EXPLANATORY NOTE

This Post-Effective Amendment No. 1 (this Post-Effective Amendment No. 1) to the registration statement on Form S-1 (File No. 333-22802 (the Registration Statement)) of Tidewater Inc. (Tidewater or the Registrant) is being filed pursuant to the undertakings the Registrant made in Item 17 of the Registration Statement to update and supplement the Registration Statement and the prospectus included therein to, among other things, include the information contained in our Annual Report on Form 10-K for the year ended December 31, 2018 (the Annual Report on Form 10-K) which was filed with the Securities and Exchange Commission (the SEC) on February 28, 2019.

The Registration Statement was originally declared effective by the SEC on November 15, 2018. The Registration Statement relates to the issuance by Tidewater of up to 3,434,934 shares of Tidewater common stock, par value \$0.001 per share (the Common Stock), upon the exercise of certain outstanding warrants (the GLF Warrants). The GLF Warrants, originally issued by GulfMark Offshore, Inc. (GulfMark), were assumed by Tidewater as a result of the business combination between Tidewater and GulfMark that was consummated on November 15, 2018 (the business combination and the consummation of such business combination, the closing). The business combination was effected pursuant to the terms and conditions of an Agreement and Plan of Merger, dated as of July 15, 2018, by and between Tidewater and GulfMark (the merger agreement).

Pursuant to the terms of the merger agreement and the applicable GLF Warrant Agreement (as defined below), each GLF Warrant that was outstanding immediately prior to the closing was automatically converted into a warrant exercisable for 1.100 of a fully paid, validly-issued and nonassessable share of Common Stock (the exchange ratio), the same merger consideration paid in the business combination to holders of GulfMark's common stock, upon payment to Tidewater of the applicable exercise price and subject to the other terms and conditions of the applicable GLF Warrant Agreement, including cash paid in lieu of any fractional share. There are two series of GLF Warrants: GLF Jones Act Warrants, which may be exercised at any time until November 14, 2042 for an exercise price of \$0.01 per share, and GLF Equity Warrants, which may be exercised at any time until November 14, 2024 for an exercise price of \$100.00 per share. Each series of GLF Warrants is subject to a warrant agreement with substantially the same terms and conditions that applied to such warrant prior to the closing, as assumed and amended by Tidewater effective upon the closing. Although all of the GLF Warrants are immediately exercisable, the exercise of any GLF Warrants is subject to, among other things, the limitations on foreign ownership as set forth in Tidewater's Amended and Restated Certificate of Incorporation (the Tidewater charter) that are intended to comply with the Merchant Marine Act of 1920 and the Shipping Act, 1916, as amended, and the rules and regulations promulgated thereunder (collectively, the Jones Act).

As a result of the business combination and pursuant to the GLF Warrant Agreements, Tidewater will issue shares of Common Stock to the holders of GLF Warrants from time to time in the future and in amounts determined by such holders through their exercise of GLF Warrants, subject to the limitations set forth in the Tidewater charter intended to assure Tidewater's compliance with the Jones Act, and the shares of Common Stock subject to this registration statement are being registered for this purpose.

This Post-Effective Amendment No. 1 covers the offer and sale by Tidewater of the Common Stock that is issuable upon the exercise of the GLF Warrants that are described in the preceding paragraph. No further offer or sale is being made by Tidewater pursuant to the Registration Statement and the prospectus included therein.

Edgar Filing: TIDEWATER INC - Form POS AM

We previously paid to the SEC the entire registration fee relating to the Common Stock that is the subject of this Post-Effective Amendment No. 1.

The information in this prospectus is not complete and may be changed. PRELIMINARY SUBJECT TO COMPLETION,

DATED MARCH 4, 2019

Tidewater Inc.

Up to 3,434,934 Shares of Common Stock

Issuable upon the Exercise of Outstanding GLF Warrants

This prospectus relates to the delivery by Tidewater of up to 3,434,934 shares of common stock, par value \$0.001 per share (the **Common Stock**), which are issuable upon the exercise of certain outstanding warrants (the **GLF Warrants**).

The GLF Warrants, originally issued by GulfMark Offshore, Inc. (**GulfMark**), were assumed by Tidewater as a result of the business combination between Tidewater and GulfMark that was consummated on November 15, 2018 (the **business combination** and the consummation of such business combination, the **closing**). The business combination was transacted pursuant to an Agreement and Plan of Merger, dated as of July 15, 2018, by and between Tidewater and GulfMark (the **merger agreement**).

