INFORMATION ABOUT THE 2010 ANNUAL MEETING AND PROXY VOTING

What matters are to be voted on at the Annual Meeting?

Acorn Energy intends to present the following proposals for stockholder consideration and voting at the Annual Meeting:

- (1) the election of six directors to hold office until the 2011 Annual Meeting and until their respective successors are elected and qualified;
- (2) the ratification of the selection by the Audit Committee of the Company's Board of Directors of Freidman LLP as the independent registered public accounting firm for the Company for the year ending December 31, 2010;
- (3) the amendment of the Company's Certificate of Incorporation to increase the number of authorized shares of common stock to 30,000,000 shares;
- (4) the amendment of the Company's 2006 Stock Incentive Plan to increase the number of available shares by 1,000,000 to 1,665,000 shares;
- (5) the adjournment of the meeting to solicit additional proxies in the event there are insufficient votes to approve either Proposal 3 or 4; and
- (6) such other business as may properly come before the Annual Meeting or any adjournment thereof.

What is the Board's recommendation?

The Board of Directors recommends that you vote your shares “FOR” each of Proposals 1, 2, 3, 4 and 5 on your proxy card.

---

Will any other matters be presented for a vote at the Annual Meeting?

We do not expect that any other matters might be presented for a vote at the Annual Meeting. However, if another matter were to be properly presented, the proxies would use their own judgment in deciding whether to vote for or against the proposal.

Who is entitled to vote?

All Acorn Energy stockholders of record at the close of business on the Record Date are entitled to vote at the Annual Meeting. Each share outstanding on the Record Date will be entitled to one vote. There were 14,269,148 shares outstanding on the Record Date.

How do I vote my shares?

If you are a stockholder of record you may grant a proxy with respect to your shares by mail using the proxy included with the proxy materials. Stockholders who own their shares through banks, brokers or other nominees may grant their proxy by mail, by telephone or over the Internet in accordance with the instruction in the Notice of Internet Availability of Proxy Materials. Internet and telephone voting will be available through 11:59 p.m. Eastern Daylight Time on June 9, 2010.

If you are a stockholder of record or a duly appointed proxy of a stockholder of record, you may attend the Annual Meeting and vote in person. However, if your shares are held in the name of a bank, broker or other nominee, and you wish to attend the Annual Meeting to vote in person, you will have to contact your bank, broker or other nominee to obtain its proxy. Bring that document with you to the meeting.

All proxies submitted will be voted in the manner you indicate by the individuals named on the proxy. If you do not specify how your shares are to be voted, the proxies will vote your shares FOR Proposals 1, 2, 3, 4 and 5.

As permitted by the Securities and Exchange Commission, or SEC, Acorn Energy is sending a Notice of Internet Availability of Proxy Materials to stockholders who hold shares in "street name" through a bank, broker or other holder of record. All such stockholders will have the ability to access this Proxy Statement and the Company's Annual Report at [https://materials.proxyvote.com/\[\\_\\_\\_\\_\\_\]](https://materials.proxyvote.com/[_____]). The notice also includes information as to how these stockholders may vote their shares.

May I change or revoke my proxy after it is submitted?

Yes, you may change or revoke your proxy at any time before the Annual Meeting by:

- returning a later-dated proxy card;
- attending the Annual Meeting and voting in person; or
- sending your written notice of revocation to Joe B. Cogdell, Jr., our Secretary.

Your changed proxy or revocation must be received before the polls close for voting.

What is a "quorum?"

In order for business to be conducted at the Annual Meeting, a quorum must be present. A quorum will be present if stockholders of record holding a majority in voting power of the outstanding shares of our common stock entitled to

vote at the Annual Meeting are present in person or are represented by proxies. For purposes of determining the presence or absence of a quorum, we intend to count as present shares present in person but not voting and shares for which we have received proxies but for which holders thereof have abstained. Furthermore, shares represented by proxies returned by a broker holding the shares in nominee or “street” name will be counted as present for purposes of determining whether a quorum is present, even if the broker is not entitled to vote the shares on matters where discretionary voting by the broker is not allowed (“broker non-votes”).

What vote is necessary to pass the items of business at the Annual Meeting?

Holders of our common stock will vote as a single class and will be entitled to one vote per share with respect to each matter to be presented at the Annual Meeting. With respect to Proposal 1, the six nominees for director receiving a plurality of the votes cast by holders of common stock, at the Annual Meeting in person or by proxy, shall be elected to our Board. Approval of Proposals 2, 4 and 5 requires the votes cast in favor of each such proposal to exceed the votes cast against such proposal. Abstentions from voting, as well as broker non-votes, if any, are not treated as votes cast and, therefore, will have no effect on any of these proposals. Approval of Proposal 3, the amendment of our certificate of incorporation, requires the affirmative vote of a majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting in person or by proxy. Because approval is based on the affirmative vote of a majority of the outstanding shares, the failure to vote, a broker non-vote or abstention will have the same effect as a vote against Proposal 3.

Who pays the costs of this proxy solicitation?

This solicitation of proxies is made by our Board of Directors, and all related costs will be borne by us. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners.

What is the deadline for submission of stockholder proposals for the 2011 Annual Meeting?

Proposals that our stockholders may wish to include in our proxy statement and form of proxy for presentation at our 2011 Annual Meeting of Stockholders must be received by or delivered to us at Acorn Energy, Inc. 4 West Rockland Road, Montchanin, Delaware 19710, Attention: Joe B. Cogdell, Jr., Secretary, no later than the close of business on December 10, 2010.

Any stockholder proposal must be in accordance with the rules and regulations of the SEC. In addition, with respect to proposals submitted by a stockholder other than for inclusion in our 2011 proxy statement, our by-laws have established advance notice procedures that stockholders must follow. Pursuant to the By-laws of the Company, stockholders who wish to nominate any person for election to the Board of Directors or bring any other business before the 2011 Annual Meeting must generally give notice thereof to the Company at its principal executive offices not less than 60 days nor more than 90 days before the date of the meeting. All nominations for director or other business sought to be transacted that are not timely delivered to the Company, or that fail to comply with the requirements set forth in the Company's By-laws, will be excluded from the Annual Meeting, as provided in the By-laws. A copy of the By-laws of the Company is available upon request from the Secretary of the Company, 4 West Rockland Road, Montchanin, Delaware 19710.

