ANNUAL MEETING OF STOCKHOLDERS
June 5, 2002

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Newtek Capital, Inc. (the "Company") for the Annual Meeting of Stockholders (the "Annual Meeting") to be held at the offices of The American Stock Exchange, 86 Trinity Place, New York, NY 10006 on Wednesday, June 5, 2002, at 9:00 a.m., local time. The accompanying Notice of Annual Meeting and this Proxy Statement, together with the enclosed form of proxy, are first being mailed to stockholders on or about May 10, 2002.

VOTING AND REVOCATION OF PROXIES

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Properly executed but unmarked proxies will be voted FOR Proposal I to elect six nominees of the Board

Edgar Filing: NEWTEK CAPITAL INC - Form DEF 14A

of Directors as directors of the Company. If any other matters are properly brought before the Annual Meeting as to which proxies in the accompanying form confer discretionary authority, the persons named in the accompanying proxy will vote the shares represented thereby on such matters as determined by a majority of the Board of Directors. The proxies solicited by the Board of Directors confer discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, with respect to matters incident to the conduct of the Annual Meeting and with respect to any other matter presented to the Annual Meeting if notice of such matter has not been delivered to the Company within a reasonable time before the date of this Proxy Statement. Proxies marked as abstentions will not be counted as votes cast. In addition, shares held in street name which have been designated by brokers on proxy cards as not voted ("broker no votes") will not be counted as votes cast. Proxies marked as abstentions or as broker no votes, however, will be treated as shares present for purposes of determining whether a quorum is present.

Stockholders who execute the form of proxy enclosed herewith retain the right to revoke such proxies at any time prior to exercise. Unless so revoked, the shares represented by properly executed proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked at any time prior to exercise by written notice to the Secretary of the Company or by the filing of a properly executed, later-dated proxy. A proxy will not be voted if a stockholder attends the Annual Meeting and votes in person. The presence of a stockholder at the Annual Meeting alone will not revoke such stockholder's proxy.

VOTING SECURITIES

The securities which can be voted at the Annual Meeting consist of shares of the Company's common stock, \$.02 par value per share ("Common Stock"). Stockholders of record as of the close of business on April 30, 2002 (the "Record Date") are entitled to one vote for each share of Common Stock then held on all matters. As of the Record Date, 24,698,542 shares of the Common Stock were issued and outstanding. The presence, in person or by proxy, of at least one-third of the total number of shares of Common Stock outstanding and entitled to vote will be necessary to constitute a quorum at the Annual Meeting.

Persons and groups owning in excess of 5% of Common Stock are required to file certain reports regarding such ownership with the Company and the Securities and Exchange Commission ("SEC") pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"). See "Security Ownership of Certain Beneficial Owners."

PROPOSAL I -- ELECTION OF DIRECTORS

The Company's Certificate of Incorporation requires one class of directors to serve for a term of one year and until their successors are elected and qualified. The Board of Directors has nominated John Cox, Jeffrey G. Rubin, Jeffrey M. Schottenstein, Steven A. Shenfeld, Barry Sloane and Brian A. Wasserman to serve for a one-year term or until their successors are elected and qualified. New York law provides that directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy and entitled to vote on the election of directors.

The persons named in the proxies solicited by the Board of Directors

Edgar Filing: NEWTEK CAPITAL INC - Form DEF 14A

will vote for the election of the named nominees. Stockholders are not entitled to cumulate their votes for the election of directors. If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute director as the Board of Directors may recommend, or the Board of Directors may reduce the number of directors to eliminate the vacancy.

The following table sets forth for the nominees and for each director, including the named current executive officers, such person's name, age, the year such person first became a director and the number of shares and percentage of Common Stock beneficially owned.

The Board of Directors recommends a vote "FOR" the nominees named below as directors of the Company.

Meetings and Committees of the Board of Directors

The Board of Directors of the Company held four meetings during the year ended December 31, 2001.

The Board of Directors of the Company serves as a nominating committee for selecting the management nominees for election as directors. While the Board of Directors will consider nominees recommended by stockholders, it has not actively solicited recommendations from stockholders for nominees, nor has it established any procedures for this purpose. The Board of Directors held one meeting during the year ended December 31, 2001 in its capacity as a nominating committee.