In accordance with the terms of the merger agreement and the applicable GLF Warrant Agreement (as assumed and amended by Tidewater at the closing), each GLF Warrant represents the right to receive 1.100 shares of Common Stock upon payment to Tidewater of the applicable exercise price and subject to the other terms and conditions of the applicable GLF Warrant Agreement, including cash paid in lieu of any fractional share. There are two series of GLF Warrants: GLF Jones Act Warrants, which may be exercised at any time until November 14, 2042 for an exercise price of \$0.01 per share, and GLF Equity Warrants, which may be exercised at any time until November 14, 2024 for an exercise price of \$100.00 per share. Although all of the GLF Warrants are immediately exercisable, exercise of any GLF Warrants is subject to, among other things, the limitations on foreign ownership as set forth in Tidewater's Amended and Restated Certificate of Incorporation (the **Tidewater charter**) that are intended to comply with the Merchant Marine Act of 1920 and the Shipping Act, 1916, as amended, and the rules and regulations promulgated thereunder (collectively, the **Jones Act**). Immediately following the closing, there were 2,339,658 GLF Jones Act Warrants outstanding, representing the right to purchase an aggregate of 2,573,624 shares of Common Stock and 783,009 GLF Equity Warrants outstanding, representing the right to purchase an aggregate 861,310 shares of Common Stock.

Tidewater will not receive any cash proceeds from the exercise of GLF Jones Act Warrants because, by their terms, these warrants may only be exercised through a cashless exercise procedure, where the number of shares of Common Stock delivered upon exercise will be reduced by the number of shares of Common Stock necessary to cover the

aggregate exercise price. Holders of GLF Equity Warrants may elect either to exercise their warrants using a cashless exercise procedure or to pay the aggregate exercise price in cash. Tidewater will receive the proceeds from any cash exercise of the GLF Equity Warrants. If all GLF Equity Warrants that were outstanding as of the closing were exercised for cash, we would receive gross proceeds of approximately \$86,131,000. Any such proceeds would be used for general corporate purposes.

Our Common Stock is listed on the New York Stock Exchange (the NYSE) under the symbol TDW. On March 1, 2019, the last reported closing sale price of our Common Stock on the NYSE was \$23.51.

Holding shares of our Common Stock involves risks that are described in the Risk Factors section on page 4 of this prospectus and Risk Factors in the documents incorporated by reference herein.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.

The date of this prospectus is March 4, 2019.

Information about the Company

Tidewater Inc.

Houston, Texas 77072

Phone: 713-470-5300

Tidewater Inc., a Delaware corporation, provides offshore marine support and transportation services to the global offshore energy industry through the operation of a diversified fleet of marine service vessels. Tidewater was incorporated in 1956 and conducts its operations through wholly-owned United States and international subsidiaries, as well as through joint ventures in which Tidewater has either majority or, occasionally, non-controlling interests (generally where required to satisfy local ownership or local content requirements). Headquartered in Houston, Texas, Tidewater's U.S. marine operations are based in Amelia, Louisiana and Houston, Texas, and Tidewater conducts international operations through facilities and offices located in over 30 countries. With over 60 years of international experience, Tidewater has one of the broadest geographic operating footprints in the offshore energy industry experience and operations in most of the world's significant offshore crude oil and natural gas exploration and production regions. On December 31, 2018, Tidewater owned 257 vessels (excluding five joint venture vessels, but including 92 stacked vessels) available to serve the global energy industry.

Tidewater's vessels and associated vessel services provide support for all phases of offshore oil and natural gas exploration, field development and production.

Shares of Tidewater's common stock, \$0.001 par value per share (the **Common Stock**), are listed on the New York Stock Exchange (the **NYSE**) under the symbol **TDW**.

The Business Combination with GulfMark

On November 15, 2018, Tidewater and GulfMark Offshore, Inc., a Delaware corporation (**GulfMark**), completed the transactions contemplated by the Agreement and Plan of Merger (the **merger agreement**), dated as of July 15, 2018, by and among Tidewater and GulfMark, providing for the combination of Tidewater with GulfMark (the **business combination** and the consummation of such business combination, the **closing**). The business combination was effected as a two-step reverse merger, with (1) GulfMark merging with and into a newly-formed, wholly-owned subsidiary of Tidewater, with GulfMark continuing as the surviving entity and a wholly-owned subsidiary of Tidewater (the **Surviving Corporation**) and then, immediately afterwards, (2) the Surviving Corporation merging with

and into a second newly-formed, wholly-owned subsidiary of Tidewater (Gorgon NewCo, LLC, a Delaware limited liability company, or Gorgon), with Gorgon continuing as the surviving entity and a direct, wholly-owned subsidiary of Tidewater.

