WE NEED YOUR PROXY VOTE

A STOCKHOLDER MAY THINK HIS OR HER VOTE IS NOT IMPORTANT, BUT IT IS VITAL. BY LAW, THE ANNUAL MEETING OF STOCKHOLDERS OF A FUND WILL HAVE TO BE ADJOURNED WITHOUT CONDUCTING ANY BUSINESS IF LESS THAN A QUORUM IS REPRESENTED. IN THAT EVENT, THE AFFECTED FUND, AT STOCKHOLDERS' EXPENSE, WOULD CONTINUE TO SOLICIT VOTES IN AN ATTEMPT TO ACHIEVE A QUORUM. CLEARLY, YOUR VOTE COULD BE CRITICAL TO ENABLE THE FUND TO HOLD THE MEETING AS SCHEDULED, SO PLEASE RETURN YOUR

COMBINED PROXY STATEMENT

Annual Meeting of Stockholders

to be held on June 13, 2018

This proxy statement is furnished in connection with a solicitation of proxies by the Board of Directors (the "Board") of each of Dreyfus Strategic Municipal Bond Fund, Inc. ("DSMB") and Dreyfus Strategic Municipals, Inc. ("DSM") (each, a "Fund" and, together, the "Funds") to be used at the Annual Meeting of Stockholders of each Fund to be held on Wednesday, June 13, 2018 at 10:00 a.m., Eastern time, at the offices of The Dreyfus Corporation, the Funds' investment adviser ("Dreyfus" or the "Investment Adviser"), at 200 Park Avenue, 7th Floor, New York, New York 10166, and at any and all adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Stockholders of record at the close of business on April 6, 2018 are entitled to be present and to vote at the meeting. Stockholders are entitled to one vote for each Fund share held and fractional votes for each fractional Fund share held. Stockholders can vote only on matters affecting the Fund(s) in which they hold shares. If a proposal is approved by stockholders of one Fund and not approved by stockholders of the other Fund, the proposal will be implemented only for the Fund that approved the proposal. Therefore, it is essential that stockholders who own shares in both Funds complete, date, sign and return each proxy card they receive, or otherwise vote by telephone or through the Internet. Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon. If any enclosed form of proxy is executed and returned, or if you have voted by telephone or through the Internet, your vote nevertheless may be revoked after it is received by giving another proxy by mail, by calling the toll-free telephone number on the proxy card or through the Internet. To be effective, such revocation must be received prior to the meeting. In addition, any stockholder who attends the meeting in person may vote by ballot at the meeting, thereby canceling any proxy previously given.

A quorum is constituted by the presence in person or by proxy of the holders of one-third of the outstanding shares of a Fund entitled to vote at the meeting. If a quorum is not present at the meeting, the stockholders present in person or by proxy, by majority vote and without notice other than by announcement at the meeting, may adjourn the meeting. If a proposal is to be voted upon by only one class of a Fund's shares, a quorum of that class of shares (the holders of one-third of the outstanding shares of the class) must be present in person or by proxy at the meeting in order for the proposal to be considered. Each Fund has two classes of capital stock: Common Stock, par value \$0.001 per share (the "Common Stock"), and Auction Preferred Stock, par value \$0.001 per share, liquidation preference \$25,000 per share (the "APS"). The APS is further divided into Series A, Series B and Series C for DSMB and Series M, Series T, Series W, Series TH and Series F for DSM. Currently, no proposal is expected to be presented at the meeting that would require separate voting for each Series of APS. As of April 6, 2018, the Funds had outstanding the following number of shares:

Name of Fund	Common Stock Outstanding	APS Outstanding
DSMB	49,369,459	1,972
DSM	62,195,578	3,156

It is estimated that proxy materials will be mailed to stockholders of record on or about April 20, 2018. To reduce expenses, only one copy of this proxy statement will be mailed to certain addresses shared by two or more accounts. If you wish to revoke this arrangement and receive individual copies, you may do so at any time by writing to the address or calling the phone number set forth below. The Fund will begin sending you individual copies promptly after receiving your request. The principal executive office of each Fund is located at 200 Park Avenue, New York, New York 10166. **Copies of each Fund's most recent Annual Report to Stockholders and, if applicable, Semi-Annual Report to Stockholders, are available upon request, without charge, by writing to the Fund at 144 Glenn Curtiss Boulevard, Uniondale, New York 11556-0144, or by calling toll-free 1-800-334-6899.**

