INFORMATION ABOUT THIS PROXY STATEMENT

Why you received this proxy statement. You are viewing or have received these proxy materials because The Container Store's Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting. This proxy statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission ("SEC") and that is designed to assist you in voting your shares.

Notice of Internet Availability of Proxy Materials. As permitted by SEC rules, The Container Store is making this proxy statement and its 2014 Annual Report available to its shareholders electronically via the Internet. On or about June 16, 2015, we mailed to our shareholders a Notice of Internet Availability of Proxy Materials (the "Internet Notice") containing instructions on how to access this proxy statement and our 2014 Annual Report and vote online. If you received an Internet Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you specifically request them. Instead, the Internet Notice instructs you on how to access and review all of the important information contained in the proxy statement and 2014 Annual Report. The Internet Notice also instructs you on how you may submit your proxy over the Internet. If you received an Internet Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials contained on the Internet Notice.

Printed Copies of Our Proxy Materials. If you received printed copies of our proxy materials, then instructions regarding how you can vote are contained on the proxy card included in the materials.

Householding. The SEC's rules permit us to deliver a single Internet Notice or set of proxy materials to one address shared by two or more of our shareholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one Internet Notice or one set of proxy materials to multiple shareholders who share an address, unless we received contrary instructions from the impacted shareholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the Internet Notice or proxy materials, as requested, to any shareholder at the shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of the Internet Notice or proxy materials, contact Broadridge Financial Solutions, Inc. at (800) 542-1061 or in writing at Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717.

If you are currently a shareholder sharing an address with another shareholder and wish to receive only one copy of future Internet Notices or proxy materials for your household, please contact Broadridge at the above phone number or address.

Questions and Answers about the 2015 Annual Meeting of Shareholders

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

The Record Date for the Annual Meeting is June 9, 2015. You are entitled to vote at the Annual Meeting only if you were a shareholder of record at the close of business on that date, or if you hold a valid proxy for the Annual Meeting. Each outstanding share of Common Stock is entitled to one vote for all matters before the Annual Meeting. At the close of business on the Record Date, there were 47,983,804 shares of Common Stock issued and outstanding and entitled to vote at the Annual Meeting.

WHAT IS THE DIFFERENCE BETWEEN BEING A "RECORD HOLDER" AND HOLDING SHARES IN "STREET NAME"?

A record holder holds shares in his or her name. Shares held in "street name" means shares that are held in the name of a bank or broker on a person's behalf.

AM I ENTITLED TO VOTE IF MY SHARES ARE HELD IN "STREET NAME"?

Yes. If your shares are held by a bank or a brokerage firm, you are considered the "beneficial owner" of those shares held in "street name." If your shares are held in street name, these proxy materials are being provided to you by your bank or brokerage firm, along with a voting instruction card if you received printed copies of our proxy materials. As the beneficial owner, you have the right to direct your bank or brokerage firm how to vote your shares, and the bank or brokerage firm is required to vote your shares in accordance with your instructions. If your shares are held in street name, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your bank or brokerage firm.

HOW MANY SHARES MUST BE PRESENT TO HOLD THE ANNUAL MEETING?

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority in voting power of the Common Stock issued and outstanding and entitled to vote on the Record Date will constitute a quorum.

WHO CAN ATTEND THE 2015 ANNUAL MEETING OF SHAREHOLDERS?

You may attend the Annual Meeting only if you are a The Container Store shareholder who is entitled to vote at the Annual Meeting, or if you hold a valid proxy for the Annual Meeting. If you plan to attend the Annual Meeting, you must RSVP by checking the appropriate box on www.proxyvote.com, if you vote over the Internet, or on the proxy card, if you vote by mail. If you vote by telephone, you must follow the prompt to RSVP. In order to be admitted into the Annual Meeting, your name must appear on the attendance list and you must present government-issued photo identification (such as a driver's license).

WHAT IF A QUORUM IS NOT PRESENT AT THE ANNUAL MEETING?

If a quorum is not present at the scheduled time of the Annual Meeting, (i) the chairperson of the Annual Meeting or (ii) a majority in voting power of the shareholders entitled to vote at the Annual Meeting, present in person or represented by proxy, may adjourn the Annual Meeting.

QUESTIONS AND ANSWERS ABOUT THE 2015 ANNUAL MEETING OF SHAREHOLDERS

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE INTERNET NOTICE OR MORE THAN ONE SET OF PROXY MATERIALS?

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, for each Internet Notice or set of proxy materials, please submit your proxy by phone, via the Internet, or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope.

HOW DO I VOTE?

We recommend that shareholders vote by proxy even if they plan to attend the Annual Meeting and vote in person. If you are a shareholder of record, there are three ways to vote by proxy:

by Internet You can vote over the Internet at www.proxyvote.com by following the instructions on the Internet Notice or proxy card;

by Telephone You can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card; or

by Mail You can vote by mail by signing, dating and mailing the proxy card, which you may have received by mail.

Internet and telephone voting facilities for shareholders of record will be available 24 hours a day and will close at 11:59 p.m., Eastern time, on August 2, 2015.

If your shares are held in street name through a bank or broker, you will receive instructions on how to vote from the bank or broker. You must follow their instructions in order for your shares to be voted. Internet and telephone voting also may be offered to shareholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you would like to vote your shares in person at the Annual Meeting, you should contact your bank or broker to obtain a legal proxy and bring it to the Annual Meeting in order to vote.

CAN I CHANGE MY VOTE AFTER I SUBMIT MY PROXY?

Yes.

If you are a registered shareholder, you may revoke your proxy and change your vote:

by submitting a duly executed proxy bearing a later date;

by granting a subsequent proxy through the Internet or telephone;

by giving written notice of revocation to the Secretary of The Container Store prior to or at the Annual Meeting; or

by voting in person at the Annual Meeting.

Your most recent proxy card or Internet or telephone proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Secretary before your proxy is voted or you vote in person at the Annual Meeting.

If your shares are held in street name, you may change or revoke your voting instructions by following the specific directions provided to you by your bank or broker, or you may vote in person at the Annual Meeting by obtaining a legal proxy from your bank or broker and submitting the legal proxy along with your ballot.