Assumption of the GLF Warrants

As provided in the merger agreement, at the closing, each share of GulfMark common stock that was issued and outstanding immediately prior to the business combination was converted into the right to receive 1.100 of a fully

Table of Contents

paid, validly issued and nonassessable share of Common Stock (the exchange ratio). In addition, as provided in the merger agreement and applicable GLF Warrant Agreement (as assumed and amended by Tidewater at the closing), each GulfMark warrant that was outstanding immediately prior to the business combination (collectively, the GLF Warrants) was automatically converted into a warrant representing a right to acquire shares of Common Stock on substantially the same terms and conditions as applied to such warrant immediately prior to the business combination, as adjusted to reflect the exchange ratio and subject to the limitations on foreign ownership set forth in the Tidewater charter intended to comply with the Jones Act. As a result, following the closing, each GLF Warrant is exercisable for a 1.100 share of Common Stock upon payment to Tidewater of the applicable exercise price and subject to the other terms and conditions of the applicable GLF Warrant Agreement, including cash paid in lieu of any fractional share.

The terms and conditions of the business combination are contained in the merger agreement, which is filed as an exhibit to, and incorporated by reference into, this prospectus.

Description of GLF Warrants

Tidewater is not offering to issue or sell GLF Warrants. Rather, as described in greater detail in this prospectus, Tidewater is obligated to issue shares of Common Stock to the holders of GLF Warrants from time to time and in amounts determined by such holders through their exercise of GLF Warrants, subject to the limitations set forth in the Tidewater charter intended to comply with the Jones Act, and the shares of Common Stock subject to this registration statement are being registered for this purpose.

In accordance with the terms and conditions of the merger agreement and the applicable GLF Warrant Agreement (as assumed and amended by Tidewater at the closing), each GLF Warrant represents the right to purchase 1.100 shares of Common Stock upon payment to Tidewater of the applicable exercise price and subject to the other terms and conditions of the applicable GLF Warrant Agreement, including cash paid in lieu of any fractional share by Tidewater to an exercising warrant holder.

There are two series of GLF Warrants: GLF Jones Act Warrants, which may be exercised at any time until November 14, 2042 for an exercise price of \$0.01 per share, and GLF Equity Warrants, which may be exercised at any time until November 14, 2024 for an exercise price of \$100.00 per share. Although all of the GLF Warrants are immediately exercisable, exercise of any GLF Warrants is subject to the limitations on foreign ownership as set forth in the Tidewater charter that are intended to comply with the Jones Act. Immediately following the closing, there were 2,339,658 GLF Jones Act Warrants outstanding, representing the right to purchase an aggregate of 2,573,624 shares of Common Stock and 783,009 GLF Equity Warrants outstanding, representing the right to purchase an aggregate 861,310 shares of Common Stock.

The exercise of the GLF Jones Act Warrants is subject to the terms and conditions of the applicable warrant agreement, as amended by a written instrument executed by Tidewater, GulfMark, and the warrant agent (as amended, the GLF Jones Act Warrant Agreement). The documents comprising the GLF Jones Act Warrant Agreement are filed as Exhibits 4.1 and 4.2 to, and are incorporated by reference into, this prospectus.

Similarly, exercise of the GLF Equity Warrants is subject to the terms and conditions of the applicable warrant agreement, as amended by a written instrument executed by Tidewater, GulfMark, and the warrant agent (as amended, the GLF Equity Warrant Agreement and together with the GLF Jones Act Warrant Agreement, the GLF Warrant Agreements and each a GLF Warrant Agreement). The documents comprising the GLF Equity Warrant Agreement are filed as Exhibits 4.3 and 4.4 to, and are incorporated by reference into, this prospectus.

Some of these risks are discussed in Tidewater's Annual Report on Form 10-K, which is incorporated by reference into this registration statement on Form S-1, including in Item 1A. USE OF PROCEEDS

Tidewater will not receive any cash proceeds from the exercise of GLF Jones Act Warrants because, by their terms, GLF Jones Act Warrants may only be exercised through a cashless exercise procedure, in which the number of shares of Common Stock delivered to the exercising warrant holder upon exercise will be reduced by the number of shares of Common Stock necessary to cover the aggregate exercise price. Holders of GLF Equity Warrants may elect either to exercise their warrants using a cashless exercise procedure or to pay the aggregate exercise price in cash. Tidewater will receive the proceeds from any cash exercise of the GLF Equity Warrants. If all GLF Equity Warrants that were outstanding as of the closing were exercised for cash, we would receive gross proceeds of approximately \$86,131,000. Tidewater intends to use any proceeds received upon the cash exercise of GLF Equity Warrants for general corporate purposes.

DETERMINATION OF OFFERING PRICE

The offering price per share of Common Stock issuable under the GLF Warrants is an exercise price set forth in the applicable GLF Warrant Agreement. For GLF Jones Act Warrants, the exercise price is \$0.01 per share of Common Stock and for GLF Equity Warrants, the exercise price is \$100.00 per share of Common Stock, in each case, subject to adjustment as provided in the applicable GLF Warrant Agreement.