Important Notice Regarding Internet Availability of Proxy Materials for the Annual Meeting of Stockholders to Be Held on June 13, 2018: This proxy statement and copies of each Fund's most recent Annual Report to Stockholders and, if applicable, Semi-Annual Report to Stockholders, are available at <https://im.bnymellon.com/proxymaterials>.

PROPOSAL 1: ELECTION OF DIRECTORS

Each Board is divided into three classes with the term of office of one class expiring each year. It is proposed that stockholders of each Fund consider the election of the individuals listed below (the "Nominees") as Directors of the indicated class of such Fund, to serve for the terms indicated below and until their respective successors are duly elected and qualified.

With respect to DSMB, Mr. Joseph S. DiMartino and Ms. Joni Evans are nominated to be elected as Class I Directors to serve for three-year terms, and Ms. Joan Gulley is nominated to be elected as a Class III Director to serve for a two-year term.

With respect to DSM, Mr. Burton N. Wallack and Ms. Joan Gulley and Benaree Pratt Wiley are nominated to be elected as Class III Directors to serve for three-year terms and Ms. Robin A. Melvin is nominated to be elected as a Class II Director to serve for a two-year term.

Each Nominee currently serves as a Director of each Fund, and each Nominee, except for Ms. Gulley, has previously been elected by each Fund's stockholders. Ms. Gulley was appointed to the Board by the Directors at a meeting held on October 31, 2017. Each Nominee was nominated by the respective Fund's nominating committee and has consented to being named in this proxy statement and has agreed to continue to serve as a Director of the indicated Fund if elected. Biographical information about each Nominee is set forth below. Biographical information about each Fund's Directors not standing for election at the meeting but who will continue to be Directors of the Fund (each, a "Continuing Director"), information on each Nominee's and the Continuing Directors' ownership of Fund shares and other relevant information is set forth on Exhibit A. Unless otherwise indicated, information set forth herein applies to both Funds. Except for Mr. Gordon J. Davis, a Continuing Director, none of the Nominees or Continuing Directors are "interested persons," as defined in the Investment Company Act of 1940, as amended (the "1940 Act"), of either Fund. Mr. Davis is deemed to be an "interested person" of the Funds as a result of his affiliation with Venable LLP, which provides legal services to the Funds.

Under the 1940 Act and the terms of each Fund's Charter, holders of the APS voting as a single class are entitled, to the exclusion of holders of the Common Stock, to elect two Directors. Ms. Evans is a Nominee for election by holders of DSMB's APS as a Class I Director, Ms. Melvin is a Nominee for election by holders of DSM's APS as a Class II Director and Ms. Wiley is a Nominee for election by holders of DSM's APS as a Class III Director.

Voting with regard to the election of Directors will be as follows: for DSMB, holders of Common Stock and APS will vote together as a single class with respect to the election of Class I Director Mr. DiMartino and Class III Director Ms. Gulley; for DSM, holders of Common Stock and APS will vote together as a single class with respect to the election of Class III Directors Mr. Wallack and Ms. Gulley. For DSMB, APS holders of the Fund will vote separately, to the exclusion of holders of the Common Stock, with respect to the election of Ms. Evans as a Class I Director; for DSM, APS holders of the Fund will vote separately, to the exclusion of holders of the Common Stock, with respect to the election of Ms. Melvin as a Class II Director and Ms. Wiley as a Class III Director.

The persons named as proxies on the accompanying proxy card(s) intend to vote each proxy for the election of the Nominees, unless stockholders specifically indicate on their proxies the desire to withhold authority to vote for elections to office. It is not contemplated that any Nominee will be unable to serve as a Director for any reason, but, if that should occur prior to the meeting, the proxyholders reserve the right to substitute another person or persons of their choice as nominee or nominees.