WHO WILL COUNT THE VOTES?

A representative of Broadridge Financial Solutions, Inc., our inspector of election, will tabulate and certify the votes.

QUESTIONS AND ANSWERS ABOUT THE 2015 ANNUAL MEETING OF SHAREHOLDERS

WHAT IF I DO NOT SPECIFY HOW MY SHARES ARE TO BE VOTED?

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board of Directors. The Board of Directors' recommendations are indicated on page 2 of this proxy statement, as well as with the description of each proposal in this proxy statement.

WILL ANY OTHER BUSINESS BE CONDUCTED AT THE ANNUAL MEETING?

We know of no other business that will be presented at the Annual Meeting. If any other matter properly comes before the shareholders for a vote at the Annual Meeting, however, the proxy holders named on the Company's proxy card will vote your shares in accordance with their best judgment.

HOW MANY VOTES ARE REQUIRED FOR THE APPROVAL OF THE PROPOSALS TO BE VOTED UPON AND HOW WILL ABSTENTIONS AND BROKER NON-VOTES BE TREATED?

Proposal	Votes required	Effect of Votes Withheld / Abstentions and Broker Non-Votes
<u>Proposal 1</u> : Election of Directors	The plurality of the votes cast. This means that the four nominees receiving the highest number of affirmative "FOR" votes will be elected as Class II Directors.	Votes withheld and broker non-votes will have no effect.
<u>Proposal 2</u> : Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of the holders of a majority in voting power of the shares of Common Stock of the Company which are present in person or by proxy and entitled to vote on the proposal.	Abstentions will have the same effect as votes against the proposal. We do not expect any broker non-votes on this proposal.

WHAT IS AN ABSTENTION AND HOW WILL VOTES WITHHELD AND ABSTENTIONS BE TREATED?

A "vote withheld," in the case of the proposal regarding the election of directors, or an "abstention," in the case of the proposal regarding the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm, represents a shareholder's affirmative choice to decline to vote on a proposal. Votes withheld and abstentions are counted as present and entitled to vote for purposes of determining a quorum. Votes withheld have no effect on the election of directors. Abstentions have the same effect as votes against on the ratification of the appointment of Ernst & Young LLP.

WHAT ARE BROKER NON-VOTES AND DO THEY COUNT FOR DETERMINING A QUORUM?

Generally, broker non-votes occur when shares held by a broker in "street name" for a beneficial owner are not voted with respect to a particular proposal because the broker (1) has not received voting instructions from the beneficial owner and (2) lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a beneficial owner on routine matters, such as the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm, without instructions from the beneficial owner of those shares. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on non-routine matters, such as the election of directors. Broker non-votes count for purposes of determining whether a quorum is present.

WHERE CAN I FIND THE VOTING RESULTS OF THE 2015 ANNUAL MEETING OF SHAREHOLDERS?

Edgar Filing: Container Store Group, Inc. - Form DEF 14A

We plan to announce preliminary voting results at the Annual Meeting and we will report the final results in a Current Report on Form 8-K, which we intend to file with the SEC shortly after the Annual Meeting.

PROPOSALS TO BE VOTED ON PROPOSAL 1

Election of Directors

At the Annual Meeting, four (4) Class II Directors are to be elected to hold office until the Annual Meeting of Shareholders to be held in 2018 and until such director's successor is elected and qualified or until such director's earlier death, resignation or removal.

We currently have eleven (11) Directors on our Board. The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the four nominees receiving the highest number of affirmative "FOR" votes will be elected as Class II Directors. Votes withheld and broker non-votes will have no effect on the outcome of the vote on this proposal.

Our Board of Directors is currently divided into three classes with staggered, three-year terms. At each annual meeting of shareholders, the successor to each director whose term then expires will be elected to serve from the time of election and qualification until the third annual meeting of shareholders following election or such director's death, resignation or removal, whichever is earliest to occur. The current class structure is as follows: Class I, whose term will expire at the 2017 Annual Meeting of Shareholders; Class II, whose term currently expires at the 2015 Annual Meeting of Shareholders and whose subsequent term will expire at the 2018 Annual Meeting of Shareholders; and Class III, whose term will expire at the 2016 Annual Meeting of Shareholders and whose subsequent term will expire at the 2019 Annual Meeting of Shareholders. The current Class I Directors are Daniel Meyer, Jonathan D. Sokoloff and Sharon Tindell; the current Class II Directors are J. Kristofer Galashan, Melissa Reiff, Rajendra ("Raj") Sisodia and Caryl Stern; and the current Class III Directors are William A. ("Kip") Tindell, III, Timothy J. Flynn, Robert E. Jordan and Walter Robb.

As indicated in our Amended and Restated Certificate of Incorporation, our Board of Directors consists of such number of directors as determined from time to time by resolution adopted by a majority of the total number of authorized directors. Any additional directorships resulting from an increase in the number of directors may be filled only by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board of Directors. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. Because Leonard Green & Partners ("LGP") controls a majority of the voting power of our Common Stock, we expect that LGP will control the election of our Directors.

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote the shares of Common Stock represented by the proxy for the election as Class II Directors the persons whose names and biographies appear below. All of the persons whose names and biographies appear below are currently serving as our directors. In the event any of the nominees should become unable to serve or for good cause will not serve as a director, it is intended that votes will be cast for a substitute nominee designated by the Board of Directors or the Board may elect to reduce its size. The Board of Directors has no reason to believe that the nominees named below will be unable to serve if elected. Each of the nominees has consented to being named in this proxy statement and to serve if elected.

VOTE REQUIRED

The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the four nominees receiving the highest number of affirmative "FOR" votes will be elected as Class II Directors. Votes withheld and broker non-votes will have no effect on the outcome of the vote on this proposal.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors unanimously recommends a vote FOR the election of the below Class II Director nominees.