The Board of Directors' Audit Committee consists of directors Shenfeld, Cox and Schottenstein and operates pursuant to a written charter. The Audit Committee held four meetings with respect to the year ended December 31, 2001. The Audit Committee is authorized to examine and approve the audit report prepared by the independent auditors of the Company, to review and recommend the independent auditors to be engaged by the Company, to review the internal audit function and internal accounting controls, and to review and approve conflict of interest and audit policies. In addition, the Audit Committee reviews and recommends to the Board of Directors the firm to be engaged as the independent auditor. Each of the members of the Audit Committee is an "independent director" as defined in the listing requirements of the American Stock Exchange.

The Company's Executive Committee consists of directors Rubin, Sloane and Wasserman and is authorized to take actions it deems necessary or appropriate between regular meetings of the Board. The Executive Committee did not meet during the year ended December 31, 2001.

The Company's Compensation Committee consists of directors Cox and Shenfeld, both of whom are "non-employee directors" within the meaning of the federal securities laws. The Compensation Committee evaluates the compensation and benefits of the directors, officers and employees, recommends changes, and monitors and evaluates employee performance. The Compensation Committee met one time during the year ended December 31, 2001.

All incumbent directors attended at least seventy five percent of board and committee meetings except for John Cox who attended five of eight meetings.

Report of the Audit Committee*

The Board of Directors (Board), through its Audit Committee (Committee), and in accordance with its written charter, reviews the audit function, internal controls and financial statements of the Company. The Committee consists solely of directors who are not Company employees and are considered "independent" under American Stock Exchange rules. In 2001, the Audit Committee convened four times to discuss with management and the independent auditors their respective accounting, auditing and financial reporting responsibilities with respect to the fiscal year 2001.

Edgar Filing: NEWTEK CAPITAL INC - Form DEF 14A

In connection with the December 31, 2001 financial statements of the Company, the Committee: (1) reviewed and discussed the audited and interim unaudited financial statements with management; (2) discussed with the auditors the matters required by Statement on Auditing Standards No. 61 and the independence of the auditors; and (3) received and discussed with the auditors the matters required by Independence Standards Board Statement No. 1. In discharging these oversight responsibilities as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditor and the Company that might bear on the auditors independence and discussed with the auditors any relationships that may impact their objectivity and independence. Based upon these procedures and discussions with Company management, the Committee considered whether it was necessary to exclude PricewaterhouseCoopers LLP from performing any work for the Company separate and apart from auditing the Company's financial statements. After a thorough analysis, the Committee concluded that at this time there was no conflict that would jeopardize auditor independence and that it is satisfied as to the auditors independence. The Committee also discussed with management and the independent auditors the quality and adequacy of the Company's internal controls.

The Committee, with and without management present, discussed and reviewed the results of the independent auditor's examination of the financial statements. The Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2001, with management and the independent auditors. Based upon this review and the resulting discussions, the Committee recommended to the

Board that the Company's audited financial statements be included in its Annual Report on Form 10-KSB for the fiscal year ended December 31, 2001, for filing with the Securities and Exchange Commission.

The Committee also discussed the necessity of rotating accountants for the next fiscal year, and determined that it is not legally necessary nor practically required under the present circumstances. The Committee recommends the reappointment of PricewaterhouseCoopers LLP as independent auditors for the Company for the year ending December 31, 2002.

None of the named individuals have any interest in the cash surrender value of the respective insurance policies, nor is there any understanding or agreement whereby the individuals are to be given any such interest.

Employment Agreements

The Company has entered into separate employment agreements with:

- . Barry Sloane, as Chairman and Chief Executive Officer;
- . Jeffrey G. Rubin, as President and Chief Investment Officer; and
- . Brian A. Wasserman, as Treasurer and Chief Financial Officer.

Barry Sloane, as Chairman and Chief Executive Officer, is responsible for implementing the policies adopted by the Company's board of directors. Jeffrey G. Rubin, as President and Chief Investment Officer is responsible for overseeing all of the Company's operations. Brian A. Wasserman, as Treasurer and Chief Financial Officer, is responsible for overseeing the Company's financial operations.