Where can I find the voting results of the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting. The final results will be published in our current report on Form 8-K to be filed with the Securities and Exchange Commission within four business days after the date of the Annual Meeting, provided that the final results are available at such time. In the event the final results are not available within such time period, the preliminary voting results will be published in our current report on Form 8-K to be filed within such time period, and the final results will be published in an amended current report on Form 8-K/A to be filed within four business days after the final results are available. ## CORPORATE GOVERNANCE MATTERS

### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the “Exchange Act”) requires our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. These persons are also required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of such forms or written representations from certain reporting persons, we believe that during 2009 our executive officers and directors complied with the filing requirements of Section 16(a) except that a Form 4 for Dr. Zentman related to an exercise of warrants and a Form 4 by Mr. Sela related to his exercise of employee stock options were not timely filed.

We have implemented measures to assure timely filing of Section 16(a) reports by our executive officers and directors in the future.

### Board Composition and Director Independence

Our Board of Directors is composed of one class, with seven Board seats, one of which is vacant, and six directors serving until their reelection or replacement at the 2010 annual meeting of stockholders. John A. Moore serves as both Chief Executive Officer and Chairman of our Board of Directors. We do not have a lead independent director. Applying the definition of independence provided under the NASDAQ rules, the Board has determined that with the exception of John A. Moore, all of the members of the Board of Directors are independent.

### Board Leadership Structure and Role in Risk Oversight

The Board believes Mr. Moore’s service as Chief Executive Officer and Chairman of the Company is appropriate because it bridges a critical gap between the Company’s management and the Board, enabling the Board to benefit from management’s perspective on the Company’s business while the Board performs its oversight function. Further, the Board believes Mr. Moore’s significant ownership of Acorn Energy stock aligns his interests with those of Acorn Energy’s shareholders. In addition, the Board believes that having one person serve as both Chief Executive Officer and Chairman of the Board of Directors demonstrates for our employees, strategic partners, customers and shareholders that Acorn Energy has one clear leader.

Management is responsible for Acorn Energy’s day-to-day risk management, and the Board’s role is to engage in informed oversight. The entire Board performs the risk oversight role. Acorn Energy’s Chief Executive Officer is a member of the Board of Directors, and Acorn Energy’s Chief Financial Officer and its General Counsel regularly attend Board meetings, which helps facilitate discussions regarding risk between the Board and Acorn Energy’s senior management, as well as the exchange of risk-related information or concerns between the Board and the senior management. Further, the independent directors generally meet in executive session following regularly scheduled Board meetings to voice their observations or concerns and to shape the agendas for future Board meetings.

The Board of Directors believes that, with these practices, each director has an equal stake in the Board's actions and oversight role and equal accountability to Acorn Energy and its shareholders.

#### Meetings and Meeting Attendance

During the fiscal year ended December 31, 2009, there were nine meetings of the Board of Directors. Our independent directors generally meet in executive session as part of each regularly scheduled Board meeting. All incumbent directors attended 75% or more of the Board meetings and meetings of the committees on which they served during the last fiscal year. Directors are encouraged to attend the annual meeting of stockholders, and all directors other than Mr. Morgenstern attended the 2009 annual meeting of stockholders.

#### Committees of the Board

**Audit Committee; Audit Committee Financial Expert.** Our Board of Directors has established one standing committee, the Audit Committee, which was established and is administered in accordance with SEC rules. The Audit Committee oversees our accounting and financial reporting processes and audits of our financial statements by our independent auditors. The three members of the Audit Committee are Joe Musanti, Richard Rimer and Samuel M. Zentman. The Board of Directors has determined that each member of the Audit Committee meets the independence criteria prescribed NASDAQ governing the qualifications of for audit committee members and each Audit Committee member meets NASDAQ's financial knowledge requirements. Our Board has determined that Joe Musanti qualifies as an "audit committee financial expert," as defined in the rules and regulations of the SEC. During 2009, the Audit Committee met five times.

**Audit Committee Report.** The Audit Committee has (1) reviewed and discussed the audited financial statements with management; (2) discussed with the independent auditors the matters required to be discussed by the statement of Auditing Standards No. 61 as amended; and (3) received the written disclosures and the letter from the independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the Audit Committee concerning independence, and has discussed with the independent accountant the independent accountant's independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2009, which was filed with the Securities and Exchange Commission on March 22, 2010.

#### THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF ACORN ENERGY, INC.

**Nominating Procedures.** The Company does not have a nominating committee. We believe that not using a committee of the Board in the director nomination process fosters fuller active participation of all our directors in the process. Nominations to the Board must either be selected or recommended for the Board's selection by a majority of the Board's independent directors. The Board uses established policies and procedures for director nominations. The Board identifies potential director candidates from a variety of sources, including recommendations from current directors or management, recommendations of security holders, or any other source that the Board has deemed appropriate.

In considering candidates for the Board of Directors, the Board evaluates the entirety of each candidate's credentials, such as (i) business or other relevant experience; (ii) expertise, skills and knowledge; (iii) integrity and reputation; (iv) the extent to which the candidate will enhance the objective of having directors with diverse viewpoints and backgrounds; (v) willingness and ability to commit sufficient time to Board responsibilities; and (vi) qualification to serve on specialized board committees.

Our stockholders may recommend potential director candidates by contacting the Secretary of the Company to receive a copy of the procedure to recommend a potential director candidate for consideration by the independent directors, who will evaluate recommendations from stockholders in the same manner that they evaluate recommendations from other sources.

**Compensation Matters.** The Company does not currently have a compensation committee. We believe that not using a committee of the Board in setting compensation policies and making compensation decisions fosters fuller active participation of all our directors in the process. The entire Board of Directors establishes the general compensation policies of the Company, the specific compensation levels for each executive officer, and administers the Company's equity compensation plans and practices.

As required by Nasdaq, all action with respect to the compensation of our executive officers is approved or recommended for approval by a majority of our independent directors.

