proxies will be borne by Bancorp. Bancorp will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of the Common Stock. In addition to solicitation by mail, directors, officers and other employees of

Bancorp and/or Great Southern may solicit proxies personally or by telephone without additional compensation.

GREAT SOUTHERN BANCORP, INC.

2018 OMNIBUS INCENTIVE PLAN

ARTICLE 1

ESTABLISHMENT, PURPOSE AND DURATION

1.1 Establishment of the Plan. The Company hereby establishes an incentive compensation plan to be known as the "Great Southern Bancorp, Inc. 2018 Omnibus Incentive Plan" (the "Plan"), as set forth in this document. The Plan permits the granting of Nonqualified Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares and Performance Units.

The Plan has been approved by the Company's Board, but it will only become effective (the "Effective Date") when it is approved by the Company's stockholders at the annual meeting of the Company's stockholders on May 9, 2018 or any adjournment or postponement thereof. Prior to the Effective Date, the Company had in effect the 2013 Equity Incentive Plan and the 2003 Stock Option and Incentive Plan (which was frozen upon stockholder approval of the 2013 Equity Incentive Plan) (collectively, the "Prior Plans"). No further awards shall be made under the Prior Plans after the Effective Date, and Shares reserved to make new awards under the Prior Plans shall be released; provided that Shares reserved to fund issued and outstanding awards under the Prior Plans shall continue to be reserved to provide for those awards. All awards outstanding under the Prior Plans shall remain outstanding in accordance with their terms. Each outstanding award under the Prior Plans shall continue to be governed solely by the terms of the documents evidencing such award, and no provision of the Plan shall be deemed to affect or otherwise modify the rights or obligations of the holders of such awards with respect to their acquisition of Shares.

1.2 Purpose of the Plan. The purpose of the Plan is to promote the long-term success, and enhance the long-term value, of the Company by linking the personal interests of Employees and Directors with those of Company stockholders. The Plan is further intended to provide flexibility to the Company in its ability to motivate, attract, and retain the services of Employees and Directors upon whose judgment, interest, and special effort the successful conduct of its operation largely is dependent, in a manner that does not expose the Company to imprudent risks and that is consistent with the long-term health of the Company.

1.3 Duration of the Plan. Subject to approval by the stockholders of the Company, the Plan shall become effective on the Effective Date, as described in Section 1.1 herein, and shall remain in effect, subject to the right of the Board or the Committee to terminate the Plan at any time pursuant to Article 15 herein. However, in no event may an Award be granted under the Plan on or after the tenth anniversary of the Effective Date.

ARTICLE 2

DEFINITIONS AND CONSTRUCTION

2.1 Definitions. Whenever used in the Plan, the following terms shall have the meanings set forth below:

(a) "Award" means, individually or collectively, a grant under the Plan of Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares and Performance Units.

A-1

In determining incompetence, the acts or omissions shall be measured against standards generally prevailing in the financial institutions industry. Notwithstanding the foregoing, if a Participant is a party to an employment, change in control or similar agreement with the Company or any Subsidiary and such agreement defines "Cause" (or a variation of that term) in a manner different than as set forth above, the definition in such agreement shall apply for purposes of the Plan instead of the above definition.
- (f) "Change in Control" means the first to occur of a "change in the ownership" of the Company or the Bank, a "change in the effective control" of the Company or the Bank or a "change in the ownership of a substantial portion" of the Company's or the Bank's assets, as those phrases are determined in Section 409A.

If the Shares did not trade on the relevant date, then Fair Market Value shall be the closing market price of one Share on the most recently preceding date on which the Shares traded. If the Shares are not traded on an established exchange, Fair Market Value shall be determined by the Committee in good faith. Notwithstanding anything herein to the contrary, the determination of Fair Market Value shall comply with Section 409A.
- (p) "Full Value Award" means any Award under the Plan pursuant to which Shares may be issued, other than an Option or Stock Appreciation Right.

ARTICLE 3

ADMINISTRATION

3.1 The Committee. The Plan shall be administered by a Committee, consisting of two or more members of the Board of Directors, each of whom shall be (i) a "Non-Employee Director," as defined in Rule 16b-3 under the Exchange Act and (ii) an "Independent Director" under the corporate governance rules and regulations

imposing independence standards on committees performing similar functions promulgated by any national securities exchange or quotation system on which Shares are listed.

3.2 Authority of the Committee. The Committee shall have full power except as limited by law or by the articles of incorporation or bylaws of the Company or by resolutions adopted by the Board, and subject to the provisions herein, to determine the size and types of Awards; to determine the terms and conditions of such Awards in a manner consistent with the Plan; to construe and interpret the Plan and to determine the terms and provisions of, and interpret, any agreement or instrument evidencing an Award or entered into under the Plan (which agreement or instrument may be in electronic format); to establish, amend or waive rules and regulations for the Plan's administration; and (subject to the provisions of Article 13 herein) to amend or otherwise modify the Plan or the terms and conditions of any outstanding Award to the extent such terms and conditions are within the discretion of the Committee as provided in the Plan and, if the Award is subject to Section 409A, does not cause the Plan or the Award to violate Section 409A. Further, the Committee shall make all other determinations which may be necessary or advisable for the administration of the Plan. As permitted by law, rule or regulation, the Committee may delegate its authorities as identified hereunder.

3.3 Decisions Binding. All determinations and decisions made by the Committee pursuant to the provisions of the Plan and all related orders or resolutions of the Board shall be final, conclusive and binding on all parties having an interest therein, including the Company, its stockholders, Employees, Directors, Participants and their respective successors.