PLAN OF DISTRIBUTION

As provided in the applicable GLF Warrant Agreement, the shares of Common Stock offered and sold pursuant to this prospectus will be delivered by Tidewater directly to warrant holders upon the exercise of GLF Warrants, when and to the extent such warrant holder elects to exercise such GLF Warrants, subject to the limitations set forth in the Tidewater charter intended to comply with the Jones Act.

Tidewater's Common Stock is listed on the NYSE under the symbol TDW. The transfer agent for Tidewater Common Stock is Computershare Inc.

THE WARRANTS

As a result of the business combination, Tidewater assumed the GLF Warrants and will be obligated to issue shares of Common Stock to the holders of GLF Warrants from time to time in the future, in amounts determined by such holders through their exercise of these GLF Warrants, subject to the limits set forth in the Tidewater charter intended to comply with the Jones Act, and the shares of Common Stock subject to this registration statement are being registered for this purpose.

There are two series of GLF Warrants: GLF Jones Act Warrants, which may be exercised at any time until November 14, 2042 for an exercise price of \$0.01 per share, and GLF Equity Warrants, which may be exercised at any time until November 14, 2024 for an exercise price of \$100.00 per share. Each series of GLF Warrant is subject to the terms and conditions of a warrant agreement, which was amended in connection with the business combination and assumed by Tidewater effective upon the closing (the GLF Jones Act Warrant Agreement and the GLF Equity Warrant Agreement and together, the GLF Warrant Agreements). Although all of the GLF Warrants are immediately exercisable, exercise of any GLF Warrants is subject to, among other things, the limitations on foreign ownership as set forth in the Tidewater charter that are intended to comply with the Jones Act.

Specifically, the Jones Act, which applies to companies that engage in maritime transportation of merchandise and passengers between points in the United States (known as marine cabotage services or coastwise trade), requires, among other things, that the aggregate ownership of common stock of a publicly-traded company by non-U.S. citizens not exceed 25% of its outstanding common stock. Therefore, in order to ensure compliance with the Jones Act, Tidewater's charter restricts ownership of the total number of shares of capital stock by all non-U.S. citizens to not more than 24% in the aggregate and restricts ownership of the total number of shares of capital stock by any individual non-U.S. citizen to not more than 4.9%.

As adjusted by the merger agreement and the applicable GLF Warrant Agreement, each GLF Warrant represents the right to receive 1.100 shares of Common Stock upon payment to Tidewater of the applicable exercise price and subject to the other terms and conditions of the applicable GLF Warrant Agreement, including the limitations on foreign ownership as set forth in the Tidewater charter that are intended to comply with the Jones Act. As provided in the applicable GLF Warrant Agreement, no fractional shares will be issued upon the exercise of GLF Warrants; rather, in exchange for payment of the applicable aggregate per-share exercise price, an exercising warrant holder will be entitled to receive a number of shares of Common Stock equal to all GLF Warrants of that series being exercised by such holder multiplied by 1.100, rounded down to the nearest whole share, with cash paid in lieu of any fractional share based on the closing price of a share of Common Stock on the NYSE on November 14, 2018, the last trading day prior to the closing.

The foregoing description of the GLF Warrants is not complete and is qualified by reference to the applicable GLF Warrant Agreement. With respect to the GLF Jones Act Warrants, the two documents constituting the GLF Jones Act Warrant Agreement are filed as Exhibits 4.1 and 4.2 to, and are incorporated by reference into, this prospectus. With respect to the GLF Equity Warrants, the two documents constituting the GLF Equity Warrant Agreement are filed as Exhibits 4.3 and 4.4 to, and are incorporated by reference into, this prospectus.

DESCRIPTION OF TIDEWATER COMMON STOCK AND WARRANTS

The following summary of the material terms of Tidewater common stock and warrants and the material provisions of the Tidewater charter, the Tidewater bylaws, and the warrant agreements does not purport to be complete and is qualified by reference to the full text of the Tidewater charter, the Tidewater bylaws, and the applicable warrant agreements, each of which is attached as an Exhibit to, and incorporated by reference into, this registration statement.

General

The authorized capital stock of Tidewater consists of 125,000,000 shares of common stock, par value \$0.001 per share, of which 37,169,016 shares were outstanding as of February 15, 2019 and 3,000,000 shares of preferred stock, no par value per share, none of which were outstanding as of February 15, 2019. As of February 15, 2019, the outstanding shares of common stock were held by 729 stockholders of record. All outstanding shares of Tidewater common stock are fully paid and nonassessable. The unissued portion of Tidewater's authorized common stock are available for issuance as the Tidewater Board determines advisable.

