The information contained in this report shall not be deemed "soliciting material" or otherwise considered "filed" with the SEC, and such information shall not be incorporated by reference into any future filing under the Securities Act or the Exchange Act except to the extent that the Company specifically incorporates such information by reference in such filing.

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended June 30, 2018 with our management. The Audit Committee has discussed with our independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board (the "PCAOB").

The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants' communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm's independence.

Based on the foregoing, the Audit Committee has recommended to our Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended June 30, 2018. Our Board has approved this inclusion.

Compensation Committee

As of the date of this report, the members of the Compensation Committee are Ms. Madere, Mr. Matina and Dr. Fischhoff, with Mr. Matina serving as the Chair of the Compensation Committee. Our Board has determined that each member of our Compensation Committee meets the requirements for independence under Rule 5605(d)(2) of the Nasdaq listing standards, the non-employee director definition of Rule 16b-3 promulgated under the Exchange Act and the outside director definition of Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Internal Revenue Code.

The Compensation Committee is responsible for, among other things:

- overseeing our compensation policies, plans and benefit programs and making recommendations to the Board with respect to improvements or changes to the compensation plans and adoption of other plans;
- reviewing and approving with respect to our executive officers: annual base salaries, annual incentive bonuses, equity compensation, employment agreements, severance arrangements and change of control agreements/provisions, signing bonuses or payments of relocation costs and any other benefits, compensation or arrangements;
- evaluating and approving the corporate and individual goals and objectives relevant to the compensation of our executive officers; and
- administering our equity compensation plans.

The Compensation Committee acts under a written charter adopted and approved by our Board. A current copy of the charter of our Compensation Committee is available on the Investors page on our website located at www.swseedco.com.

Typically, the Compensation Committee meets approximately four times per year and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with the Chairman of the Board. The Compensation Committee meets regularly in executive session. However, from time to time, other directors and outside advisors or consultants may be invited to participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives.

The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. The Compensation Committee has the authority to obtain, at our expense, such advice or assistance from consultants, legal counsel, accounting or other advisors as it deems appropriate to perform its duties. Without limiting the generality of the foregoing, the Compensation Committee may retain or obtain the advice of compensation consulting firms to assist in the performance of its duties and to determine and approve the terms, fees and costs of such engagements. Under its charter, prior to selecting, or receiving advice from, any consultant or advisor, the Compensation Committee is required to consider the independence of such advisor based on any applicable criteria specified by the SEC or Nasdaq, including the independence factors listed in Nasdaq Rule 5605(d)(3). However, the Compensation Committee is not prohibited from obtaining advice from advisors that it determines are not independent. During fiscal 2018, the Compensation Committee did not retain the services of any outside consultants.

The specific determinations of the Compensation Committee with respect to executive compensation for fiscal 2018 are described in greater detail in the Executive Compensation section of this report.

Nominating and Governance Committee

As of the date of this report, the members of the Nominating and Governance Committee are Ms. Madere, Dr. Fischhoff and Messrs. Seidler, Wickersham and Willits, with Ms. Madere serving as the Chair of the Nominating and Governance Committee. Our Board has determined that each member of our Nominating and Governance Committee meets the requirements for independence under the current rules of the SEC and Nasdaq.

The goal of the Nominating and Governance Committee is to ensure that the members of our Board have a variety of perspectives and skills derived from high-quality business and professional experience. The Nominating and

Governance Committee seeks to achieve a balance of knowledge, experience and capability on our Board. To this end, the committee seeks nominees with high professional and personal

integrity, an understanding of our business lines and industry, diversity of business experience and expertise, broad-based business acumen and the ability to think strategically. Although neither we nor our Nominating and Governance Committee has a formal policy about diversity in the nominee selection process, our Nominating and Governance Committee charter states that the committee's goal is to develop a diverse and experienced board. In the context of the existing composition and needs of the board and its committees, the Nominating and Governance Committee considers various factors, including, but not limited to, independence, age, diversity (which, in this context, means race, ethnicity and gender), integrity, skills, financial and other expertise, breadth of experience and knowledge about our business or industry. Although the Nominating and Governance Committee uses these and other criteria to evaluate potential nominees, we have not established any particular minimum criteria for nominees. After its evaluation of potential nominees, the committee submits nominees to the Board for approval. When appropriate, the Nominating and Governance Committee may in the future retain executive recruitment firms to assist in identifying suitable candidates.