ARTICLE 4

SHARES SUBJECT TO THE PLAN

4.1 Number of Shares. Subject to adjustment as provided in Section 4.4 herein:

(a) The total number of Shares available for issuance under the Plan shall be 800,000 (the "Limit"). These Shares may be either authorized but unissued, or Shares that have been reacquired by the Company. Full Value Awards will be counted against the Limit on a 2.5-to-1 basis, subject to adjustment as provided in Section 4.4 herein. To the extent Shares subject to a Full Value Award again become available for issuance for reasons described in Section 4.3 below, such Shares shall be available for issuance under Full Value Awards. Awards that are not settled in Shares shall not be counted against the Limit.

(b) Subject to adjustment as provided in Section 4.4 herein, all of the Shares that may be issued under this Plan may be issued pursuant to SARs or Options granted hereunder, provided that the number of Shares that may be issued under this Plan pursuant to Options which are Incentive Stock Options shall be limited to 750,000.

(c) All Awards granted pursuant to this Plan shall have at the time of grant a minimum vesting period of at least one year from the date of grant (at least three years for full vesting for the chief executive officer), provided that Awards for up to 5% of the maximum Shares available under the Plan (for any Participant other than the chief executive officer) under this Plan may provide for a shorter vesting period at the time of grant.

4.2 Maximum Awards. Participants may receive one or more Awards during a calendar year. Subject to adjustment as provided in Section 4.4, the following limits (each an "Annual Award Limit" and, collectively, "Annual Award Limits") shall apply to grants of such Awards under the Plan during each calendar year:

- (a) The maximum aggregate number of Shares subject to Options and/or SARs granted in any one calendar year to any one Participant shall be 100,000 Shares.
- (b) The maximum aggregate number of Shares subject to Awards of Restricted Stock and/or Restricted Stock Units granted in any one calendar to any one Participant shall be 25,000.
- (c) The maximum aggregate number of Shares covered by Awards of Performance Shares and/or Performance Units granted in any one calendar year to any one Participant shall be 25,000.
- (d) The maximum aggregate number of Shares that may be covered by Awards granted to any Director in any one calendar year shall be 10,000 Shares.

4.3 Lapsed Awards. If any Award granted under the Plan terminates, expires or lapses for any reason, any Shares subject to such Award again shall be available for the grant of an Award under the Plan. Shares used to pay the Exercise Price of an Option and Shares used to satisfy tax withholding obligations shall not be available for future Awards under the Plan. To the extent that Shares are delivered pursuant to the exercise of a SAR, the number of underlying Shares as to which the exercise related shall be counted against the Limit set forth in Section 4.1, as opposed to only counting the Shares issued.

4.4 Adjustments in Authorized Shares. In the event of any corporate event or transaction (including, but not limited to, a change in the Shares of the Company or the capitalization of the Company) after the Effective Date, such as a merger, consolidation, reorganization, recapitalization, separation, stock dividend, stock split, reverse stock split, split up, spin-off, or other distribution of stock or property of the Company, combination of Shares, exchange of Shares, dividend in kind, or other like change-in-capital structure or distribution (other than normal cash dividends) to stockholders of the Company, or any similar corporate event or transaction, the Committee, in order to prevent dilution or enlargement of a Participant's rights under the Plan, shall substitute or adjust, as applicable, the number and kind of Shares that may be issued under the Plan or under particular forms of Awards, the number and kind of Shares subject to outstanding Awards, the Exercise Price or Grant Price applicable to outstanding Awards, the Annual Award Limits, and other value determinations applicable to outstanding Awards. In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including, without limitation, cancellation of Awards in exchange for the in-the-money value, if any, of the vested portion thereof, or substitution of Awards using stock of a successor or other entity) in recognition of unusual or nonrecurring events (including, without limitation, events described in the preceding sentence) affecting the Company or any Subsidiary or the financial statements of the Company or any Subsidiary, or in response to changes in applicable laws, regulations or accounting principles.

4.5 Dividends and Dividend Equivalents. The Committee may provide that any Award under the Plan earn dividends or dividend equivalents; provided however, that dividend equivalent rights may not be granted in connection with any Option or SAR granted hereunder. Dividends or dividend equivalents may be paid currently or may be credited to a Participant's account, provided that as to any dividend equivalent rights granted in connection with a Performance Based Award granted under the Plan, no payment shall be made with respect to such dividend equivalent right (or, in the case of a Restricted Stock or similar Award where the dividend must be paid as a matter of law, the dividend payment shall be subject to forfeiture or repayment, as the case may be) unless the vesting conditions of such Award are satisfied. Any crediting of dividends or dividend equivalents may be subject to such restrictions and conditions as the Committee may establish, including reinvestment in additional Shares or Share equivalents.

ARTICLE 5

ELIGIBILITY AND PARTICIPATION

5.1 Eligibility. Persons eligible to participate in the Plan include all Employees, including Employees who are members of the Board or the board of directors of any Subsidiary, and all Directors, including Directors of the Company and its Subsidiaries.

5.2 Actual Participation. Subject to the provisions of the Plan, the Committee may, from time to time, select from all Employees and Directors, those to whom Awards shall be granted and shall determine the nature and amount of each Award. No Employee or Director shall be entitled to be granted an Award under the Plan.

ARTICLE 6

STOCK OPTIONS

6.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Employees and Directors at any time and from time to time as shall be determined by the Committee. Subject to Sections 4.1 and 4.2, the Committee shall have complete discretion in determining the number of Shares subject to Options granted to each Participant; provided however, no ISOs may be granted more than ten (10) years after the Effective Date. Options granted to Directors shall consist only of NQSOs and not ISOs. Any Option under this Plan which is designated by the Committee as an ISO but fails to qualify as an ISO for any reason shall be treated as a NQSO to the extent of such failure.

6.2 Option Agreement. Each Option grant shall be evidenced by an Option agreement that shall specify the Exercise Price, the duration of the Option, the number of Shares to which the Option pertains, the amount or percentage of the Option that becomes exercisable on specified dates, and such other provisions as the Committee shall determine. The Option agreement also shall specify whether the Option is intended to be an ISO or a NQSO.

