PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 24, 2006

This proxy statement is furnished to shareholders of Eagle Bulk Shipping Inc. ("Eagle Bulk Shipping" or the "Company") in connection with the solicitation of proxies, in the accompanying form, by the Board of Directors (the "Board") of Eagle Bulk Shipping for use in voting at the Annual Meeting of Shareholders (the "Annual Meeting") to be held at the offices of Seward & Kissel, LLP, One Battery Park Plaza, New York, New York, on Wednesday, May 24, 2006, at 10:00 a.m., and at any adjournment or postponement thereof.

This proxy statement, and the accompanying form of proxy, are first being mailed to shareholders on or about April 24, 2006.

VOTING RIGHTS AND SOLICITATION OF PROXIES

Purpose of the Annual Meeting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting of Shareholders. Each proposal is described in more detail in this proxy statement.

Record Date and Outstanding Shares

The Board has fixed the close of business on April 24, 2006, as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Only shareholders of record at the close of business on that date will be entitled to vote at the Annual Meeting or any and all adjournments or postponements thereof. As of April 20, 2006, Eagle Bulk Shipping had issued and outstanding 33,150,000 shares of common stock. The common stock comprises all of the Company's issued and outstanding voting stock.

Revocability and Voting of Proxies

Any person signing a proxy in the form accompanying this proxy statement has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote pursuant to the proxy. A proxy may be revoked by any of the following methods:

- o by writing a letter delivered to Alan Ginsberg, Secretary of Eagle Bulk Shipping, 477 Madison Avenue, Suite 1405, New York, NY, 10022, stating that the proxy is revoked;
- o by submitting another proxy with a later date; or
- o by attending the Annual Meeting and voting in person.

Please note, however, that if a shareholder's shares are held of record by a broker, bank or other nominee and that shareholder wishes to vote at the Annual Meeting, the shareholder must bring to the Annual Meeting a letter from the broker, bank or other nominee confirming that shareholder's beneficial ownership of the shares.

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

Unless we receive specific instructions to the contrary or unless such proxy is revoked, shares represented by each properly executed proxy will be voted: (i) FOR the election of each of the nominees to the Board; (ii) FOR the ratification of the appointment of Ernst & Young LLP as the independent auditors of Eagle Bulk Shipping for the fiscal year ending December 31, 2006; and (iii) with respect to any other matters that may properly come before the Annual Meeting, at the discretion of the proxy holders. The Company does not presently anticipate any other business will be presented for action at the Annual Meeting.

Voting at the Annual Meeting

Each common share outstanding on the Record Date will be entitled to one vote on each matter submitted to a vote of the shareholders, including the election of directors. Cumulative voting by shareholders is not permitted.

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the shareholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

A plurality of the votes cast is required for the election of directors. Abstentions and broker "non-votes" are not counted for the purpose of the election of directors.

The affirmative vote of a majority of the common shares represented and voted at the Annual Meeting is required for approval of Proposal Two. Abstentions will have the same effect as a vote "against" Proposal Two, whereas broker non-votes are not considered to have been voted on Proposal Two.

Solicitation

We will pay the costs relating to this proxy statement, the proxy and the Annual Meeting. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to beneficial owners. Directors, officers and regular employees may also solicit proxies. They will not receive any additional pay for the solicitation.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Under the Amended and Restated Articles of Incorporation of the Company, the Board is classified into three classes of directors. The two directors serving in Class I have terms expiring at the 2006 Annual Meeting. The Board has nominated the Class I directors currently serving on the Board, Sophocles N. Zoullas and Michael B. Goldberg, for re-election to serve as Class I directors of the Company for a three-year term until the 2009 Annual Meeting of Shareholders of the Company and until their successors are elected and qualified or until their earlier death, resignation, retirement, disqualification or removal. Although management has no reason to believe that the nominees will not be available as candidates, should such a situation arise, proxies may be voted for the election of such other persons as the holders of the proxies may, in their discretion, determine.

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

Directors are elected by a plurality of the votes cast at the Annual Meeting, either in person or by proxy. Votes that are withheld will be excluded entirely from the vote and will have no effect.

