ANNUAL MEETING OF STOCKHOLDERS
to be held on December 5, 2007

PROXY STATEMENT

The accompanying form of proxy is solicited on behalf of the Board of Directors of the Company for use at the Annual Meeting of the Stockholders of the Company to be held at the Sheraton Long Island Hotel, 110 Vanderbilt Motor Parkway, Smithtown, New York 11788, on December 5, 2007 at 9:00 a.m. or at any adjournment thereof. The solicitation of proxies will be made by mail and the cost will be borne by the Company.

Proxies in the accompanying form which are properly executed and duly returned

Edgar Filing: TSR INC - Form DEF 14A

to the Company and not revoked will be voted as specified and, if no direction is made, will be voted for each of the proposals set forth in the accompanying Notice of Meeting. Each proxy granted is revocable and may be revoked at any time prior to its exercise by advising the Company in writing of its revocation. In addition, a Stockholder who attends the Meeting in person may, if he wishes, vote by ballot at the Meeting, thereby canceling any proxy previously given.

This Proxy Statement, the enclosed form of proxy and the Company's Annual Report for the fiscal year ended May 31, 2007 were first mailed on or about November 1, 2007 to holders of record as of October 31, 2007.

A majority of the issued and outstanding shares of Common Stock entitled to vote constitutes a quorum at the Meeting. Shares of Common Stock represented in person or by proxy at the Meeting (including shares that abstain or do not vote with respect to one or more of the matters presented at the Meeting) will be tabulated by the inspectors of election appointed for the Meeting whose tabulation will determine whether or not a quorum is present. Abstentions will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum with respect to any matter, but will not be counted as votes in favor of such matter. If a broker holding stock in "street name" indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a matter, those shares will not be considered as present and entitled to vote with respect to that matter. Accordingly, a "broker non-vote" on a matter will have no effect on the voting.

Candidates for election as members of the Board of Directors who receive the highest number of votes, up to the number of directors to be chosen, shall stand elected, and an absolute majority of the votes cast is not a prerequisite to the election of any candidate to the Board of Directors. Accordingly abstentions have no effect on the outcome of the election.

1

The outstanding voting stock of the Company as of September 20, 2007 consisted of 4,568,012 shares of Common Stock, par value one (\$.01) cent per share (the "Common Stock"), with each share entitled to one vote. Only Stockholders of record at the close of business on October 31, 2007 are entitled to vote at the Meeting.

As of September 20, 2007 the following persons were known to Management to be beneficial owners of more than five percent of the Company's Common Stock:

Directors and Executive Officers of the Company (Continued)

The Company maintains the following committees of the Board of Directors: the Compensation Committee, the Nominating Committee and the Audit Committee.

The Board of Directors has determined that each member of each committee meets the applicable laws and regulations, including those of The NASDAQ Stock Market, regarding "independence". The Board of Directors also has determined that Robert A. Esernio, an independent director who serves as the Chair of the Board's Audit Committee, is an "audit committee financial expert" as such term is defined in applicable regulations of the Securities and Exchange Commission.

During the fiscal year ended May 31, 2007, the Board of Directors held six meetings, the Audit Committee held six meetings, the Compensation Committee held three meetings and the Nominating Committee did not meet. During such fiscal year, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board and the total number of meetings of all committees of the Board of which he was a member.

The Audit Committee

The Audit Committee's current members are Robert A. Esernio (Chairman), James J. Hill, John H. Hochuli Jr. and Raymond A. Roel. The Audit Committee's primary functions are to assist the Board in monitoring the integrity of the Company's financial statements and systems of internal control. The Audit Committee has direct responsibility for the appointment, independence and performance of the Company's independent auditors. The Audit Committee is responsible for pre-approving any engagements of our independent auditors. The Audit Committee operates under a written charter approved by the Board on September 16, 2004, a copy of which was attached as an appendix to the Company's proxy statement for its 2004 annual meeting.

The Compensation Committee

Edgar Filing: TSR INC - Form DEF 14A

The Compensation Committee's current members are Robert A. Esernio, James J. Hill (Chairman), John H. Hochuli, Jr. and Raymond A. Roel. The Compensation Committee reviews the total compensation package for all executive officers, including the Chief Executive Officer; considers modification of existing compensation and benefit programs and employment agreements with officers and the adoption of new plans and employment agreements with officers; and administers the plans.