6.3 Exercise Price. The Exercise Price for each grant of an Option shall be determined by the Committee, provided that the Exercise Price shall not be less than the Fair Market Value of a Share on the date the Option is granted. In the event any holder of 10% or more of the Shares receives a grant of ISOs, the Exercise Price shall be not less than 110% of the Fair Market Value of a Share on the date of grant. Notwithstanding the authority granted to the Committee pursuant to Section 3.2, and except for adjustments pursuant to Section 4.4, once an Option is granted, the Committee shall have no authority to reduce the Exercise Price, nor may any Option granted under the Plan be surrendered to the Company as consideration for the grant of a new Option with a lower Exercise Price, or exchanged for cash or another Award, without the approval of the Company's stockholders.

6.4 Duration of Options. Each Option granted shall expire at such time as the Committee shall determine at the time of grant; provided, however, that no Option shall be exercisable later than the tenth anniversary of the date of its grant, and provided further that no ISO granted to a holder of 10% or more of the Shares shall be exercisable later than the fifth anniversary of the date of its grant.

6.5 Exercise of Options. Options granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each grant.

6.6 Payment. Options shall be exercised by the delivery of a written notice of exercise to the Company, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by payment in full of the Exercise Price.

Unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, upon exercise of any Option, the Exercise Price shall be payable to the Company in full either (a) in cash or its equivalent, (b) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the aggregate Exercise Price, (c) by broker-assisted (cashless) exercise, (d) by withholding of Shares issuable upon exercise (net settlement) or (e) by any combination of (a) through (d).

As soon as practicable after receipt of a notification of exercise and payment in full of the Exercise Price, the Company shall deliver Share certificates, or cause Shares to be issued by book-entry procedures, in an appropriate amount based upon the number of Shares purchased under the Option(s).

6.7 Restrictions on Share Transferability. The Committee shall impose such restrictions on any Shares acquired pursuant to the exercise of an Option under the Plan as it may deem advisable, including, without limitation, requiring the Participant to hold the Shares acquired upon exercise for a specified period of time, and restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable to such Shares. No restriction on Share transferability shall be imposed that causes either the Shares or the Options to which the Shares relate to violate Section 409A.

6.8 Termination of Employment or Service Due to Death or Disability.

(a) Termination by Death. Unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, in the event the employment or service of a Participant is terminated by reason of death, any outstanding Options granted to that Participant that are not exercisable as of the date of termination shall immediately become exercisable, and all Options granted to such Participant shall remain exercisable until their respective expiration dates or for one year after the date of the Participant's death, whichever period is shorter, by the Participant's Beneficiary or, if no Beneficiary has been properly designated by the Participant, by such other Person or Persons as shall have acquired the Participant's rights under the Option by will or by the laws of descent and distribution.

(b) Termination by Disability. Unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, in the event the employment or service of a Participant is terminated by reason of Disability, any outstanding Options granted to that Participant that are not exercisable as of the date of termination shall immediately become exercisable, and all Options granted to such Participant shall remain exercisable until their respective expiration dates, or for one year after the date that the Participant's employment or service is terminated by reason of Disability, whichever period is shorter. Unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, should the Participant die during the shorter of these two periods, exercisability of the Participant's Options by the Participant's Beneficiary (or, if no Beneficiary has been properly designated by the Participant, by such other Person or Persons as shall have acquired the Participant's rights under the Options by will or by the laws of

descent and distribution) shall be permitted until their respective expiration dates or for one year following the date of the Participant's death, whichever period is shorter.

(c) Exercise Limitations on ISOs. In the case of ISOs, the tax treatment prescribed under Section 422 of the Code may not be available if the Options are not exercised within the time periods provided by Section 422 for each of the various types of employment termination.

6.9 Termination of Employment or Service for Other Reasons. Unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, if the employment of an Employee or the service of a Director shall terminate for any reason other than the reasons set forth in Section 6.8 herein, except for Cause, all outstanding Options that are not exercisable as of the date of termination immediately shall expire and terminate (and shall once again become available for grant under the Plan). However, the Committee, in its sole discretion, shall have the right to waive such termination and to immediately make exercisable all or any portion of such Options. Thereafter, unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, all such exercisable Options shall remain exercisable until their respective expiration dates, or for three months after the date of termination, whichever period is shorter. Unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, should the Participant die during the shorter of these two periods, exercisability of the Participant's Options by the Participant's Beneficiary (or, if no Beneficiary has been properly designated by the Participant, by such other Person or Persons as shall have acquired the Participant's rights under the Options by will or by the laws of descent and distribution) shall be permitted until their respective expiration dates or for one year following the date of the Participant's death, whichever period is shorter.

If the employment or service of a Participant shall terminate for Cause, all outstanding Options immediately shall be forfeited to the Company regardless of the exercisability status of the Options (and shall once again become available for grant under the Plan).

6.10 Additional Requirements with Respect to Incentive Stock Options.

(a) Notice of Sale. Each Participant who receives Shares upon exercise of an Option that is an ISO shall give the Company prompt notice of any sale of Shares prior to a date which is two years from the date the Option was granted or one year from the date the Option was exercised. Such sale shall disqualify the Option as an ISO.

(b) Maximum Dollar Value of ISOs Vesting Per Year. The aggregate Fair Market Value (determined with respect to each ISO at the time such ISO is granted) of the Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year (under this Plan or any other plan of the Company or an Subsidiary) shall not exceed \$100,000.