PROPOSAL 2

Ratification of Appointment of Independent Registered Public Accounting Firm

Our Audit Committee has appointed Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending February 27, 2016. Our Board has directed that this appointment be submitted to our shareholders for ratification. Although ratification of our appointment of Ernst & Young LLP is not required, we value the opinions of our shareholders and believe that shareholder ratification of our appointment is a good corporate governance practice.

Ernst & Young LLP also served as our independent registered public accounting firm for the fiscal year ended February 28, 2015. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors, providing audit and non-audit related services. A representative of Ernst & Young LLP is expected to attend the Annual Meeting and be available to respond to appropriate questions from shareholders.

In the event that the appointment of Ernst & Young LLP is not ratified by the shareholders, the Audit Committee will consider this fact when it appoints the independent auditors for the fiscal year ending February 27, 2016. Even if the appointment of Ernst & Young LLP is ratified, the Audit Committee retains the discretion to appoint a different independent auditor at any time if it determines that such a change is in the interests of The Container Store.

VOTE REQUIRED

This proposal requires the approval of the affirmative vote of the holders of a majority in voting power of the shares of Common Stock of the Company which are present in person or by proxy and entitled to vote thereon. Abstentions will have the same effect as a vote against this proposal. Because brokers have discretionary authority to vote on the ratification of the appointment of Ernst & Young LLP, we do not expect any broker non-votes in connection with this proposal.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors unanimously recommends a vote FOR the Ratification of the Appointment of Ernst & Young LLP as our Independent Registered Public Accounting Firm.

The Container Store's independent registered public accounting firm also provided the Audit Committee with a formal written statement required by PCAOB Rule 3526 (*Communications with Audit Committees Concerning Independence*) describing all relationships between the independent registered public accounting firm and The Container Store, including the disclosures required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. In addition, the Audit Committee discussed with the independent registered public accounting firm its independence from The Container Store. Based on its discussions with management and the independent registered public accounting firm, and its review of the representations and information provided by management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in The Container Store's Annual Report on Form 10-K for the fiscal year ended February 28, 2015.

Corporate Governance

GENERAL

Our Board of Directors has adopted Corporate Governance Guidelines, a Code of Business Conduct and Ethics and charters for our Nominating and Corporate Governance Committee, Audit Committee and Culture and Compensation Committee to assist the Board in the exercise of its responsibilities and to serve as a framework for the effective governance of the The Container Store. You can access our current committee charters, our Corporate Governance Guidelines and our Code of Business Conduct and Ethics in the "Corporate Governance" section of the "Investor Relations" page of our website located at www.containerstore.com, or by writing to our Secretary at our offices at 500 Freeport Parkway, Coppell, Texas 75019.

BOARD COMPOSITION

Our Board of Directors currently consists of eleven (11) members: Timothy J. Flynn, J. Kristofer Galashan, Robert E. Jordan, Daniel Meyer, Melissa Reiff, Walter Robb, Rajendra ("Raj") Sisodia, Jonathan D. Sokoloff, Caryl Stern, Sharon Tindell and William A. ("Kip") Tindell, III. As indicated in our Amended and Restated Certificate of Incorporation, our Board of Directors consists of such number of directors as determined from time to time by resolution adopted by a majority of the total number of authorized directors. Any additional directorships resulting from an increase in the number of directors may be filled only by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board of Directors.

Our Board of Directors is currently divided into three classes with staggered, three-year terms. At each annual meeting of shareholders, the successor to each director whose term then expires will be elected to serve from the time of election and qualification until the third annual meeting following election or such director's death, resignation or removal, whichever is earliest to occur. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. Because LGP controls a majority of the voting power of our Common Stock, we expect that LGP will control the election of our Directors.

VOTING AGREEMENT

In connection with the initial public offering of our Common Stock, completed on November 6, 2013 (our "IPO"), the affiliates of LGP which own our Common Stock and the management directors entered into a voting agreement (the "Voting Agreement"). Pursuant to the terms of this agreement, for so long as such LGP affiliates and the management directors collectively hold at least 40% of our outstanding Common Stock, or the agreement is otherwise terminated in accordance with its terms, the affiliates of LGP have agreed to vote their shares of our Common Stock in favor of the election of Ms. Reiff, Ms. Tindell and Mr. Tindell to our Board of Directors upon their nomination by the Nominating and Corporate Governance Committee and Ms. Reiff, Ms. Tindell and Mr. Tindell have agreed to vote their shares of our Common Stock in favor of the election of the directors affiliated with LGP upon their nomination by the Nominating and Corporate Governance Committee.

CONTROLLED COMPANY EXEMPTIONS

Certain affiliates of LGP and certain members of our management control a majority of the voting power of our outstanding Common Stock. As a result, we are a "controlled company" under the rules of the New York Stock Exchange ("NYSE"). As a controlled company, we are not required to comply with certain corporate governance requirements, including the following requirements: that a majority of our Board of Directors consists of "independent directors," as defined under the NYSE rules; that we have a nominating and corporate governance committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities; that we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities; and that we conduct an annual performance evaluation of our Nominating and Corporate Governance Committee and Culture and Compensation Committee.

Table of Contents

CORPORATE GOVERNANCE

DIRECTOR INDEPENDENCE

Our Board of Directors has affirmatively determined that each of Timothy J. Flynn, J. Kristofer Galashan, Robert E. Jordan, Daniel Meyer, Walter Robb, Rajendra ("Raj") Sisodia, Jonathan Sokoloff and Caryl Stern is an "independent director," as defined under NYSE rules. In evaluating and determining the independence of the directors, the Board considered that The Container Store may have certain relationships with its directors. Specifically, the Board considered that Messrs. Flynn, Galashan and Sokoloff are affiliated with LGP, which owns approximately 57.4% of our outstanding Common Stock as of June 9, 2015. The Board determined that this relationship does not impair their independence from us and our management.

DIRECTOR CANDIDATES

The Nominating and Corporate Governance Committee is responsible for identifying and reviewing the qualifications of potential director candidates and recommending to the Board those candidates to be nominated for election to the Board, subject to any obligations and procedures governing the nomination of directors to the Board of Directors that may be included in any stockholders agreement to which we are a party.