Tidewater has also established long-term incentive compensation plans as incentives for certain eligible employees and currently sponsors two such plans—the 2017 Stock Incentive Plan (the 2017 Plan) and the Legacy GulfMark Management Incentive Plan (the GLF MIP), which Tidewater assumed in the business combination, converting the number of shares subject to outstanding restricted stock units as well as the number of additional shares remaining available to grant to shares of Tidewater common stock based on the exchange ratio. The only type of long-term incentive award that Tidewater has outstanding is restricted stock units. As of December 31, 2018, there were 964,147 restricted stock units outstanding under the 2017 Plan and 180,302 restricted stock units outstanding under the GLF MIP, each of which represents the right to receive a share of Tidewater common stock in the future, provided the applicable vesting conditions are met. Subject to the terms and conditions of the applicable plan and NYSE listing rules, Tidewater may issue up to 1,610,533 additional shares of common stock under the 2017 Plan and up to 714,569 additional shares of common stock under the GLF MIP.

In addition, immediately following the closing, Tidewater had five series of outstanding warrants, three series of which were issued during the Restructuring: (1) Series A warrants, (2) Series B warrants (together with the Series A warrants, the equity warrants or the TDW Equity Warrants) and (3) warrants issued to certain holders of Tidewater's unsecured notes, certain lenders under Tidewater's credit agreement pre-Restructuring, and the lessor parties to certain sale leaseback agreements (the creditor warrants or the TDW Jones Act Warrants) who did not establish their status as U.S. Citizens during the Restructuring. Two series of warrants were assumed as a result of the business combination: (1) GLF Equity Warrants and (2) GLF Jones Act Warrants.

The TDW Equity Warrants have six-year terms and are exercisable through July 31, 2023. Each TDW Equity Warrant represents the right to purchase one share of Tidewater common stock, par value \$0.001 per share, at the applicable exercise price, subject to certain adjustments as provided in the equity warrant agreement pursuant to which the equity warrants were issued. All unexercised equity warrants will expire, and the rights of the holders of Tidewater Equity Warrants to purchase shares of Tidewater common stock will terminate on the first to occur of (i) the close of business on July 31, 2023, or (ii) upon their earlier exercise or settlement in accordance with the terms of the equity warrant agreement.

The TDW Jones Act Warrants have 25-year terms and are exercisable through July 31, 2042. Each TDW Jones Act Warrants represents the right to purchase one share of Tidewater common stock, par value \$0.001, upon payment of an exercise price equal to the par value of Tidewater common stock. All unexercised TDW Jones Act Warrants will

expire, and the rights of the holders of Tidewater Creditor Warrants to purchase shares of

As of December 31, 2018, there were outstanding Series A warrants to purchase 2,432,432 shares of Tidewater common stock, with an exercise price of \$57.06 per share, outstanding Series B warrants to purchase 2,629,657 shares of Tidewater common stock, with an exercise price of \$62.08 per share, and 2,220,857 outstanding creditor warrants to purchase 2,220,857 shares of Tidewater common stock, with an exercise price of \$0.001 per share.

The GLF Equity Warrants have seven-year terms and are exercisable through November 14, 2024. Each GLF Equity Warrant represents the right to purchase 1.100 shares of Tidewater common stock, par value \$0.001 per share, for an exercise price of \$100.00 per share, subject to certain adjustments as provided in, and all other terms and conditions of, the GLF Equity Warrant Agreement under which such warrants were issued (as assumed and amended by Tidewater), including the limitations on foreign ownership as set forth in the Tidewater charter that are intended to comply with the Jones Act. All unexercised GLF Equity Warrants will expire, and the rights of the holders of GLF Equity Warrants to purchase shares of Tidewater common stock will terminate on the first to occur of (i) the close of business on November 14, 2024, or (ii) upon their earlier exercise or settlement in accordance with the terms of the GLF Equity Warrant Agreement.

The GLF Jones Act Warrants have 25-year terms and are exercisable through November 14, 2042. Each GLF Jones Act Warrant represents the right to purchase 1.100 shares of Tidewater common stock, par value \$0.001 per share, for an exercise price of \$0.01 per share, subject to certain adjustments as provided in, and all other terms and conditions of, the GLF Jones Act Warrant Agreement under which such warrants were issued (as assumed and amended by Tidewater), including the limitations on foreign ownership as set forth in the Tidewater charter that are intended to comply with the Jones Act. All unexercised GLF Jones Act Warrants will expire, and the rights of the holders of GLF Jones Act Warrants to purchase shares of Tidewater common stock will terminate on the first to occur of (i) the close of business on November 14, 2042 or (ii) upon their earlier exercise or conversion in accordance with the terms of the GLF Jones Act Warrant Agreement.

Immediately following the closing, there were 783,009 outstanding GLF Equity Warrants to purchase up to 861,310 shares of Tidewater common stock, with an exercise price of \$100.00 per share, and 2,339,658 outstanding GLF Jones Act Warrants to purchase up to 2,573,624 shares of Tidewater common stock, with an exercise price of \$0.01 per share.