The Nominating and Governance Committee is responsible for, among other things:

- assisting our Board in identifying prospective director nominees and recommending to our Board the director nominees for each annual meeting of stockholders;
- evaluating the performance of current members of our Board;
- ensuring that our Board is properly constituted to meet its fiduciary obligations to us and our stockholders and that we follow appropriate governance standards;
- developing principles of corporate governance and recommending them to our Board;
- overseeing compliance by our Board and its committees with applicable laws and regulations, including those promulgated by the rules of the SEC and Nasdaq; and
- overseeing the evaluation of our Board and recommending compensation of Board members.

The Nominating and Governance Committee acts under a written charter adopted and approved by our Board. A current copy of the charter of our Nominating and Governance Committee is available on the Investors page on our website located at www.swseedco.com.

Finance Committee

The Finance Committee provides ad-hoc recommendations and guidance to the full Board on issues related to the financing of the Company. As of the date of this report, the Finance Committee was comprised of Messrs. Matina, Seidler and Wong, with Mr. Matina serving as the Chair of the Finance Committee.

Acquisition and Strategy Committee

The Acquisition and Strategy Committee provides ad-hoc recommendations and guidance to the full Board in connection with identifying and pricing potential acquisition candidates and transactions. As of the date of this report, the Acquisition and Strategy Committee was comprised of Messrs. Harvey, Matina, Straus, Willits and Wong, with Mr. Matina serving as the Chair of the Acquisition and Strategy Committee.

Director Independence

At all times throughout fiscal 2018, our Board consisted of a majority of independent directors. Of our nine current directors, throughout fiscal 2018 only the Chief Executive Officer was an employee. Our Board consults with our

counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set

forth in pertinent listing standards of the Nasdaq Capital Market, as in effect from time to time. Our Board has affirmatively determined that Dr. Fischhoff, Ms. Madere and Messrs. Matina, Seidler, Straus, Wickersham and Willits, representing a majority of the director nominees, are "independent directors" as defined under the rules of the SEC and Nasdaq. In reaching its conclusions, the Board considered all relevant facts and circumstances with respect to any direct or indirect relationships between us and each of the directors, including those discussed under the caption "Transactions with Related Persons" below. Our Board determined that any relationships that exist or existed in the past between us and each of the foregoing nominees, if any, were immaterial on the basis of the information set forth in the above-referenced sections.

Executive Sessions of Independent Directors

In order to promote open discussion among independent directors, our Board has a policy of conducting executive sessions of the independent directors. The Board holds regular executive sessions of the independent directors at least four times per year in connection with regularly-scheduled Board meetings and holds executive sessions at other times throughout the year as needed or desired. These directors may designate one of their number to preside at each session, although it need not be the same director at each session. Regardless of the fact that these executive sessions are required by Nasdaq, we believe they are important vehicles to encourage open communication. Whether a presiding director is selected for each session or not, one among the directors present is designated to communicate the results of each such meeting to the full Board.

Board Meetings and Attendance

The Board met seven times in fiscal 2018. Each member of the Board attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board held during the period for which such person has been a director, and (ii) the total number of meetings held by each committee of the Board on which such person served during the periods that such person served.

Board Attendance at Annual Stockholder Meetings

Our directors are strongly encouraged to attend each annual meeting of stockholders, although such attendance is not required. All of our then-current directors attended the Annual Meeting of Stockholders held on January 9, 2018.

Board Leadership

The Board does not have a formal policy on whether or not the roles of Chairman of the Board and Chief Executive Officer should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from the non-employee directors or be an employee. The Board believes that it should be free to make a choice from time to time in any manner that is in the best interests of our company and our stockholders. Currently, we separate the role of Chairman and Chief Executive Officer. Mr. Harvey serves as the Chairman and Mr. Wong serves as Chief Executive Officer. The Board believes that this separation is presently appropriate as it allows the Chief Executive Officer to focus primarily on leading the day-to-day operations of our company, while the Chairman can focus on leading the Board in its consideration of strategic issues and monitoring corporate governance and other stockholder issues.

Each of the committees of the Board consists entirely of independent directors.

Our Chairman is selected by a majority of the Board. The Chairman may be replaced at any time by a vote of a majority of the Board then serving; *provided, however*, that the Chairman may not be removed as a director of the Company except in accordance with the Nevada Revised Statutes, our Bylaws, and other applicable law.

