Item 8.01. Other Events

On January 1, 2019, the Company changed how it manages its business, allocates resources, and goes to market, which resulted in modifications to its organizational and segment structure. As a result, the Company consolidated its Condiments and Meals segments into one segment called Meal Solutions. Additionally, the Bars and Ready-to-eat cereal categories moved from the Company's Snacks and Meals segments, respectively, into the Baked Goods segment. All prior period information has been recast to reflect this change in reportable segments.

The Company manages operations on a company-wide basis, thereby making determinations as to the allocation of resources in total rather than on a segment-level basis. The Company has designated reportable segments based on how management views its business. The reportable segments, as presented below, are consistent with the manner in which the Company reports its results to the Chief Operating Decision Maker.

The Company evaluates the performance of its segments based on net sales dollars and direct operating income. Direct operating income is defined as gross profit less freight out, sales commissions, and direct selling, general, and administrative expenses.

For comparability and investor analysis purposes, the Company recasted the presentation of selected segment information by quarter for 2018 and 2017. The recast of the previous segment financial information is not a statement of previous financial statements and does not affect the Company's consolidated reported net sales, net loss, loss per share, operating income or total assets or liabilities for any of the previously reported periods. The selected segment information is furnished as Exhibit 99.2 to this report and is incorporated herein by reference. The information in this Form 8-K under Item 2.02, Item 2.05, Item 7.01, Item 8.01, Exhibit 99.1, Exhibit 99.2, Exhibit 99.3, and Exhibit 99.4 attached hereto shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific referencing in such filing.