6.11 Transferability of Options. Except as otherwise permitted by the Code or the regulations thereunder, no ISO may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than, upon the Participant's death, to the person designated as the Participant's Beneficiary or, if no Beneficiary has been properly designated by the Participant, by will or by the laws of descent and distribution. An ISO may be transferred incident to a divorce (within the meaning of Code Section 1041) or pursuant to a Qualified Domestic Relations Order, but such transfer shall cause the ISO to become a NQSO as of the day of the transfer. An ISO may be transferred to a grantor trust if, under Code Section 671 and applicable state law, the Participant is considered the sole beneficial owner of the ISO while it is held by the trust. No NQSO may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than (i) upon the Participant's death, to the person designated as the Participant's Beneficiary or,

if no Beneficiary has been properly designated by the Participant, by will or by the laws of descent and distribution, (ii) pursuant to a Qualified Domestic Relations Order, (iii) to a grantor trust if, under Code Section 671 and applicable state law, the Participant is considered the sole beneficial owner of the NQSO while it is held by the trust or (iv) if specified by the Committee in the Participant's Option agreement, by gift to any member of the Participant's immediate family or to a trust for the benefit of the Participant or one or more of the Participant's immediate family members. For purposes of this Section 6.11, a Participant's "immediate family" shall mean the Participant, and the lineal ascendants and lineal descendants of such Participant or his or her spouse, or any one or more of them. Unless transferred as permitted hereby, an Option shall be exercisable during the Participant's lifetime only by the Participant.

ARTICLE 7

STOCK APPRECIATION RIGHTS

7.1 Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Employees and Directors at any time and from time to time as shall be determined by the Committee. A SAR may be Related to an Option or may be granted independently of any Option as the Committee shall from time to time in each case determine. In the case of a Related Option, such Related Option shall cease to be exercisable to the extent of the Shares with respect to which the Related SAR was exercised. Upon the exercise or termination of a Related Option, any Related SAR shall terminate to the extent of the Shares with respect to which the Related Option was exercised or terminated.

The Committee shall have complete discretion in determining the number of SARs granted to each Participant (subject to Sections 4.1 and 4.2 herein) and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs. However, the Grant Price of a SAR shall be at least equal to the Fair Market Value of a Share on the date of grant of the SAR. The Grant Price of a Related SAR shall be equal to the Exercise Price of the Related Option. The terms and conditions of any SAR shall not include provisions that provide for the deferral of compensation other than the recognition of income until the exercise of the SAR (so that the SAR will not be subject to Section 409A). Once a SAR has been granted, the Grant Price with respect thereto may not be changed except for any adjustments pursuant to Section 4.4 herein.

7.2 Exercise of SARs. SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon the SARs. Notwithstanding the authority granted to the Committee pursuant to Section 3.2, and except for any adjustments pursuant to Section 4.4 of the Plan, once a SAR is granted, the Committee shall have no authority to reduce the Grant Price fixed by the Committee at the date of grant pursuant to Section 7.1 above, nor may any SAR granted under the Plan be surrendered to the Company as consideration for the grant of a new SAR with a lower price at the date of grant, or exchanged for cash or another Award, without the approval of the Company's stockholders, except that SARs may be settled in cash in accordance with Section 7.5 below.

7.3 SAR Agreement. Each SAR grant shall be evidenced by a SAR agreement that shall specify the Grant Price, the term of the SAR, the number of Shares covered by the SAR, the amount or percentage of the SAR that becomes exercisable on specified dates, and such other provisions as the Committee shall determine.

7.4 Term of SARs. The term of a SAR granted under the Plan shall be determined by the Committee, in its sole discretion; provided however, such term shall not exceed ten years.

7.5 Payment of SAR Amount. Upon exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The difference between the Fair Market Value of a Share on the date of exercise over the Grant Price; and
- (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon exercise of a SAR may be in cash, in Shares of equivalent value, or in some combination thereof.

7.6 Restrictions on Share Transferability. The Committee shall impose such restrictions on any Shares acquired pursuant to the exercise of a SAR under the Plan as it may deem advisable, including, without limitation, requiring the Participant to hold the Shares acquired upon exercise for a specified period of time, and restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable to such Shares. No restriction on Share transferability shall be imposed that causes either the Shares or the SAR to which the Shares relate to violate Section 409A.

7.7 Termination of Employment or Service Due to Death or Disability.

(a) Termination by Death. Unless otherwise set forth in the SAR agreement provided for in Section 7.3 herein, in the event the employment or service of a Participant is terminated by reason of death, any outstanding SARs granted to that Participant that are not exercisable as of the date of termination shall immediately become exercisable, and all SARs granted to such Participant shall remain exercisable until their respective expiration dates or for one year after the date of the Participant's death, whichever period is shorter, by the Participant's Beneficiary or, if no Beneficiary has been properly designated by the Participant, by such other Person or Persons as shall have acquired the Participant's rights under the SARs by will or by the laws of descent and distribution.

(b) Termination by Disability. Unless otherwise set forth in the SAR agreement provided for in Section 7.3 herein, in the event the employment or service of a Participant is terminated by reason of Disability, any outstanding SARs granted to that Participant that are not exercisable as of the date of termination shall immediately become exercisable, and all SARs granted to such Participant shall remain exercisable until their respective expiration dates, or for one year after the date the Participant's employment or service is terminated by reason of Disability, whichever period is shorter. Unless otherwise set forth in the SAR agreement provided for in Section 7.3 herein, should the Participant die during the shorter of these two periods, exercisability of the Participant's SARs by the Participant's Beneficiary (or, if no Beneficiary has been properly designated by the Participant, by such other Person or Persons as shall have acquired the Participant's rights under the SARs by will or by the laws of descent and distribution) shall be permitted until their respective expiration dates or for one year following the date of the Participant's death, whichever period is shorter.

7.8 Termination of Employment or Service for Other Reasons. Unless otherwise set forth in the SAR agreement provided for in Section 7.3 herein, if the employment of an Employee or the service of a Director shall terminate for any reason other than the reasons described in Section 7.7 herein, except for Cause, all outstanding SARs held by the Participant that are not exercisable as of the date of termination immediately shall expire and terminate (and shall once again become available for grant under the Plan). However, the Committee, in its sole discretion, shall have the right to waive such termination and to make exercisable all or any portion of such SARs. Thereafter, unless

otherwise set forth in the SAR agreement provided for in Section 7.3 herein, all such exercisable SARs shall remain exercisable until their expiration dates, or for three months after the date of termination, whichever period is shorter. Unless otherwise set forth in the SAR agreement provided for in Section 7.3 herein, should the Participant die during the shorter of these two periods, exercisability of the Participant's SARs by the Participant's Beneficiary (or, if no Beneficiary has been properly designated by the Participant, by such other Person or Persons as shall have acquired the Participant's rights under the SARs by will or by the laws of descent and distribution) shall be permitted until their respective expiration dates or for one year following the date of the Participant's death, whichever period is shorter.