The Chairman of the Audit Committee receives an annual fee of \$50,000. We do not pay director fees either to employee directors or directors affiliated with Kelso. We reimburse our directors for all reasonable expenses incurred by them in connection with serving on the Board.

Employment Agreement and Incentive Bonus Program

Agreement with Mr. Zoullas

On March 1, 2005, we entered into an employment agreement within an original term of three years with Mr. Zoullas pursuant to which Mr. Zoullas serves as our Chief Executive Officer. Either Mr. Zoullas or we may terminate the employment agreement for any reason on 30 days written prior notice. We may also terminate Mr. Zoullas employment at any time for cause.

Pursuant to the employment agreement, Mr. Zoullas receives a minimum base salary per year in the amount of \$675,000. Mr. Zoullas is eligible to participate in a performance bonus pool, for senior executives, as well as discretionary amounts determined by the compensation committee of Eagle Ventures. Mr. Zoullas is also entitled to participate in the benefit plans and fringe benefits provided generally to similarly situated senior executives. The employment agreement also provides that we will provide Mr. Zoullas with a life insurance policy during the term of the agreement with the amount and terms determined by mutual agreement.

Pursuant to the employment agreement, Mr. Zoullas has also been awarded a profits interest in Eagle Ventures which is designed to allow participation in profits realized in a sale or other exit event with respect to Eagle Ventures. This profits interest consists of "service points" and "performance points." Mr. Zoullas is required to receive at least 75% of the profits interests that are awarded to senior management by the compensation committee of Eagle Ventures. In the event Mr. Zoullas' employment is terminated (i) by the Company without cause (as such term is defined in the employment agreement), (ii) by Mr. Zoullas for good reason (as such term is defined in the employment agreement), or (iii) as a result of death or disability (as such term is defined in the employment agreement), all of the service points allocated to Mr. Zoullas will vest and one-half of the performance points allocated to Mr. Zoullas will vest.

In the event Mr. Zoullas terminates his employment for other than good reason, Mr. Zoullas is entitled to receive (i) his base salary earned but unpaid up to the date of termination, (ii) reimbursement of any expenses for which he was due reimbursement, (iii) any bonus actually earned for a completed year but unpaid as of the date of termination, and (iv) any benefits that he is then entitled to receive under benefit plans (collectively, (i), (ii), (iii) and (iv)

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

are referred to as the "Accrued Benefits").

In the event we terminate Mr. Zoullas' employment without cause, then in addition to the Accrued Benefits, Mr. Zoullas is entitled to receive continuation of his base salary (the "Severance Payments") for a period of one year following the effective date of such termination, or the remaining term of the employment agreement, whichever is longer (the "Severance Period"). In addition, we will continue his health insurance (for Mr. Zoullas and his dependents) during the Severance Period. Mr. Zoullas does not receive Severance Payments in the event he materially breaches the employment agreement and such breach is not cured within 30 days of written notice from us. We may also terminate Mr. Zoullas' employment at any time for cause.

In the event that his employment is terminated for cause, we are only obligated to provide Mr. Zoullas with the Accrued Benefits and the profits interest allocated to Mr. Zoullas is forfeited. Mr. Zoullas may terminate his employment with us at any time for good reason in which case he is entitled to receive the Accrued Benefits and health insurance during the Severance Period.

If Mr. Zoullas dies or becomes disabled while employed by us, all of his rights under the employment agreement terminate except that we are required to pay Mr. Zoullas his Accrued Benefits.

2005 Stock Incentive Plan

We have adopted our 2005 Stock Incentive Plan for the purpose of affording an incentive to eligible persons to increase their efforts on behalf of our company and our affiliates and to promote our company's success. The 2005 Stock Incentive Plan provides for the grant of equity-based awards, including stock options, stock appreciation rights, restricted stock, restricted stock units, stock bonuses, dividend equivalents and other awards based on or relating to our common stock to eligible non-employee directors, selected officers and other employees and independent contractors.

