Table of Contents

ABOUT THE MEETING

Who Can Vote

Record holders of common stock, par value \$.01 per share, of Cavco at the close of business on June 2, 2017 may vote at the annual meeting. On that date, the issued and outstanding capital stock of Cavco entitled to vote at the annual meeting consisted of 9,015,820 shares of common stock. Each stockholder will be entitled to one vote per share on the election of directors and each other matter that is described above or that may be properly brought before the meeting. There are no cumulative voting rights.

How You Can Vote

Stockholders can vote their shares of common stock at the annual meeting by voting and submitting the accompanying proxy by telephone, over the Internet, or by completing, signing, dating and returning the proxy in the enclosed envelope.

How Proxies Will be Voted

Shares represented by valid proxies received by telephone, over the Internet or by mail will be voted at the annual meeting in accordance with the directions given. If no specific choice is indicated, the shares represented by all valid proxies received will be voted: (i) FOR the election of the two nominees for director named in the proxy; (ii) FOR the ratification of the appointment of RSM US LLP as Cavco's independent registered public accounting firm for fiscal year 2018; (iii) FOR approval of the advisory vote on the compensation of our named executive officers; and (iv) FOR holding future advisory votes on the compensation of our named executive officers every year. In the event you specify a different choice by means of the enclosed proxy, your shares will be voted in accordance with those instructions.

Our Board does not intend to present, and has no information that others will present, any business at the annual meeting other than as is set forth in the attached notice of the meeting. However, if other matters requiring the vote of stockholders come before the annual meeting, the persons named in the accompanying proxy intend to vote the proxies held by them in accordance with their best judgment in such matters.

How to Revoke Your Proxy

You have the unconditional right to revoke your proxy at any time prior to the voting thereof by submitting a later-dated proxy, by attending the annual meeting and voting in person or by written notice to Cavco addressed to James P. Glew, Secretary, Cavco Industries, Inc., 1001 North Central Avenue, Suite 800, Phoenix, Arizona 85004. No such revocation will be effective, however, unless received by us at or prior to the annual meeting. Attending the meeting without voting in person does not revoke your proxy.

Quorum and Required Vote

The presence at the annual meeting, in person or by proxy, of a majority of the shares of common stock entitled to vote at the meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be counted as present for the purpose of establishing a quorum. With respect to Proposal No. 1 (Election of Directors), in order to be elected as a director, a nominee must receive the affirmative votes of the holders of a plurality of the shares of common stock present, either in person or by proxy and entitled to vote on the election of directors. The two director-nominees receiving the highest number of votes will be elected. Abstentions and broker non-votes are not treated as votes cast and, therefore, will have no effect on Proposal No. 1.

The affirmative vote of a majority of the votes duly cast is required to approve Proposal No. 2 (Ratification of Appointment of Independent Auditors), and Proposal No. 3 (Advisory Vote on the Compensation of the Named Executive Officers). Abstention and broker non-votes are not treated as votes cast (only a majority of votes cast affirmatively or negatively will be counted as votes cast) and, therefore, will have no effect on Proposal Nos. 2 and 3. The advisory vote on the compensation of named executive officers is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the compensation philosophy, policies and procedures described in this proxy statement.

Table of Contents

In connection with Proposal No. 4 (Advisory Vote on the Frequency of the Vote on Compensation of the named executive officers), stockholders may vote for every one, two or three years or abstain. The frequency receiving the greatest number of votes – every one, two or three years – will be considered the frequency approved by the shareholders. Abstentions and broker non-votes are not treated as votes cast and, therefore, will have no effect on Proposal No. 4.

For the votes on Proposal Nos. 3 and 4, because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation and the frequency of stockholder votes on Named Executive Officer compensation.

Please note that your broker is not able to vote on your behalf in any director election without specific voting instructions from you. In addition, your broker is not able to vote on your behalf on Proposal Nos. 3 and 4.

Accordingly, we encourage you to vote your shares before the meeting either by returning your proxy by mail, voting by telephone or voting via the Internet so that your shares will be represented and voted at the meeting if you cannot attend in person.

If sufficient votes for approval of the matters to be considered at the annual meeting have not been received prior to the meeting date, we may postpone or adjourn the annual meeting in order to solicit additional votes. The form of proxy being solicited by this proxy statement provides the authority for the proxy holders, in their discretion, to vote the stockholders' shares with respect to a postponement or adjournment of the annual meeting. At any postponed or adjourned meeting, proxies received pursuant to this proxy statement will be voted in the same manner described in this proxy statement with respect to the original meeting.