The Nominating Committee

The Nominating Committee's current members are Robert A. Esernio (Chairman), James J. Hill, John H. Hochuli, Jr. and Raymond A. Roel. A copy of the Nominating Committee Charter was attached to the Company's Proxy Statement for its 2004 Annual Meeting. The Nominating Committee determines the criteria for nominating new directors, recommends to the Board of Directors candidates for nomination to the Board of Directors and oversees the evaluation of the Board of Directors. The Nominating Committee's process to identify and evaluate candidates for nomination to the Board of Directors includes consideration of candidates for nomination to the Board of Directors recommended by stockholders. Such stockholder recommendations must be delivered to our Corporate Secretary, together with the information required to be filed in a Proxy Statement with the Securities and Exchange Commission regarding director nominees and each such nominee must consent to serve as a director if elected, no later than the deadline for submission of stockholder proposals as set forth in our Bylaws and under the section of this Proxy Statement entitled "Stockholder Nominations." In considering and evaluating such stockholder proposals that have been properly submitted, the Nominating Committee will apply substantially the same criteria that the Nominating Committee believes must be met by a Nominating Committee-recommended nominee as described below. To date, we have not received any recommendations from stockholders requesting that the Nominating Committee consider a candidate for inclusion among the Nominating Committee's slate of nominees in our proxy statement.

4

In addition, certain identification and disclosure rules apply to director candidate proposals submitted to the Nominating Committee by any single stockholder or group of stockholders that has beneficially owned more than five percent of the Common Stock for at least one year (a "Qualified Stockholder Proposal"). If the Nominating Committee receives a Qualified Stockholder Proposal that satisfies the necessary notice, information and consent provision referenced above, the Proxy Statement will identify the candidate and the stockholder (or stockholder group) that recommended the candidate and disclose whether the Nominating Committee chose to nominate the candidate. However, no such identification or disclosure will be made without the written consent of both the stockholder (or stockholder group) and the candidate to be so identified. The procedures described in this paragraph are meant to establish additional requirements and are not meant to replace or limit stockholders' general nomination rights in any way.

In evaluating director nominees, the Nominating Committee currently considers the following factors:

- o the Company's needs with respect to the particular talents and experience of our directors;
- o the knowledge, skills and experience of nominees, including experience in business or finance, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board of Directors;

Edgar Filing: TSR INC - Form DEF 14A

- o familiarity with the Company's business and businesses similar or analogous to ours;
- o experience with accounting rules and practices and corporate governance principles; and
- o such other factors as the Nominating Committee deems are in our best interests and the best interests of our stockholders.

The Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. If any member of the Board does not wish to continue in service or if the Nominating Committee or the Board of Directors decides not to re-nominate a member for re-election, the Nominating Committee identifies the desired skills and experience of a new nominee, and discusses with the Board of Directors suggestions as to individuals who meet the criteria.

Executive Sessions of Independent Directors

Directors who are independent under the NASDAQ stock market listing standards and applicable laws and regulations meet in executive session without management present at least two times each fiscal year.

Code of Ethics

The Company has adopted a code of ethics that applies to all of the employees, including the chief executive officer and chief financial and accounting officers. The code of ethics is posted on the Home Page of its website at <http://www.tsrconsulting.com>. The Company intends to post on its website all disclosures that are required by law or NASDAQ stock market listing standards concerning any amendments to, or waivers from, our code of ethics. Stockholders may request a free copy of the code of ethics by writing to Corporate Secretary, TSR, Inc., 400 Oser Avenue, Hauppauge, NY 11778. Disclosure regarding any amendments to, or waivers from, provisions of the code of ethics that apply to the Company's directors or principal executive and financial officers will be included in a Current Report on Form 8-K within five business days following the date of the amendment or waiver, unless website posting of such amendments or waivers is then permitted by the rules of the NASDAQ Stock Market.

Stockholder Nominations.

Under the Company's By-laws a stockholder must follow certain procedures to nominate persons for election as directors or to introduce an item of business at an annual meeting of stockholders. Among other requirements, these procedures require any nomination or proposed item of business to be submitted in writing to the Company's Corporate Secretary at its principal executive offices. The Company must receive the notice of a stockholder's intention to introduce a nomination or proposed item of business at an annual meeting no later than 75 days nor more than 120 days prior to the anniversary date of the prior year's annual meeting.

