Item 2.05. Costs Associated with Exit or Disposal Activities.

On March 13, 2009, Cortex Pharmaceuticals, Inc. (the Company) implemented a reduction of approximately 50% of the Company's workforce. The Company made the workforce reduction in an effort to reduce costs as it focuses its financial resources on the clinical development of certain of its AMPAKINE® compounds.

The Company estimates that during the first quarter of fiscal 2009, the workforce reduction will result in cash charges of approximately \$0.125 million associated with employee termination benefits. The Company believes that this reduction in force will provide it with annual savings of approximately \$2.0 million to \$2.5 million.

A copy of the press release relating to the workforce reduction is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 8.01. Other Events.

On March 13, 2009, the Company's Compensation Committee approved a retention bonus agreement (the Retention Bonus Agreement) for each of the Company's executive officers and other key personnel to foster the continuous employment of such individuals.

Under the executed Retention Bonus Agreement, each executive officer will be entitled to receive a lump sum cash bonus (the Bonus) equal to six (6) months of the executive's base salary in the event of a Change in Control, as defined in the Company's 2006 Stock Incentive Plan, occurs and the executive remains continuously employed with the Company (or a successor to the Company, or, if applicable, the ultimate parent of any such successor, collectively referred to as the Surviving Entity) or any subsidiary thereof through the date occurring three (3) months post-Change of Control, or such shorter period as deemed necessary by the Surviving Entity (the Payment Date), to allow for an orderly transition of personnel and information and to allow for an appropriate integration process, as needed.

The Bonus shall be payable by the Surviving Entity on or as soon as practicable following the Payment Date, but no later than 15 days thereafter, and shall be determined without regard to any reduction of base salary applicable to Company executives subsequent to March 13, 2009 and prior to a Change in Control.

In the event that the executive officer's employment is terminated by the Surviving Entity or a subsidiary thereof after a Change in Control and prior to the Payment Date, in certain circumstances where the termination is without cause or for good reason, the Bonus shall be payable by the Surviving Entity as soon as practicable following the date of termination of the executive officer's employment (but no later than sixty (60) days thereafter), subject to the executive officer executing and not revoking a general release of all claims against the Surviving Entity in a form acceptable to the Surviving Entity within sixty (60) days following such termination of employment.

The foregoing description of the Retention Bonus Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the form of Retention Bonus Agreement, a copy of which is attached hereto as Exhibit 10.113 and is incorporated herein by reference.