The plan is administered by a Committee of our board of directors (the "Committee") which has the authority, in its sole discretion, to administer the 2005 Stock Incentive Plan and to exercise all the powers and authorities either specifically granted to it under the plan, including, without limitation, the authority to grant awards; to determine the persons to whom and the time or times at which awards will be granted; to determine the type and number of awards to be granted, the number of shares of stock or cash or other property to which an award may relate and the terms, conditions, restrictions and performance criteria relating to any award; to determine whether, to what extent, and under what circumstances an award may be settled, cancelled, forfeited, exchanged, or surrendered; to construe and interpret the plan and any award; to prescribe, amend and rescind rules and regulations relating to the plan; to determine the terms and provisions of award agreements; and to make all other determinations deemed necessary or advisable for the administration of the plan.

An aggregate of 2.6 million shares of our common stock has been authorized for issuance under the plan.

Compensation Committee Interlocks and Insider Participation

No interlocking relationship exists between any of Eagle Bulk Shipping's executive officers or members of the Company's Board or Compensation Committee and any other company's executive officers, board of directors or compensation committee.

REPORT OF THE COMPENSATION COMMITTEE

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

The Compensation Committee of the Board is comprised of two independent directors and one non-independent director, in compliance with NASDAQ Marketplace rules. The Compensation Committee is responsible for establishing and administering the overall compensation policies applicable to the Company's executive officers and determining the annual cash compensation of the Company's senior management. The Compensation Committee is also responsible for establishing the general policies applicable to the granting, vesting and other terms of equity grants made to current and newly hired officers and other key employees under the Company's stock incentive plan, and for determining the size and terms of the individual grants made to the Company's executive officers.

Compensation Deductibility Policy

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation to certain employees in excess of \$1 million. Because the Company believes that it currently qualifies for the exemption pursuant to Section 883 of the Internal Revenue Code of 1986, as amended, pursuant to which it is not subject to United States federal income tax on its shipping income (which comprised substantially all of its gross revenue in 2004), it has not sought to structure its compensation arrangements to qualify for exemption under Section 162(m).

Compensation Philosophy

The Committee believes that the Company's compensation programs should attract and retain executives and other employees to enable the Company to compete effectively; encourage achievement of the Company's annual and longer-term performance objectives; and align our executives' long-term interests with those of our shareholders. The Committee fosters and oversees the Company's compensation programs to attain these goals.

The Compensation Committee bases its senior executive officer compensation decisions primarily on its assessment of each executive's performance in his area of responsibility, contributions to the Company and to improving shareholder value. This assessment is based on a number of factors, including the executive's performance compared to the Company's current goals and objectives; the nature and scope of the executive's responsibilities; the executive's contribution to the Company's current financial results; and the executive's effectiveness in initiatives to deliver greater future value to shareholders. In order to provide proper incentives to each executive and appropriately reward performance, the Compensation Committee assesses the proper balance of short- and long-term compensation as well as the form of such compensation. The Compensation Committee also considers the compensation levels and performance of companies that the Compensation Committee regards as competitors or peers of the Company.

The Compensation Committee's review process in 2005 included three meetings of the Compensation Committee and several consultations with the Company's Chief Executive Officer and Chief Financial Officer.

The Compensation Committee's recommendations were made after due and careful consideration and in the light of the Company's performance and the performance of the individual executives. The Compensation Committee duly reported its findings to the full Board, which accepted the Compensation Committee's recommendations unanimously.

Executive Compensation

The Compensation Committee's actions regarding executive compensation for 2005 is reflected in the "Summary Compensation Table" set forth above.

As part of the review process described above, the base salary rate and

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

proposed 2005 awards of each executive officer was reviewed, taking into account: (i) each officer's individual performance during 2005, including the extraordinary services rendered in connection with the Company's initial public offering and subsequent follow on offering; (ii) the scope and importance of the functions the officer performed or for which the officer was responsible, (iii) an assessment of the officer's initiative, managerial ability and overall contributions to corporate performance, (iv) certain practices of other companies with respect to executive officer salary and bonus levels for 2005 and 2006 based on survey data and available Securities and Exchange Commission filing data, and (v) internal equity considerations.

The weighting given to these factors varied by position, but the Compensation Committee intended that each executive officer's base salary and annual bonus rates be generally competitive with the estimated current market rates, and that the annual bonuses for 2005 properly reflect the efforts and achievements of the Company's management team in fostering the Company's superior performance in terms of return to shareholders relative to certain competitors, including the efforts related to the Company's two equity offerings and efforts relating to the Company's commencement of operations.