However, if the annual meeting is scheduled to be held on a date more than 30 days before the anniversary date or more than 60 days after the anniversary date, a stockholder's notice must be given not later than the later of (i) the 75th day prior to the scheduled date of the annual meeting or (ii) the 15th day following the day on which public announcement of the date of the annual meeting is first made by the Company.

Edgar Filing: TSR INC - Form DEF 14A

Stockholder Communications with Directors

Generally, stockholders who have questions or concerns should contact the Company's Corporate Secretary at (631) 231-0333. Any stockholder who wishes to address questions regarding the Company's business directly with the Board of Directors, or any individual director, should direct his or her questions, in writing, in care of the Company's Secretary, at the Company's offices at 400 Oser Avenue, Hauppauge, NY 11788.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Objectives and Strategy

The Company's executive officer compensation program is designed to attract and retain the caliber of officers needed to ensure the Company's continued growth and profitability and to reward them for their performance, the Company's performance and for creating long term value for shareholders. The primary objectives of the program are to:

- o align rewards with performance that creates shareholder value;
- o support the Company's strong team orientation;
- o encourage high potential team players to build a career at the Company; and
- o provide rewards that are cost-efficient, competitive with other organizations and fair to employees and shareholders.

The Company's executive compensation programs, as detailed in the executives' employment agreements, are approved and administered by the Compensation Committee of the Board of Directors. Working with management, the Compensation Committee has developed a compensation and benefits strategy that rewards performance and reinforces a culture that the Compensation Committee believes will drive long-term success.

The compensation program rewards team accomplishments while promoting individual accountability. Compensation depends in significant measure on Company results, but individual accomplishments and responsibilities are also very important factors in determining each executive's compensation. The program seeks to provide compensation that is commensurate with performance.

Role of the Compensation Committee

General

The Compensation Committee provides overall guidance for our executive compensation policies and determines the amounts and elements of compensation for our executive officers.

The Compensation Committee currently consists of four members of our Board of Directors, Robert A. Esernio, James J Hill (Chair), John H. Hochuli, Jr, and Raymond A. Roel. Each member of the Compensation Committee is independent, as independence is defined for purposes of Compensation Committee membership by the listing standards of Nasdaq.

Joseph Hughes, Chairman of the Board and Chief Executive Officer, makes recommendations to the Compensation Committee with respect to the establishment of salaries and granting of bonuses to other executives of the Company.

Use of Outside Advisors

In making its determinations with respect to executive compensation, the Compensation Committee has not historically engaged the services of a

Edgar Filing: TSR INC - Form DEF 14A

compensation consultant. The Compensation Committee has the authority to retain, terminate and set the terms of the Company's relationship with any outside advisors who assist the Committee in carrying out its responsibilities.

7

Compensation Structure

Pay Elements -- Overview

The Company utilizes three main components of compensation:

- o Base Salary -- fixed pay that takes into account an individual's role and responsibilities, experience, expertise and individual performance.
- o Annual Incentive -- variable pay that is designed to reward attainment of annual business and individual performance goals.
- o Benefits and Perquisites -- these include club dues, automobile allowances and medical insurance benefits.

Pay Elements -- Details

1. Base Salary

The Compensation Committee reviews officer salaries and makes adjustments as warranted based on individual responsibilities and performance, Company performance in light of market conditions and competitive practice.

2. Annual Incentive Compensation

Annual incentive compensation for the executive officers is paid under an incentive arrangement as detailed in the officer's employment agreement. The incentive arrangements are designed to grant bonus awards to such individuals as an incentive to contribute to our profitability. The Compensation Committee administers the incentive arrangements which, in some cases, include establishment of targets in area of responsibility and payment of bonus based on the extent to which the targets have been met or exceeded, or which, in some cases, are based on meeting overall profits targets.

The Company also previously provided incentive compensation through the grant of stock options, but its stock option plan has expired, and in view of the recent market prices of the Company's common stock, the Compensation Committee does not consider stock-based incentive plans to provide an effective incentive.

3. Other Benefits and Perquisites

The Company's executive compensation program also includes other benefits and perquisites. These benefits include those available to all full-time employees, such as medical benefits, dental benefits, life insurance and disability insurance. Perquisites also include, in some instances, automobile allowances, club memberships and an executive medical plan. The Company annually reviews these other benefits and perquisites and makes adjustments as warranted based on competitive practices, the Company's performance and the individual's responsibilities and performance.