The information contained in this proxy statement with respect to the charter of the Audit Committee and the independence of the non-management members of the Board of Directors shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall the information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference in a filing.

#### Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all our officers and employees. This Code of Ethics is designed to comply with the Nasdaq marketplace rules related to codes of conduct. A copy of this Code of Ethics may be obtained on our website at <http://www.acornenergy.com> under the "Investor Relations" tab. We intend to post on our website any amendments to, or waiver from, our Code of Business Conduct and Ethics.

## Employment Arrangements

The employment arrangements of each named executive officer are described below.

John A. Moore became our President and Chief Executive Officer in March 2006. In March, 2008, we entered into a three-year Employment Agreement with Mr. Moore. Under the terms of the Employment Agreement, Mr. Moore's initial base salary is \$325,000 per annum, retroactive to January 1, 2008, increasing to \$350,000 per annum on the first anniversary of the Employment Agreement and increasing to \$375,000 per annum on the second anniversary. Mr. Moore is eligible to receive an annual cash bonus of up to \$200,000, based upon the attainment of agreed upon personal and company performance goals and milestones for the preceding fiscal year, as determined by the Board. Under the Employment Agreement, Mr. Moore is also entitled to (i) the employee benefits generally made available to the registrant's executive officers, (ii) short-term and long-term disability insurance for the benefit of Mr. Moore, and (iii) a monthly automobile expense allowance of \$1,000. Under the Employment Agreement, Mr. Moore was also granted non-qualified stock options to purchase 200,000 shares of common stock at an exercise price of \$5.11 per share. The options vest in equal quarterly installments over a four-year period, commencing 90 days from the date of grant and expire in March 2018. In February 2009, in lieu of a bonus for 2008, Mr. Moore was awarded 75,000 stock options exercisable until February 20, 2014 at an exercise price of \$2.51 per share, exercisable immediately as to one-fourth of the options, with the remainder to vest in equal installments on June 30, September 30 and December 31, 2009. Mr. Moore's bonus for 2009 was \$160,000.

William J. McMahon has served as Chief Executive Officer and President of CoaLogix since the Company's acquisition of SCR-Tech and its related companies on November 7, 2007. Mr. McMahon's employment terms are based on an employment agreement signed effective January 1, 2007 between Mr. McMahon and SCR-Tech's former parent company. The employment agreement was subsequently assumed and modified on November 7, 2007 in conjunction with the Company's acquisition of SCR-Tech. The agreement has no fixed term and the employment is on an "at-will" basis. Mr. McMahon's employment agreement calls for base salary of \$215,000 per year with cost of living increases (a base salary of \$250,000 in 2009 which was increased to \$280,000 for 2010). In April 2009 and April 2008, Mr. McMahon also received options under the CoaLogix Inc. 2008 Stock Option Plan and a 40% participation in the CoaLogix Capital Appreciation Rights Plan. Under the Capital Appreciation Rights Plan, plan participants are entitled to participate in an award pool based upon the sales proceeds (less sales expenses) attributable to a sale or other change of control of CoaLogix which exceeds an internal rate of return of 30% on the Company's initial investment in CoaLogix of \$11,038,200 and any additional capital contributed by Acorn to CoaLogix. If such internal rate of return threshold is met, the award pool under the Capital Appreciation Rights Plan would be equal to 5% of the sales proceeds less sales expenses, the CoaLogix' stockholders' initial investment and any additional capital contributed by the stockholders to CoaLogix. Mr. McMahon is eligible to receive an annual bonus with a target payment equal to 50% of his base salary based upon criteria developed by the board of directors of CoaLogix. The actual bonus payout may be more or less than the target level base upon achievement of annual goals approved by its board of directors. Mr. McMahon's bonus for 2009 was \$136,880.

Joe B. Cogdell, Jr. became Vice President, General Counsel and Secretary of each of the Company and CoaLogix commencing January 2, 2009. Mr. Cogdell's initial base salary is \$300,000 per annum, and his base salary was increased to \$312,000 for 2010. He is eligible to receive an annual bonus of up to 30% of his base salary, based upon the attainment of performance goals. Mr. Cogdell's bonus for 2009 was \$90,380. The agreement has no fixed term, and the employment is on an "at-will" basis.

Under the employment agreement, in January 2009 Mr. Cogdell was awarded 120,000 options to purchase Acorn common stock at an exercise price of \$1.61 per share, vesting as to 30,000 on the first anniversary of the date of grant and as to the remainder in equal quarterly installments over a three year period following the first anniversary of the date of grant, exercisable through January 5, 2019. Under the employment agreement, Mr. Cogdell will also have the right to participate in any future financing of CoaLogix at the same level and priority as Acorn so long as he is

employed. Mr. Cogdell also received options under the CoaLogix Inc. 2008 Stock Option Plan and a participation in the CoaLogix Capital Appreciation Rights Plan. Mr. Cogdell is also entitled to the employee benefits generally made available to other senior executives, officer's liability and legal malpractice insurance, as well as bar and legal association dues and continuing legal education programs. Under the employment agreement, Mr. Cogdell is subject to non-solicitation and non-compete covenants, which continue for 18 months after termination of his employment.

Acorn and CoaLogix have entered into an agreement regarding certain aspects of their joint employment of Mr. Cogdell including allocation of the costs of employment, bonus determinations, termination and severance issues and indemnities. Mr. Cogdell's compensation is currently apportioned 50/50 between Acorn and CoaLogix, subject to periodic review.

The amount of compensation and benefits payable to each named executive officer in various termination situations is described in the tables below.