Board's Oversight Role in Management. Each Board's role in management of the respective Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to each Fund, primarily the Investment Adviser and its affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, each Board, acting at its scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including senior personnel of the Investment Adviser, the Fund's and the Investment Adviser's Chief Compliance Officer and portfolio management personnel. Each Board's audit committee (which consists of all Directors who are not "interested persons" (as defined in the 1940 Act) of the Fund ("Independent Directors")) meets during its regularly scheduled and special meetings, and between meetings the audit committee chair is available to the Fund's independent registered public accounting firm and the Fund's Chief Financial Officer. Each Board also receives periodic presentations from senior personnel of the Investment Adviser or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as cybersecurity, business continuity, personal trading, valuation, credit and investment research. As warranted, each Board also receives informational reports from each Board's independent legal counsel regarding regulatory compliance and governance matters. Each Board has adopted policies and procedures designed to address certain risks to the Fund. In addition, the Investment Adviser and other service providers to each Fund have adopted a variety of policies, procedures and controls designed to address particular risks to the Fund. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to each Fund, and the Boards' risk management oversight is subject to inherent limitations.

Board Composition and Leadership Structure. The 1940 Act requires that at least 40% of each Fund's Directors be Independent Directors and as such are not affiliated with the Investment Adviser. To rely on certain exemptive rules under the 1940 Act, a majority of each Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of each Fund's investment advisory agreement or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, except for Mr. Davis, all of each Fund's Directors, including the Chairman of the Board, are Independent Directors. Each Board has determined that its leadership structure, in which the Chairman of the Board is not affiliated with the Investment Adviser, is appropriate in light of the specific characteristics and circumstances of each Fund, including, but not limited to: (i) the services that the Investment Adviser and its affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships; (ii) the extent to which the day-to-day operations of each Fund are conducted by Fund officers and employees of the Investment Adviser and its affiliates; and (iii) each Board's oversight role in management of each Fund.

Information About Each Nominee's and Continuing Director's Experience, Qualifications, Attributes or Skills.

Each Nominee has been a Dreyfus Family of Funds board member for over twenty years, except for Ms. Gulley, who was appointed to the Board by the Directors at a meeting held on October 31, 2017. Additional information about each Nominee follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Nominee possesses which the respective Board believes has prepared them to be effective Directors (this information for the Continuing Directors is set forth on Exhibit A). Each Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. However, each Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; each Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business or professional training or practice (*e.g.*, medicine, accounting or law); public service or academic positions; experience from service as a board member (including the Board of the Fund) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The charter for each Board's nominating committee contains certain other factors considered by the committee in identifying and evaluating potential Director nominees. To assist them in evaluating matters under federal and state law, the Directors are counseled by their independent legal counsel, who participates in Board meetings and interacts with the Investment Adviser and also may benefit from information provided by the Investment Adviser's counsel; counsel to the Funds and to the Boards has significant experience advising funds and fund board members. Each Board and its committees have the ability to engage other experts as appropriate. Each Board evaluates its performance on an annual basis.

Fund Board Committees. Each Fund has standing audit, nominating, compensation and litigation committees, each comprised of its Independent Directors, except that Joseph S. DiMartino does not serve on the compensation committee.

The function of the audit committee is (1) to oversee the Fund's accounting and financial reporting processes and the audits of the Fund's financial statements and (2) to assist in the Board's oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements and the qualifications, independence and performance of the Fund's independent registered public accounting firm. A copy of each Fund's Audit Committee Charter, which describes the audit committee's purposes, duties and responsibilities, is available at www.dreyfus.com in the "Individual Investors" section under "Specialty Products — Closed End Fund Information."

Each Fund's nominating committee is responsible for selecting and nominating persons as members of the Board for election or appointment by the Board and for election by stockholders. In evaluating potential nominees, including any nominees recommended by stockholders, the committee takes into consideration the factors listed in each Fund's Nominating Committee Charter and Procedures (the "Nominating Committee Charter"), including character and integrity, and business and professional experience. The nominating committee may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. The committee will consider recommendations for nominees from stockholders submitted to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 200 Park Avenue, 7th Floor, New York, New York 10166, and including information regarding the recommended nominee as specified in the Nominating Committee Charter. The Nominating Committee Charter is not available on the Funds' or Dreyfus' website but was attached as Exhibit B to the Funds' proxy statement for the 2017 annual stockholder meeting (filed with the Securities and Exchange Commission (the "SEC") on April 21, 2017).