Each employment agreement provides for:

- . a two year term at an annual base salary of \$250,000;
- . an automatic one-year extension on the agreement's commencement

Edgar Filing: NEWTEK CAPITAL INC - Form DEF 14A

- anniversary date, unless either party provides written notice 90 days before the expiration date;
- . an annual 10% increase in base salary, the payment of which has been waived by each officer, respectively;
- . at least one annual salary review by the board of directors;
- . participation in a discretionary bonus plan;
- . retirement and medical plans, customary fringe benefits, vacation and sick leave; and
- . \$2 million of split-dollar life insurance coverage.

Each agreement contains a noncompetition provision that requires the employee to devote substantially his full business time and efforts to the performance of the employee's duties under the agreement. The employee is not prohibited, however, from:

- . serving on the boards of directors of, and holding offices or positions in, companies or organizations which, in the opinion of the board of directors, will not present conflicts of interest with the Company; or
- . investing in any business dissimilar from the Company's or, solely as a passive or minority investor, in any business.

The Company may terminate an employee's employment for "just cause" as defined in the agreement, and upon the termination, no severance benefits are available. If the Company terminates an employee without just cause, the employee will be paid within 10 days of the termination a sum equal to 2.99 times the average annual compensation he received during the five-year period immediately prior to the date of his termination. If the employee voluntarily terminates his employment for "good reason" as defined in the agreement, or the employee's employment terminates during the term of the agreement due to death, disability, or retirement after age 62, the employee will be entitled to a continuation of his salary and benefits from the date of termination through the remaining term of the agreement. The employee is able to voluntarily terminate his agreement by providing 60 days' written notice to the board of directors, in which case the employee is entitled to receive only his compensation, vested rights, and benefits up to the date of termination.

Each employment agreement contains provisions stating that in the event of the employee's involuntary termination of employment in connection with, or within one year after, any change in control of the Company, the employee will be paid within 10 days of the termination a sum equal to 2.99 times the average annual compensation he received during the five-year period immediately prior to the date of change in control. "Control" generally refers to the acquisition, by any person or entity, of the ownership or power to vote more than 25% of the Company's voting stock, or the control of the election of a majority of directors or the exercise of a controlling influence over the Company's management or policies.

Each employment agreement also provides for a similar lump sum payment to be made in the event of the employee's voluntary termination of employment within 30 days of a change in control, or within 90 days thereafter,

of certain specified events following any change in control, whether approval by the Board of Directors or otherwise which have not been consented to in writing by the employee including:

- . requiring the employee to move his personal residence or perform his principal executive functions more than 90 miles from the employee's primary office;

Edgar Filing: NEWTEK CAPITAL INC - Form DEF 14A

- . failing to maintain existing employee benefit plans, including material vacation, fringe benefits, and retirement plans;
- . assigning duties and responsibilities to the employee which are other than those normally associated with his position;
- . materially diminishing the employee's authority and responsibility; and
- . failing to elect or re-elect the employee to the Company's board of directors.

Each agreement provides that within three business days of a change in control, the Company shall fund, or cause to be funded, a trust in an amount equal to 2.99 times the average annual compensation the employee received during the five-year period immediately prior to the date of change in control. These provisions may have an anti-takeover effect by making it more expensive for a potential acquirer to obtain control of the Company. If the Company loses a legal dispute as to the employment agreement, the Company will reimburse the employee's legal and other expenses.

Cash Bonus Plan

The Company has established the Newtek Capital, Inc. Cash Bonus Plan for the purpose of providing its employees with incentive compensation in the form of cash bonuses. All full-time employees are eligible to receive cash bonuses under the plan. If an employee's employment is terminated for "cause" as defined in the plan, then the employee shall be ineligible to receive a bonus, and an employee whose employment otherwise terminates shall be eligible for a bonus that fiscal year, prorated to the number of days the employee was employed by the Company during its fiscal year. The Compensation Committee administers the plan. Bonuses are paid at the discretion of the Compensation Committee or the full Board of Directors. The aggregate amount of bonuses payable for any fiscal year are established by the Board of Directors and are based in part on the Company's pre-tax net profit for that fiscal year.