## John A. Moore

Under the terms of the employment agreement with Mr. Moore, our President and Chief Executive Officer, upon termination by the Company for cause (as defined in the agreement) and upon termination by Mr. Moore without good reason (as defined in the agreement), all compensation due to Mr. Moore under his agreement would cease, except that Mr. Moore would receive all accrued but unpaid base salary up to the date of termination, and reimbursement of all previously unreimbursed expenses. All vested and unexercised options granted by the Company as of the date of termination would be exercisable in accordance with the terms of the applicable stock option plan and agreements, provided that Mr. Moore would have only three months to exercise such previously vested options. In the event that (i) the Company terminates the employment of Mr. Moore (including a non-renewal of his agreement at the end of the three-year term provided therein, but not including non-renewal following any subsequent renewal of the term), other than upon a change of control, death, disability or for cause, or (ii) Mr. Moore terminates for good reason, other than in connection with a change of control, Mr. Moore shall receive the following (except to the extent

that any payment would constitute an “excess parachute payment” under the IRS Code): (i) an amount equal to (A) 12 months of then-current base salary and (B) his most recent annual bonus; (ii) reimbursement of all previously unreimbursed expenses; (iii) accelerated vesting of all unvested options that otherwise would have vested within 24 months of the date of termination, with such accelerated options and all other vested and unexercised options granted by the Company as of the date of termination to be exercisable for a period of one year from the date of termination of employment in accordance with the terms of the applicable stock option plan and agreements; and (iv) the continuation of all medical and dental benefits at the Company’s sole expense for a period of one year after termination.

In the event of any change of control, all stock options granted to Mr. Moore prior to such change of control vest and remain exercisable until their respective expiration dates.

The term of Mr. Moore's agreement would end immediately upon his death, or upon termination by the Company for cause or disability (as defined in the agreement) or by Mr. Moore for good reason. #### Compensation of Directors

In October 2007, we agreed that each of our non-employee directors would be paid an annual cash retainer of \$40,000 payable quarterly in advance, as well as meeting fees for Board and Committee meetings of \$1,000 per meeting. In 2009, we agreed that certain directors would receive an additional annual cash retainer; \$12,000 for the lead director for CoaLogix matters, \$12,000 for the lead director for Coreworx matters and \$10,000 for the Chairman of the Audit Committee. As an employee, Mr. Moore is not entitled to separate compensation in his capacity as a director.

Our 2006 Stock Option Plan for Non-Employee Directors, which was adopted in February 2007 and amended and restated in November 2008, provides for formula grants to non-employee directors equal to an option to purchase (i) 25,000 shares of our common stock upon a member's initial appointment or election to the Board of Directors and (ii) 10,000 shares of our common stock to each director, other than newly appointed or elected directors, immediately following each annual meeting of stockholders. The initial grant to purchase 25,000 shares of our common stock vests one-third per year for each of the three years following the date of appointment or election and the annual grant to purchase 10,000 shares vests one year from the date of grant. Both options shall be granted at an exercise price equal to the closing price on NASDAQ on the day preceding the date of grant and shall be exercisable until the earlier of (a) seven years from the date of grant or (b) 18 months from the date that the director ceases to be a director, officer, employee, or consultant. The plan also provides for non-formula grants at the Board's discretion. The maximum number of shares of our common stock to be issued under the plan is 400,000. As of the date hereof, options to purchase 173,333 shares are outstanding under the Plan. The Plan is administered by the Board of Directors.

Mr. Morgenstern, our Chairman Emeritus, has been retained as a consultant by our Company since March 2006 primarily to provide oversight of our Israeli activities. All options awarded to directors in 2009 remained outstanding at fiscal year-end. #### Transactions With Related Persons

We paid approximately \$275,000 and \$780,000 in the years ended December 31, 2009 and 2008, respectively, for legal services rendered and reimbursement of out-of-pocket expenses to Eilenberg & Krause LLP, a law firm in which Sheldon Krause, our former Secretary and former General Counsel, is a member. Such fees related to services rendered by Mr. Krause and other members and employees of his firm. Mr. Krause is the son-in-law of George Morgenstern, a director and our Chairman Emeritus, who up until March 2006, also served as our President and Chief Executive Officer. Mr. Krause continues to provide legal services to us in 2010.

In February 2008, EnerTech Capital Partners III LP ("EnerTech") entered an agreement with the Company's wholly-owned CoaLogix Inc. subsidiary and the Company pursuant to which EnerTech purchased from CoaLogix a 15% interest in CoaLogix for \$1.95 million. The Company owned 85% of CoaLogix following the transaction. During the second quarter of 2008, EnerTech invested an additional \$275 in CoaLogix as its 15% share of an aggregate \$1,850 additional investment made by the Company and EnerTech in CoaLogix.

The Company, CoaLogix, EnerTech and the senior management of CoaLogix are parties to a Stockholders' Agreement dated as of February 29, 2008. Under the Stockholders' Agreement, EnerTech is entitled to designate a member of the Board of Directors of CoaLogix. In addition, the Stockholders' Agreement provides the parties with rights of first refusal and co-sale in connection with proposed transfers of their CoaLogix stock.

Scott Ungerer, a managing member of the general partner of Enertech was a director of the Company at the time of the transaction. Mr. Ungerer resigned as director of the Company in March 2009.

## PROPOSAL 2

### RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Friedman LLP as the independent registered public accounting firm to perform the audit of our consolidated financial statements for the year ending December 31, 2010. Friedman LLP representatives are expected to attend the 2010 Annual Meeting. They will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions. Friedman LLP is a registered public accounting firm with the Public Company Accounting Oversight Board (the "PCAOB"), as required by the Sarbanes-Oxley Act of 2002 and the Rules of the PCAOB.

The Board is asking our stockholders to ratify the selection of Friedman LLP as our independent registered public accounting firm. Although current law, rules, and regulations, as well as the charter of the Audit Committee, require the Audit Committee to engage, retain, and supervise our independent registered public accounting firm, the Board considers the selection of the independent registered public accounting firm to be an important matter of stockholder concern and is submitting the selection of Friedman LLP for ratification by stockholders as a matter of good corporate practice. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Our consolidated financial statements for the year ended December 31, 2009 were audited by Kesselman & Kesselman, a member of PricewaterhouseCoopers International Limited. No representative of Kesselman & Kesselman is expected to attend the 2010 Annual Meeting.

