**Relating to**

**\$250,000,000 3-3/8% Convertible Senior Notes due September 1, 2033  
and  
Shares of Common Stock Issuable Upon Conversion of the Notes**

This prospectus supplement no. 1 relates to the resale by selling securityholders of Apria Healthcare Group Inc.'s 3-3/8% Convertible Senior Notes Due 2033 and the shares of Apria common stock issuable upon conversion of the notes.

This prospectus supplement no. 1 has been prepared in order to provide information with respect to holders of the notes that may be selling securityholders under the prospectus, as amended and supplemented. This prospectus supplement no. 1 should be read and delivered in conjunction with the prospectus dated February 13, 2004.

Information about the selling securityholders may change over time. To Apria's knowledge, none of the selling securityholders has, or within the past three years has had, any position, office or other material relationship with Apria or any of Apria's predecessors or affiliates. Because each selling securityholder may offer all or some portion of the notes or the common stock issuable upon conversion of the notes and the number of shares of common stock into which the notes are convertible may be adjusted, no estimate can be given as to the amount of notes or the common stock issuable upon conversion of the notes that will be held by the selling securityholders upon consummation of any sales. The selling securityholders identified below may have sold, transferred or otherwise disposed of, pursuant to transactions exempt from the registration requirements of the Securities Act of 1933, as amended, all or a portion of their securities since the date on which they provided the information regarding their notes. Apria prepared this table based on the information supplied to Apria by the selling securityholders named in the table.

The following table sets forth information with respect to the selling securityholders and the aggregate principal amount of notes and shares of common stock beneficially owned by the selling securityholders.