PROPOSAL II - AMENDMENT OF STOCK INCENTIVE PLAN

The Newtek Capital, Inc. 2000 Stock Incentive and Deferred Compensation Plan (the "Plan") currently provides for the issuance of awards of restricted shares or options for up to a maximum of 2,250,000 shares of Common Stock. The Board of Directors has approved an amendment to the Plan which, subject to the approval of the stockholders, would increase the number of shares available for issuance under the Plan by 2 million, for a total of 4,250,000 shares of Common Stock. This would represent a total of approximately 14.68 percent of the shares of Common Stock issued and outstanding, on a fully diluted basis. No other features of the Plan are to be amended. The Plan is described below.

Management of the Company and the Compensation Committee or the Board have used the awards available under the Plan to supplement the Company's resources to attract and retain a growing staff of high quality employees and consultants for the Company. The essential aspect of incentive stock awards remains highly desirable for a growing business such as the Company and the Board wishes to maintain this tool for use as part of the overall compensation strategy of the Company. The incentive provided to our employees and others associated with the Company is irreplaceable as a management tool. In addition, your Company has used this tool judiciously. Other than grants to the non-employee directors pursuant to the Plan, which total 1.29% of all available shares under the Plan, no awards have been made to any directors, whether employees or independent directors.

Because the Company, its subsidiaries and affiliated companies are proliferating and growing, the need to attract and retain a growing work forces

is also growing. In order to do so, management and the Board have concluded that amendment of the Plan to increase from 2,250,000 to 4,250,000 shares available for issuance under the Plan is proper. The Plan has been so amended by the Board, subject to approval by the holders of the Company's shares.

The Board of Directors recommends a vote "FOR" the amendment to increase the number of shares available for issuance under the Plan.

Newtek Capital, Inc. 2000 Stock Incentive and Deferred Compensation Plan

The purpose of the Plan is to advance the interests of the Company by providing eligible directors and employees of the Company and its affiliates with the opportunity to acquire shares of Common Stock. By encouraging stock ownership, the Company seeks to attract, retain, and motivate the best available personnel for positions of substantial responsibility and to provide additional incentive to directors and employees of the Company and its affiliates to promote the success of the business. The Plan also has deferred compensation features that are intended to provide deferred income and retirement benefits for the Company's directors and any officers selected by its board of directors. The Plan is not tax-qualified under Section 401 of the Internal Revenue Code, and the deferred compensation features of the Plan are unfunded and primarily for a select group of directors, management or highly compensated employees.

Description of the Plan

Administration. The plan is administered by the Compensation Committee which has discretionary authority to:

- . select participants and grant awards;
- . determine the form and content of any awards granted under the plan;
- . interpret the plan;
- . prescribe, amend and rescind rules and regulations relating to the plan; and
- . make other decisions necessary or advisable for the administration of the plan.

Eligible Persons; Types of Awards. Under the plan, the Compensation Committee has discretionary authority to grant to employees and directors of the Company, its subsidiaries or affiliates, including members of the Compensation Committee, the following awards:

- . stock options ("Options");
- . stock appreciation rights ("SARs");
- . restricted share awards ("Restricted Stock Awards");
- . and deferred shares ("Deferred Shares").

Shares Available for Grants. The plan currently reserves 2,250,000 shares of Common Stock for issuance upon the exercise of options or SARs, as well as upon the distribution of Deferred Shares and shares subject to Restricted Share Awards. These shares may be:

- . authorized but unissued shares;
- . shares held in treasury; or
- . shares held in a grantor trust.

Options; Exercise Price. Options may be either incentive stock options ("ISOs") as defined in Section 422 of the Internal Revenue Code, or Options that are not ISOs ("Non-ISOs"). The exercise price as to any ISO may not be less than the fair market value (determined under the plan) of the optioned shares on the date of grant. In the case of a participant who owns more than 10% of the

Edgar Filing: NEWTEK CAPITAL INC - Form DEF 14A

outstanding Common Stock on the date of receiving an ISO grant, its exercise price may not be less than 110% of fair market value of the shares. As required by federal tax laws, to the extent that the aggregate fair market value (determined when an ISO is granted) of the Common Stock with respect to which ISOs are exercisable by a participant for the first time during any calendar year (under all plans of the Company and of any subsidiary) exceeds \$100,000, the ISOs granted in excess of \$100,000 will be treated as Non-ISOs. The exercise price as to any Non-ISO may not be less than 50% of the fair market value of the optioned shares on the date of grant.