On April 6, 2010, we dismissed Kesselman & Kesselman, a member of PricewaterhouseCoopers International Limited, as our independent registered public accounting firm. The Audit Committee of our Board of Directors approved the dismissal. Kesselman & Kesselman's reports on our financial statements for the years ended December 31, 2009 and 2008 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. During the years ended December 31, 2009 and 2008 and through April 6, 2010, there were no disagreements on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to Kesselman & Kesselman's satisfaction would have caused Kesselman & Kesselman to make reference thereto in connection with Kesselman & Kesselman's report on our financial statements for such fiscal years. During the years ended December 31, 2009 and 2008 and through April 6, 2010, we had no reportable events as set forth in Item 304(a)(1)(v) of Securities and Exchange Commission Regulation S-K. We provided Kesselman & Kesselman with a copy of the foregoing disclosure and Kesselman & Kesselman has furnished a letter to the Securities and Exchange Commission stating that it agrees with the statements set forth in this paragraph.

Accounting Fees

Aggregate fees billed by our principal accountant during the last two fiscal years are as follows:

	2008	2009
Audit Fees	\$ 302,000	\$ 290,000
Audit- Related Fees	29,000	29,000
Tax Fees	—	—
Other Fees	—	8,000
Total	\$ 331,000	\$ 327,000

Audit Fees were for professional services rendered for the audits of the consolidated financial statements of the Company, statutory and subsidiary audits, assistance with review of documents filed with the SEC, consents, and other assistance required to be performed by our independent accountants.

Audit-Related Fees were for the analysis of the opening balance sheet of Coreworx.

Other Fees were for services related to reviewing registration statements, filings related to pro-forma statements and due diligence procedures.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee's current policy is to pre-approve all audit and non-audit services that are to be performed and fees to be charged by our independent auditor to assure that the provision of these services does not impair the independence of the auditor. The Audit Committee pre-approved all audit and non-audit services rendered by our independent auditor in 2009 and 2008.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE SELECTION OF FRIEDMAN LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2010.

PROPOSAL 3

AMENDMENT OF THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 20,000,000 TO 30,000,000

The Board declared it desirable, has adopted and approved for submission to the stockholders for approval of an amendment to the Company's amended Certificate of Incorporation to increase the number of authorized shares of common stock, par value \$.01 per share, from 20,000,000 to 30,000,000.

As of April 14, 2010, there were outstanding 14,269,148 shares of common stock and an additional 1,275,081 shares were held in the treasury. Of the 4,455,771 authorized and unissued shares on that date, 2,066,832 shares were reserved for issuance under the Company's stock option plans under options granted or which may be granted under the Company's stock option plans and non-plan option agreements for employees, directors and consultants. In addition, 1,356,197 shares are expected to be issued in the second quarter of 2010 under previously announced acquisition transactions and 233,306 were reserved for issuance pursuant to the Company's outstanding warrants issued in a private placement in 2007. Therefore, as of April 14, 2010, of the 20,000,000 authorized shares of common stock, an aggregate of 19,200,564 shares were issued or reserved for issuance for various purposes. Accordingly, as of such date only 799,436 shares of common stock were available for issuance for other corporate

purposes.

22

---

The Board believes that the availability of additional authorized but unissued shares of common stock will enable us to promptly and appropriately respond to future business opportunities that may require the issuance of common stock, without the delay and expense associated with convening a special stockholders' meeting. These opportunities may include, but are not limited to, acquisition transactions, capital raising transactions, equity compensation plans and other general corporate purposes.

If stockholder approval of the amendment is received, the number of authorized but unissued shares of common stock not reserved for a particular purpose will be 10,799,436. Of this amount, if the stockholders approve the amendment of the Amended and Restated 2006 Stock Incentive Plan as set forth in Proposal 4 of this proxy statement, an additional 1,000,000 shares of the authorized but unissued shares of common stock will be reserved for issuance under such Plan. Except as described above, our management currently has no definitive plans for the issuance of the remaining additional authorized shares. However, our Board is seeking approval for the amendment at this time because opportunities requiring prompt action may arise in the future, and the Board believes the delay and expense in seeking stockholder approval for additional authorized shares of common stock at any such time could deprive us and our stockholders of the ability to effectively benefit from potential opportunities. The availability of such additional shares will enable us to act promptly when the Board determines that the issuance of additional shares of common stock is advisable.

If our stockholders approve the amendment, our Board may cause the issuance of additional shares of common stock without further vote of our stockholders, except as may be required in particular cases by our organizational documents, applicable laws or regulations, or the rules of NASDAQ. The additional shares of common stock authorized in the amendment will be identical to the shares of common stock now authorized and outstanding. The increase in authorized shares will not affect the terms or the rights of holders of existing shares of common stock nor will existing stockholders have any preemptive rights to acquire any of those shares when issued. In addition, if our Board causes us to issue additional shares of Common Stock or securities convertible into or exercisable for common stock, such issuance could have a dilutive effect on the equity, earnings and voting interests of existing stockholders. The increase in the number of authorized shares of common stock also could discourage or hinder efforts by other parties to obtain control of the Company, thereby having an anti-takeover effect, although this is not the intent of our Board in proposing the amendment. The amendment is not being proposed in response to any known threat to acquire control of the Company.

If stockholders do not approve the amendment, we will have a relatively small number of authorized but unissued shares that are not already reserved for issuance for other purposes, and our flexibility to pursue potential future transactions involving our common stock will be limited.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE AMENDMENT OF  
THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF  
COMMON STOCK FROM 20,000,000 TO 30,000,000

PROPOSAL 4

AMENDMENT OF THE AMENDED AND RESTATED 2006 STOCK INCENTIVE  
PLAN TO INCREASE THE NUMBER OF AVAILABLE SHARES

The Board of Directors has adopted and directed the submission to the stockholders at the Annual Meeting of an amendment to our Amended and Restated 2006 Stock Incentive Plan (the “2006 Incentive Plan”) to increase the number of shares of common stock available for awards under the 2006 Incentive Plan from 665,000 to 1,665,000. The amendment would also increase the number of shares of common stock available for grants of incentive stock options under the Plan from 200,000 to 1,000,000.

The 2006 Incentive Plan was adopted by our Board of Directors on February 8, 2007 and became effective at that time. The Board of Directors and stockholders approved an amendment and restatement of the 2006 Incentive Plan effective November 3, 2008. Unless sooner terminated, the Plan will remain in effect until February 8, 2017.