The function of the compensation committee is to establish the appropriate compensation for serving on the Board.

The litigation committee seeks to address any potential conflicts of interest between the Funds and the Investment Adviser in connection with any potential or existing litigation or other legal proceeding relating to securities held by a Fund and held or otherwise deemed to have a beneficial interest held by the Investment Adviser or its affiliate.

Each Fund also has a standing pricing committee comprised of any one Director. The function of the pricing committee is to assist in valuing the Fund's investments.

Compensation. Each Nominee also serves as a director of other funds in the Dreyfus fund complex. Annual retainer fees and meeting attendance fees are allocated among each Fund and those other funds on the basis of net assets, with the Chairman of each Board, Mr. DiMartino, receiving an additional 25% of such compensation. Each Fund reimburses Directors for travel and out-of-pocket expenses in connection with attending Board or committee meetings. Neither Fund has a bonus, pension, profit-sharing or retirement plan. Each emeritus Director is entitled to receive an annual retainer of one-half the amount paid as a retainer at the time the Director became emeritus and a per meeting attended fee of one-half the amount paid to Directors.

The amount of compensation paid to each Nominee by DSMB for its fiscal year ended November 30, 2017, and by DSM for its fiscal year ended September 30, 2017, and the aggregate amount of compensation paid to each such Nominee by all funds in the Dreyfus Family of Funds for which the Nominee was a board member during 2017, was as follows*:

ADDITIONAL INFORMATION

Selection of Independent Registered Public Accounting Firm

The 1940 Act requires that each Fund's independent registered public accounting firm (the "independent auditors" or "auditors") be selected by a majority of the Independent Directors. The audit committee has direct responsibility for the appointment, compensation, retention and oversight of the Fund's independent auditors. At a meeting held on October 30, 2017 for DSMB and July 31, 2017 for DSM, each Fund's audit committee approved and each Fund's Board, including a majority of the Independent Directors, ratified and approved the selection of Ernst & Young LLP ("EY") as the independent auditors for the respective Fund's fiscal year ending in 2018. EY, a major international accounting firm, has acted as independent auditors of each Fund since the Fund's organization. The audit committee's reports for DSM and DSMB are attached as Exhibits B and C, respectively, to this proxy statement.

Independent Registered Public Accounting Firm Fees and Services

The following chart reflects fees paid to EY in each Fund's last two fiscal years. For Service Affiliates (*i.e.*, Dreyfus and any entity controlling, controlled by or under common control with Dreyfus that provides ongoing services to the relevant Fund), such fees represent only those fees that required pre-approval by the audit committee, except the Aggregate Non-Audit Fees amounts, which include all non-audit fees paid to EY by the Fund and Service Affiliates. All services provided by EY were pre-approved as required.

standard-setting bodies and (v) agreed upon procedures in evaluating compliance by the Fund with the provisions of the Fund's articles supplementary, creating the series of APS.

4 Services to the Fund consisted of (i) review or preparation of U.S. federal, state, local and excise tax returns; (ii) U.S. federal, state and local tax planning, advice and assistance regarding statutory, regulatory or administrative developments; and (iii) tax advice regarding tax qualification matters and/or treatment of various financial instruments held or proposed to be acquired or held.

5 Aggregate fees from the Fund and Service Affiliates are shown under the Service Affiliates column.

Audit Committee Pre-Approval Policies and Procedures. Each Fund's audit committee has established policies and procedures (the "Policy") for pre-approval (within specified fee limits) of EY's engagement for audit and non-audit services to the Fund and non-audit services to Service Affiliates without specific case-by-case consideration. The pre-approved services in the Policy can include pre-approved audit services, pre-approved audit-related services, pre-approved tax services and pre-approved all other services. Pre-approval considerations include whether the proposed services are compatible with maintaining EY's independence. Pre-approvals pursuant to the Policy are considered annually. In addition, proposed services requiring pre-approval but not covered by the Policy are considered from time to time as necessary.