SARs. An SAR may be granted in tandem with all or part of any Option granted under the plan, or without any relationship to any Option. An SAR granted in tandem with an ISO must expire no later than the ISO, must have the same exercise price as the ISO and may be exercised only when the ISO is exercisable and when the fair market value of the shares subject to the ISO exceeds the exercise price of the ISO. For SARs granted in tandem with Options, the participant's exercise of the SAR cancels his or her right to exercise the Option, and vice versa. Regardless of whether an SAR is granted in tandem with an Option, exercise of the SAR will entitle the participant to receive, as the Compensation Committee prescribes in the grant, all or a percentage of the difference between:

- . the fair market value of the shares of Common Stock subject to the SAR at the time of its exercise; and
- . the fair market value of the shares of Common Stock at the time the SAR was granted (or, in the case of SARs granted in tandem with Options, the exercise price).

The exercise price as to any particular SAR may not be less than the fair market value of the optioned shares on the date of grant.

Reload Option. For each share of Common Stock purchased upon the exercise of an Option within 2 years after the date on which the Option first became exercisable, the participant will, if so stated in the award, receive a new Option ("Reload Option") to purchase an additional share of Common Stock. Reload Options vest and become exercisable two years after the grant date, and the number of shares of Common Stock subject to a Reload Option shall be reduced for each share of Common Stock the participant sells or otherwise disposes of between the grant date and the exercise date without prior Compensation Committee approval.

Deferred Compensation; Deferred Shares. The Compensation Committee may permit the Company's executive officers and directors to elect to defer the receipt of their cash compensation. Deferred amounts are credited to a bookkeeping account (the "Account") in the name of the participant. Participants may irrevocably invest all or a portion of their Account in Common Stock, which case the Compensation Committee shall credit the participant's Account with Deferred Shares that have a fair market value equal to the compensation deferred. The Compensation Committee may permit participants to elect to have their Account credited with an alternative investment return in lieu of deferred shares. After a participant terminates service, his or her Account balance will be distributed in five annual installments, subject to the participant's right to elect a different payout term and commencement date. Distributions of Deferred Share shall be made in Common Stock. Any distribution of Common Stock will include earnings that accrued after the date the participant's Account was initially credited with Deferred Shares (with cash dividends being converted into Deferred Shares at the end of each fiscal year).

Grantor Trust. The Company may establish a grantor trust (the "Trust") and contribute Common Stock to the Trust for the purpose of paying benefits under

Edgar Filing: NEWTEK CAPITAL INC - Form DEF 14A

the plan. The establishment of a Trust shall not effect the status of the plan as mere unfunded promise to pay benefits in the future and the status of plan participants as general unsecured creditors of the Company. To the extent Common Stock is held in a Trust, shall be voted by the trustee of the Trust in the manner directed by the Company's board of directors and, in the absence of direction, the shares shall be voted in the discretion of the trustee.

Restricted Share Awards. The Compensation Committee has the discretion to select employees and directors of the Company who will receive discretionary Restricted Stock Awards. Unless a different vesting schedule is specified by the Compensation Committee, each Restricted Stock Award will vest with respect to 25% of the underlying shares after each year of service (as defined in the plan). One share of Common Stock will be distributed for each restricted share earned as soon as practical after the restricted shares have been earned. Whenever shares of Common Stock are distributed pursuant to a Restricted Share Award, the distribution shall include an amount equal to any cash dividends (including special large and nonrecurring dividends, including one that has the effect of a return of capital to the Company's stockholders) and a number of shares of Common Stock equal to any stock dividends, declared and paid with respect to a share of Common Stock between the date the relevant Restricted Stock Award was initially granted to the participant and the date the shares are being distributed. There shall also be distributed an appropriate amount of net earnings, if any, of the Trust with respect to any cash dividends so paid out. Participants may irrevocably elect to defer the receipt of Common Stock and have their Account credited with Deferred Shares equal to the Common Stock deferred.

Nontransferability. Participants may transfer non-ISOs, SARs, and Restricted Share Awards to family members or trusts under specified circumstances. Awards may not otherwise be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent and distribution. In addition, Common Stock that is received pursuant to an Award may not be sold within the six-month period following the grant date of that Award, except in the event of the participant's death or disability, or another event as the board of directors may specifically deem appropriate. A participant may not assign his or her claim to deferred compensation and associated earning during his or her lifetime. A participant's right to deferred compensation and associated earning shall at all times constitute an unsecured promise of the Company to pay benefits as they come due. Neither the participant nor his or her beneficiary will have any claim against or rights in any specific assets of the Company.