If the employment or service of the Participant shall terminate for Cause, all outstanding SARs immediately shall be forfeited to the Company regardless of the exercisability status of the SARs (and shall once again become available for grant under the Plan) and no additional exercise period shall be allowed.

7.9 Transferability of SARs. A SAR that is Related to an ISO may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than upon the Participant's death, to the Participant's Beneficiary or, if no Beneficiary has been properly designated by the Participant, by will or by the laws of descent and distribution. Any other SAR, whether or not related to a NQSO, may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than (i) upon the Participant's death, to the Participant's Beneficiary or, if no Beneficiary has been properly designated by the Participant, by will or by the laws of descent and distribution, (ii) pursuant to a Qualified Domestic Relations Order, (iii) to a grantor trust described in Section 6.11 or (iv) if specified by the Committee in the Participant's SAR agreement, by gift to any member of the Participant's immediate family or to a trust for the benefit of the Participant, or one or more of the Participant's immediate family members. For purposes of this Section 7.9, a Participant's "immediate family" shall have the meaning ascribed to it in Section 6.11. Unless transferred as permitted hereby, a SAR shall be exercisable during the Participant's lifetime only by the Participant.

ARTICLE 8

RESTRICTED STOCK AND RESTRICTED STOCK UNITS

8.1 Grant of Restricted Stock and Restricted Stock Units. Subject to the limitations set forth in Sections 4.1 and 4.2 herein, and the other terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock and/or Restricted Stock Units to Employees and Directors in such amounts as the Committee shall determine. Unless vested earlier pursuant to Section 8.9 or 8.10 herein, Shares of Restricted Stock and Restricted Stock Units shall vest (i.e., no longer be subject to a risk of forfeiture under a Period of Restriction), based upon continuing employment or service, over a minimum of three years, with the exception of: (i) Shares of Restricted Stock and Restricted Stock Units awarded based upon past or future performance, which shall vest, based also upon continuing employment or service, over a minimum of one year; and (ii) Shares of Restricted Stock and Restricted Stock Units granted to a person not previously an Employee or Director, or following a bona fide period of non-employment, as an inducement material to the individual's entering into employment with the Company or any Subsidiary, which may be subject to a shorter minimum vesting period.

8.2 Restricted Stock or Restricted Stock Unit Agreement. Each Restricted Stock and Restricted Stock Unit grant shall be evidenced by a Restricted Stock or Restricted Stock Unit agreement that shall specify the Period of Restriction and any other vesting terms, the number of Shares of Restricted Stock or Restricted Stock Units granted, and such other provisions as the Committee shall determine. Each Restricted Stock Unit agreement shall comply with Section 409A.

8.3 Non-transferability. Except as otherwise provided in this Plan or the Restricted Stock or Restricted Stock Unit agreement, Shares of Restricted Stock and Restricted Stock Units granted hereunder may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated until the end of the applicable Period of Restriction specified in the Restricted Stock or Restricted Stock Unit agreement (and in the case of Restricted Stock Units until the date of delivery or other payment), or upon earlier satisfaction of any other conditions, as specified by the Committee in its sole discretion and set forth in the Restricted Stock or Restricted Stock Unit agreement. All rights with respect to the Restricted Stock and/or Restricted Stock Units granted to a Participant under the Plan shall be available during his or her lifetime only to such Participant, except as otherwise provided in the Restricted Stock or Restricted Stock Unit agreement.

8.4 Other Restrictions. In addition to the restrictions set forth in Section 8.1 herein, the Committee may impose such restrictions on any Shares of Restricted Stock or Restricted Stock Units granted pursuant to the Plan as it may deem advisable, including restrictions under applicable federal or state securities laws; and may legend the certificate representing Restricted Stock to give appropriate notice of such restrictions. The Committee may also require that Participants pay a stipulated purchase price for each Share of Restricted Stock or Restricted Stock Unit, or impose holding requirements or sale restrictions upon vesting of Restricted Stock or settlement of Restricted Stock Units in Shares.

8.5 Certificate Legend. In addition to any legends placed on certificates pursuant to Section 8.4 herein, each certificate representing Shares of Restricted Stock granted pursuant to the Plan shall bear the following legend:

"The sale or other transfer of the shares of stock represented by this certificate, whether voluntary, involuntary or by operation of law, is subject to certain restrictions on transfer as set forth in the Great Southern Bancorp, Inc. 2018 Omnibus Incentive Plan and in a Restricted Stock agreement dated May 9, 2018. A copy of the Plan and such Restricted Stock agreement may be obtained from the General Counsel of Great Southern Bancorp, Inc."

8.6 Removal of Restrictions. Except as otherwise provided in this Section, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the Participant after the last day of the Period of Restriction. Once the Shares are released from the restrictions, the Participant shall be entitled to have the legend required by Section 8.5 herein removed from his or her Share certificate.

8.7 Voting Rights. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares. Participants shall have no voting rights with respect to Shares underlying Restricted Stock Units unless and until such Shares are issued to the Participant in settlement of the Restricted Stock Units.

8.8 Dividends and Other Distributions. Subject to Section 4.5 herein, during the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder shall be entitled to receive all dividends and other distributions paid with respect to those Shares while they are so held. The Committee may provide that payment of such dividends shall not be made until the underlying restricted stock vests. If any such dividends or distributions are paid in Shares, the Shares shall be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid. Participants shall have no rights to dividends or other distributions paid on the Shares underlying Restricted Stock Units other than dividends and distributions with a record

date on or after the date on which the Shares are issued to the Participant. Subject to Section 4.5 herein, the Committee may provide for dividend equivalent units in the Participant's Restricted Stock Unit agreement.