Expenses of Soliciting Proxies

We will bear the cost of soliciting proxies for the annual meeting. Solicitation may be made by mail, personal interview, telephone or other electronic means by our officers and other employees, who will receive no additional compensation therefor.

All options awarded prior to April 1, 2010, become exercisable at the rate of 25% on the date of grant and 25% on the following three anniversaries of the date of grant. Options awarded between April 1, 2010 and July 13, 2016, become exercisable at the rate of 50% on the date of grant and 50% on the first anniversary of the date of grant. Options awarded on or after July 13, 2016, become exercisable at the rate of 25% on the first anniversary of the date of grant, 25% on the second anniversary of the date of grant and 50% on the third anniversary of the date of grant. All rights to exercise the options terminate within four months of the date that the non-employee director ceases to be a director of Cavco for any reason other than death or disability; in the case of a director's death, the options terminate fifteen months thereafter and in the case of disability and resulting termination of the directorship, then the options terminate six months after such date of termination. However, if the non-employee director held the position for at least ten years, the options will vest on the date that the non-employee director ceases to be a director and all rights to exercise the options will terminate three years thereafter, but in no event may the options be exercised later than seven years from the date of grant.

All Board members are expected to attend our annual meeting of stockholders, unless an emergency or unavoidable conflict prevents them from doing so. All directors attended our 2016 annual meeting held on July 13, 2016.

Director Nominating Process

Selection by Independent Directors.

The Board has not established a director nominating committee. Instead, our Board has determined that the independent directors, as a group, should fulfill this responsibility. The Board has adopted resolutions, as required by NASDAQ Rules, providing for the nomination of directors by the independent directors of the Board, which the Board believes promotes flexibility and ensures that each of our independent directors has a meaningful role in the selection of our director nominees. Generally, director nominees are identified and screened by all independent directors. For any nominee to be placed on Cavco's ballot for voting by Cavco's stockholders at any meeting of stockholders of Cavco, such nominee must first be approved by a majority of the independent directors of Cavco, and by a majority of the entire Board. The Board may form a nominating committee in the future at such time as the Board determines that a committee structure is necessary or useful in the director nominating process.

Director Qualifications. The independent directors evaluate potential director nominees according to the following criteria:

decisions for nominating candidates are based on the business and corporate governance needs of Cavco and if the need for a director exists, then candidates are evaluated on the basis of merit, qualifications, performance and competency;

the independent directors consider the composition of the entire Board when evaluating individual directors, including the diversity of experience and background represented by the Board; the need for financial, business, academic, public or other expertise on the Board and its committees; and the desire for directors working cooperatively to represent the best interests of Cavco, its stockholders and employees, and not any particular constituency;

a majority of our Board must be comprised of "independent" directors in accordance with applicable NASDAQ Rules; we seek directors with the highest personal and professional character and integrity who have outstanding records of accomplishment in diverse fields of endeavor and who have obtained leadership positions in their chosen business or profession;

- candidates must be willing and able to devote the necessary time to discharge their duties as a director, and should have the desire to represent and evaluate the interests of Cavco as a whole;

- candidates must be free of conflicts of interest that would interfere with their ability to discharge their duties as a director or that would violate any applicable law or regulation; and

- candidates must also meet any other criteria as determined by the independent directors, which may differ from time to time.

Diversity. Cavco does not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Board strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee Cavco's businesses.

Proposals by Stockholders. Our bylaws specify the manner in which stockholders may:

- make nominations for the election of directors;

- propose that a director be removed; or

- propose any other business to be brought before a meeting of stockholders.

Table of Contents

Under our bylaws, in order to bring a proposal before a meeting of stockholders, a stockholder must deliver timely notice of a proposal pertaining to a proper subject for presentation at the meeting to our corporate secretary along with, among other specified information, the following:

- a description of the business or nomination to be brought before the meeting and the reasons for conducting such business at the meeting;
- the stockholder's name and address;
- the number of shares beneficially owned by the stockholder;
- the names and addresses of all persons with whom the stockholder is acting in concert and a description of all arrangements or understandings with such persons; and
- the number of shares beneficially owned by each person with whom the stockholder is acting in concert.

To be timely, a stockholder must deliver notice:

- in connection with an annual meeting of stockholders, not less than 90 nor more than 180 days prior to the date on which the immediately preceding year's annual meeting of stockholders was held;
- in connection with a special meeting of stockholders to elect directors, not less than 40 nor more than 60 days prior to the date of the special meeting; or
- in connection with a special meeting of stockholders for purposes other than the election of directors, not less than 10 nor more than 60 days prior to the date of the special meeting.