To facilitate the search process for director candidates, the Nominating and Corporate Governance Committee may solicit our current directors and executives for the names of potentially qualified candidates or may ask directors and executives to pursue their own business contacts for the names of potentially qualified candidates. The Nominating and Corporate Governance Committee may also consult with outside advisors or retain search firms to assist in the search for qualified candidates, or consider director candidates recommended by our shareholders. Caryl Stern, a Class II director nominee elected to the Board in 2014, was recommended by an industry trade association.

Once potential candidates are identified, the Nominating and Corporate Governance Committee reviews the backgrounds of those candidates, evaluates candidates' independence from us and potential conflicts of interest and determines if candidates meet the qualifications desired by the committee of candidates for election as director.

In accordance with our Corporate Governance Guidelines, in evaluating the suitability of individual candidates, the Nominating and Corporate Governance Committee will consider (i) minimum individual qualifications, including strength of character, mature judgment, industry knowledge or experience and an ability to work collegially with the other members of the Board and (ii) all other factors it considers appropriate, which may include age, gender and ethnic and racial background, existing commitments to other businesses, potential conflicts of interest with other pursuits, legal considerations such as antitrust issues, corporate governance background, relevant business or government acumen, financial and accounting background, executive compensation background and the size, composition and combined expertise of the existing Board. In particular, experience, qualifications or skills in the following areas are particularly relevant: retail merchandising; marketing and advertising; consumer goods; sales and distribution; accounting, finance, and capital structure; strategic planning and leadership of complex organizations; legal/regulatory and government affairs; people management; communications and interpersonal skills and board practices of other major corporations. Our Corporate Governance Guidelines provide that the Board should monitor the mix of specific experience, qualifications and skills of its directors in order to assure that the Board, as a whole, has the necessary tools to perform its oversight function effectively in light of the Company's business and structure.

Shareholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential Director candidates by submitting the names of the recommended individuals, together with appropriate biographical information and background materials, to the Nominating and Corporate Governance Committee, c/o Secretary, The Container Store Group, Inc., 500 Freeport Parkway, Coppell, Texas 75019. In the event there is a vacancy, and assuming that appropriate biographical and background material has been provided on a timely basis, the Committee will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

COMMUNICATIONS FROM INTERESTED PARTIES

Anyone who would like to communicate with, or otherwise make his or her concerns known directly to the lead director, chairperson of any of the Audit, Nominating and Corporate Governance, and Culture and Compensation Committees, or to the non-management or independent directors as a group, may do so by addressing such

communications or concerns to the Secretary of the Company, 500 Freeport Parkway, Coppell, Texas, 75019, who will forward such communications to the appropriate party. Such communications may be done confidentially or anonymously.

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

Our Corporate Governance Guidelines provide that the roles of Chairman of the Board and Chief Executive Officer may be separated or combined, and our Board of Directors exercises its discretion in combining or separating these positions as it deems appropriate in light of prevailing circumstances. Currently, the roles are combined, with Mr. Tindell serving as Chairman of the Board and Chief Executive Officer. We believe that we, like many U.S. companies, are well-served by a flexible leadership structure. Our Board of Directors will continue to consider whether the positions of Chairman of the Board and Chief Executive Officer should be separated or combined at any given time as part of our succession planning process.

Our Corporate Governance Guidelines provide that whenever our Chairman of the Board is also our Chief Executive Officer, the independent directors will elect a lead director whose responsibilities include presiding over all meetings of the Board at which the Chairman is not present, including any executive sessions of the independent directors or the non-management directors; assisting in scheduling Board meetings and approving meeting schedules; communicating and collaborating with the Chief Executive Officer on various matters; and acting as the liaison between the independent or non-management directors and the Chairman of the Board, as appropriate. The full list of responsibilities of our lead director may be found in Annex A to our Corporate Governance Guidelines. Our independent directors have elected Daniel Meyer to serve as our lead director until the 2016 Annual Meeting of Shareholders.

Our Board of Directors is responsible for overseeing our risk management process. Our Board of Directors focuses on our general risk management strategy, the most significant risks facing us, and oversees the implementation of risk mitigation strategies by management. Our Board of Directors is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters and significant transactions. The Board does not believe that its role in the oversight of our risks affects the Board's leadership structure.

RISK CONSIDERATIONS IN OUR COMPENSATION PROGRAM

In connection with our IPO, we conducted an assessment of our compensation policies and practices for our employees and concluded that these policies and practices are not reasonably likely to have a material adverse effect on us.

CODE OF ETHICS

We have adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees. A copy of the code is available on our website at www.containerstore.com in the "Corporate Governance" section of the "Investor Relations" page. We expect that any amendments to the code, or any waivers of its requirements, that are required to be disclosed by SEC or NYSE rules will be disclosed on our website.

ATTENDANCE BY MEMBERS OF THE BOARD OF DIRECTORS AT MEETINGS

There were five (5) meetings of the Board of Directors during the fiscal year ended February 28, 2015. During the fiscal year ended February 28, 2015, each Director attended at least 75% of the aggregate of (i) all meetings of the Board of Directors and (ii) all meetings of the committees on which the Director served during the period in which he or she served as a Director.

Our Corporate Governance Guidelines provide that all directors are expected to make best efforts to attend the Annual Meeting. All 10 directors who were members of our Board at the time of the 2014 Annual Meeting of Shareholders attended the meeting. Caryl Stern joined our Board of Directors subsequent to the date of the 2014 Annual Meeting.

The non-management members of the Board meet in regularly scheduled executive sessions. Daniel Meyer, as the lead director, presides over the regularly scheduled executive sessions at which he is present.

See Note 7-Stock-based Compensation of the Consolidated Financial Statements in our Annual Report on Form 10-K for the fiscal year ended February 28, 2015 for the assumptions used in valuing such stock options. To determine the number of options granted for each director other than Caryl Stern, we divided the targeted award value for each director of approximately \$100,000 by \$9.87, the per-share fair value as of August 4, 2014, the date of the annual meeting of shareholders in 2014. However, as these options were actually granted on October 27, 2014, the aggregate grant-date fair value of the options shown in the table is based on the per-share fair value on such date, which was \$7.19. Caryl Stern was granted a stock option with a targeted value equal to a prorated portion of approximately \$100,000, based on her period of service. Such grant was made on Ms. Stern's start date of October 27, 2014, when the grant-date fair value of each stock option was \$8.30.

