**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

(a)

On March 18, 2019, AVEO Pharmaceuticals, Inc. (the Company) received a deficiency letter from the Listing Qualifications Department (the Staff) of the Nasdaq Stock Market (Nasdaq) notifying the Company that, for the last 30 consecutive business days, the bid price for the Company's common stock had closed below the minimum \$1.00 per share requirement for continued inclusion on The Nasdaq Capital Market pursuant to Nasdaq Listing Rule 5550(a)(2) (the Bid Price Rule). In accordance with Nasdaq Listing Rule 5810(c)(3)(A) (the Compliance Period Rule), the Company has been provided an initial period of 180 calendar days, or until September 16, 2019 (the Compliance Date), to regain compliance with the Bid Price Rule. If, at any time before the Compliance Date, the bid price for the Company's common stock closes at \$1.00 or more for a minimum of 10 consecutive business days as required under the Compliance Period Rule, the Staff will provide written notification to the Company that it complies with the Bid Price Rule, unless the Staff exercises its discretion to extend this 10 day period pursuant to Nasdaq Listing Rule 5810(c)(3)(G).

If the Company does not regain compliance with the Bid Price Rule by the Compliance Date, the Company may be eligible for an additional 180 calendar day compliance period. To qualify, the Company will be required to meet the continued listing requirement for the market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market, with the exception of the bid price requirement, and will need to provide written notice to the Staff of its intention to cure the deficiency during the additional compliance period, by effecting a reverse stock split, if necessary.

If the Company does not regain compliance with the Bid Price Rule by the Compliance Date and is not eligible for an additional compliance period at that time, the Staff will provide written notification to the Company that its common stock will be subject to delisting. At that time, the Company may appeal the Staff's delisting determination to a Nasdaq Listing Qualifications Panel (Panel). The Company expects that its common stock would remain listed pending the Panel's decision. There can be no assurance that, if the Company does appeal the delisting determination by the Staff to the Panel, that such appeal would be successful.

The Company intends to monitor the closing bid price of its common stock and may, if appropriate, consider available options to regain compliance with the Bid Price Rule.
