PAY88, INC.
(A DEVELOPMENT STAGE COMPANY)
NOTES TO UNAUDITED CONDENSED FINANCIAL STATEMENTS

NOTE 1 - Basis of Presentation

In the opinion of the Company's management, the accompanying unaudited condensed financial statements contain all adjustments (consisting of only normal recurring adjustments) necessary to present fairly the information set forth therein. These financial statements are condensed and therefore do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial

statements.

Results of operations for interim periods are not necessarily indicative of the results of operations for a full year.

The Company incurred a net loss of \$17,561 for the three months ended March 31, 2006. In addition, the Company had a working capital deficiency of \$59,236 and a stockholders' deficit of \$139,621 at March 31, 2006. These factors raise substantial doubt about the Company's ability to continue as a going concern.

There can be no assurance that sufficient funds will be generated during the next year or thereafter from operations or that funds will be available from external sources such as debt or equity financings or other potential sources. The lack of additional capital could force the Company to curtail or cease operations and would, therefore, have a material adverse effect on its business. Furthermore, there can be no assurance that any such required funds, if available, will be available on attractive terms or that they will not have a significant dilutive effect on the Company's existing stockholders.

The accompanying condensed financial statements do not include any adjustments related to the recoverability or classification of asset-carrying amounts or the amounts and classifications of liabilities that may result should the Company be unable to continue as a going concern.

NOTE 2 - Note and Loans Payable - Related Party

Loans payable to the Company's CEO represents advances bearing interest at 5% per annum that are payable on demand. Interest expense for the three months ended March 31, 2006 was \$504.

Note payable to the Company's CEO bears interest at 5% per annum and is payable on August 31, 2008. Interest expense for the three months ended March 31, 2006 was \$1,004.

Yahu is a Chinese corporation formed by Mr. Tao Fan, a brother of Mr. Guo Fan, a significant stockholder, director and officer of the Company. The Agreement provides for two services to be provided to the Company by Yahu. The first service is the provision of all proprietary software needed to effectuate fund transfers between the U.S. and China. The second service to be provided is technical assistance in the areas of installation and future product support. This support includes assistance with all technical aspects of the software as well as problem resolution and general inquiries. Both of these services are to be provided to the Company by Yahu for a licensing fee that is based upon 20% of the gross fund transfer revenues. The fee is payable on a quarterly basis.