EXECUTIVE AND DIRECTOR COMPENSATION

Narrative Disclosure to Director Compensation Table

In connection with our IPO, our Board of Directors adopted a compensation policy that is applicable to all of our non-employee directors. We revised the policy on October 27, 2014. Pursuant to this policy, as revised, each non-employee director receives an annual cash retainer of \$80,000, payable quarterly. The chairperson of each committee of the Board of Directors receives an additional cash retainer of \$10,000 per year. There are no fees paid for board or committee meeting attendance. All directors receive reimbursement for reasonable out-of-pocket expenses incurred in connection with meetings of our Board of Directors.

Pursuant to our non-employee director compensation policy, as revised, each non-employee director receives an annual grant of stock options under the 2013 Incentive Award Plan (described below) with a Black Scholes value of approximately \$100,000. Each non-employee director initially elected or appointed to our Board of Directors on a date other than the date of an annual meeting of shareholders will be granted a prorated portion of the annual award for the applicable year. The per-share exercise price of each stock option granted to a non-employee director will equal the fair market value of a share of our common stock on the date of grant, and each option granted following our IPO will generally vest ratably in equal annual installments over three years, subject to the non-employee director's continued service through the vesting date. All stock options granted to non-employee directors will vest in full immediately prior to the occurrence of a change in control (as defined in the 2013 Incentive Award Plan).

The first annual grant of stock options was made in connection with our IPO and has an exercise price equal to the IPO price per share. The annual grant made upon our IPO was immediately vested and exercisable upon consummation of the offering (subject to a limited lock-up period on the underlying shares). In addition, in connection with our IPO, each non-employee director other than Messrs. Sokoloff, Flynn and Galashan received an additional grant of stock options under the 2013 Incentive Award Plan with a Black Scholes value of approximately \$100,000 and an exercise price equal to the IPO price per share. Such stock options were also immediately vested and exercisable upon consummation of the offering and subject to a limited lock-up period. The second annual grant of stock options was made on October 27, 2014. All future annual grants will be made automatically on the date of the annual meeting.

Narrative Disclosure to Summary Compensation Table

Elements of Compensation

In fiscal 2014, we compensated our named executive officers through a combination of base salary, annual cash incentive opportunities and other benefits as described below. Our named executive officers also continued to hold stock options granted in previous years.

Base Salary

The base salaries for fiscal 2014 for our named executive officers other than Ms. Taylor were originally determined pursuant to the terms of an employment agreement we entered into with each of them, as described below. Ms. Taylor does not have an employment agreement. The base salaries of the named executive officers are subject to annual review by the culture and compensation committee. None of the named executive officers received a salary raise in fiscal 2014.

Annual Cash Incentives

In connection with our IPO, we adopted, and our shareholders approved, The Container Store, Inc. Senior Executive Incentive Bonus Plan (the "Executive Bonus Plan"), in which all named executive officers other than Ms. Taylor participated. The Executive Bonus Plan is designed to provide an incentive for superior work and to motivate covered key executives toward even greater achievement and business results, to tie their goals and interests to those of us and our shareholders and to enable us to attract and retain highly qualified executives. The Executive Bonus Plan is

Table of Contents**EXECUTIVE AND DIRECTOR COMPENSATION**

an incentive bonus plan under which covered key executives may be eligible to receive bonus payments with respect to a specified period (for example, our fiscal year). Bonuses will generally be payable under the Executive Bonus Plan upon the attainment of pre-established performance goals. Notwithstanding the foregoing, we may pay bonuses (including, without limitation, bonuses based on non-pre-established performance goals and discretionary bonuses) to participants under the Executive Bonus Plan based upon such other terms and conditions as the culture and compensation committee may in its discretion determine (including under a sub-plan of the Executive Bonus Plan).

In fiscal 2014, all named executive officers other than Ms. Taylor were eligible to receive annual cash bonuses based on percentages of base salary under a subplan of the Executive Bonus Plan. The bonuses were determined using a performance grid based on our Adjusted EBITDA, comparable store sales growth and adjusted earnings per share (Adjusted EPS). Adjusted EBITDA and Adjusted EPS for purposes of our 2014 annual bonus plan are non-GAAP measures and a presentation of the most directly comparable financial measures calculated and presented in accordance with Generally Accepted Accounting Principles ("GAAP") and a reconciliation of the differences between such measures and the most comparable financial measure or measures calculated and presented in accordance with GAAP are set forth on pages 37 and 39, respectively, of the Company's Annual Report on Form 10-K for the fiscal year ended February 28, 2015.

For fiscal 2014, the minimum bonus level was set at 0% of annual base pay for all the named executives other than Ms. Taylor, and the maximum level was set at 276.9% of annual base pay for Mr. Tindell and 240% of annual base pay for Ms. Tindell and Ms. Reiff. The target level was established at 153.8% of annual base pay for Mr. Tindell and 130% of annual base pay for Ms. Tindell and Ms. Reiff. Fifty percent of each such named executive officer's target was based upon Adjusted EBITDA, 25% on comparable store sales and 25% on Adjusted EPS. Based on our performance results, no portions of the fiscal 2014 bonuses under this subplan were payable to Mr. Tindell, Ms. Tindell or Ms. Reiff. However, the culture and compensation committee decided to award discretionary bonuses under the Executive Bonus Plan to all three named executive officers in the amount of \$50,000 for Mr. Tindell and \$75,000 for each of Ms. Tindell and Ms. Reiff.

Ms. Taylor's bonus for fiscal 2014 was determined under a separate bonus plan and was determined simply as a percentage of our Adjusted EBITDA, consistent with the bonuses of our other Vice Presidents. Ms. Taylor's percentage was 0.225%.