On December 14, the Compensation Committee approved Mr. Zoullas's salary for fiscal 2006 of \$678,500 and Mr. Ginsberg's salary for fiscal 2006 of \$245,000. Additionally, in 2005, the Compensation Committee approved Messrs. Zoullas and Ginsberg bonuses of \$190,000 and \$120,000, respectively for services to the Company during 2005.

CEO Compensation

The Compensation Committee's actions regarding Mr. Zoullas's cash compensation for 2005 as the Company's Chief Executive Officer are reflected in the "Summary Compensation Table" set forth above.

The Compensation Committee's review of Mr. Zoullas's compensation occurred at the same time as the above-discussed review of the compensation of the Company's other executive officers, and took into account the same factors and data, together with the Compensation Committee's assessment of Mr. Zoullas's leadership skills and impact potential; his contributions to the Company's successes during 2005, and in particular and his success in building an effective management team and corporate infrastructure to support the Company's growth and public company status. After assessing Mr. Zoullas's performance for 2005, and after taking into account his existing compensation, his value and importance to the Company, and the benefit to the Company of providing Mr. Zoullas with long-term incentives, the Compensation Committee approved Mr. Zoullas' salary for fiscal year 2006 of \$ 678,500.

Conclusion

The Compensation Committee believes that the Company's current compensation programs and practices strike an appropriate balance between risk and reward and are consistent with the Company's goals to attract, retain, and incentivize its executives and employees in both the short and long term.

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to assist the Board in its oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company and the independence and performance of the Company's auditors. The Board, in its business judgment, has determined that all members of the Audit Committee are "independent", as provided under the applicable listing standards of the NASDAQ National Market. The Audit Committee operates pursuant to a Charter that was adopted by the Board on June 3, 2005, a copy of which is attached to this Proxy Statement as Appendix I. As set forth in the Charter, the Committee's job is one of oversight. Management is responsible for the preparation, presentation and integrity of the Company's financial statements. Management is also responsible for maintaining appropriate accounting and financial reporting principles and practices and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing the annual financial statements, expressing an opinion based on their audit as to the statements' conformity with generally accepted accounting principles, reviewing the Company's quarterly financial statements prior to the filing of each quarterly report on Form 10-Q and discussing with the Committee any issues they believe should be raised with the Committee.

The Committee met with the Company's independent registered public accounting firm to review and discuss the overall scope and plans for the audit of the Company's consolidated financial statements for the year ended December 31, 2005. The Committee has considered and discussed with management and the independent registered public accounting firm (both alone and with management present) the audited financial statements as well as the independent registered public accounting firm's evaluation of the Company's internal controls and the overall quality of the Company's financial reporting. Management represented to the Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Committee reviewed and discussed the financial statements with management.

The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. Finally, the Audit Committee has received written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and a formal written statement from the independent registered public accounting firm, confirmed by management, of the

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

fees billed for audit services, and other non-audit services rendered by the independent registered public accounting firm for the most recent fiscal year. The Audit Committee has considered whether the provision of non-audit services by the independent registered public accounting firm to the Company is compatible with maintaining the independent registered public accounting firm's independence and has discussed with the independent registered public accounting firm their independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the field of auditing or accounting, including in respect of auditor independence. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit Committee's activities do not provide an independent basis to determine that management has maintained appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's independent registered public accounting firm is in fact "independent."

Based upon the Audit Committee's receipt and review of the various materials and assurances described above and its discussions with management and independent registered public accounting firm, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, filed with the Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

The Eagle Ventures Agreement

Affiliates of Kelso & Company, certain outside investors and all of the members of our management are parties to a limited liability company agreement relating to the formation, ownership and management of Eagle Ventures, which owns 12,425,000 shares of our common stock which is equivalent to 37.48% of our common stock on a fully diluted basis. Affiliates of Kelso control Eagle Ventures, owning approximately 85.9% of the common interests in Eagle Ventures, and members of our management and outside investors own approximately 14.1% of the common interests in Eagle Ventures.

