**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(e) On March 24, 2008, the Compensation Committee of the Board of Directors of Nanometrics Incorporated, a Delaware corporation (the Company), approved a 2008 Executive Bonus Plan (the Plan). Under the terms of the Plan, quarterly bonus payments are based on the quarterly achievement by the Company of certain financial goals based on the Company's annual operating plan and individualized programmatic objectives for certain named executive officers. Subject to the minimum amounts referenced below, no bonus will be paid in a particular quarter under the Plan if the Company is not profitable in such quarter, as determined in accordance with generally accepted accounting principals, or GAAP.

The maximum available annual payout under the Plan to Timothy J. Stultz, Ph.D., our President, Chief Executive Officer and a director, is \$420,000, which is based on 150% achievement of target goals in each quarter. At 100% achievement of target goals in each quarter, Dr. Stultz's annualized aggregate bonus payout will be \$200,000. For each of the first and second quarters of 2008, Dr. Stultz's minimum bonus payout will be \$50,000 and for each of the third and fourth quarters of 2008, his minimum bonus payout will be \$25,000. The maximum available annual payout under the Plan to Gary C. Schaefer, our Chief Financial Officer and Vice President of Finance and Administration, is \$252,000, which is based on 150% achievement of target goals in each quarter. At 100% achievement of target goals in each quarter, Mr. Schaefer's annualized aggregate bonus payout will be \$120,000. For each of the first and second quarters of 2008, Mr. Schaefer's minimum bonus payout will be \$30,000. The maximum available annualized aggregate payout under the Plan to Bruce A. Crawford, our Chief Operating Officer, is \$329,000, which is based on 150% achievement of target goals in each quarter. At 100% achievement of target goals in each quarter, Mr. Crawford's annual payout will be \$156,500.

Because the actual bonuses payable under the Plan will vary depending on the extent to which actual performance meets, exceeds, or falls short of the goals approved by the Compensation Committee, the exact amount of the payout (if any) to a named executive officer under the Plan cannot be determined at this time.
