**Item 5.03(a) Amendments to Articles of Incorporation or Bylaws.**

On May 3, 2006, the Board of Directors of Xilinx, Inc. (the Company ) amended its bylaws as follows:

Section 2.14, Prior Notice for Inclusion on Agenda, was amended and restated to provide for a process for proposals to be brought by stockholders or nominations for directors to be made by stockholders at the Company s annual meeting of stockholders or at a meeting called expressly for the election of directors. Previously, the bylaws required that written notice of a nomination for director or other stockholder proposal be provided no less than ninety (90) days prior to the stockholder meeting at which the nomination or other matter is intended to be raised.

Section 3.2 was amended to change the size of the Board of Directors from a fixed number of 10 directors to a range of seven to eleven directors, with the exact number to be fixed by the Board of Directors. This range shall not be altered without prior stockholder approval.

Section 3.4 of the bylaws was amended to change the vote standard for the election of directors from plurality to a majority of votes cast in uncontested elections. A majority of the votes cast means that the number of shares voted for a director must exceed the number of votes cast against that director. In contested elections, where the number of nominees exceeds the number of directors to be elected, the vote standard will continue to be a plurality of votes cast.

In addition, if a nominee who already serves as director is not elected, the director shall offer to tender his or her resignation to the Board of Directors (the Board ). Within 120 days of the certification of election results, the Board will publicly disclose its decision regarding whether to accept or reject the resignation and the rationale behind it. The director who tenders his or her resignation will not participate in the Board s decision. If the failure of a nominee to be elected at the annual meeting results in a vacancy on the Board, that vacancy can be filled by action of the Board.

The resolution of the Board of Directors amending the bylaws is effective as of May 3, 2006 and is filed as Exhibit 99.1 to this report.