In order to submit a nomination for our Board, a stockholder must also submit information with respect to the nominee that would be required to be included in a proxy statement, as well as other specified information. If a stockholder fails to follow the required procedures, the stockholder's nominee or proposal will be ineligible for election or other action and will not be voted on by our stockholders.

Other Board Matters

Board Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of Cavco to make that determination based on the position and direction of Cavco and the membership of the Board. The Board has determined that having Cavco's Chief Executive Officer serve as Chairman is in the best interest of Cavco's stockholders at this time. This structure makes the best use of the Chief Executive Officer's extensive knowledge of Cavco and its industry, as well as fostering greater communication between Cavco's management and the Board. Cavco does not have a lead independent director.

The Board's Role in Risk Oversight

Management of risk is the responsibility of Cavco's executive officers and senior management team. The Board has oversight responsibility and has designated the Audit Committee to oversee Cavco's processes to manage business and financial risk and compliance with significant applicable legal, ethical and regulatory requirements. The Audit Committee reports to the Board regarding the adequacy of Cavco's risk management processes. To assist the Audit Committee in overseeing risk management, Cavco's Director of Internal Audit is directly accessible by the Audit Committee and reports to the Audit Committee upon request. Additionally, the Board encourages management to promote a corporate culture that incorporates risk management into Cavco's corporate strategy and day-to-day business operations. The Board regularly works, with the input of Cavco's executive officers, to assess and analyze the most likely areas of future risk for Cavco.

Communicating With Our Board

You can communicate with any member of our Board by sending the communication to Cavco Industries, Inc., 1001 North Central Avenue, Suite 800, Phoenix, Arizona 85004, to the attention of the director or directors of your choice. We relay these communications addressed in this manner as appropriate. Communications addressed to the attention of “The Board of Directors” are forwarded to the chairperson of our Audit Committee for review and further handling.

Audit Committee
Our Audit Committee is composed of three directors, Messrs. Boor, Bungler and Greenblatt, who satisfy the independence requirements set forth in (1) Section 10A(m) of the Exchange Act and the rules adopted by the SEC thereunder and (2) applicable NASDAQ Rules. The Audit Committee functions under a charter, which was initially adopted by our Board on September 22, 2003, and was most recently amended on July 13, 2016. The Audit Committee Charter is posted on our website at <http://investor.cavco.com/general-documents>.

The Board has determined that William C. Boor, the Chairperson of the Audit Committee, meets the definition of “Audit Committee financial expert,” as such term is defined under SEC rules. Mr. Boor’s qualifications are described in his biography on page 6.

The Audit Committee Charter provides that the Audit Committee shall perform the following key tasks:

- select, appoint, evaluate, retain, terminate and replace Cavco’s independent auditors (subject, if the Audit Committee so determines, to stockholder ratification);
- obtain and review, at least annually, a report by Cavco’s independent auditors describing the firm’s internal quality-control procedures, any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with such issues;
- receive the applicable written independence disclosures required by the Public Company Accounting Oversight Board, including those disclosures required by Ethics and Independence Rule 3526 (the “Independence Report”);
- actively engage in a dialogue with the independent auditors with respect to any relationships or services disclosed in the Independence Report or otherwise known to the Audit Committee that may impact the objectivity or independence of the auditor, and recommend that the Board take appropriate action in response to such information to satisfy itself of the auditor’s independence;
- review any report made by Cavco’s independent auditors pursuant to Section 10A(k) of the Exchange Act;
 - confirm with the independent auditor that the independent auditor is in compliance with the partner rotation requirements established by the SEC;
- review with the independent auditors any audit problems or difficulties and management’s response;
- preapprove all auditing services, audit engagement fees and terms and permitted non-audit services provided to Cavco by its independent auditors (subject to the de minimis exceptions for certain non-audit services set forth in Section 10A(i)(1)(B) of the Exchange Act), provided that the Audit Committee may delegate to one or more subcommittees the authority to grant approvals of audit and permitted non-audit services; and
- have presented to the full committee any decisions pertaining to the independent auditors of any subcommittee to whom preapproval authority is delegated as soon as practicable and no later than the Committee’s next scheduled meeting.

Table of Contents

The Audit Committee also reviews Cavco's corporate compliance program. The Audit Committee meets separately with the independent auditors, outside the presence of Cavco's management or other employees, to discuss matters of concern, to receive recommendations or suggestions for change and to exchange relevant views and information.

AUDIT FEES

In August 2015, the Audit Committee completed a competitive process to review the appointment of the Company's independent registered public accounting firm for the fiscal year ending April 2, 2016. As a result of this process and following careful deliberation, the Audit Committee dismissed Ernst & Young LLP ("EY") as the Company's independent registered public accounting firm.

