To My Fellow Shareholders at NetScout:

As you know, NetScout has scheduled a special meeting of shareholders on June 25, 2015 so that shareholders can vote on actions associated with the Company's planned acquisition of Danaher Corporation's Communications Business. If you owned NetScout common stock of record as of May 1, 2015, you should have recently received in the mail your proxy statement and related voting materials associated with this special meeting.

I wanted to take this opportunity to remind you that your vote on the proposals associated with this transaction is important, regardless of the number of shares you own. We believe that the acquisition is highly compelling strategically, operationally and financially, and that it will create substantial value for all key stakeholders including customers, partners, employees and shareholders. If the proposal regarding the issuance of shares of NetScout common stock in the transaction is not approved by a majority of shares of NetScout common stock that are represented and voted at the special meeting, the proposed acquisition cannot be completed.

You may vote by telephone, by using the internet or by mail, as described in the proxy statement. If you own your NetScout common stock through a broker or bank (referred to as a beneficial owner or street name owner), you may also instruct your bank, broker or other nominee how to vote those shares. Before you vote, it is also important to remind you to read the proxy statement you received carefully and in its entirety. We encourage you to cast your vote before midnight on June 24.

If you have any questions about the meeting itself or the proxy materials associated with this meeting, please contact Andy Kramer, vice president of investor relations, at 978-614-4279 or via email at andrew.kramer@netscout.com.

Thank you in advance for your attention to this matter and for your continued support. We look forward to sharing the results from the special meeting with you all.

Very truly yours,

Anil Singhal

Chairman, President and Chief Executive Officer