Common Stock

Voting Rights. Tidewater has only one outstanding class of stock and all voting rights are vested in the holders of Tidewater common stock. On all matters subject to a vote of stockholders, including the election of directors, the stockholders of Tidewater will be entitled to one vote for each share of common stock owned. Stockholders of Tidewater do not have cumulative voting rights with respect to the election of directors.

Dividend Rights. Subject to the rights granted to any holders of Tidewater preferred stock, holders of Tidewater common stock are entitled to receive dividends, if any, in the amounts and at the times declared by the Tidewater Board in its discretion out of any assets or funds of Tidewater legally available for the payment of dividends.

Liquidation Rights. Upon the dissolution, liquidation or winding up of Tidewater's business, subject to the rights, if any, of the holders of any outstanding series of preferred stock, holders of Tidewater common stock are entitled to receive the assets of Tidewater available for distribution to its stockholders ratably in proportion to the number of shares of common stock held by them.

Table of Contents

Assessment and Redemption. Shares of Tidewater common stock presently outstanding are validly issued, fully paid and nonassessable. There is no provision for any voluntary redemption of Tidewater common stock.

Preemptive Rights. Holders of Tidewater common stock do not have any preemptive right to subscribe to an additional issue of its common stock or to any security convertible into such stock.

Limitations on Ownership by Non-U.S. Citizens. Tidewater owns and operates U.S.-flag vessels in U.S. coastwise trade; accordingly, it is subject to the Jones Act, which, subject to limited exceptions, restricts maritime transportation between points in the United States (known as marine cabotage services or coastwise trade) to vessels built in the United States, registered under the U.S. flag, manned by predominantly U.S. crews, and owned and operated by U.S. citizens within the meaning of the Jones Act. Under the Jones Act, at least 75% of the outstanding shares of each class or series of the capital stock of Tidewater must be owned and controlled by U.S. citizens. In order to ensure compliance with the Jones Act coastwise citizenship requirement that at least 75% of Tidewater's outstanding common stock is owned by U.S. citizens, the Tidewater certificate of incorporation restricts ownership of the shares of its outstanding common stock by non-U.S. citizens in the aggregate to not more than 24%. The Tidewater certificate of incorporation further prohibits the acquisition of shares by a non-U.S. citizen where (i) such acquisition would cause the aggregate number of shares held by all non-U.S. citizens to exceed 24% of Tidewater's issued and outstanding common stock and (ii) such acquisition would cause the aggregate number of shares held by any individual non-U.S. citizen to exceed 4.9% of Tidewater's issued and outstanding common stock. The Tidewater certificate of incorporation further provides the Tidewater Board with authority to redeem any share of common stock that is owned by non-U.S. citizens that would result in ownership by non-U.S. citizens in the aggregate in excess of 24% of Tidewater's issued and outstanding common stock. The Tidewater certificate of incorporation further provides that Tidewater may require beneficial owners of its common stock to confirm their citizenship from time to time through written statement or affidavit and could, in the discretion of the Tidewater Board, suspend the voting rights of such beneficial owner, pay into an escrow account dividends or other distributions (upon liquidation or otherwise) with respect to such shares held by such beneficial owner and restrict, prohibit or void the transfer of such shares and refuse to register such shares of Tidewater common stock held by such beneficial owner until confirmation of its citizenship status is received.

Transfer Agent. The transfer agent for Tidewater common stock is Computershare Inc.

Certain Provisions of the Tidewater Certificate of Incorporation and Bylaws

Indemnification and Limitations on Liability of Directors and Officers

As permitted by the DGCL, the Tidewater certificate of incorporation contains provisions that eliminate the personal liability of Tidewater's directors and officers to Tidewater and Tidewater's stockholders to the fullest extent permitted by the DGCL. However, these provisions do not limit or eliminate the rights of Tidewater or any stockholder to seek an injunction or any other non-monetary relief in the event of a breach of a director or officer's fiduciary duty and do not limit or eliminate the liability of directors under the federal securities laws.

In addition, the Tidewater certificate of incorporation provides that Tidewater will indemnify and advance expenses to, and hold harmless, each of Tidewater's directors and officers, to the fullest extent permitted by applicable law, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of Tidewater or, while holding such office or serving in such position, is or was serving at the request of Tidewater as a director, officer or agent of another entity or enterprise, including service with respect to employee benefit plans, against all liability and loss suffered and expenses

(including attorney's fees), judgments, fines and amounts paid in settlement (except for judgments, fines and amounts paid in settlement in any action or suit by or in the right of Tidewater to procure a judgment in its favor) actually and reasonably incurred by such person. The Tidewater

Table of Contents

certificate of incorporation further provides that it shall only be required to indemnify a person potentially eligible for indemnification (as specified above) in connection with a proceeding commenced by such person only if the commencement of such proceeding (or part thereof) by the person was authorized by the Tidewater Board.