The reports of EY on the Company's consolidated financial statements as of and for the year ended March 28, 2015 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years and the subsequent interim period preceding EY's dismissal, there were (i) no disagreements (within the meaning of Item 304(a)(1)(iv) of Regulation S-K) with EY on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to EY's satisfaction, would have caused EY to make reference to the subject matter thereof in connection with its reports for such years; and (ii) no reportable events (as such term is defined in Item 304(a)(1)(v) of Regulation S-K).

The Company provided EY with a copy of the disclosures it made in its Current Report on Form 8-K, which was filed on August 19, 2015.

Contemporaneous with the determination to dismiss EY, the Audit Committee engaged RSM US LLP, formerly McGladrey LLP ("RSM") as the Company's independent registered public accounting firm for the fiscal year ended April 2, 2016, to be effective August 13, 2015. RSM also served as Cavco's independent registered accounting firm for the fiscal year ended April 1, 2017.

During the Company's two most recent fiscal years and the subsequent interim period preceding RSM's engagement, neither the Company nor anyone on its behalf consulted RSM regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and no written report or oral advice was provided to the Company that RSM concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a "disagreement" or "reportable event" (within the meaning of Item 304(a)(1)(iv) of Regulation S-K and Item 304(a)(1)(v) of Regulation S-K, respectively). The Audit Committee has adopted policies and procedures pre-approving all audit and permissible non-audit services performed by RSM. Under these policies, the Audit Committee pre-approves the use of audit and specific permissible audit-related and non-audit services up to certain dollar limits. Services that do not come under this authority must be pre-approved separately by the Audit Committee. In determining whether or not to pre-approve services, the Audit Committee determines whether the service is a permissible service under the SEC's rules and, if permissible, the potential effect of such services on the independence of RSM.

The following table represents aggregate fees billed to us for professional services provided by RSM in the last two fiscal years.

The Audit Committee approved all audit and non-audit services provided by RSM and EY during the 2017 and 2016 fiscal years pursuant to its Charter.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the Consolidated Financial Statements referred to above be included in Cavco's Annual Report on Form 10 K for the year ended April 1, 2017.

PROPOSAL NO. 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

The Audit Committee has appointed RSM as Cavco's independent registered public accounting firm for fiscal year 2018, subject to ratification by Cavco stockholders.

If the stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain RSM, but still may retain them. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of Cavco and our stockholders.

Representatives of RSM will not be present at the meeting of stockholders, but are expected to be available by telephone to respond to appropriate questions from Cavco stockholders.

Recommendation of the Board

The Board unanimously recommends a vote "FOR" the ratification of the appointment of RSM US LLP as Cavco's independent registered public accounting firm for fiscal year 2018.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The purpose of this compensation discussion and analysis (“CD&A”) is to provide information about each material element of compensation that we pay or award to, or that is earned by, our named executive officers. For fiscal year 2017, our named executive officers were Joseph H. Stegmayer, our Chairman, President and Chief Executive Officer; Daniel L. Urness, our Executive Vice President, Treasurer and Chief Financial Officer; Steven K. Like, our Senior Vice President; and Charles E. Lott, President of Fleetwood Homes.

Overview

Our executive compensation program for our named executive officers is relatively uncomplicated, consisting of cash compensation comprised of base salary and either a cash bonus or non-equity incentive compensation, as well as awards of options to purchase shares of our common stock or grants of restricted stock. Generally, we do not offer perquisites to our named executive officers. We do not have a defined benefit pension plan or any other similar retirement plan; however, our named executive officers are permitted to participate in Cavco’s 401(k) plan and other health and welfare programs that are generally available to all other full-time employees.

Compensation Committee

Our Compensation Committee of our Board (“Compensation Committee”) reviews and approves, or recommends to the Board for approval, all salary and other remuneration for our executive officers and oversees matters relating to our employee compensation and benefit programs. The Compensation Committee is comprised of David A. Greenblatt, its Chairperson, William C. Boor, and Jack Hanna. To the extent permitted by NASDAQ Rules and applicable legal requirements, the Committee may delegate specified duties and responsibilities to a subcommittee created by a vote of a majority of the members of the Committee. Each subcommittee shall have one or more members designated by the Committee, and shall be governed by such procedures as the Committee shall determine from time to time.

No member of the Compensation Committee is an employee of Cavco. The Compensation Committee operates pursuant to a written charter that sets forth its functions and responsibilities. The Compensation Committee Charter is posted on our website at <http://investor.cavco.com/general-documents>.