Pay Mix

We utilize the elements of compensation described above because we believe that it provides a well-proportioned mix of retention value and at-risk

Edgar Filing: TSR INC - Form DEF 14A

compensation which produces short-term and long-term performance incentives and rewards. By following this approach, we provide the executive a measure of security in the minimum level of compensation that the individual is eligible to receive, while motivating the executive to focus on the business metrics that will produce a high level of performance for the Company.

Pay Levels

Pay levels for executives are determined based on a number of factors, including the individual's roles and responsibilities within the Company, the individual's experience and expertise, pay levels in the marketplace for similar positions and performance of the individual and the Company as a whole. The Compensation Committee is responsible for approving pay levels for the executive officers. In determining the pay levels, the Compensation Committee considers all forms of compensation and benefits.

8

As noted above, notwithstanding the Company's overall pay positioning objectives, pay opportunities for specific individuals vary based on a number of factors such as scope of duties, tenure, institutional knowledge and/or difficulty in recruiting a new executive. Actual total compensation in a given year will vary above or below the target compensation levels based primarily on the attainment of operating goals and the creation of shareholder value.

Post-Termination Compensation and Benefits

Change in control or severance arrangements are negotiated in the employment agreements of the executive officers. They range from none up to two years of salary, bonus and benefits.

Employment agreements

We have entered into employment agreements with two of the Named Executives and the employment agreement with Joseph F. Hughes recently terminated and the Compensation Committee will consider whether to authorize a new employment agreement with Mr. Hughes.

In June 2002, an employment agreement was entered into with Joseph F. Hughes, which terminated May 31, 2007. This agreement provided for an initial base salary of \$437,000 with annual adjustments based upon increases in the Consumer Price Index, such increases to be no less than 3% and no more than 8% per year. Additionally, the agreement provided for an annual discretionary bonus for each fiscal year, up to a maximum of \$50,000 if pre-tax profits were less than \$1,000,000 and a minimum of 7.5% of pre-tax profits if such profits exceeded \$1,000,000. In fiscal 2007, Mr. Hughes received the minimum bonus of 7.5% of pre-tax profits or \$189,000 as incentive compensation. The Compensation Committee authorized Mr. Hughes to continue to be compensated on the basis of this employment agreement, pending its consideration of a new employment agreement or arrangement.

In June 2005, an employment agreement was entered into with John G. Sharkey, which terminates May 31, 2010. This agreement provides for an initial annual base salary of \$150,000, subject to increase in the discretion of the President of the Company and an annual discretionary bonus, which bonus was \$50,000 for the fiscal year ended May 31, 2007. The agreement also contains a change in control agreement pursuant to which Mr. Sharkey may receive a payment equal to two times his prior year's total compensation.

In March 2007, an employment agreement was entered into with Christopher Hughes, which terminates February 28, 2012. This agreement provides for an

Edgar Filing: TSR INC - Form DEF 14A

annual base salary of \$ 200,000 and an annual discretionary bonus as approved by the Compensation Committee of the Board of Directors. The agreement also contains a change in control agreement pursuant to which Mr. Hughes may receive a payment equal to two times his prior year's total compensation.

Compensation Committee Discretion

The Compensation Committee retains the discretion to decrease all forms of incentive payouts based on significant individual or Company performance shortfalls. Likewise, the Compensation Committee retains the discretion to increase payouts and/or consider special awards for significant achievements or special circumstances.

Conclusion

The Compensation Committee believes that each of the compensation packages of the executive officers is within the competitive range of practices.

Adjustment or Recovery of Awards

Under Section 304 of Sarbanes-Oxley, if the Company is required to restate its financial results due to material non-compliance with any financial reporting requirements as a result of misconduct, the Chief Executive Officer and Chief Financial Officer must reimburse the Company for (1) any bonus or other incentive-based or equity-based compensation received during the 12 months following the first public issuance of the non-complying document, and (2) any profits realized from the sale of securities of the Company during those 12 months.

9

Impact of Tax and Accounting

As a general matter, the Compensation Committee always takes into the account the various tax and accounting implications of compensation vehicles employed by the Company.

