(e)

On December 7, 2015, the Compensation Committee of the Board of Directors of QuickLogic Corporation (the "Company") established the target bonuses and performance objectives under the Company's 2005 Executive Bonus Plan (the "Plan") for 2016. The Plan, as amended, was filed in a current report on Form 8-K filed with the Securities and Exchange Commission on April 28, 2008. Bonus compensation for 2016 is dependent upon the Company's achievement of (a) annual sensor product revenue growth, and (b) annual operating income objectives as set forth in the Company's Annual Operating Plan ("AOP"). Bonuses are accrued quarterly and paid annually during the first quarter of the following fiscal year. Eighty percent of the annual sensor product revenue goal must be achieved before any bonus can be earned. Annual new product revenue in excess of 100% to 125% of the objective earns a bonus multiplier of 1.25 and annual new product revenue in excess of 125% to 150% of the objective earns a bonus multiplier of 1.5. The Chief Executive Officer's target bonus for 2016 is currently 50% of his annual base salary and each of the other participants has a target bonus for 2016 currently equal to 25% to 50% of his/her annual base salary.