As of April 14, 2010, there were 665,000 shares of common stock authorized for issuance under the 2006 Incentive Plan, including 200,000 authorized for issuance as incentive stock options, of which 657,000 were covered by outstanding granted stock option awards; there are therefore currently only 8,000 shares available for issuance pursuant to future awards under the 2006 Incentive Plan.

We believe that an ownership culture fostered through the use of stock and stock-based awards encourages a focus on long-term performance by our executive officers. The 2006 Stock Incentive Plan was established to provide our executive officers and our other employees and other service providers with equity incentives that help to align their interests with those of our stockholders. The 2006 Incentive Plan plays a critical role in the Company’s efforts to attract and retain employees of outstanding ability. If the amendment is not adopted, the Company will not be able to make new awards under the 2006 Incentive Plan. The Board believes that adding 1,000,000 shares to the 2006 Incentive Plan to allow us to continue making awards under the 2006 Incentive Plan is in the best interests of the Company.

2006 Incentive Plan Benefits

Because benefits under the 2006 Incentive Plan will primarily depend on the Committee’s actions and the fair market value of the Common Stock at various future dates, it is not possible to determine the benefits that will be received by any person or group of persons if the amendment to the 2006 Incentive Plan is approved by the stockholders. On April 14, 2010, the closing price of the common stock was \$6.45.

Summary of the 2006 Incentive Plan

The following contains a summary of the material terms of the 2006 Incentive Plan. The summary is not a complete description of the terms of the Plan and is qualified in its entirety by reference to the actual Plan. A copy of the Plan, as proposed to be amended by this Proposal 4 is attached as an exhibit to the electronic version of the proxy statement filed with the SEC, which may be accessed and viewed from the SEC’s website ([www.sec.gov](http://www.sec.gov)). A copy of the 2006 Incentive Plan may also be obtained upon written request from the Secretary of the Company.

### Plan and Participant Share Limits

The maximum number of shares of common stock currently issuable under the 2006 Incentive Plan is 665,000, all of which have been awarded as stock option grants. We are proposing to increase that maximum by 1,000,000 to 1,665,000. Shares covered by an award are counted against the authorization only to the extent they are actually issued. Thus, shares related to awards which terminate by expiration, forfeiture, cancellation, or otherwise without issuance of shares, are settled in cash in lieu of shares, or exchanged for awards not involving shares, shall again be available for grant.

The 2006 Incentive Plan also imposes annual per-participant award limits. The maximum number of shares for which options may be granted to any person in any calendar year is 200,000. The maximum number of shares subject to share appreciation rights (“SARs”) granted to any person in any calendar year is 200,000. The maximum aggregate grant to any person in any calendar year of restricted shares or restricted share units is 200,000 shares. The maximum aggregate grant to any person in any calendar year of performance units or performance shares is 200,000 shares, or the value of 200,000 shares determined as of the earlier of the date of vesting or payout. The maximum aggregate grant to any person in any calendar year of cash-based awards may not exceed \$500,000. The maximum aggregate grant to any person in any calendar year of other share-based awards is 200,000 shares.

The number and kind of shares that may be issued, the number and kind of shares subject to outstanding awards, the option price or grant price applicable to outstanding awards, the annual per-participant award limits, and other value determinations are subject to adjustment by the Committee (as defined in the paragraph below) to reflect share dividends, share splits, reverse share splits, and other corporate events or transactions, including without limitation distributions of shares or property other than normal cash dividends. The Committee may also make adjustments to reflect unusual or nonrecurring events such as mergers, consolidations, spin-offs and other corporate reorganizations.

### Administration

A committee designated by the Board shall administer the 2006 Incentive Plan, if such committee has been designated. If established, the committee shall consist of members appointed from time to time by, and serving at the discretion of, the Board and, unless otherwise determined by the Board, the committee shall consist of no fewer than two directors, each of whom is (i) a “Non-Employee Director” within the meaning of Rule 16b-3 (or any successor rule) of the Securities Exchange Act of 1934, as amended, (ii) an “outside director” within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), and (iii) an “independent director” for the purposes of the rules and regulations of the NASDAQ Stock Market. In the absence of a designated committee, the Board shall serve the committee function, and all references to committee shall refer to the Board acting in such capacity (the “Committee”). The Committee will have the discretionary power to interpret the terms and intent of the 2006 Incentive Plan and any Plan-related documentation, to determine eligibility for awards and the terms and conditions of awards, and to adopt rules, regulations, forms, instruments, and guidelines. Determinations of the Committee will be final and binding. The Committee may delegate administrative duties and powers to one or more of its members or to one or more officers, agents, or advisors. The Committee may also delegate to one or more Company officers the power to designate other employees and third party service providers to be recipients of awards.

### Eligibility

Employees, non-employee directors, and third party service providers of the Company and its subsidiaries and/or affiliates who are selected by the Committee are eligible to participate in the 2006 Incentive Plan.

## Options

The Committee may grant both incentive options (“ISOs”) and nonqualified options (“NQSOs”) under the 2006 Incentive Plan. Currently ISOs may be granted for up to an aggregate of 200,000 shares under the Plan, all of which have been granted. Under the proposed amendment the aggregate number of ISO’s that could be granted would be increased by 800,000 to an aggregate of 1,000,000 shares. Eligibility for ISOs is limited to employees of the Company and its subsidiaries. The exercise price for options cannot be less than the fair market value of the shares underlying such options on the date of grant (provided that the exercise price cannot be less than 110% of the fair market value of the shares on the date of grant with respect to ISOs granted to a 10% shareholder). The latest expiration date cannot be later than the tenth (10th) anniversary of the date of grant (for an ISO, the fifth anniversary of the date of grant if the recipient is a 10% shareholder). Fair market value under the 2006 Incentive Plan shall be determined by reference to the market price for the Common Stock on the date of the grant or on the immediately preceding trading date, as determined by the Committee. The exercise price may be paid with cash or its equivalent, with previously acquired shares (in certain circumstances, that have been held at least six months), or by other means approved by the Committee, including by means of broker-assisted cashless exercise and net exercise.

