EXPLANATORY NOTE

This Registration Statement contains two parts. First, the materials identified as the Reoffer Prospectus in Part I of this Registration Statement (the “Reoffer Prospectus”) constitute the reoffer prospectus, prepared in accordance with Part I of Form S-3, in accordance with General Instruction C of Form S-8, covering resales of “restricted securities” (as defined in General Instruction C of Form S-8). Such Reoffer Prospectus relates to shares of the common stock, \$1.00 par value per share (the “Common Stock”), of Harte Hanks, Inc. (the “Registrant” or the “Company,” and together with its subsidiaries, “we,” “our” and “us”) previously issued to certain of our employees pursuant to the Restricted Stock Award Agreements, Performance Unit Award Agreements, Restricted Stock Unit Award Agreements and Performance Stock Unit Award Agreements identified below. The second part of this Registration Statement contains information required to be set forth pursuant to Part II of Form S-8.

Effective September 14, 2015, the Registrant entered into a Non-qualified Stock Option Award Agreement, a Restricted Stock Award Agreement and a Performance Unit Award Agreement (collectively the “Puckett Award Agreements”) with Karen A. Puckett as a material inducement to her becoming the Registrant’s President and Chief Executive Officer. Pursuant to the Puckett Award Agreements, an aggregate of up to 86,736 shares of Common Stock were issuable to Ms. Puckett upon the exercise of Options and an additional 56,220 shares of Common Stock have been issued or were issuable to Ms. Puckett under her Restricted Stock Award Agreement and Performance Unit Award Agreement. On August 28, 2018, Ms. Puckett resigned from her position as President and Chief Executive Officer and member of the Board of Directors of the Company, effective August 28, 2018. In connection with her resignation, Ms. Puckett entered into a Separation and General Release Agreement, dated as of August 28, 2018, pursuant to which all of Ms. Puckett’s unvested Options and unvested shares of Common Stock issuable under her Restricted Stock Award Agreement and Performance Unit Award Agreement were forfeited. As a result, only 43,368 shares of Common Stock issuable upon the exercise of Options and 14,160 shares of Common Stock issuable under Ms. Puckett’s Restricted Stock Award Agreement are being registered on this Registration Statement.

Effective October 26, 2015, the Registrant entered into a Non-qualified Stock Option Award Agreement and a Restricted Stock Award Agreement (collectively the “Grillo Award Agreements”) with Frank M. Grillo as a material inducement to him becoming the Registrant’s Chief Marketing Officer. Pursuant to the Grillo Award Agreements, an aggregate of up to 10,130 shares of Common Stock are issuable to Mr. Grillo upon the exercise of Options and an additional 1,314 shares of Common Stock have been issued or are issuable to Mr. Grillo under his Restricted Stock Award Agreement. Mr. Grillo’s vested shares, comprising 5,065 shares of Common Stock issuable upon the exercise of Options and 876 shares of Common Stock issuable under his Restricted Stock Award Agreement are being registered on this Registration Statement.

Effective November 13, 2017, the Registrant entered into a Non-qualified Stock Option Award Agreement, a Restricted Stock Unit Award Agreement and a Performance Stock Unit Award Agreement (collectively the “Biro Award Agreements”) with Jon C. Biro as a material inducement to him becoming the Registrant’s Chief Financial Officer. This Registration Statement on Form S-8 is filed with respect to all of the shares of Common Stock issued or issuable to Ms. Puckett, Mr. Grillo and Mr. Biro as described in the preceding paragraphs, as well

as the shares of Common Stock that may be issued as a result of stock splits, stock dividends or similar transactions in accordance with the antidilution provisions of the award agreements relating to such shares.

THE COMPANY

The Company partners with clients to deliver relevant, connected, and quality customer interactions. Our approach starts with discovery and learning, which leads to customer journey mapping, creative and content development, analytics, and data management, and ends with execution and support in a variety of digital and traditional channels. We produce engaging and memorable customer interactions to drive business results for our clients, develop better customer relationships, experiences, and defining interaction-led marketing.

Virtually all organizations rely on marketing to generate revenues and publicity. Many businesses have a chief-level executive responsible for marketing who is charged with combining data, technology, channels, and resources to demonstrate a return on marketing investment. This has led many businesses to use direct and targeted marketing, which offer accountability and measurability of marketing programs, allowing customer insight to be leveraged to create and accelerate value. Harte Hanks is a leader in highly targeted, multichannel marketing.

We are the successor to a newspaper business started by Houston Harte and Bernard Hanks in Texas in the early 1920s. In 1972, Harte Hanks went public and was listed on the NYSE. We became private in a leveraged buyout in 1984, and in 1993 we again went public and listed our Common Stock on the NYSE. We maintain our principal offices at 9301 McAllister Freeway, Suite 610, San Antonio, Texas 78216 and our phone number is 210-829-9000.