Members of the Company's management have been awarded profits interests (and in the future others having senior management and/or strategic planning-type responsibilities may be awarded similar profits interests) in Eagle Ventures LLC that may entitle such persons to an economic interest of up to 16.7% on a fully diluted basis (assuming all profits interests were vested) in any appreciation in the value of the assets of Eagle Ventures LLC (including shares of the Company's common stock owned by Eagle Ventures LLC when sold). In all, one-fourth of the profits interests are service-related and vest in equal three-month installments over four years (the vesting of such service-related profits interests is subject to continued employment with Eagle Ventures LLC or its affiliates at the end of each such three-month period), and the remaining profits interests are performance-related. Pursuant to an amendment to the Eagle Ventures LLC limited liability company agreement, 44% of the performance-related profits interests became fully vested upon the consummation of the Company's initial public offering (or an economic interest in approximately 6.2% of the appreciation of the assets of Eagle Ventures LLC on a fully diluted basis taking into account the vesting of only such profits interests), and the remaining portion of the performance-related profits interests will vest based on affiliates of Kelso achieving certain multiples on their original indirect investment in the Company, subject to an internal rate of return minimum. Retention of the non-accelerated performance-related profits interests is subject to continued employment with Eagle Ventures LLC or its affiliates.

The vesting of profits interests may be further accelerated in the future by the compensation committee of Eagle Ventures LLC. These profits interests will dilute only the interests of owners of Eagle Ventures LLC, and will not dilute direct holders of the Company's common stock. However, the Company's statement of operations reflects non-cash charges for compensation related to the profits interests.

For the period from inception in January 26, 2005 to December 31, 2005, the Company recorded a non-cash compensation charge of \$11.7 million. Of that charge, approximately \$9.2 million relates to the portion of the performance-related profits interests that vested upon consummation of the Company's initial public offering. The remaining \$2.5 million non-cash compensation charge was taken as a result of the service-related and non-accelerated performance-related profits interests. The Company is recording compensation charges relating to the service-related profits interests over four years. The non-accelerated performance related profits interests vest based on affiliates of Kelso achieving certain multiples on their original investment in the assets of Eagle Ventures LLC through the receipt of distributions from Eagle Ventures LLC. The vesting occurs ratably upon achieving a return on investment ranging from two times to four times the original investment. To calculate the non-cash compensation charge that is reflected in the Company's income statement for the non-accelerated performance-related profits interests, the Company has assumed that these profits interests will vest four years after their issuance. The Company is therefore recording compensation charges relating to such profits interests over four years.

On January 28, 2006, the limited liability company agreement of Eagle Ventures LLC was amended and restated (the "Third LLC Agreement"). This provided

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

for the award of additional profits interests in Eagle Ventures LLC to certain management employees and provided for certain adjustments in the manner distributions are made by Eagle Ventures in connection with such newly awarded profits interests. These profits interests will dilute only the interests of owners of Eagle Ventures LLC, and will not dilute the direct holders of the Company's common stock.

On March 8, 2006, the Third LLC Agreement was amended and restated (the "Fourth LLC Agreement") and is included as Exhibit 10.6 to this annual report. Pursuant to the Fourth LLC Agreement, an adjustment was made in the schedule governing the management members' retention of service-related profits interests upon their termination of employment with Eagle Ventures LLC or its subsidiaries (including the Company). In addition, under the Fourth LLC Agreement one-fourth of the service-related profits interests granted on January 28, 2006 were immediately vested and the remaining newly granted service-related profits interests were made subject to a three-year retention schedule.

Registration Rights Agreement

We have entered into a registration rights agreement with Eagle Ventures pursuant to which we granted it, and certain of its transferees, the right, under certain circumstances and subject to certain restrictions, to require us to register under the Securities Act shares of our common stock held by Eagle Ventures. Under the registration rights agreement, Eagle Ventures has the right to request us to register the sale of shares held by it on its behalf and may require us to make available shelf registration statements permitting sales of shares into the market from time to time over an extended period. In addition, Eagle Ventures has the ability to exercise certain piggyback registration rights in connection with registered offerings initiated by us. Eagle Ventures owns 12,425,000 shares entitled to these registration rights.

Loans

There are no loans made by the Company to any individual or entity.