8.9 Termination of Employment or Service Due to Death or Disability. Unless otherwise set forth in the Restricted Stock or Restricted Stock Unit agreement, in the event that a Participant's employment or service is terminated by reason of death or Disability, the Period of Restriction with respect to the Participant's Shares of Restricted Stock or Restricted Stock Units shall lapse as of the date of termination.

8.10 Termination of Employment or Service for Other Reasons. Unless otherwise set forth in the Restricted Stock or Restricted Stock Unit agreement, if the employment or service of the Participant shall terminate for any reason other than those reasons described in Section 8.9 herein, including for Cause, all unvested Shares of Restricted Stock and Restricted Stock Units held by the Participant at that time immediately shall be forfeited and, in the case of Restricted Stock, the Shares shall be returned to the Company (and shall once again become available for grant under the Plan); provided, however, that with the exception of a termination of employment or service for Cause, the Committee, in its sole discretion, shall have the right to provide for lapsing of the Period of Restriction with respect to Restricted Stock or Restricted Stock Units following termination of employment or service for any reason other than those described in Section 8.9 herein, upon such terms and provisions as it deems proper.

8.11 Settlement of Restricted Stock Units. Restricted Stock Units shall be settled (paid) at such time as is specified in the Restricted Stock Unit agreement. When and if Restricted Stock Units become payable, a Participant having received the grant of such units shall be entitled to receive payment from the Company in cash, Shares or a combination thereof, as determined by the Committee at its sole discretion.

ARTICLE 9

PERFORMANCE SHARES AND PERFORMANCE UNITS

9.1 Grant of Performance Shares and Performance Units. Subject to the limitations set forth in Sections 4.1 and 4.2 herein and the other terms of the Plan, the Committee, at any time and from time to time, may grant Performance Shares, or Performance Units entitling the Participant to future cash payments or Shares or a combination thereof, based upon the level of achievement with respect to one or more pre-established performance goals established for a Performance Period.

9.2 Amount of Award. The Committee shall establish a maximum amount of a Participant's Award, which amount shall be denominated in Shares in the case of Performance Shares or in units in the case of Performance Units.

9.3 Award Agreement. Each Award of Performance Shares or Performance Units shall be evidenced by a Performance Share or Performance Unit agreement, which shall contain provisions regarding (i) the target and maximum amount payable to the Participant pursuant to the Award, (ii) the performance goals and level of achievement versus these goals that shall determine the amount of such payment, (iii) the Performance Period as to which performance shall be measured for determining the amount of any payment, (iv) the timing of any payment earned by virtue of performance, (v) whether and the extent to which Participants holding Performance Shares or Performance Units will receive dividends or dividend equivalents with respect to dividends declared with respect to the Shares, which, if any, shall be subject to Section 4.5 herein, (vi) restrictions on the alienation or transfer of the Award prior to actual payment and restrictions on the sale or transfer of Shares following actual payment of an Award

paid in Shares, (vii) forfeiture provisions, and (viii) such further terms and conditions, in each case not inconsistent with the Plan, as may be determined from time to time by the Committee.

9.4 Performance Goals. Performance goals established by the Committee shall relate to Company or Subsidiary-wide, group or individual performance, and be based upon such measures as are determined by the Committee. Multiple performance goals may be used and the components of multiple performance goals may be given the same or different weighting in determining the amount of an Award earned, and may relate to absolute performance or relative performance measured against other groups, individuals or entities.

9.5 Discretionary Adjustments. Notwithstanding satisfaction of any performance goals, the amount paid under an Award of Performance Shares or Performance Units on account of either financial performance or personal performance evaluations may be reduced by the Committee on the basis of such further considerations as the Committee shall determine, if so provided in the terms of the Award.

9.6 Payment of Awards. Following the conclusion of each Performance Period, the Committee shall determine the extent to which performance goals have been attained, and the satisfaction of any other terms and conditions with respect to an Award relating to such Performance Period. The Committee shall determine what, if any, payment is due with respect to an Award and, in the case of Performance Units, whether such payment shall be made in cash, Shares or a combination thereof. Payment shall be made in a lump sum within 60 days after the Committee determines that a payment is due (or at such other time as provided for in the Performance Share or Performance Unit agreement that either qualifies as a short-term deferral that is exempt from Section 409A, or satisfies Section 409A).

9.7 Termination of Employment or Service Due to Death or Disability. Unless provided otherwise in the Participant's agreement evidencing his or her Performance Shares or Performance Units, if the employment or service of a Participant shall terminate before the end of a Performance Period by reason of death or Disability, then to the extent it is determined by the Committee following the end of the Performance Period in accordance with Section 9.6 that the performance goals have been attained, the Participant shall be entitled to a pro rata payment based on the number of months' service during the Performance Period but based on the achievement of performance goals during the entire Performance Period; payment under these circumstances shall be made at the time payments are made to Participants who did not terminate service during the Performance Period, subject to Section 9.6 herein.

9.8 Termination of Employment or Service for Other Reasons. Unless provided otherwise in the Participant's agreement evidencing his or her Performance Shares or Performance Units, if the employment or service of a Participant shall terminate before the end of a Performance Period for any other reason, all outstanding Awards of Performance Shares or Performance Units to such Participant shall be cancelled; provided, however, that in the event of a termination of the employment or service of the Participant by the Company other than for Cause, the Committee in its sole discretion may waive the foregoing automatic cancellation provision and pay out on a pro rata basis as set forth in Section 9.7 herein.