The actual amounts paid as bonuses to all named executive officers for fiscal 2014 are shown in the Summary Compensation Table above, under the "Non equity incentive plan compensation" column for Ms. Taylor and under the "Bonus" column (reflecting the discretionary nature of the bonuses) for the other named executive officers.

Long Term Equity Incentives

Prior to our IPO, we maintained an equity incentive plan, the 2012 Stock Option Plan of TCS Holdings, Inc. (the "2012 Stock Option Plan"), pursuant to which, on June 20, 2012, we granted stock options to Ms. Reiff and Ms. Taylor, as shown in the Fiscal 2014 Outstanding Equity Awards at Fiscal Year-End Table below. Like the stock options granted under the 2012 Stock Option Plan to our other employees, such stock options were originally scheduled to vest in equal installments over five years from the date of grant, but the vesting of all the stock options granted under the 2012 Stock Option Plan was fully accelerated as of the consummation of our IPO. Neither of the other named executive officers was granted any stock options under the 2012 Stock Option Plan in light of their pre-existing ownership of our common and preferred stock. As of our IPO, no further stock options will be granted under the 2012 Stock Option Plan.

Upon our IPO, we adopted, and our shareholders approved, our 2013 Incentive Award Plan, which permits the granting of stock based compensation awards and cash based performance bonus awards. The principal purpose of the 2013 Equity Plan is to attract, retain and motivate selected employees, consultants and directors through the granting of stock-based compensation awards and cash-based performance bonus awards. The 2013 Equity Plan is also designed to permit us to make equity-based awards and cash-based awards intended to qualify as "performance-based compensation" under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The 2013 Equity Plan provides for the grant of, among other awards, stock options, stock appreciation rights, or SARs (as

Table of Contents

EXECUTIVE AND DIRECTOR COMPENSATION

defined below), restricted stock awards, restricted stock unit awards, deferred stock awards, deferred stock unit awards, dividend equivalent awards, stock payment awards, performance awards and other stock based awards. In connection with our IPO, we granted stock options to certain of our employees, including the stock options granted to the named executive officers shown in the Fiscal 2014 Outstanding Equity Awards at Fiscal Year-End table below. All such stock options were immediately vested and exercisable as of the consummation of our IPO.

We do not have a set schedule for granting stock options, and we did not grant any stock options to our named executive officers in fiscal 2014.

Nonqualified Deferred Compensation Plan

In fiscal 2014, Ms. Reiff and Ms. Taylor participated in a nonqualified deferred compensation plan pursuant to which participants may defer up to 50% of their base salaries and up to 100% of their bonuses until termination of employment. All employee contributions and earnings on such amounts are fully vested at all times. We may also make discretionary contributions to participants' accounts, which vest in equal installments over six years, subject to acceleration upon a change of control. Participants may elect to invest the amounts in the plan in various established funds.

Perquisites and Other Benefits

We maintain, and the named executive officers participate in, a 401(k) retirement savings plan. Each participant may contribute to the 401(k) plan, through payroll deductions, up to 80% of his or her salary limited to the maximum allowed by the Internal Revenue Service regulations. All amounts contributed by employee participants and earnings on these contributions are fully vested at all times and are not taxable to participants until withdrawn. Employee participants may elect to invest their contributions in various established funds. We may also make contributions to the accounts of plan participants.

Our compensation program does not include any other material benefits or perquisites for our named executive officers. Except as set forth above, our named executive officers generally participate in the same programs as our other employees.

Employment Agreements

The following is a description of the terms of the employment agreements with our named executive officers other than Ms. Taylor. As noted above, Ms. Taylor is not a party to an employment agreement.

William A. ("Kip") Tindell, III

We entered into an amended and restated employment agreement, effective as of August 15, 2012, with Mr. Tindell. Mr. Tindell's employment agreement provides for a five year initial term followed by successive one year terms, unless either party provides the other with notice that it does not elect to extend the term at least 90 days prior to the expiration of the then current term.

The agreement provides for Mr. Tindell's position as our Chief Executive Officer. It provides that, during the five year period immediately following the expiration of the term, we will use our best efforts to cause Mr. Tindell to be nominated and elected as Chairman of our Board of Directors unless there is cause to remove him from our Board of Directors, and that Mr. Tindell will agree to serve as Chairman of our Board of Directors.

Under the amended 2012 agreement, Mr. Tindell's annual base salary is \$675,000. Mr. Tindell's annual salary is subject to annual review by our Board of Directors. The agreement also provides that Mr. Tindell will receive an annual cash bonus based upon financial and non financial performance targets established by our Board of Directors. The agreement provides that, with respect to each fiscal year that ends during the term, commencing with fiscal 2012, Mr. Tindell's target total compensation (i.e., annual base salary plus target annual bonus) will be no less than Mr. Tindell's target compensation for the immediately preceding year. The agreement also provides for Mr. Tindell's participation in our health and welfare benefit plans applicable to senior executives.

Table of Contents**EXECUTIVE AND DIRECTOR COMPENSATION**

Mr. Tindell's employment agreement provides certain severance benefits upon termination by us without cause or by Mr. Tindell for good reason. Cause is generally defined as (a) a material breach by Mr. Tindell of any material provision of his agreement that is not corrected by him within 30 days after receipt of written notice from us specifying such breach, to the extent such breach is capable of cure, (b) Mr. Tindell's conviction of, or entry by him of a guilty or nolo contendere plea to, the commission of a felony or a crime involving moral turpitude, other than vicarious liability or traffic violations, (c) Mr. Tindell's intentional breach of company policies constituting theft or embezzlement from us or any of our customers or suppliers; or (d) Mr. Tindell's gross neglect or intentional misconduct in connection with the performance of any material portion of Mr. Tindell's duties (which, in the case of Mr. Tindell's gross neglect, is not corrected by Mr. Tindell within 30 days after receipt of written notice from us specifying such neglect, to the extent that such neglect is capable of cure). Good reason is generally defined as (i) an adverse change in Mr. Tindell's title or reporting line or material duties, authorities or responsibilities, (ii) the assignment to Mr. Tindell of duties materially inconsistent with his position, (iii) a material breach by us of any material provision of his employment agreement, (iv) a reduction of his annual base salary or benefits or annual bonus opportunity (other than such a reduction that is generally consistent with a general reduction affecting other of our similarly situated executives), (v) failure by us to pay any portion of his annual base salary or bonus, (vi) our requiring him to be headquartered at any office or location more than 50 miles from Coppell, Texas, or (vii) the termination of the employment of either Sharon Tindell or Melissa Reiff by us without cause or by such executive for good reason, in each case subject to applicable notice and cure provisions. In addition, a termination of employment for any reason during the 30 day period immediately following the six month anniversary of the occurrence of a change in control (as defined in the agreement) will be deemed a termination for good reason.