The DGCL permits Tidewater to purchase and maintain insurance on behalf of any person who is a director or officer or acts committed in their capacities as such directors or officers. Tidewater currently maintains such liability insurance.

Anti-Takeover Provisions

Certain provisions of the DGCL, and the Tidewater certificate of incorporation and bylaws may have an anti-takeover effect and may delay, defer or prevent a merger, acquisition, tender offer, takeover attempt or other change of control transaction or other attempts to influence or replace Tidewater's incumbent directors and officers. These provisions are summarized below.

Section 203 of the DGCL. Section 203 of the DGCL generally prohibits any business combination, including mergers, sales and leases of assets, issuances of securities and similar transactions, by a corporation or a subsidiary with an interested stockholder who beneficially owns 15% or more of a corporation's voting stock, within three years after the person or entity becomes an interested stockholder, unless: (i) the transaction that will cause the person or entity to become an interested stockholder is approved by the board of directors of the corporation prior to the transaction; (ii) after the completion of the transaction in which the person or entity becomes an interested stockholder, the interested stockholder holds at least 85% of the voting stock of the corporation not including shares held by officers and directors of interested stockholders or shares held by specified employee benefit plans; or (iii) after the person or entity becomes an interested stockholder, the business combination is approved by the corporation's board of directors and holders of at least two-thirds of the corporation's outstanding voting stock, excluding shares held by the interested stockholder. The Tidewater certificate of incorporation incorporates Section 203 (except for Section 203(b)(4)) and provides that such provisions will govern even if Tidewater does not have a class of voting stock that is (i) listed on a National Securities Exchange, (ii) authorized for quotation on an interdealer quotation system of a registered national securities association or (iii) held of record by more than 2,000 stockholders.

Authorized but Unissued Shares of Common Stock. The Tidewater certificate of incorporation authorizes the Tidewater Board to issue authorized but unissued shares of common stock.

Undesignated Preferred Stock. The Tidewater certificate of incorporation provides the Tidewater Board with the authority to determine and fix the powers, preferences, rights, qualifications, limitations and restrictions of shares of preferred stock issued by the Tidewater Board.

No Cumulative Voting. Holders of Tidewater common stock do not have cumulative voting rights in the election of directors.

Requirements for Advance Notification of Stockholder Nominations and Proposals. The Tidewater bylaws provide advance notice procedures for stockholders to nominate candidates for election as directors at Tidewater's annual and special meetings of stockholders and for stockholders seeking to bring business before its annual meeting of stockholders. The Tidewater bylaws also specify certain requirements regarding the form and content of a stockholder's notice.

Special Meetings of Stockholders. The Tidewater bylaws allow only the Tidewater Board to call special meetings of stockholders. Tidewater stockholders are not able to call special meetings of stockholders.

Stockholder Action by Written Consent. The Tidewater certificate of incorporation provides that any action required or permitted to be taken at a stockholders meeting may be taken only upon the vote of the stockholders at such meeting, and may not be taken by written consent of the stockholders.

Table of Contents

Amendments of Certain Provisions of the Tidewater Certificate of Incorporation. The Tidewater certificate of incorporation requires the affirmative vote of at least 80% of the voting power of the outstanding shares of Tidewater's capital stock, voting together as a single class, to amend, repeal or adopt any provision inconsistent with the provision of its charter prohibiting stockholders acting by written consent.

Size of Tidewater Board and Vacancies. Subject to the Specified Period Governance Provisions, the Tidewater bylaws provide that the Tidewater Board shall consist of five or more members, the exact number to be fixed by the Tidewater Board from time to time. The Tidewater bylaws further provide that, subject to the rights of holders of any series of preferred stock to elect directors under specific circumstances, any newly created directorships resulting from an increase in the authorized number of directors and any vacancies occurring in the Tidewater Board, may be filled by the affirmative vote of a majority of the remaining members of the board, although less than a quorum, or a sole remaining director. The Tidewater bylaws require that immediately following the closing, the Tidewater Board consist of ten members, three of which will be GulfMark designated directors. In addition, the Tidewater bylaws require that, subject to applicable law and the directors' fiduciary duties, each of the three GulfMark designated directors (or a replacement candidate as provided in the bylaws) will be included in the slate of nominees recommended by the Tidewater Board to the Tidewater stockholders for election at the 2019 annual meeting of stockholders (together with other bylaw provisions specifically adopted to enforce these commitments, the Specified Period Governance Provisions).