9.9 Non-transferability. Except as otherwise provided in the Participant's agreement evidencing his or her Award of Performance Shares or Performance Units, Performance Shares and Performance Units may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than upon the Participant's death, to the Participant's Beneficiary or, if no Beneficiary has been designated by the Participant, by will or by the laws of descent and distribution. Further, except as otherwise provided in the Participant's agreement evidencing his or her Award of

Performance Shares or Performance Units, a Participant's rights under the Plan shall inure during his or her lifetime only to such Participant.

ARTICLE 10

BENEFICIARY DESIGNATION

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit or right under the Plan is to be paid or transferred in case of his or her death before he or she receives any or all of such benefits or rights (a "Beneficiary" or "Beneficiaries"). Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such designation, benefits or rights remaining at the Participant's death shall be paid or transferred to the Participant's estate.

ARTICLE 11

RIGHTS OF EMPLOYEES AND DIRECTORS

11.1 Employment or Service. Nothing in the Plan shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment or service at any time, nor confer upon any Participant any right to continue in the employ or service of the Company or any Subsidiary. For purposes of the Plan, unless the Committee provides otherwise in an Award agreement, service includes service of a Participant in any capacity as a director, advisory or emeritus director, officer or employee of the Company or any Subsidiary, including an Employee who subsequently becomes a Director.

11.2 Participation. No Employee or Director shall be entitled to be selected to receive an Award under the Plan, or, having been so selected, to be selected to receive a future Award.

ARTICLE 12

CHANGE IN CONTROL

12.1 Effect of Change in Control. Notwithstanding any other provision of this Plan to the contrary, the provisions of this Article 12 shall apply in the event of a Change in Control. The Board has final authority to determine the exact date on which a Change in Control has been deemed to have occurred.

12.2 Conditional Vesting. Upon a Change in Control, except to the extent that another Award meeting the requirements of Section 12.3 (a "Replacement Award") is provided to the Participant to replace an outstanding Award (the "Replaced Award") and except as otherwise provided by the Committee in the applicable Award Agreement:

- (a) Each SAR and Option then outstanding shall become fully vested and exercisable;
- (b) Any remaining Period of Restriction applicable to Restricted Stock or Restricted Stock Units shall automatically terminate and the Shares of Restricted Stock shall thereby be free of restrictions and be fully transferable, and distribution of Shares or cash with respect to Restricted Stock Units shall occur pursuant to Section

8.11 above, provided, however, that with respect to any Restricted Stock or Restricted Stock Unit Award which is also a Performance-Based Award, the effect of a Change in Control on such Award shall be determined applying the principles of Section 12.2(c) below as if such Award was a Performance Share Award; and

(c) Each Performance Unit or Performance Share Award held by the Participant shall be deemed earned and shall be paid to the extent of the greater of (i) the extent, as determined by the Committee, to which the Performance Goals applicable to such Performance-Based Award have been met during the applicable Performance Period up through and including the effective date of the Change in Control or (ii) the target number of Performance Units or Performance Shares determined at the date of grant, with such target number to be pro-rated based on the elapsed proportion of the applicable Performance Period up through and including the effective date of the Change in Control.

12.3 Replacement Awards. An Award shall meet the conditions of this Section 12.3 (and hence qualify as a Replacement Award) if:

- (a) it has a value at least equal to the value of the Replaced Award;
- (b) it relates to publicly traded equity securities of the Company or its successor in the Change in Control or another entity that is affiliated with the Company or its successor following the Change in Control;
- (c) it meets the requirements of Section 12.4 below; and
- (d) its other terms and conditions are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent Change in Control and the provisions of Section 12.4).
- (e) Without limiting the generality of the foregoing, the Replacement Award may take the form of a continuation of the Replaced Award if the requirements of the preceding sentence are satisfied. The determination of whether the conditions of this Section 12.3 are satisfied shall be made by the Committee, as constituted immediately before the Change in Control, in its sole discretion.

12.4 Separation from Service. Upon an involuntary separation from service of a Participant (other than for Cause but including voluntary resignation for good reason under an applicable plan or agreement) occurring in connection with or during the period of two (2) years after a Change in Control, all Replacement Awards held by the Participant, to the extent not vested as of such separation, shall become fully vested and (if applicable) exercisable and free of restrictions.

ARTICLE 13

AMENDMENT, MODIFICATION AND TERMINATION

13.1 Amendment, Modification and Termination. The Board or the Committee may, at any time and from time to time, terminate, amend or modify the Plan without the consent of stockholders or Participants, except that any such action will be subject to the approval of the Company's stockholders if, when and to the extent such stockholder approval is necessary or required for purposes of any applicable federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Shares may then be listed or quoted, or if the Board, in its discretion, determines to seek such stockholder approval. In addition, Options and SARs issued under the

Plan may not be repriced, replaced or re-granted through cancellation, exchanged for cash or other Awards or by lowering the Exercise or Grant Price of a previously granted Option or SAR (other than as described in Section 4.4 herein), except with the approval of the Company's stockholders and in compliance with Section 409A and except that SARs may be settled in cash in accordance with Section 7.5. Neither the Board nor the Committee may materially waive any conditions of, or rights of the Company under, or modify or amend the terms of any outstanding Award, nor may the Board or Committee amend, alter, suspend, discontinue or terminate any outstanding Award without the consent of the Participant or holder thereof, except as otherwise herein provided, including, without limitation as provided in Section 13.2 herein.

13.2 Awards Previously Granted. No termination, amendment or modification of the Plan shall in any manner adversely affect any Award previously granted under the Plan, without the written consent of the Participant; provided, however, that the Participant shall not be required to consent to any amendment or modification required by law or for the Plan to comply with Section 409A.

ARTICLE 14

WITHHOLDING

The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any grant, exercise or payment made under or as a result of the Plan. The Committee may provide for Participants to satisfy withholding requirements by having the Company withhold Shares or the Participant making other arrangements acceptable to the Committee.

ARTICLE 15

SUCCESSORS

All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company.