## Share Appreciation Rights

The Committee may grant SARs under the 2006 Incentive Plan either alone or in tandem with options. The grant price of an SAR cannot be less than the fair market value of the shares at the time of grant. The grant price of an SAR granted in tandem with an option will be the same as the option price of the option. SARs cannot be exercised later than the tenth anniversary of the date of grant. SARs granted in tandem with ISOs are subject to special restrictions. Notwithstanding the foregoing, SARs may be granted only if the Company’s shares are traded on an established securities market at the date of grant.

Freestanding SARs may be exercised on such terms as the Committee determines and tandem SARs may be exercised by relinquishing the related portion of the tandem option. Upon exercise of an SAR, the holder will receive from the Company shares equal in value to the difference between the fair market value of the shares subject to the SAR, determined as described above, and the grant price.

## Restricted Shares and Restricted Share Units

The Committee may award restricted shares and restricted share units. Restricted share awards consist of shares that are transferred to the participant subject to restrictions that may result in forfeiture if specified conditions are not satisfied. Restricted share unit awards result in the transfer of shares to the participant only after specified conditions are satisfied. A holder of restricted shares is generally treated as a current shareholder (subject to the restrictions), whereas the holder of a restricted share unit award is treated as a shareholder with respect to the award only when the shares are delivered in the future. The Committee will determine the restrictions and conditions applicable to each award of restricted shares or restricted share units.

## Performance Unit and Performance Share Awards

Performance unit and performance share awards may be granted under the 2006 Incentive Plan. Performance unit awards will have an initial value that is determined by the Committee. Performance shares will have an initial value that is based on the fair market value of the shares on the date of grant. Such awards will be earned only if performance goals over performance periods established by or under the direction of the Committee are met. The performance goals may vary from participant to participant, group to group, and period to period. The performance goals for performance unit and performance share awards that are intended to constitute “qualified performance-based compensation” will be based upon one or more of the following: (i) net earnings or net income (before or after taxes); (ii) earnings per share; (iii) net sales growth; (iv) net operating profit; (v) return measures (including, but not limited

to, return on assets, capital, invested capital, equity, or sales); (vi) cash flow (including, but not limited to, operating cash flow, free cash flow, and cash flow return on equity); (vii) earnings before or after taxes, interest, depreciation, and/or amortization;(viii) gross or operating margins; (ix) productivity ratios; and (x) share price (including, but not limited to, growth measures and total shareholder return).

The Committee will determine whether the performance targets or goals that have been chosen for a particular performance award have been met and may provide in an award that any evaluation of performance may include or exclude any of the following that are objectively determinable and that occur during the performance period to which the award is subject: asset write-downs, litigation, claims, judgments, or settlements; the effect of changes in tax laws, accounting principles, or other laws or provisions affecting reporting results; any reorganization and restructuring programs; extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion of financial condition and results of operations appearing in the Company's annual report to shareholders for the applicable year; acquisitions or divestitures; and foreign exchange gains and losses.

Awards that are designed to qualify as performance-based compensation may not be adjusted upward. However, the Committee has the discretion to adjust these awards downward. In addition, the Committee has the discretion to make awards that do not qualify as performance-based compensation. Awards may be paid in the form of cash, shares, or in any combination, as determined by the Committee.

#### Cash-Based Awards

The Committee may grant cash-based awards under the 2006 Incentive Plan that specify the amount of cash to which the award pertains, the conditions under which the award will be vested and exercisable or payable, and such other conditions as the Committee may determine that are not inconsistent with the terms of the 2006 Incentive Plan. Although based on a specified dollar amount, cash-based awards may be paid, in the Committee's discretion, either in cash or by the delivery of shares.

#### Other Share-Based Awards

The Committee may grant equity-based or equity-related awards, referred to as "other share-based awards," other than options, SARs, restricted shares, restricted share units, or performance shares. The terms and conditions of each other share-based award shall be determined by the Committee. Payment under any other share-based awards will be made in shares or cash, as determined by the Committee.

#### Dividend Equivalents

The Committee may provide for the payment of dividend equivalents with respect to any shares subject to an award that have not actually been issued under the award.

#### Termination of Employment

The Committee will determine how each award will be treated following termination of the holder's employment with, or service for, the Company, including the extent to which unvested portions of the award will be forfeited and the extent to which options, SARs, or other awards requiring exercise will remain exercisable.

#### Additional Provisions

Neither ISOs nor, except as the Committee otherwise expressly determines, other awards may be transferred other than by will or by the laws of descent and distribution. During a recipient's lifetime, an ISO and, except as the Committee may determine, other non-transferable awards requiring exercise, may be exercised only by the recipient.

#### Treatment of Awards upon a Change of Control and Related Transactions

One or more awards may be subject to the terms and conditions set forth in a written agreement between the Company and a participant providing for different terms or provisions with respect to such awards upon a "Change of Control" of the Company (as that term may be defined in such written agreement), provided, that such written agreement may not increase the maximum amount of such awards.

#### Amendment of Awards or 2006 Incentive Plan

The Committee may at any time alter, amend, modify, suspend, or terminate the 2006 Incentive Plan or any outstanding award in whole or in part, except that no amendment of the 2006 Incentive Plan will be made without shareholder approval if shareholder approval is required by applicable law, regulation or stock exchange rule. No amendment to an award previously granted may adversely affect the rights of any participant to whom such award was granted without such participant's consent, unless specifically provided for in the 2006 Incentive Plan. The Committee shall have the authority to modify any outstanding option award or SAR to reduce the exercise or grant price thereof.