The Compensation Committee is charged with assisting the Board in:

- assessing whether the various compensation programs of Cavco are designed to attract, motivate, and retain the senior management necessary for Cavco to deliver consistently superior results and are performance based, market driven, and stockholder aligned;
- its oversight of specific incentive compensation plans adopted by Cavco, with the approval of the Compensation Committee, including stock plans and short term and long term incentive compensation plans for members of senior management of Cavco;
- its approval, review and oversight of benefit plans of Cavco; and
- its oversight of the performance and compensation of the Chief Executive Officer of Cavco and the other members of the senior management of Cavco.

Stockholder Approval of our Compensation Decisions

At the 2016 Annual Meeting of Stockholders, Cavco’s stockholders approved the advisory (non-binding) vote on executive compensation with approximately 99.3% of the votes cast in favor of the proposal regarding the Company’s executive compensation program. The Compensation Committee considers this vote a validation of its approach to executive compensation and generally has continued its compensation processes and philosophy in making 2017 executive compensation decisions, with the exception of Mr. Stegmayer’s compensation whose compensation is set pursuant to his Amended and Restated Employment Agreement.

Table of Contents

Objectives of Cavco's Compensation Programs

Cavco's executive compensation program is structured to achieve the following objectives:

- to attract, retain and motivate highly qualified, energetic and talented executives necessary for Cavco to deliver consistently superior results;

- to create an incentive to increase stockholder returns by establishing a direct and substantial link between individual compensation and certain financial measures that have a direct effect on stockholder values; and

- to create substantial long-term compensation opportunities for individual executive officers based not only on long-term corporate performance but also on sustained long-term individual performance.

Role of Compensation Consultants

The Compensation Committee has authority to retain compensation consultants in determining or recommending executive or director compensation pursuant to its written charter (including the sole authority to approve such consultant's fees and other retention terms). The Compensation Committee did not engage a compensation consultant during fiscal year 2017.

Benchmarking

Market pay levels are one of many elements used by Cavco to maintain competitive pay opportunities for our named executive officers. For fiscal year 2017, we considered our compensation peer group for benchmarking the named executive officer's compensation to include fellow industry participants Skyline Corporation and Nobility Homes. Because manufactured housing peer group compensation data is limited, we also considered the following Arizona-based companies with whom we may compete for executives and which were selected because, during our last fiscal year, each was publicly traded and roughly similar in size to Cavco in terms of annual revenue: AV Homes; Inventure Foods, Inc.; Knight Transportation, Inc.; Lifelock, Inc.; Limelight Networks, Inc.; Meritage Homes Corp.; Mobile Mini, Inc.; Taser International; and Universal Technical Institute, Inc.

In connection with its compensation decisions for fiscal year 2017, peer group compensation information was used as guidance to ascertain whether our named executive officers' base salaries and incentive compensation programs are generally aligned with those positions in the peer group. While the Compensation Committee does review peer group compensation information, it is not the sole factor it considers in setting executive compensation. The Compensation Committee also takes into account other factors, including the responsibilities of the executive's position, an executive's compensation history, experience, performance, tenure, and Cavco's performance. The Compensation Committee did not set compensation programs to be a specified percentage above or below, or equal to, the comparable compensation for the peer group. Mr. Stegmayer's compensation is set by his Amended and Restated Employment Agreement. In setting compensation for Messrs. Like, Lott and Urness, the Compensation Committee considered the input of the Chief Executive Officer, the historical compensation paid to such executive officers, and certain historical compensation paid to operating executives of peer companies.

Role of Management in Establishing and Awarding Compensation

The Compensation Committee annually reviews and approves the base salary levels and incentive opportunity levels for Cavco's named executive officers. Our Chief Executive Officer, with the assistance of our General Counsel, regularly provides information and recommendations to the Compensation Committee on the performance of our executive officers, appropriate levels and components of compensation, including equity grants, as well as such other information as the Compensation Committee may request.

Following the conclusion of a fiscal year, the Compensation Committee makes compensation awards for the named executive officers, including awards under short-term and long-term incentive compensation plans. To assist the Compensation Committee with its review, General Counsel provides the Compensation Committee with peer group performance results and compensation data and other information as requested by the Compensation Committee.

Table of Contents

Components of Executive Compensation

In structuring the specific components of executive compensation, Cavco is guided by the following principles:

- compensation programs should be performance based, market driven and stockholder aligned;
- annual compensation should be set within reasonable ranges of the annual compensation for similar positions with similarly-sized and similar types of companies that engage in one or more of the principal businesses in which Cavco engages;
- a compensation program must have elements that are not solely performance based in order to be competitive in attracting and retaining talented executives;
- bonus payments should vary with the individual's performance and Cavco's financial performance;
- a significant portion of compensation should be in the form of long-term, equity-linked incentive compensation that aligns the interests of executives with those of the stockholders and that creates rewards for long-term sustained company performance and the achievement of Cavco's strategic objectives; and
- compensation programs should not encourage executives to take unnecessary risks.