When determining amounts of Stock Incentive Plan grants to executives and employees, the Compensation Committee considered the accounting cost associated with the grants. Under Statement of Financial Accounting Standard 123 (revised 2004), grants of stock options, restricted stock, restricted stock units and other share-based payments result in an accounting charge for the Company. The accounting charge is equal to the fair value of the instruments being issued. For restricted stock and restricted stock units, the cost is equal to the fair value of the stock on the date of grant times the number of shares or units granted. This expense is amortized over the requisite service period, or vesting period of the instruments. The Company's lone share based plan expired in April 2007. There were no grants or exercises from this plan in fiscal 2007.

Section 162(m) of the Internal Revenue Code generally prohibits any publicly held corporation from taking a federal income tax deduction for compensation paid in excess of \$1 million in any taxable year to the chief executive officer and the next four highest compensated officers. Exceptions are made for qualified performance-based compensation, among other things. It is the Compensation Committee's policy to maximize the effectiveness of our executive compensation plans in this regard.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and based on the review and discussions,

Edgar Filing: TSR INC - Form DEF 14A

the Compensation Committee recommended to our Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference into our annual report on Form 10-K.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the audited consolidated financial statements of the Company for the 2007 Fiscal Year with the Company's management. The Audit Committee has separately discussed with BDO Seidman, LLP, the Company's independent registered public accounting firm for the 2007 Fiscal Year, the matters required to be discussed by Statement of Auditing Standards No. 61 ("Communication with Audit Committees"), as amended, which includes, among other things, matters related to the conduct of the audit of the Company's consolidated financial statements.

The Audit Committee has also received the written disclosures and the letter from BDO Seidman, LLP required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees"), as amended, and the Audit Committee has discussed with BDO Seidman, LLP the independence of that firm from the Company.

Based on the Audit Committee's review and discussions noted above, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the 2007 Fiscal Year for filing with the Securities and Exchange Commission.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "Commission"). Officers, directors and greater than ten percent Stockholders are required by regulation of the Commission to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, the Company believes that, during the fiscal year ended May 31, 2007, all filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were satisfied.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

J.H. Cohn, LLP, certified public accountants, have been appointed by the Company's Board of Directors as independent registered public accountants for the Company to audit and report on its consolidated financial statements for the fiscal year ending May 31, 2008. BDO Seidman, LLP audited and reported on the Company's consolidated financial statements for the year ended May 31, 2007 and it is expected that a representative of BDO Seidman, LLP will be present at the Meeting with an opportunity to make a statement if he or she desires to do so and will be available to respond to questions. The appointment of the independent accountants will be ratified if it receives the affirmative vote of the holders of a majority of shares of the Company's Common Stock present at the

Edgar Filing: TSR INC - Form DEF 14A

Meeting, in person or by proxy. Submission of the appointment of the accountants to the Stockholders for ratification will not limit the authority of the Board of Directors to appoint another accounting firm to serve as independent accountants if the present accountants resign or their engagement is otherwise terminated. If the Stockholders do not ratify the appointment of J.H. Cohn, LLP at the Meeting, the selection of J.H. Cohn, LLP may be reconsidered by the Board of Directors. The Audit Committee is responsible for approving engagement of the auditors to render audit or non-audit services prior to the engagement of the auditors to render such services.

Change in Company's Certifying Accountant

On September 19, 2007, the Registrant dismissed BDO Seidman, LLP as its independent registered public accountants. The reports of BDO Seidman, LLP on the Registrant's financial statements for the fiscal years ended May 31, 2006 and 2007 did not contain an adverse opinion, or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. The Registrant's audit committee of the Board of Directors approved the decision to change accountants. During the Registrant's two most recent fiscal years and subsequent interim periods, there were no disagreements with BDO Seidman, LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of BDO Seidman, LLP would have caused it to make reference to such disagreement in its reports. During the years ended May 31, 2006 and 2007 and through September 19, 2007, there have occurred none of the "reportable events" listed in Item 304(a)(1)(v) of Regulation S-K.

The Registrant engaged J.H. Cohn LLP to act as its independent registered public accountants, effective September 20, 2007. During the two most recent fiscal years and subsequent interim periods, the Registrant has not consulted J.H. Cohn LLP on items which (i) involved the application of accounting principles to a specified transaction, either completed or proposed, or involved the type of audit opinion that might be rendered on the Registrant's financial statements or (ii) or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).