#### Adjustment of Awards

In the event of any corporate event or transaction such as a merger, consolidation, reorganization, recapitalization, separation, stock dividend, stock split, reverse stock split, split up, spin-off, or other distribution of our stock or property, combination of shares, exchange of shares (other than pursuant to a conversion of convertible securities), dividend in kind, or other like change in our capital structure or distribution (other than normal cash dividends) to our stockholders, or any similar corporate event or transaction, the Committee shall, proportionately and accordingly, in its sole discretion, substitute and/or adjust the number and/or kind of shares, as applicable, for which grants of options and other awards may be made under the 2006 Incentive Plan. In addition, the number and kind of shares subject to outstanding awards, the option price or grant price applicable to outstanding awards, the annual award limits, and other value determinations applicable to outstanding awards shall be adjusted proportionately and accordingly by the Committee so as to prevent dilution or enlargement of participants' rights under the 2006 Incentive Plan. The Committee may also make appropriate adjustments in the terms of any awards under the 2006 Incentive Plan to reflect or related to such changes or distributions and to modify any other terms of outstanding awards, including modifications of performance goals and changes in the length of performance periods. Subject to certain limitations set forth in the 2006 Incentive Plan and applicable provisions of the Code, without affecting the number of shares reserved or available thereunder, the Committee may authorize the issuance or assumption of benefits under the 2006 Incentive Plan in connection with any merger, consolidation, spin-off, split-off, split-up, acquisition of our property or stock, or reorganization upon such terms and conditions as it may deem appropriate, or the Committee or the board of directors may cause any award outstanding as of the effective date of the applicable event to be cancelled in consideration of a cash payment or alternate award made to the holder of such cancelled award equal in value to the fair market value of such cancelled award.

### Awards for Non-U.S. Employees

To comply with the laws in other countries in which the Company or its subsidiaries operate or may operate or have employees, officers, directors, or third-party service providers, the Committee may establish, among other things, subplans under the 2006 Incentive Plan and modify the terms of the awards made to such employees, officers, directors or third-party service providers.

### Material Federal Income Tax Considerations

The following is a brief summary of the principal federal income tax consequences of awards under the 2006 Incentive Plan. The summary is based upon current federal income tax laws and interpretations thereof, all of which are subject to change at any time, possibly with retroactive effect. The summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign tax consequences.

### Incentive Options

An optionee does not generally recognize taxable income upon the grant or upon the exercise of an ISO. However, the exercise of an ISO may in some cases trigger liability for the alternative minimum tax.

Upon the sale of ISO shares, the optionee recognizes income in an amount equal to the difference, if any, between the exercise price of the ISO shares and the fair market value of those shares on the date of sale. The income is taxed at the long-term capital gains rate if the optionee has not disposed of the shares within two (2) years after the date of the grant of the ISO and has held the shares for at least one (1) year after the date of exercise, and the Company is not entitled to a federal income tax deduction. The holding period requirements are waived when an optionee dies.

If an optionee sells ISO shares before having held them for at least one (1) year after the date of exercise and two (2) years after the date of grant (a “disqualifying disposition”), the optionee recognizes ordinary income to the extent of the lesser of: (i) the gain realized upon the sale, or (ii) the difference between the exercise price and the fair market value of the shares on the date of exercise. Any additional gain is treated as long-term or short-term capital gain depending upon how long the optionee has held the ISO shares prior to disposition. In the year of a disqualifying disposition, the Company receives a federal income tax deduction in an amount equal to the ordinary income that the optionee recognizes as a result of the disqualifying disposition.

### Non-qualified Options

In general, an optionee does not recognize taxable income upon the grant of an NQSO. Upon the exercise of such an option, the optionee recognizes ordinary income to the extent the fair market value of the shares received upon exercise of the NQSO on the date of exercise exceeds the exercise price. The Company receives an income tax deduction in an amount equal to the ordinary income that the optionee recognizes upon the exercise of the option.

### Restricted Shares

A participant who receives an award of restricted shares does not generally recognize taxable income at the time of the award. Instead, unless an election is made as described in the next paragraph, the participant recognizes ordinary income in the first taxable year in which his or her interest in the shares becomes either: (i) freely transferable, or (ii) no longer subject to substantial risk of forfeiture. The amount of taxable income is equal to the fair market value of the shares less the cash, if any, paid for the shares.

A participant may elect to recognize income at the time he or she receives restricted shares in an amount equal to the fair market value of the restricted shares (less any cash paid for the shares) on the date of the award. Any such election must be filed with the Internal Revenue Service within 30 days of the date of grant. Future appreciation on the shares will be taxed as capital gains when the shares are sold. However, if after making such an election, the shares are forfeited, the participant will be unable to claim any loss deduction.

The Company receives a compensation expense deduction in an amount equal to the ordinary income recognized by the participant in the taxable year in which restrictions lapse (or in the taxable year of the award if, at that time, the participant had filed a timely election to accelerate recognition of income).

#### Other Awards

In the case of an exercise of an SAR or an award of restricted share units, performance shares, performance units, share awards, or incentive awards, the participant would generally recognize ordinary income in an amount equal to any cash received and the fair market value of any shares received on the date of payment. In that taxable year, the Company would receive a federal income tax deduction in an amount equal to the ordinary income that the participant has recognized.

#### Million Dollar Deduction Limit

Pursuant to Section 162(m) of the Code, the Company may not deduct compensation of more than \$1,000,000 dollars that is paid to certain "covered employees" in a taxable year. The limitation on deductions does not apply to certain types of compensation, including qualified performance-based compensation. It is intended that future awards under the 2006 Incentive Plan made to covered employees in the form of options, performance-based restricted shares, performance shares, performance units, SARs, and cash payments under annual incentive awards will constitute qualified performance-based compensation and, as such, will be exempt from the \$1,000,000 limitation on deductible compensation, but no assurance can be made in this regard.

#### Compliance with Deferred Compensation Provisions of American Jobs Creation Act

The American Jobs Creation Act of 2004, added new Section 409A of the Code. Section 409A imposes penalty taxes and interest charges on employees who receive certain deferred compensation that does not meet the requirements of Section 409A. The Company intends that awards under the 2006 Incentive Plan will meet the requirements of Section 409A, but no assurance can be made in this regard.

#### Withholding Taxes

Awards made to participants under the 2006 Incentive Plan may be subject to federal, state and local income tax and employment tax withholding obligations and the Company will comply with any requirements to withhold such taxes.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF  
THE AMENDMENT OF THE 2006 INCENTIVE PLAN  
TO INCREASE THE NUMBER OF AVAILABLE SHARES.