The Compensation Committee attempts to structure its compensation programs to the named executive officers as performance-based compensation that is tax deductible. However, the Compensation Committee may award compensation that is or could become non-deductible when such awards are in the best interest of Cavco, balancing tax efficiency with long-term strategic objectives.

Base Salary

The Compensation Committee is responsible for recommending to the Board the base salary levels for the named executive officers. In developing salary amounts, the Compensation Committee conducts a general review of salaries for similar positions in our peer group. In setting base salary levels, the Compensation Committee also considers an executive's compensation history, experience, performance, tenure, and potential for significant contributions to Cavco's profitability.

The minimum base salary level payable to Mr. Stegmayer pursuant to his Amended and Restated Employment Agreement reached \$500,000 in fiscal year 2014. Notwithstanding the foregoing, the Compensation Committee may review the base salary levels at any time and, in its sole discretion, may adjust Mr. Stegmayer's then current base salary; provided, however, that the Compensation Committee may not decrease Mr. Stegmayer's then current base salary without his prior written consent. If the term of the Amended and Restated Employment Agreement is extended, then the annual base salary of Mr. Stegmayer will be determined by the Compensation Committee in its reasonable business judgment provided that in no event may the Compensation Committee decrease the annual base salary of Mr. Stegmayer below that of any previous fiscal year during such renewal period. Mr. Stegmayer's base salary for fiscal year ended April 1, 2017 was \$520,000.

Messrs. Like, Lott, and Urness were paid base salaries of \$130,000, \$235,000 and \$245,000, respectively, for fiscal year ended April 1, 2017. These officer's base salaries were established by the Compensation Committee based upon their consideration of, among other things, their past base salaries, peer group analysis, and the recommendations of the CEO. See the Summary Compensation Table on page 21.

Table of Contents

Incentive Compensation

Under the terms of Mr. Stegmayer's amended and restated employment agreement, he is eligible to receive non-equity incentive compensation in an amount equal to (i) 5% of the first \$4 million of pre-tax income of the Company for the fiscal year, plus (ii) 6% of the next \$16 million of pre-tax income of the Company for the fiscal year, plus (iii) 3% of pre-tax income of the Company for the fiscal year above \$20 million, provided that the cash award on pre-tax income of any material assets or businesses acquired after June 30, 2011 shall be determined by the Compensation Committee in its sole judgment, in good faith, in consultation with Mr. Stegmayer. Based solely on this formula, for the fiscal year ended April 1, 2017, Mr. Stegmayer received non-equity incentive compensation in the amount of \$2,218,430. See the Summary Compensation Table on page 21.

In addition to the incentive compensation to which Mr. Stegmayer is entitled under his amended and restated employment agreement, for fiscal year 2017 only, Mr. Stegmayer was eligible to receive an incentive payment of \$1,100,000 if fiscal year 2017 net revenue from the Company's factory-built housing segment exceeded fiscal year 2016 net revenue from the Company's factory-built housing segment. Because the incentive target was met by the Company, for the fiscal year ended April 1, 2017, Mr. Stegmayer received a non-equity incentive compensation payment in the amount of \$1,100,000. See the Summary Compensation Table on page 21.

Under Mr. Urness's plan he is eligible to receive incentive compensation based upon the Company's pre-tax income for the fiscal year ending April 1, 2017. Under the terms of his plan, Mr. Urness is eligible to receive incentive compensation equal to (i) 0.6% of the first \$45 million in pre-tax income of the Company; and (ii) 0.9% of pre-tax income greater than \$45 million. Based solely on this formula, for fiscal year ended April 1, 2017, Mr. Urness received non-equity incentive compensation in the amount of \$362,529. See the Summary Compensation Table on page 21.

Under Mr. Like's plan he is eligible to receive incentive compensation based upon the Company's pre-tax income for the fiscal year ending April 1, 2017 equal to (i) 0.3% of the first \$38 million in pre-tax income of the Company; and (ii) 0.6% of pre-tax income of the Company greater than \$38 million. Based solely on this formula, for fiscal year ended April 1, 2017, Mr. Like received non-equity incentive compensation in the amount of \$217,686. See the Summary Compensation Table on page 21.

