Item 1.01 Entry into a Material Definitive Agreement.

Restructuring Support Agreement

On December 23, 2016, Bonanza Creek Energy, Inc. (“Bonanza”) and its subsidiaries (together with Bonanza, collectively, the “Company” or the “Debtors”) entered into a Restructuring Support Agreement (the “RSA”)¹ with (i) holders (collectively, the “Supporting Noteholders”) of approximately 51% in aggregate principal amount of Bonanza’s 5.75% Senior Notes due 2023 (the “2023 Notes”) and 6.75% Senior Notes due 2021 (the “2021 Notes,” and together with the 2023 Notes, the “Senior Notes”) and (ii) NGL Energy Partners, LP and NGL Crude Logistics, LLC (collectively, “NGL,” and together with the Company and the Supporting Noteholders, the “RSA Parties”). The RSA contemplates a restructuring (the “Restructuring”) of the Debtors pursuant to the joint prepackaged plan of reorganization attached to the RSA (the “Plan”) and that the Company will file petitions for voluntary relief under Chapter 11 of the United States Bankruptcy Code in the U.S. Bankruptcy Court in the District of Delaware (the “Bankruptcy Court”) on or before January 5, 2017.

The RSA provides for, among other things, (a) the equitization of the Company’s unsecured obligations pursuant to the Plan, including approximately \$800 million in principal amount of Senior Notes, (b) a fully backstopped rights offering for the purchase of \$200 million of common stock of reorganized Bonanza Creek Energy, Inc. (“Reorganized Bonanza”), and (c) the entry into a new crude oil purchase agreement between the Company and NGL Crude Logistics, LLC (collectively the “Restructuring Transactions”).

The RSA contains certain covenants on the part of each of the RSA Parties, including limitations on the Company’s ability to pursue transactions other than the Restructuring, commitments by the Supporting Noteholders and NGL to vote in favor of the Plan, commitments by the RSA Parties to negotiate in good faith to finalize the documents and agreements governing the Restructuring and otherwise facilitate the Restructuring Transactions. The RSA also provides for customary conditions to the obligations of the parties and for termination by mutual agreement or upon the occurrence of certain events, including without limitation, the failure to achieve certain milestones.

A copy of the RSA is filed as Exhibit 10.1 hereto and is incorporated herein by reference. The above description of the RSA is qualified in its entirety by the full text of such exhibit.

Proposed Joint Prepackaged Chapter 11 Plan of Reorganization

Pursuant to the RSA, the Company will commence the solicitation of votes on the Plan (the “Solicitation”) no later than December 23, 2016. In connection with the Solicitation, the Plan and the disclosure statement related thereto (the

“Disclosure Statement”) will be distributed to certain creditors of the Company. The Plan, which is subject to approval of the Bankruptcy Court, contemplates that, among other things, on the effective date of the Plan (the “Effective Date”):

The Senior Notes and existing common shares of Bonanza (“Existing Common Shares”) will be canceled, and Reorganized Bonanza will issue (i) new common shares (the “New Common Shares”), (ii) three (3) year warrants (the “Warrants”) entitling their holders upon exercise thereof, on a pro rata basis, to 7.5% of the total outstanding New Common Shares at a per share price based upon a total equity value of \$1,450,000,000 of the Reorganized Bonanza, and (iii) rights (the “Subscription Rights”) to acquire the New Common Shares offered in connection with the Rights Offering (“Rights Offering Equity”), each of which will be distributed as set forth below;

Holders of allowed claims (“RBL Claims”) on account of debt arising under that certain Credit Agreement dated as of March 29, 2011, as amended, restated, supplemented or otherwise modified from time to time, among Bonanza, as borrower, KeyBank National Association, solely in its capacity as administrative agent and issuing lender, and the lender parties thereto (the “RBL Credit Agreement” and the credit facility memorialized thereby, the “RBL Facility”) shall be entitled to receive, in full and final satisfaction of its allowed RBL Claim, either (i) the treatment such holder is legally entitled to under section 1129(b)(2)(A) of the Bankruptcy Code or (ii) at the election of the Company, with the consent of the Required Supporting Noteholders (as defined in the Plan), either (a) payment in full in cash of such claim or (b) such holder’s ratable share of participation in the Exit RBL Facility (as defined in the Plan).

Holders of allowed general unsecured claims against Bonanza shall be entitled to receive their ratable share of:

- (a) 29.4% of the New Common Shares, subject to dilution by the Rights Offering Equity, the Management Incentive Plan (as defined in the Plan) and the Warrants and (b) 37.8% of the Subscription Rights.