Auditor Independence. Each Fund's audit committee has considered whether the provision of non-audit services that were rendered to Service Affiliates that did not require pre-approval is compatible with maintaining EY's independence.

A representative of EY is expected to be present at the meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

Service Providers

Dreyfus, located at 200 Park Avenue, New York, New York 10166, serves as each Fund's investment adviser.

The Bank of New York Mellon, an affiliate of Dreyfus, located at 225 Liberty Street, New York, New York 10286, acts as Custodian for the assets of each Fund.

Voting Information

To vote, you may use any of the following methods:

- *By Mail.* Please complete, date and sign the enclosed proxy card for each Fund you own and mail it in the enclosed, postage-paid envelope.
- *By Internet.* Have your proxy card available. Go to the website listed on the proxy card. Enter your control number from your proxy card. Follow the instructions on the website.
- *By Telephone.* Have your proxy card available. Call the toll-free number listed on the proxy card. Enter your control number from your proxy card. Follow the recorded instructions.
- *In Person.* Any stockholder who attends the meeting in person may vote by ballot at the meeting.

Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon, and, if no voting instructions are given, shares will be voted "for" a proposal. If a proxy is properly executed and returned accompanied by instructions to withhold authority to vote or represents a broker "non-vote" (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares of a Fund on a particular matter with respect to which the broker or nominee does not have discretionary power), the Fund's shares represented thereby will be considered to be present at the meeting

for purposes of determining the existence of a quorum for the transaction of business, but will not constitute a vote "for" a proposal and will have no effect on the result of the vote.

Each Fund will bear its pro rata share of the cost of soliciting proxies based on the net assets of the Fund. In addition to the use of the mails, proxies may be solicited personally or by telephone. Authorizations to execute proxies may be obtained by electronic transmission or by telephonic instructions in accordance with procedures designed to authenticate the stockholder's identity. In all cases where a telephonic proxy is solicited (as opposed to where the stockholder calls the toll-free telephone number directly to vote), the stockholder will be asked to provide or confirm certain identifiable information and to confirm that the stockholder has received the Fund's proxy statement and proxy card in the mail. Within 72 hours of receiving a stockholder's solicited telephonic voting instructions, a confirmation will be sent to the stockholder to ensure that the vote has been taken in accordance with the stockholder's instructions and to provide a telephone number to call immediately if the stockholder's instructions are not correctly reflected in the confirmation.

OTHER MATTERS

Neither Fund's Board is aware of any other matter which may come before the meeting. However, should any such matter with respect to one or both Funds properly come before the meeting, it is the intention of the persons named in the accompanying forms of proxy to vote the proxy in accordance with their judgment on such matter.

Proposals that stockholders wish to include in a Fund's proxy statement for the Fund's next Annual Meeting of Stockholders must be sent to and received by such Fund no later than December 21, 2018 at the principal executive office of the Fund at 200 Park Avenue, New York, New York 10166, Attention: Secretary of the Fund. The date after which notice of a stockholder proposal is considered untimely, except as otherwise permitted under applicable law, is March 7, 2019.

Stockholders who wish to communicate with Directors should send communications to the attention of the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 200 Park Avenue, 7th Floor, New York, New York 10166, and communications will be directed to the Director or Directors indicated in the communication or, if no Director or Directors are indicated, to the Chairman of the Board.

REPORT OF THE AUDIT COMMITTEE

The audit committee oversees the Fund's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed and discussed the audited financial statements in the Annual Report with management.

The committee reviewed with the independent registered public accounting firm (the "independent auditors" or "auditors"), who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"). In addition, the committee has discussed with the independent auditors the auditors' independence from management and the Fund including the auditors' letter and the matters in the written disclosures required by the PCAOB.

Based on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements for the Fund be included in the Annual Report to Shareholders for the year ended September 30, 2017.