If Mr. Tindell's employment is terminated by us without cause or by Mr. Tindell for good reason, other than on account of the employment of Ms. Tindell or Ms. Reiff terminating, he will receive (a) two times his annual base salary, payable in equal installments over two years on our regular payroll schedule, (b) two times the greater of (i) the annual bonus earned by him for the previous fiscal year and (ii) a prorated amount of the bonus he would have earned for the year of termination had he remained employed throughout the year based on actual performance, (c) continuation of medical and welfare benefits for two years following the termination date, paid for by us, and (d) accelerated vesting of all unvested stock options.

In addition, if Mr. Tindell resigns from his employment due to the termination of the employment of Ms. Tindell or Ms. Reiff by us without cause or by such executive for good reason, or, on or after August 15, 2016, Mr. Tindell resigns without good reason, then Mr. Tindell will receive (a) one year's annual base salary, payable in equal installments over one year on our regular payroll schedule, (b) an amount equal to the annual bonus he would have earned for the year of termination had he remained employed throughout the year, based on actual performance, (c) an additional prorated amount of such annual bonus, based on the amount of time actually employed in such year, (d) continuation of medical and welfare benefits for one year following the termination date, paid for by us, and (e) accelerated vesting of all unvested stock options.

The employment agreement also provides for certain severance benefits upon death and disability. There are two different types of disability for this purpose. Type I disability means Mr. Tindell's incapacity to perform the essential duties of his position for any six months during any 12 month period due to Mr. Tindell's physical or mental illness. Type II disability means Mr. Tindell's substantial incapacity to perform the essential duties of his position for any three months during any 12 month period due to Mr. Tindell's physical or mental illness. Upon termination for either type of disability, Mr. Tindell will receive the same severance benefits as upon a termination by us without cause or by him for good reason, except that, in the case of a Type II disability, the salary and bonus multiplier will be 1.5 instead of two and the salary will be payable over 18 months instead of two years. Upon death, all of Mr. Tindell's unvested stock options will immediately vest and we will pay Mr. Tindell's estate a prorated annual bonus based on actual performance.

Any severance payment payable to Mr. Tindell pursuant to his employment agreement will be subject to his execution of a release of claims in favor of us.

Table of Contents

EXECUTIVE AND DIRECTOR COMPENSATION

Mr. Tindell has agreed that, during his employment with us and during the two year period following the termination date, he will not directly or indirectly work for or engage or invest in any of our competitors or solicit, directly or through any third party, any of our employees or consultants.

This agreement amended and restated Mr. Tindell's prior employment agreement with us that was dated August 15, 2007.

Sharon Tindell and Melissa Reiff

Both Ms. Tindell and Ms. Reiff entered into amended and restated employment agreements, effective as of August 15, 2012, which amended and restated their prior employment agreements with us, which were dated August 15, 2007. Under the amended 2012 agreements, Ms. Tindell serves as the Chief Merchandising Officer and Ms. Reiff serves as our President and Chief Operating Officer, and both Ms. Tindell's and Ms. Reiff's annual base salaries are \$625,000. Their annual salaries are subject to annual review by our Board of Directors.

Other than annual base salary and position, all other terms of the employment agreements for Ms. Tindell and Ms. Reiff are identical to those of Mr. Tindell's employment agreement, except that the good reason trigger based on the termination of employment of Ms. Tindell and Ms. Reiff is based instead on the termination of employment of Mr. Tindell and Ms. Reiff, in the case of Ms. Tindell, and on termination of the employment of Mr. Tindell and Ms. Tindell, in the case of Ms. Reiff.

Table of Contents**Security Ownership of Certain Beneficial Owners and Management****COMMON STOCK**

The following table sets forth information, as of June 9, 2015, unless otherwise indicated, regarding the beneficial ownership of our Common Stock by (i) shareholders who beneficially owned more than 5% of the outstanding shares of our Common Stock and (ii) each of our Directors (which includes all nominees), each of our Named Executive Officers and all Directors and executive officers as a group. The number of shares beneficially owned by each shareholder is determined under rules issued by the SEC and includes voting or investment power with respect to securities. Under these rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power. In computing the number of shares beneficially owned by an individual or entity and the percentage ownership of that person, shares of Common Stock subject to options, warrants or other rights held by such person that are currently exercisable or will become exercisable within 60 days of June 9, 2015 are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person. Unless otherwise indicated, the address of all listed shareholders is c/o The Container Store Group, Inc., 500 Freeport Parkway, Coppell, TX 75019. Each of the shareholders listed has sole voting and investment power with respect to the shares beneficially owned by the shareholder unless noted otherwise, subject to community property laws where applicable.

POLICIES AND PROCEDURES FOR RELATED PERSON TRANSACTIONS

Our Board of Directors recognizes the fact that transactions with related persons present a heightened risk of conflicts of interests and/or improper valuation (or the perception thereof). Our Board of Directors has adopted a written policy on transactions with related persons that is in conformity with the requirements for companies listed on the NYSE. Under the policy:

any related person transaction, and any material amendment or modification to a related person transaction, must be reviewed and approved or ratified by a committee of the Board of Directors composed solely of independent directors who are disinterested or by the disinterested members of the Board of Directors; and

any employment relationship or transaction involving an executive officer and any related compensation must be approved by the Culture and Compensation Committee of the Board of Directors or recommended by the Culture and Compensation Committee to the Board of Directors for its approval.