¹Capitalized terms used but not otherwise defined herein shall have the meaning given to such terms in the RSA.

Holders of allowed general unsecured claims against Debtors other than Bonanza and Bonanza Creek Energy Operating Company, LLC (“Bonanza Creek Operating”), shall be entitled to receive their ratable share of: (a) 48.5% of the New Common Shares subject to dilution by the Rights Offering Equity, the Management Incentive Plan and the Warrants and (b) 62.2% of the Subscription Rights.

Holders of allowed general unsecured claims against Bonanza Creek Operating, shall receive their ratable share of 17.6% of the New Common Shares subject to dilution by the Rights Offering Equity, the Management Incentive Plan and the Warrants.

Holders of Existing Common Shares shall neither receive any distributions nor retain any property on account thereof pursuant to the Plan. Notwithstanding the foregoing, on or as soon as reasonably practicable after the Effective Date, holders of Existing Common Shares shall receive, in exchange for the releases by such holders of the Released Parties (as defined in the Plan), their ratable share of (i) 4.5% of the New Common Shares, subject to dilution by the Rights Offering Equity, the Management Incentive Plan and the Warrants and (ii) the Warrants (the “Settlement Consideration”); provided, however, that any holder of Existing Common Shares that opts not to grant the voluntary releases contained in section 11.8 of the Plan shall not be entitled to receive its ratable share of the Settlement Consideration.

Holders of allowed Administrative Expense Claims, Priority Tax Claims, Other Priority Claims, and Unsecured Trade Claims (each as defined in the Plan) shall be entitled to payment in full in cash or other treatment that will render such claim unimpaired under section 1124 of the Bankruptcy Code.

Holders of allowed Other Secured Claims (as defined in the Plan) shall be entitled to payment in full in cash; reinstatement of the legal, equitable and contractual rights of the holder of such claim; a distribution of the proceeds of the sale or disposition of the collateral securing such claim, in each case, solely to the extent of the value of the holder’s secured interest in such collateral; return of collateral securing such claim; or other treatment that will render such claim unimpaired under section 1124 of the Bankruptcy Code.

A copy of the Plan is attached to the Disclosure Statement included as Exhibit 99.2 hereto and is incorporated herein by reference. The above description of the Plan is qualified in its entirety by the full text of such exhibit.

Backstop Commitment Agreement

On December 23, 2016, Bonanza entered into a backstop commitment agreement (the “Backstop Commitment Agreement”) with the Supporting Noteholders party thereto (collectively, the “Backstop Parties”), whereby each Backstop Party agreed to backstop the Rights Offering in a certain specified amount (collectively, the “Backstop Commitments”). Pursuant to the Backstop Commitment Agreement, each of the Backstop Parties, severally and not jointly, agreed to participate in the Rights Offering and purchase the Rights Offering Shares in accordance with the percentages set forth in the Backstop Commitment Agreement (the “Backstop Party Percentages”) to the extent unsubscribed under the Rights Offering. In exchange for providing the Backstop Commitments, Bonanza has agreed

to pay the Backstop Parties, subject to approval by the Bankruptcy Court, a backstop commitment fee in an amount equal to six percent of the aggregate amount of the Backstop Commitments payable in New Common Shares issued at the same price as the Rights Offering Equity, and to reimburse the administrative expenses incurred by the Backstop Parties in connection with the Backstop Commitment Agreement.

The Backstop Commitment Agreement will be terminable by Bonanza and/or the Requisite Commitment Parties (as defined in the Backstop Commitment Agreement) upon certain customary events specified therein, including, among others, (i) the termination of the RSA, (ii) the failure to meet certain specified milestones, or (iii) (A) the Bankruptcy Court approves or authorizes the Company to enter into an Alternative Transaction (as defined in the Backstop Commitment Agreement) or (B) entry by the Company into any contract providing for the consummation of any Alternative Transaction or files any motion or application seeking authority to propose, join in or participate in the formation of, any actual or proposed Alternative Transaction. The Company may be required to pay a termination fee in the amount of \$8,000,000 to non-defaulting Backstop Parties if the Backstop Commitment Agreement is terminated under certain conditions.

A copy of the Backstop Commitment Agreement is filed as Exhibit 10.2 hereto and is incorporated herein by reference. The above description of the Backstop Commitment Agreement is qualified in its entirety by the full text of such exhibit.