Role of the Board in Risk Oversight

Our Board, as a whole and through its committees, has responsibility for the oversight of risk management. With the oversight of our full Board, our senior management are responsible for the day-to-day management of the material risks we face. In its oversight role, our Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. This involvement of the Board in setting our business strategy is a key part of its oversight of risk management, its assessment of management's appetite for risk and its determination of what constitutes an appropriate level of risk for us. Additionally, our Board regularly receives updates from senior management and outside advisors regarding certain risks we face, including various operating risks. Our senior management attends meetings of our Board, and each committee meets with key management personnel and representatives of outside advisors as necessary. Additionally, senior management makes itself available to address any questions or concerns raised by the board on risk management and any other matters.

Each of our Board committees oversees certain aspects of risk management.

Email correspondence of this nature should be sent to secretary@swseedco.com, and other written correspondence should be addressed to S&W Seed Company, 106 K Street, Suite 300, Sacramento, California 95814, Attention: Secretary.

Our Board has adopted a formal process by which stockholders may communicate with the Board or any of its members. These communications will be reviewed by our Corporate Secretary, who will then determine whether the communication is appropriate for presentation to the Board or the relevant director. The purposes of this screening is to avoid the Board having to consider spam, junk mail, mass mailings, customer complaints or inquiries, job inquiries, surveys, business solicitations or advertisements, or patently offensive or otherwise inappropriate or irrelevant material. The Corporate Secretary will determine, in her discretion, whether any response is necessary and may forward certain correspondence, such as customer-related inquiries, elsewhere within our company for review and possible response. Comments or questions regarding our accounting, internal controls or auditing matters will be referred to the Audit Committee. Comments or questions regarding the nomination of directors and other corporate governance matters will be referred to the Nominating and Governance Committee. Comments or questions regarding executive compensation will be referred to the Compensation Committee.

Stockholder Recommendations for Director Candidates

There have been no material changes to the procedures by which our stockholders may recommend nominees to the Board as disclosed in our previous periodic reports filed with the SEC.

Item 11. Executive Compensation.

As a smaller reporting company, we are not required to provide a separately-captioned "Compensation Discussion and Analysis" section. However, in order to provide a greater understanding to our stockholders regarding our compensation policies and decisions with respect to our Named Executive Officers, we are including additional information regarding the compensation of our Named Executive Officers.

Compensation Philosophy and Processes

Compensation for our executives and key employees is designed to attract and retain people who share our vision and values and who can consistently perform in such a manner that enables the Company to achieve its strategic goals. The Compensation Committee believes that the total compensation package for each of our executive officers is competitive with the market, thereby allowing us to retain executive talent capable of leveraging the skills of our employees and our unique assets in order to increase stockholder value. Our Named Executive Officers refers to those executive officers identified in the Summary Compensation Table below. Our Named Executive Officers for fiscal year 2018 included the following individuals: Mark W. Wong, President and Chief Executive Officer; Matthew K. Szot, Executive Vice President of Finance and Administration, Chief Financial Officer and Treasurer; and Danielson B. Gardner, Chief Marketing and Technology Officer.

The Company's executive compensation programs are designed to (1) motivate and reward our executive officers, (2) retain our executive officers and encourage their quality service, (3) incentivize our executive officers to appropriately manage risks while improving our financial results, and (4) align executive officers' interests with those of our stockholders. Under these programs, our executive officers are rewarded for the achievement of company objectives and the realization of increased stockholder value.

The program seeks to remain competitive with the market while also aligning the executive compensation program with stockholder interests through the following types of compensation: (i) base salary; (ii) annual cash-based incentive bonuses; and (iii) equity-based incentive awards.

Key Executive Compensation Objectives

The compensation policies developed by the Compensation Committee are based on the philosophy that compensation should reflect both Company-wide performance, financially and operationally, and the individual performance of the executive, including management of personnel under his supervision. The Compensation Committee's objectives when setting compensation for our executive officers include:

- Setting compensation levels that are sufficiently competitive such that they will motivate and reward the highest quality individuals to contribute to our goals, objectives and overall financial success. This is done in part through reviewing and comparing the compensation of other companies in our peer group.
- Retaining executives and encouraging their continued quality service, thereby encouraging and maintaining continuity of the management team. Our competitive base salaries combined with cash and equity incentive bonuses, retirement plan benefits and the vesting requirements of our equity-based incentive awards, encourage high-performing executives to remain with the Company.
- Incentivizing executives to appropriately manage risks while attempting to improve our financial results, performance and condition.
- Aligning executive and stockholder interests. The Compensation Committee believes the use of equity compensation as a key component of executive compensation is a valuable tool for aligning the interests of our executive officers with those of our stockholders.