Mr. Lott's incentive compensation plan consists of a Target Bonus and an Improvement Bonus. Under the Target Bonus, he is eligible to receive a cash payment equal to 1.4% of fiscal year 2017 combined pre-tax income for the business operations he oversees up to the target pre-tax income level for those business operations in total. Under the Improvement Bonus, he is eligible to receive a cash payment based upon pre-tax income above the combined target pre-tax income levels of the business operations he oversees calculated as follows: (i) 3% of the first \$2 million (ii) 5% from \$2,000,001 to \$3,000,000; and (iii) 6% greater than \$3 million. For fiscal year ended April 1, 2017, Mr. Lott received non-equity incentive compensation in the amount of \$637,972, of which \$455,672 was Target Bonus and \$182,300 was Improvement Bonus. See the Summary Compensation Table on page 21.

Long-Term Compensation

The existing stock incentive program of Cavco, which is subject to annual review and may be revised or superseded in the future, is designed to provide incentive to the participants under such program, which include the named executive officers, to focus on maximizing Cavco's return to stockholders and to plan and prepare properly for Cavco's future. Stock options or grants of restricted stock may be granted at the fair market value on the date of the grant under the Cavco Industries, Inc. 2005 Stock Incentive Plan, as amended.

On July 13, 2016, consistent with the terms of Mr. Stegmayer's Amended and Restated Employment Agreement, Cavco granted to Mr. Stegmayer a non-qualified option to purchase 15,000 shares of common stock, which has a Black-Scholes value of 100% of Mr. Stegmayer's base salary for the fiscal year 2017, subject to minor rounding as provided in the Amended and Restated Employment Agreement. The grant to Mr. Stegmayer is subject to a four year pro-rata vesting schedule commencing on the first anniversary of the grant date. In determining the vesting of the awards made, the Compensation Committee followed the Company's legal obligations set forth in Mr. Stegmayer's Amended and Restated Employment Agreement.

Table of Contents

On July 13, 2016, consistent with Cavco's objective of creating incentives for its executive officers to increase stockholder returns by establishing a direct and substantial link to executive compensation, Cavco granted a non-qualified option to purchase 3,600 shares of common stock to Mr. Urness. The grant to Mr. Urness represents a Black-Scholes value of 50% of Mr. Urness' base salary for the fiscal year 2017. This grant is subject to a four year pro-rata vesting schedule commencing on the first anniversary of the grant date, which is consistent with the Company's past practice and typical vesting schedule. Messrs. Like and Lott did not receive a grant of options in fiscal year 2017.

Perquisites and Other Compensation

Cavco does not offer perquisites to its named executive officers. The named executive officers may participate in Cavco's 401(k) plan and other health and welfare programs that are available to all other full-time employees.

Employment, Severance, and Change in Control Agreements

Mr. Stegmayer's Amended and Restated Employment Agreement (the "Agreement") is currently in its second extended term and will automatically extend for successive one-year periods unless the Board or Mr. Stegmayer elect not to renew the term by notice to the other at least 90 days prior to the end of the then current term. The Agreement provides for (a) a minimum base annual salary of \$500,000, subject to periodic review and adjustment by the Compensation Committee, but in no event can the base salary be reduced without Mr. Stegmayer's consent; (b) non-equity incentive compensation in an amount equal to (i) 5% of the first \$4 million of pre-tax income of the Company for the fiscal year, plus (ii) 6% of the next \$16 million of pretax income of the Company for the fiscal year, plus (iii) 3% of pretax income of the Company for the fiscal year above \$20 million, provided that the cash award on pretax earnings of any material assets or businesses acquired after June 30, 2011 shall be determined by the Compensation Committee in its sole judgment, in good faith, in consultation with Mr. Stegmayer; and (d) an annual grant of options to acquire shares of the Common Stock of the Company, the value of which shall equal 100% of Mr. Stegmayer's then base salary using the Black-Scholes option value model (vesting criteria and vesting timing shall be at the sole discretion of the Compensation Committee).

The Agreement includes provisions for certain payments to be made upon his termination or resignation. If Cavco terminates Mr. Stegmayer's employment and such termination constitutes a Termination for Cause (as defined in the employment agreement), or if Mr. Stegmayer voluntarily resigns prior to the occurrence of a Change in Control (as defined in the employment agreement) of Cavco and such resignation does not constitute a Termination for Good Reason (as defined in the employment agreement), then Mr. Stegmayer is entitled to receive only his then current base salary on a pro rata basis to the date of such termination or resignation. If prior to the occurrence of a Change of Control, Mr. Stegmayer dies or becomes Disabled (as defined in the employment agreement), or if Cavco terminates his employment and such termination constitutes a Termination Without Cause or Mr. Stegmayer terminates his employment and such termination constitutes a Termination for Good Reason, then Mr. Stegmayer shall be entitled to the following: (a) continued payment of his then current base salary for each fiscal year under the remaining term of the employment agreement plus one year following the expiration of the term; (b) a single lump sum cash payment in an amount equal to two times his Average Annual Bonus (as defined in the employment agreement) for the preceding two fiscal years; and (c) continued health insurance benefits for a period of 18 months. If within two years after the occurrence of a Change in Control of Cavco: (a) Cavco terminates Mr. Stegmayer's employment and such termination constitutes a Termination Without Cause; or (b) Mr. Stegmayer voluntarily resigns his employment for any reason, then in each case Cavco must pay to Mr. Stegmayer a lump sum termination payment equal to two times the sum of his then current base salary and Average Bonus.

