**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Plan Participants and Plan Administrator of  
Microsoft Corporation Employee Stock Purchase Plan  
Redmond, Washington

**Opinion on the Financial Statements**

We have audited the accompanying statements of financial condition of the Microsoft Corporation Employee Stock Purchase Plan (the Plan) as of December 31, 2018 and 2017, the related statements of income and changes in plan equity for each of the three years in the period ended December 31, 2018, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial condition of the Plan as of December 31, 2018 and 2017, and the income and changes in plan equity for each of the three years in the period ended December 31, 2018, in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on the Plan's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Plan in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 DESCRIPTION OF THE PLAN AND ACCOUNTING POLICIES**

**Accounting Principles**

The financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America.

**General**

The Microsoft Corporation Employee Stock Purchase Plan (the Plan) became effective on January 1, 2013. The Plan is intended to provide eligible employees of Microsoft Corporation (the Company) who wish to become shareholders of the Company a convenient method of doing so. The Plan covers substantially all employees of the Company who are considered regular employees, whose hire date is before the first business day of the three-month offering period, and whose customary employment is for more than five months in any calendar year.

**Plan Administration**

Fidelity is the administrator of the Plan (the Plan Administrator). The Plan Administrator believes the Plan meets the qualification standards of Section 423 of the Internal Revenue Code of 1986, pursuant to which the Plan is not subject to taxation. The Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974.

**Contributions**

Plan participants (Participants) may make contributions to the Plan through payroll deductions for the purpose of purchasing the Company's common stock (Shares). Participant contributions are recorded in the period that the Participants' payroll deductions are made. Participant contributions are not subject to vesting and are therefore fully vested at all times.

**Share Purchases**

Participants may elect to purchase Shares at 90% of the closing price reported on the exchange where the Shares are traded (Fair Market Value) on the last business day of each three-month offering period. The Plan operates with separate consecutive offering periods ending March 31, June 30, September 30, and December 31, with offering dates of April 1, July 1, October 1, and January 1, respectively. Shares are recorded as purchased on the trade date, which is the last business day of each offering period. Once Shares are settled in the subsequent period, they are distributed to each Participant's account by the stock transfer agent.

Participants purchased 11,605,570, 13,574,853, and 13,951,094 Shares through the Plan during the years ended December 31, 2018, 2017, and 2016, respectively. Under the Plan, 110,368,324 Shares were reserved for future issuance as of December 31, 2018. The maximum number of Shares that will be offered under the Plan is 200,000,000.

## **Table of Contents**

### **Withdrawals**

If a Participant elects to withdraw from the Plan at any time prior to the first day of the last calendar month of a three-month offering period, or if a Participant's employment has been terminated at any time, the Plan refunds any amounts withheld during that period, plus any carryover amount from the previous period, back to the Participant. All such amounts are included in employee contributions, net of withdrawals on the Statements of Income and Changes in Plan Equity. Refunds resulting from Participant withdrawals and terminations from the Plan were not significant during any of the periods presented.

### **Payable to Participants**

Payable to participants represents cash in Participant accounts that was contributed to the Plan in amounts greater than the cost of the maximum number of Shares allowed to be purchased in a three-month offering period. All such amounts will be refunded to Participants from the Plan in the following offering period and are therefore not included in plan equity on the Statements of Financial Condition.

### **Limitations**

Participants may not make pre-tax contributions to the Plan exceeding 15% of their compensation. Additionally, Participants are prohibited from purchasing more than 2,000 Shares during a three-month offering period or purchasing Shares with an aggregate Fair Market Value in excess of \$25,000 in any calendar year.

Employees owning shares representing 5% or more of the total combined voting power or value of all classes of shares of the Company's stock are not permitted to purchase Shares under the Plan.

### **Administrative Expenses**

All Plan administrative expenses are paid by the Company and are not reflected in the accompanying financial statements.

### **Termination**

The Plan shall terminate at the earliest of the following:

December 31, 2022;

the date of the filing of a Statement of Intent to Dissolve by the Company or the effective date of a merger or consolidation (except with a related company) where the Company is not the surviving corporation;

the date the Board of Directors of the Company acts to terminate the Plan; or

the date when all Shares reserved under the Plan have been purchased.

In the event of a dissolution, merger, or acquisition of the Company, the Company may permit a Participant to purchase Shares to the extent of accumulated payroll deduction funds in the Participant's account. In the event of a termination of the Plan, Plan assets will be returned to the Participants.

NOTE 2 PLAN ASSETS

The Plan's cash is maintained by the Company on behalf of the Plan.