Amendments of the Tidewater Bylaws. The Tidewater bylaws may only be adopted, amended, or repealed by either a majority of Tidewater's directors and a majority of Tidewater's continuing directors, voting as a separate group (except that in order to amend, modify or repeal the Specified Governance Provisions, a vote of at least 85% of the Tidewater Board at the time of such amendment, repeal or modification is required), or the holders of at least 80% of the total voting power of all stockholders and two-thirds of the total voting power of stockholders, other than any related person, present or duly represented at a stockholders' meeting voting as a separate group.

Limitations on Ownership by Non-U.S. Citizens. Because Tidewater owns and operates U.S.-flag vessels in U.S. coastwise trade, it is subject to the Jones Act, which, subject to limited exceptions, restricts maritime transportation between points in the United States (known as marine cabotage services or coastwise trade) to vessels built in the United States, registered under the U.S. flag, manned by predominantly U.S. crews, and owned and operated by U.S. citizens within the meaning of the Jones Act. Under the Jones Act, at least 75% of the outstanding shares of each class or series of the capital stock of Tidewater must be owned and controlled by U.S. citizens. In order to ensure compliance with the Jones Act coastwise citizenship requirement that at least 75% of Tidewater's outstanding common stock is owned by U.S. citizens, the Tidewater certificate of incorporation restricts ownership of the shares of its outstanding common stock by non-U.S. citizens in the aggregate to not more than 24%. The Tidewater certificate of incorporation further prohibits the acquisition of shares by a non-U.S. citizen where (i) such acquisition would cause the aggregate number of shares held by all non-U.S. citizens to exceed 24% of Tidewater's issued and outstanding common stock and (ii) such acquisition would cause the aggregate number of shares held by any individual non-U.S. citizen to exceed 4.9% of Tidewater's issued and outstanding common stock. The Tidewater certificate of incorporation further provides the Tidewater Board with authority to redeem any share of common stock that is owned by non-U.S. citizens that would result in ownership by non-U.S. citizens in the aggregate in excess of 24% of Tidewater's issued and outstanding common stock. The Tidewater certificate of incorporation also provides that Tidewater may require beneficial owners of its common stock to confirm their citizenship from time to time through written statement or affidavit and could, in the discretion of the Tidewater Board, suspend the voting rights of such beneficial owner, pay into an escrow account dividends or other distributions (upon liquidation or otherwise) with respect to such shares held by such beneficial owner and restrict, prohibit or void the transfer of such shares and refuse to register such shares of Tidewater common stock held by such beneficial owner until confirmation of its citizenship status is received.

Item 14. Indemnification of Directors and Officers.

Section 145 of the DGCL empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the rights of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person. The statute provides that it is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

The Tidewater certificate of incorporation contains provisions that provide for indemnification of officers and directors to the fullest extent permitted by, and in the manner permissible under, applicable state and federal law, including the DGCL.

Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director of the corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) for payments of unlawful dividends or unlawful stock purchases or redemptions, or (4) for any transaction from which the director derived an improper personal benefit. The Tidewater certificate of incorporation provides for such limitation of liability.

Tidewater expects to maintain standard policies of insurance under which coverage is provided to Tidewater's directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act and to Tidewater with respect to payments which may be made by Tidewater to such directors and officers pursuant to the above indemnification provision or otherwise as a matter of law.

In the merger agreement, Tidewater agreed, in addition to its existing indemnification obligations under the Tidewater governing documents, to cause the surviving corporation and its subsidiaries to indemnify and hold

harmless (and provide advancement of expenses to) each present and former director and officer of GulfMark or any of its subsidiaries and each other person or entity who becomes a director or officer of GulfMark or any of its subsidiaries, from and against any costs or expenses, judgments, fines, losses, claims, damages, penalties, amounts paid in settlement or liabilities incurred in connection with any claim, action, suit, proceeding or investigation arising out of matters existing or occurring at or prior to the effective time of the first merger, to the fullest extent that GulfMark or the applicable subsidiary of GulfMark would have been permitted under Delaware law and under its certificate of incorporation or bylaws or other governing documents in effect on July 15, 2018 to indemnify such person. The merger agreement also provided that Tidewater and the surviving company are required to obtain and fully pay for a six-year tail insurance policy with benefits and levels of coverage no less favorable in any material respect to the indemnified parties than GulfMark's existing policies, subject to a premium cap. If Tidewater, GulfMark and the surviving corporation fail to obtain such tail insurance policies as of the effective time of the first merger, the surviving corporation will (and Tidewater will cause the surviving entity in the business combination to) continue to maintain in effect for a period of at least six years from and after the effective time of the first merger the GulfMark D&O insurance in place as of July 15, 2018 with benefits and levels of coverage no less favorable in any material respect to the indemnified parties than that provided in GulfMark's existing policies as of July 15, 2018, subject to a premium cap.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total

dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i), (ii), and (iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

Table of Contents

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
 - (4) That, for the purpose of determining liability under the Securities Act to any purchaser, if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
 - (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act

(and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