ARTICLE 16

REQUIREMENTS OF LAW

16.1 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

16.2 Governing Law. To the extent not preempted by federal law, the Plan and all agreements hereunder shall be construed in accordance with and governed by the laws of the State of Maryland.

16.3 Regulatory Requirements. Anything in this Plan or an Award to the contrary notwithstanding, it is intended, to the extent required, that this Plan and Awards granted hereunder comply with the requirements of legislative or regulatory limitations or requirements which are or may become applicable to the Company and the Awards made hereunder (collectively, the "Regulatory Requirements"), including, but not limited to, provisions limiting payment of certain bonus, incentive or retention compensation or "golden parachute payments" to certain

officers or highly compensated employees, requiring that the Company may recover (claw-back) bonus and incentive compensation in certain circumstances, and precluding bonus and incentive arrangements that encourage unnecessary or excessive risks that threaten the value of the Company or any Subsidiary, in each case within the meaning of the Regulatory Requirements, and only to the extent applicable to the Company (or a Subsidiary) and a Participant. The application of this Section 16.3 is intended to, and shall be interpreted, administered and construed to, cause the Plan and Awards to comply with the Regulatory Requirements and, to the maximum extent consistent with this Section 16.3 and the Regulatory Requirements, to permit the operation of the Plan and each Award in accordance with the terms and provisions thereof before giving effect to the provisions of this Section 16.3 or the Regulatory Requirements.

ADDITIONAL PROVISIONS

17.1 Notices. Any communication required or permitted to be given under the Plan, including any notice, direction, designation, comment, instruction, objection or waiver, shall be in writing and shall be deemed to have been given at such time as it is delivered personally or three (3) days after mailing if mailed, postage prepaid, by registered or certified mail, return receipt requested, addressed to such party at the address listed below, or at such other address as one such party may by written notice specify to the other party:

(a) If to the Committee:
Great Southern Bancorp, Inc.
218 South Glenstone Avenue
Springfield, Missouri 65802
Attention: Corporate Secretary

(b) If to a Participant, to such person's address as shown in the Company's records.

17.2 Election to Defer. To the extent provided by the Committee under this Plan or an applicable deferral plan established by the Company or a Subsidiary, the receipt of payment of cash or delivery of Shares that would otherwise be due to a Participant pursuant to an Award hereunder, other than Options and SARs, may be deferred at the election of the Participant. Any such deferral elections and the payment of any amounts so deferred shall be made in accordance with such rules and procedures as the Committee may establish under this Plan or the applicable deferral plan, which rules and procedures shall comply with Section 409A of the Code.

17.3 Other Restrictions, Limitations and Clawback; Compliance with Law, Rules and Regulations. The Committee may provide that a Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment, to delayed or deferred payment or to holding period requirements upon the occurrence of certain specified events or circumstances in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, (a) termination of employment or service for Cause, (b) fraudulent or illegal actions or other misconduct, (c) violation of any Company and/or Subsidiary code of ethics, conflict of interest, insider trading or similar policy or code of conduct applicable to the Participant, (d) failure to enter into, or the breach of, any noncompetition, non-solicitation, confidentiality, or other restrictive covenant that may apply to the Participant, (e) other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Subsidiaries or (f) requirements of applicable laws, rules or regulations, including the Regulatory Requirements (as described in Section 16.3). If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with

any financial reporting requirement under the securities laws, if the Participant knowingly or grossly negligently engaged in the misconduct, or knowingly or grossly negligently failed to prevent the misconduct, or if the Participant is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002 (and not otherwise exempted), or in other circumstances subjecting Participants to the obligation to repay, and for the Company to recoup (clawback) incentive or other compensation, the Participant shall reimburse the Company with respect to payments received upon exercise or in settlement of an Award earned or accrued, and/or outstanding Awards shall be reduced, surrendered or cancelled, in such amount and with respect to such time period as the Committee shall determine to be required by applicable law, rule or regulation.

17.4 Compliance with Section 409A. This Plan is intended to comply and shall be administered in a manner that is intended to comply with Section 409A and shall be construed and interpreted in accordance with such intent. To the extent that an Award or the payment, settlement or deferral thereof is subject to Section 409A, the Award shall be granted, paid, settled or deferred in a manner that will comply with Section 409A, except as otherwise determined by the Committee. Any provision of this Plan that would cause the grant of an Award or the payment, settlement or deferral thereof to fail to satisfy Section 409A shall be amended to comply with Section 409A on a timely basis, which may be made on a retroactive basis, in accordance with regulations and other guidance issued under Section 409A. In the case of amounts not intended to be deferrals of compensation subject to Section 409A, such as, but not limited to, annual incentive Awards, payment or settlement of amounts under such Awards shall occur not later than March 15 of the year following the year in which the Participant has a legally-binding right to payment or settlement. In the case of amounts intended to be deferrals of compensation subject to Section 409A, the initial deferral election shall be made and become irrevocable no later than December 31 of the year immediately preceding the year in which the Participant first performs services related to such compensation, provided that the timing of such initial deferral election may be later as provided in Section 409A with respect to initial participation in the Plan and for "performance-based compensation" as defined under Section 409A. If an amount payable under an Award as a result of the separation from service (other than due to death) occurring while the Participant is a "specified employee" (as defined in Section 409A) constitutes a deferral of compensation subject to Section 409A, then payment of such amount shall not occur until six (6) months and a day after the date of the Participant's "separation from service" except as permitted under Section 409A. With respect to any Award that is not exempt from Section 409A, all references in this Plan to a termination of employment or service or a "separation from service" shall mean a cessation or reduction in the Participant's services for the Company (and any other affiliated entities that are deemed to constitute a "service recipient" as defined in Treasury Regulation §1.409A-1(h)(3)) that constitutes a "Separation from Service" as determined under Section 409A of the Code, taking into account all of the facts, circumstances, rules and presumptions set forth in Treasury Regulation §1.409A-1(h).