Our compensation program is designed to reward superior performance of both the Company and each individual executive and seeks to encourage actions that drive our business strategy. In fiscal 2016, we instituted a process by which the Compensation Committee or a member thereof, meets with each of our executives quarterly to review performance, goals and expectations so that our annual compensation decisions, when made, will be more transparent. We found this regular line of communication to be helpful, both for our executives and for the Compensation Committee, and as such, the process continued in fiscal 2018.

Oversight of Executive Compensation

The Role of the Compensation Committee in Setting Compensation.

Our Compensation Committee determines and recommends to our Board the compensation of our executive officers. The Compensation Committee also administers our equity incentive plans. The Compensation Committee reviews base salary levels for executive officers of our company and recommends raises and bonuses based upon the company's achievements, individual performance and competitive and market conditions. The Compensation Committee may delegate certain of its responsibilities, as it deems appropriate, to compensation subcommittees or to our officers, but it has not elected to do so to date.

The Role of Executives in Setting Compensation.

While the Compensation Committee does not delegate any of its functions to others in setting the compensation of senior management, it includes members of senior management in the Compensation Committee's executive compensation process. We have asked each of our senior executives to annually provide us with input with regard to their goals for the coming year.

These proposals include suggested company-wide and individual performance goals. The individual goals include not only the goals of such executive but also goals of the employees for whom the executive is responsible. The Compensation Committee reviews these proposals with the executives and provides the Committee's perspective on those aspects that the Committee may feel should be modified. Quarterly meetings with the executives will permit an ongoing dialog to further our goal of enhancing communication and managing expectations regarding compensation matters.

The Role of Consultants in Setting Compensation.

In fiscal 2018, the Compensation Committee did not retain compensation consultants to assist it in its review of executive compensation although it is empowered by its charter to do so. As the Compensation Committee deems necessary or helpful, it may retain the services of compensation consultants in connection with the establishment and development of our compensation philosophy and programs in the future.

Compensation Risk Assessment

As part of its risk assessment process, the Compensation Committee reviewed material elements of executive and non-executive employee compensation. The Compensation Committee concluded that these policies and practices do not create risk that is reasonably likely to have a material adverse effect on the Company.

The structure of our compensation program for our executive officers does not incentivize unnecessary or excessive risk taking. The base salary component of compensation does not encourage risk taking because it is a fixed amount. The incentive plan awards have risk-limiting characteristics:

- Annual incentive awards to each of our executive officers are limited to the fixed maximum specified in the incentive plan;
- Annual incentive awards are based on a review of a variety of performance factors, thus diversifying the risk associated with any single aspect of performance;
- The Compensation Committee, which is composed of independent members of our Board, approves final incentive plan cash and stock awards in its discretion after reviewing executive and corporate performance; and
- The significant portion of long-term value is delivered in shares of the Company with a multi-year vesting schedule, which aligns the interests of our executive officers to the long-term interests of our stockholders.

Elements of Compensation

The material elements of the compensation program for our Named Executive Officers include: (i) base salary; (ii) cash-based incentive bonuses; and (iii) equity-based incentive awards.

Base Salaries

. We provide our Named Executive Officers with a base salary to compensate them for services rendered during the fiscal year and sustained performance. The purpose of the base salary is to reflect job responsibilities, value to us and competitiveness of the market. Salaries for our Named Executive Officers are determined by the Compensation Committee based on the following factors: nature and responsibility of the position and, to the extent available, salary norms for comparable positions; the expertise of the individual executive; and the competitiveness of the market for the executive's services.

Performance Cash-Based Incentive Bonuses. Our practice is to award cash-based incentive bonuses, based in part on the achievement of performance objectives or significant accomplishments as established by the Compensation Committee from time-to-time in its discretion. These performance objectives and significant accomplishments are, in part, developed in partnership with the executive and are discussed on an ongoing basis throughout the year.

Equity-Based Incentive Awards

. Our equity-based incentive awards are designed to align our interests with those of our employees and consultants, including our Named Executive Officers. Our Compensation Committee is responsible for approving equity grants. As of the end of fiscal 2018, our Named Executive Officers have been granted both stock option awards and restricted stock units. Vesting of the stock option and restricted stock unit awards is tied to continuous service with us and serves as an additional retention measure and long-term incentive.