Effect of Dissolution and Related Transactions. Upon the earlier of a change in control (as defined in the plan) or the execution of an agreement to effect a change in control;

- . all Awards will become fully vested; and
- . the Company will fund a Trust with an amount equal to the aggregate Account balances under the plan.

All outstanding Awards, together with the exercise prices thereof, will be equitably adjusted for any change or exchange of shares for a different number or kind of shares or other securities which results from any of the following Transactions (referred to herein as a "Transaction"):

- . the liquidation or dissolution of the Company;
- . a merger or consolidation in which the Company is not the surviving entity; or
- . the sale or disposition of all or substantially all of the Company's assets.

Edgar Filing: NEWTEK CAPITAL INC - Form DEF 14A

However, any adjustment will be made in a manner as to not constitute a modification, within the meaning of Section 424(h) of the Internal Revenue Code, of outstanding ISOs.

Duration of the Plan and Awards. The plan will remain in effect until terminated by the Company's Board of Directors, but Options may not be granted under the plan ten years after the effective date. The maximum term for an Option or SAR is 10 years from the date of grant, except that the maximum term of an ISO (and an SAR granted in tandem with an ISO) may not exceed five years if the participant owns more than 10% of the Common Stock on the date of grant. The expiration of the plan, or its termination by the Compensation Committee, will not affect any Award then outstanding.

Modification of Options. At any time, and from time to time, the Board may authorize the Compensation Committee to modify any outstanding Option, provided that no modification may confer on the holder of the Option any right or benefit which could not be conferred on him by the grant of a new Option, or impair the Option without his consent.

Amendment and Termination of the Plan. The Board of Directors may from time to time amend the terms of the plan and, with respect to any shares at the time not subject to Awards, suspend or terminate the plan. No amendment, suspension, or termination of the plan will, without the consent of any affected participant, alter or impair any rights or obligations under any Award previously granted.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% stockholders are required to furnish the Company with copies of all such reports. Based solely on its review of copies of such reports received by it, or written representations from certain reporting persons that no annual report of change in beneficial ownership is required, the Company believes that during the year ended December 31, 2001, with the one exception noted, all such filing requirements were complied with. Director Shenfeld failed to file timely an ownership report for the award of options acquired, but all required reports have been filed as of the date hereof.

Related Party Transactions

During the years ended December 31, 2001 and 2000, the Company obtained financial consulting services from the firm of Janover Rubenroit, in the amounts of \$157,000 and \$144,000, respectively. Two partners of Janover Rubinroit are related to one of the Company's directors as father-in-law and brother-in-law, and they collectively hold approximately 49 percent of the ownership of Janover Rubinroit.

INDEPENDENT AUDITORS

PricewaterhouseCoopers LLP served as the Company's independent auditors for the year ended December 31, 2001. The Board of Directors has renewed the Company's arrangement with PricewaterhouseCoopers LLP to serve as the Company's independent auditors for the fiscal year ending December 31, 2002. A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if he so desires.

Financial Information Systems Design and Implementation Fees: The Company did not engage PricewaterhouseCoopers LLP to provide advice regarding financial information systems design and implementation during the fiscal year ended December 31, 2001.

Edgar Filing: NEWTEK CAPITAL INC - Form DEF 14A

. Certified capital company, consultation and assistance	\$27,000

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of PricewaterhouseCoopers LLP. See "...Report of Audit Committee."

Properly executed proxies in the accompanying form that have not been revoked confer discretionary authority on the persons named therein to vote at the direction of a majority of the Board of Directors on any other matters presented at the Annual Meeting. In addition to solicitations by mail, directors, officers and regular employees of the Company may solicit proxies personally, by telegraph or telephone without additional compensation.

The Annual Report to Stockholders for the year ended December 31, 2001, including financial statements, is being mailed to all stockholders of record as of the close of business on the Record Date. Any stockholder who has not received a copy of such Annual Report may obtain a copy by writing to the Secretary of the Company. Such Annual Report is not to be treated as part of the proxy solicitation material nor as having been incorporated herein by reference.