The Agreement also provides that Mr. Stegmayer will not disclose any confidential information of the Company during or after the term of the agreement.

During his employment with the Company and for a period of two years following his resignation or termination (and in no event for a period of less than four years from the effective date of the employment agreement), Mr. Stegmayer is precluded from engaging in any business or associating with any entity that is actively engaged in any competitive business with the Company or any of its affiliates, in any geographic area in which the Company conducts business or sells products.

Table of Contents

The table below reflects the amount of compensation that would have been payable to Mr. Stegmayer in the event of termination of his employment, as provided in the Agreement. The actual amounts that would be payable can be determined only at the time of termination. We have not included below any accrued but unpaid salary or payment of accrued and vested benefits and unused vacation time, as those amounts would be paid in the event of termination of employment for any reason. Equity awards that are not subject to acceleration and the value of health benefits, which is nominal, are not included below.

PROPOSAL 3: ADVISORY VOTE ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) enables the Company’s stockholders to vote on an advisory (non-binding) basis regarding the compensation of the Company’s named executive officers (commonly referred to as “Say on Pay”). For a comprehensive description of our executive compensation program and compensation philosophy, please refer to the Company’s CD&A beginning on page 14. Although the advisory vote is non-binding, the Compensation Committee and the Board will review the results of the vote and consider the outcome when making future decisions concerning our executive compensation program. In deciding how to vote on this proposal, the Board points out the following factors, many of which are more fully discussed in the CD&A:

- Our executive compensation programs are designed to depend significantly on the achievement of performance goals that the Committee believes drive long-term stockholder value;
- Our pay practices are designed not to encourage management to take unacceptable risks;
- Our Compensation Committee reviews peer group compensation to confirm that our programs are not outside the norm among peer group companies (See “Benchmarking” on page 16); and
- We believe the Company’s executive compensation programs are well suited to promote the Company’s objectives in both the short and long-term.

Recommendation of the Board

The Board believes that the compensation of our Named Executive Officers is appropriate and recommends a vote “FOR” the following advisory resolution:

RESOLVED, that the stockholders of the Company approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the Summary Compensation Table, and the related compensation tables, notes and narrative set forth in this proxy statement.

PROPOSAL 4: ADVISORY VOTE ON THE FREQUENCY OF THE VOTE ON COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

Pursuant to the Dodd-Frank Act, the Board is asking the Company’s stockholders to vote on whether future advisory votes on the compensation of the named executive officers in the nature of a proposal similar to that reflected in Proposal 3 above, should occur every year, every two years or every three years. Accordingly, the following resolution will be submitted for a stockholder vote at the Annual Meeting:

RESOLVED, that the stockholders shall be given the opportunity to vote on an advisory resolution regarding the compensation of the Company’s named executive officers (vote for one alternative only):

- every year;
- every two (2) years; or
- every three (3) years.

As discussed above, the Company has designed its executive compensation programs to attract, retain and motivate key executives; to create an incentive to increase stockholder returns by establishing a direct and substantial link between individual compensation and certain financial measures that have a direct effect on stockholder values; and to create substantial long-term compensation opportunities for individual executive officers based not only on long-term corporate performance but also on sustained long-term individual performance. The Board has determined that a one-year Say-on-Pay vote frequency is the best approach for the Company based upon, among other things, the following:

- at the 2011 Annual Meeting, the stockholders voted to hold a non-binding stockholder vote to approve executive compensation every year;
- annual votes are consistent with market preferences;

- our compensation decisions are made annually;
- annual votes allow our shareholders to provide their feedback on our executive compensation program more frequently; and
- annual votes give us the opportunity to address any shareholder concerns regarding our executive compensation program in a more timely manner.

Although the advisory vote is non-binding, the Compensation Committee and the Board of Directors will review the results of the vote and consider the outcome when making future decisions concerning the frequency of Say on Pay voting.

Recommendation of the Board

The Board recommends that you vote “FOR” holding future advisory votes on the compensation of our named executive officers every year.