Key Compensation Decisions and Developments for Fiscal Year 2018

For fiscal 2018, each of our Named Executive Officers, except for our Chief Executive Officer, was entitled to receive an annual discretionary incentive bonus of up to 100% of his base salary, payable 65% in cash and 35% in equity. Our Chief Executive Officer, Mr. Wong, was entitled to receive an annual discretionary bonus, with an initial target bonus of up to \$800,000, payable 70% in equity and 30% in cash, of which Mr. Wong's cash portion for fiscal 2018 was guaranteed at a minimum of \$240,000. Following the completion of the 2018 fiscal year, each of these executive officers evaluated himself against his specific goals and presented his assessment to the Compensation Committee. The Compensation Committee followed with its own review of these self-assessments, in addition to its review of the fiscal 2018 corporate goals and objectives for these executive officers and their performance in light of these goals and objectives. Based on its review, in August 2018 the Compensation Committee determined the fiscal 2018 cash and equity incentive awards for our Named Executive Officers, as follows:

(1) The amounts shown for stock awards and option awards represent the aggregate grant date fair value of such awards granted to the Named Executive Officers as computed in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 718, Compensation-Stock Compensation. For each award, the grant date fair value is calculated using the closing price of our common stock on the grant date and, in the case of the restricted stock awards, assuming 100% probability of achievement of conditions for full vesting as of the grant date. These amounts do not correspond to the actual value that may be realized by the Named Executive Officers upon vesting or exercise of such awards. Wong Employment Agreement

On June 19, 2017 in connection with his appointment as President and Chief Executive Officer, we entered into an employment agreement with Mr. Wong (the "Wong Employment Agreement"), pursuant to which Mr. Wong is entitled to receive the following compensation:

- annual base salary of \$350,000;
- eligibility to receive an annual performance bonus, with an initial target bonus of up to \$800,000, payable 70% in equity awards and 30% in cash, of which his cash portion for fiscal year 2018 is guaranteed at a minimum of \$240,000; and

In addition, Mr. Wong is entitled to reimbursement of certain business and travel expenses, including up to \$5,000 per month for expenses related to commuting from Colorado to our offices in Sacramento, California. The Wong Employment Agreement also provides that, in the event Mr. Wong's employment is terminated without cause, or he resigns for good reason (each as defined in the Wong Employment Agreement) he will be entitled to:

- the vesting of all of his outstanding equity awards will immediately accelerate in full as of the date of such termination or resignation, and the exercise period for each stock option held as of the date of termination will be extended to the remainder of the full term of the option, and
- (i) a cash severance payment equal to twelve months of his base salary in effect at the time of his termination, plus the full amount of the possible bonus compensation to which he would have been entitled for the current year (the "Cash Severance Payment"), and (ii) payment of health insurance premiums for twelve months, all subject to the Company's timely receipt of an effective release and waiver of claims from Mr. Wong.

In addition, in the event of a change of control, or in the event we sell all or substantially all of our assets, and Mr. Wong is not offered a comparable position with the successor-in-interest resulting from such transaction, he will be entitled to receive (x) an amount equal to the Cash Severance Payment multiplied by two (provided that the multiplier shall be increased to three in the event the price of our common stock payable in connection with such transaction is at least \$10 per share); and (y) payment of health insurance premiums for two years from the date of such transaction (or three years in the event the price of our common stock payable in connection with such transaction is at least \$10 per share). Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters.

The following table presents information concerning the beneficial ownership of the shares of our common stock as of October 15, 2018, by:

- each person we know to be the beneficial owner of 5% of more of our outstanding shares of common stock;
- our executive officers named in the Summary Compensation Table and our current directors and director nominees; and
- all of our executive officers and directors as a group.

Except as otherwise indicated below, the address of each beneficial owner listed in the table is c/o S&W Seed Company, 106 K Street, Suite 300, Sacramento, California 95814.

We have determined beneficial ownership in accordance with the rules of the SEC. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of common stock that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership is based on 25,990,968 shares of common stock outstanding on October 15, 2018. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed as outstanding shares of common stock subject to options held by that person that are currently exercisable or exercisable within 60 days of October 15, 2018 (December 15, 2018). We did not deem these exercisable shares outstanding, however, for the purpose of computing the percentage ownership of any other person. The applicable footnotes are an integral part of the table and should be carefully read in order to understand the actual ownership of our securities, particularly by the 5% stockholders listed in the table.

Annual Evaluation and Selection of Independent Auditor

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services Performed by the Independent Registered Public Accounting Firm

We maintain an auditor independence policy that bans our auditors from performing non-financial consulting services, such as information technology consulting and internal audit services.
