**Item 1.01 Entry into a Material Definitive Agreement.**

On April 17, 2019 (the *Effective Date* ), Akebia Therapeutics, Inc. (the *Company* ) and Panion & BF Biotech, Inc. ( *Panion* ) entered into a second amended and restated license agreement (the *Amended License Agreement* ). The *Amended License Agreement* amends and restates in full the prior amended and restated license agreement effective March 17, 2008, as amended, between Panion and Keryx Biopharmaceuticals, Inc. ( *Keryx* ) pursuant to which Keryx in-licensed exclusive worldwide rights, excluding certain Asian-Pacific countries, for the development, marketing and commercialization of ferric citrate (the *Original Agreement* ). As previously disclosed, the *Company* and *Keryx* completed a merger on December 12, 2018, and as a result, *Keryx* is now the *Company* 's wholly owned subsidiary. The *Amended License Agreement* reflects certain revisions consistent with the terms of the letter agreement among the *Company*, *Panion* and *Keryx* entered into on October 24, 2018 that was previously disclosed (the *Letter Agreement* ).

Like the *Original Agreement*, the *Amended License Agreement* provides the *Company* with an exclusive license under *Panion*-owned know-how and patents covering the rights to sublicense, develop, make, use, sell, offer for sale, import and export ferric citrate worldwide, excluding certain Asian-Pacific countries. Consistent with the terms set forth in the *Letter Agreement*, the *Amended License Agreement* also provides *Panion* with an exclusive license under *Keryx*-owned patents covering the rights to sublicense (with the *Company* 's written consent), develop, make, use, sell, offer for sale, import and export ferric citrate in certain countries in the Asia-Pacific region (the *Licensors Territory* ). Consistent with the *Original Agreement*, under the *Amended License Agreement*, *Panion* is eligible to receive from the *Company* or any sublicensee royalty payments based on a mid-single digit percentage of sales of ferric citrate in the *Company* 's licensed territories. Consistent with the terms set forth in the *Letter Agreement*, under the *Amended License Agreement*, the *Company* is eligible to receive from *Panion* or any sublicensee royalty payments based on a mid-single digit percentage of net sales of ferric citrate in *Panion* 's licensed territories.

Pursuant to the terms of the *Amended License Agreement* and consistent with the terms set forth in the *Letter Agreement*, a joint steering committee ( *JSC* ) consisting of *Panion* and *Company* representatives will be formed to oversee the development and commercialization of Fexeric in Europe. As set forth in the *Letter Agreement*, the *JSC* will work together to reach consensus on a commercialization plan and, in the event a commercialization plan is not agreed upon within a certain period after the *Effective Date*, the *Company*, in its discretion, may launch ferric citrate in certain European countries within a certain period after the *Effective Date*, pay an annual license maintenance fee to *Panion*, or expand the *Licensors Territory* to include the European Union on terms to be negotiated by the parties. The *Amended License Agreement* further provides that each of the *Company* and *Panion* has the right, but not the obligation, to conduct litigation against any infringer of certain patent rights under the agreement in certain territories.

The *Amended License Agreement* terminates upon the expiration of each of the *Company* 's and *Panion* 's obligations to pay royalties thereunder. In addition, the *Company* may terminate the *Amended License Agreement* (i) in its entirety or (ii) with respect to one or more countries in the *Company* 's licensed territory, in either case upon 90 days' notice. The *Company* and *Panion* also each have the right to terminate the *Amended License Agreement* upon the occurrence of a material breach of the *Amended License Agreement* by the other party, subject to certain cure provisions, or certain insolvency events. The *Amended License Agreement* also provides that, on a country-by-country basis, until the second anniversary of the expiration of the obligation of the *Company* or *Panion*, as applicable, to pay royalties in a country in which such party has ferric citrate for sale on the date of such expiration, neither the other party nor its affiliates will, directly or indirectly, sell, distribute or otherwise commercialize or supply or cause to supply ferric citrate to a third party for sale or distribution in such country.

The *Amended License Agreement* includes customary terms relating to, among others, indemnification, confidentiality, remedies, and representations and warranties.

The foregoing description of the *Amended License Agreement* does not purport to be complete and is qualified in its entirety by reference to the *Amended License Agreement*, a copy of which the *Company* expects to file as an exhibit