THE SECURITIES EXCHANGE ACT OF 1934

Based solely on a review of copies of such reports furnished to the Company, and written representations that no reports were required, the Company believes that during the fiscal year ended December 31, 2005 its executive officers and directors complied with the Section 16(a) requirements, except that, Messrs. Zoullas and Ginsberg filed late reports on Form 3. Four of our directors (Messrs. APPENDIX I

Eagle Bulk Shipping Inc.

Audit Committee Charter

This Audit Committee Charter ("Charter") has been adopted by the Board of Directors (the "Board") of Eagle Bulk Shipping Inc. (the "Company"). The Audit Committee of the Board (the "Committee") shall review and reassess the adequacy of this charter annually and recommend any proposed changes to the Board for approval.

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

The Committee assists the Board in its oversight of (1) the quality and integrity of the Company's financial statements and its accounting and financial reporting practices, (2) the Company's compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence and (4) the performance of the Company's independent auditors. It may also have such other duties as may from time to time be assigned to it by the Board and are required by the rules and regulations of the Securities and Exchange Commission and The NASDAQ Stock Market, Inc. ("NASDAQ").

The Committee shall maintain free and open communication (including periodic private executive sessions) with the independent auditors and Company management. In discharging its oversight role, the Committee shall have full access to all Company books, records, facilities, personnel and outside professionals. The Committee shall have the authority and shall receive necessary funding from the Company to retain special legal, accounting or other consultants or advisors employed by the Committee and shall obtain such advice and assistance from such special legal, accounting or other consultants or advisors as the Committee deems necessary. The Committee shall have sole authority to approve related fees and retention terms. Each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information, (ii) the accuracy of the financial and other information provided by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board), and (iii) representations made by management and the independent auditors as to all audit and non-audit services provided by the independent auditors to the Company.

Membership and Structure

The Committee shall be comprised of at least three directors determined by the Board to meet the director and audit committee member independence requirements, subject to any applicable exemptions and phase-in provisions, and the financial literacy requirements of NASDAQ. At least one member of the Committee shall be financially sophisticated, as determined by the Board, and no Committee member shall have participated in the preparation of the financial statements of the Company or any of the Company's current subsidiaries at any time during the past three years, each as required by NASDAQ listing standards. Appointment to the Committee, including the designation of the Chair of the Committee and the designation of any Committee members as "audit committee financial experts", shall be made on an annual basis by the full Board. In fulfilling its responsibilities the Committee shall have authority to delegate its authority to subcommittees, in each case to the extent permitted by applicable law.

Meetings of the Committee shall be held at such times and places as the Committee shall determine, including by written consent. The Committee shall also periodically meet with the Company's management and independent auditors separately from the Board.

Responsibilities

The Committee's role is one of oversight. The Company's management is responsible for the preparation, presentation and integrity of the Company's financial statements. Management is responsible for maintaining appropriate

Edgar Filing: Eagle Bulk Shipping Inc. - Form DEF 14A

accounting and financial reporting principles and practices and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the annual financial statements to be included in the Company's Annual Report on Form 10-K and reviewing the Company's quarterly financial statements prior to the filing of any quarterly report on Form 10-Q, and other procedures.

The Committee and the Board recognize that management and the independent auditors have more resources and time and more detailed knowledge and information regarding the Company's accounting and financial reporting practices than do Committee members; accordingly the Committee's oversight role does not provide any expert or special assurance as to the Company's financial statements or any certification as to the work of the independent auditors. Nor is it the duty of the Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditors, or to assure compliance with laws and regulations.

Although the Board and the Committee may wish to consider other duties from time to time, the general recurring activities of the Committee in carrying out its oversight role are described below. The Committee shall be responsible for:

- o The appointment, replacement, compensation, evaluation and oversight of the work of the independent auditors to be retained to audit the annual financial statements of the Company and review the quarterly financial statements of the Company.
- o Annually obtaining and reviewing the independent auditor's formal written statement describing: the firm's internal quality-control procedures; any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.
- o Annually obtaining from the independent auditors a formal written statement describing all relationships between the auditors and the Company and their independence as required by Independence Standards Board - ISB1.