FORWARD-LOOKING STATEMENTS

Certain statements contained or incorporated by reference into this prospectus or any applicable prospectus supplement constitute forward-looking statements within the meaning of the Securities Act or the Securities Exchange Act of 1934, as amended (the "Exchange Act"). These forward-looking statements may concern possible or anticipated future results of operations or business developments. These statements are based on management's current expectations or predictions of future conditions, events or results based on various assumptions and management's estimates of trends and economic factors in the markets in which we are

active, as well as our business plans. Words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “estimate,” “projects,” “forecasts,” “may,” “should,” variations of such words and similar expressions are intended to identify such forward-looking statements. The forward-looking statements may include, without limitation, statements regarding product development, product potential, regulatory environment, sales and marketing strategies, capital resources or operating performance. The forward-looking statements are subject to risks and uncertainties, which may cause results to differ materially from those set forth in the statements. Forward-looking statements should be evaluated together with the many uncertainties that affect the Company’s business and its market, particularly those discussed in the risk factors and cautionary statements in the Company’s filings with the Commission, including as described in “Risk Factors” contained or incorporated by reference in this prospectus and in any applicable prospectus supplement, and in our most recent Annual Report on Form 10-K, as well as any amendments thereto reflected in subsequent filings with the Commission.

Forward-looking statements are not guarantees of future performance, and actual results may differ materially from those projected. The forward-looking statements are representative only as of the date they are made, and the Company assumes no responsibility to update any forward-looking statements except as required by law.

RISK FACTORS

Investing in our securities involves a high degree of risk. Before purchasing our securities, you should carefully consider the risks, uncertainties and forward-looking statements described under “Risk Factors” in our most recent Annual Report on Form 10-K for the year ended December 31, 2017 and filed with the Commission on March 15, 2018, as well as information incorporated by reference into this prospectus or any applicable prospectus supplement. If any of these risks were to occur, our business, financial condition or results of operations would likely suffer. In that event, the value of our securities could decline, and you could lose part or all of your investment. The risks and uncertainties we describe are not the only ones facing us. Additional risks not presently known to us or that we currently deem immaterial may also impair our business operations.

USE OF PROCEEDS

We will not receive any proceeds from the sale of the Shares by the Selling Security Holders. All of the net proceeds from the resale of the Shares will go to the Selling Security Holders.

SELLING SECURITY HOLDERS

The shares of our Common Stock to which this prospectus relates are being registered for offer and resale by Karen Puckett, the Company’s former President and Chief Executive Officer and a former member of its Board of Directors, Frank M. The Selling Security Holders may offer all, part or none of the Shares for resale from time to time. The Selling Security Holders are under no obligation to sell all or any portion of such Shares. The table below sets forth information regarding the Selling Security Holders’ beneficial ownership (as determined under Section 13(d) of the Exchange Act and the rules and regulations thereunder) of our Common Stock as of September 7, 2018 and is based on 6,251,968 shares of Common Stock outstanding as of such date.

We have notified the Selling Security Holders of the need to deliver a copy of this prospectus in connection with any sale of the Shares.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL") enables a corporation incorporated in the State of Delaware to eliminate or limit, through provisions in its original or amended articles of incorporation, the personal liability of a director for violations of the director's fiduciary duties, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) any liability imposed pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

Section 145 of the DGCL provides that a corporation incorporated in the State of Delaware may indemnify any person or persons, including officers and directors, who are, or are threatened to be made, parties to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such officer, director, employee, or agent acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, for criminal proceedings, had no reasonable cause to believe that the challenged conduct was unlawful. A corporation incorporated in the State of Delaware may indemnify officers and directors in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must provide indemnification against the expenses that such officer or director actually and reasonably incurred in connection therewith.

Section 145(g) of the DGCL authorizes a corporation incorporated in the State of Delaware to provide liability insurance for directors and officers for certain losses arising from claims or charges made against them while acting in their capacities as directors or officers of the corporation.

The Registrant’s Amended and Restated Certificate of Incorporation, as amended (the “Certificate of Incorporation”), and Fifth Amended and Restated Bylaws, as amended (the “Bylaws”), provide that it shall indemnify officers and directors and, to the extent permitted by the Board of Directors, its employees and agents, to the full extent permitted by and in the manner permissible under the laws of the State of Delaware. In addition, the Registrant’s Certificate of Incorporation and Bylaws permit the Board of Directors to authorize Registrant to purchase and maintain insurance against any liability asserted against any of Registrant’s directors, officers, employees or agents arising out of his capacity as such.

To supplement its obligations under the Certificate of Incorporation and Bylaws, the Registrant has entered into indemnification agreements with its officers and directors (the “Indemnification Agreements”) to contractually obligate itself to indemnify and hold harmless such persons to the fullest extent permitted by applicable law. The Indemnification Agreements provide specifically that any such person (an “Indemnitee”) will be entitled to indemnification if, by reason of such Indemnitee’s status as an officer or director of Registrant, such Indemnitee is made a participant in any threatened, pending or completed action, suit, arbitration, mediation, alternative dispute resolutions mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding. Accordingly, Indemnitee will be indemnified against any and all expenses, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such proceeding. The Indemnification Agreements further provide that Registrant will pay such expenses or reimburse such expenses in advance of any determination of Indemnitee’s entitlement to indemnification. The Indemnification Agreements are intended to provide Registrant’s officers and directors indemnification and advancement of expenses in addition to, and not exclusive of, any other rights such officers and directors may have under the DGCL or other applicable law, the Registrant’s Certificate of Incorporation or the Bylaws.

Item 9. Undertakings.

- (a) The undersigned Registrant hereby undertakes:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing,

any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