In connection with the review and approval or ratification of a related person transaction:

management must disclose to the committee or disinterested directors, as applicable, the name of the related person and the basis on which the person is a related person, the material terms of the related person transaction, including the approximate dollar value of the amount involved in the transaction, and all the material facts as to the related person's direct or indirect interest in, or relationship to, the related person transaction;

management must advise the committee or disinterested directors, as applicable, as to whether the related person transaction complies with the terms of our agreements governing our material outstanding indebtedness that limit or restrict our ability to enter into a related person transaction;

management must advise the committee or disinterested directors, as applicable, as to whether the related person transaction will be required to be disclosed in our applicable filings under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act, and related rules, and, to the extent required to be disclosed, management must ensure that the related person transaction is disclosed in accordance with such Acts and related rules; and

management must advise the committee or disinterested directors, as applicable, as to whether the related person transaction constitutes a "personal loan" for purposes of Section 402 of the Sarbanes-Oxley Act of 2002.

In addition, the related person transaction policy provides that the committee or disinterested directors, as applicable, in connection with any approval or ratification of a related person transaction involving a non-employee director or director nominee, should consider whether such transaction would compromise the director or director nominee's status as an "independent," "outside," or "non-employee" director, as applicable, under the rules and regulations of the SEC, the NYSE and the Internal Revenue Code of 1986, as amended.

The following are certain transactions, arrangements and relationships with our directors, executive officers and shareholders owning 5% or more of our outstanding Common Stock.

PAYMENT OF EXPENSES ON BEHALF OF DIRECTORS AND EXECUTIVE OFFICERS

During the fiscal year ended February 28, 2015, we paid a portion, totaling approximately \$155,000, of the expenses incurred in connection with the promotion in our stores of a book authored by Mr. Tindell and titled "Uncontainable" (the "Book") that details, among other things, our history, the principles upon which we were founded and the impact of Conscious Capitalism on our business. The Board of Directors believes that we will benefit from any public attention, exposure and publicity about The Container Store, its successes and its unique business model generated by the Book and therefore determined that it was in our best interest to pay such marketing expenses. Additionally, the Company purchased 9,200 books at publisher cost that it is selling at a profit in its retail stores.

STOCKHOLDERS AGREEMENT

In connection with LGP's acquisition of The Container Store, Inc. in 2007, we, certain affiliates of LGP, and all other holders of our Common Stock and Preferred Stock, entered into a stockholders agreement (the "Stockholders Agreement"). Upon the closing of the IPO, we amended and restated our Stockholders Agreement to eliminate all provisions thereof other than those related to registration rights, which are described below.

Demand Registration Rights

At any time beginning six months after the date of our IPO, subject to certain restrictions:

certain entities affiliated with LGP, and any transferee controlled directly or indirectly by LGP or any of its affiliates, are able to require us to use our best efforts to register their Common Stock under the Securities Act at any time;

certain employees (including our named executive officers) may require us to use our best efforts to register their Common Stock under the Securities Act twice prior to the time that we are eligible to register securities on Form S-3 and require us to use our best efforts to register their Common Stock under the Securities Act twice after we are eligible to register securities on Form S-3; and

certain other investors may require us to use our best efforts to register their Common Stock under the Securities Act.

These demand registration rights are subject to certain exceptions set forth in the Stockholders Agreement.

Piggyback Registration Rights

If we propose to register any of our own securities under the Securities Act in a public offering other than an IPO, we will be required to provide notice to all holders of our Common Stock with registration rights under our Stockholders Agreement relating to the registration and provide them with the right to include their shares in the registration statement. These piggy back registration rights are subject to certain exceptions set forth in the Stockholders Agreement.

Expenses of Registration

We will be required to bear the registration expenses, other than underwriting discounts and commissions and transfer taxes, associated with any registration of shares of our Common Stock held by the holders of our Common Stock with registration rights under our Stockholders Agreement.

VOTING AGREEMENT

In connection with the closing of our IPO, the affiliates of LGP which own our Common Stock and the management directors entered into the Voting Agreement. Pursuant to the terms of this agreement, for so long as such LGP affiliates and the management directors collectively hold at least 40% of our outstanding Common Stock, or the agreement is otherwise terminated in accordance with its terms, such affiliates of LGP have agreed to vote their shares of our Common Stock in favor of the election of Ms. Reiff, Ms. Tindell and Mr. Tindell to our Board of Directors upon their nomination by the Nominating and Corporate Governance Committee and Ms. Reiff, Ms. Tindell and Mr. Tindell have agreed to vote their shares of our Common Stock in favor of the election of the directors affiliated with LGP upon their nomination by the Nominating and Corporate Governance Committee.

INDEMNIFICATION AGREEMENTS AND ASSUMPTION AGREEMENT

Our Amended and Restated Bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by the Delaware General Corporation Law, subject to certain exceptions contained in our Amended and

Restated Bylaws. In addition, our Amended and Restated Certificate of Incorporation provides that our directors will not be liable for monetary damages for breach of fiduciary duty.

We have entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, and expense advancement and reimbursement, to the fullest extent permitted under the Delaware General Corporation Law, subject to certain exceptions contained in those agreements.

We have also agreed to indemnify Mr. Tindell to the fullest extent permitted by our Amended and Restated Certificate of Incorporation and our Amended and Restated Bylaws in connection with the Book.

In addition, we have entered into an assumption agreement with Mr. Tindell, under which we have agreed to specifically assume, directly and unconditionally, any and all liabilities, damages, costs, expenses, judgments, settlement, penalties or other losses of any kind which may be charged or attempted to be charged against Mr. Tindell in connection with the publication of the Book as a result of the execution by Mr. Tindell of a personal guaranty contained in a publishing agreement between Mr. Tindell and the publisher of the Book. For the reasons discussed above under "Payment of Expenses on Behalf of Directors and Executive Officers," the Board of Directors determined that it was in our best interest to enter into the Assumption Agreement.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our Directors, executive officers and shareholders who beneficially own more than 10% of any class of our equity securities registered pursuant to Section 12 of the Exchange Act (collectively, the "Reporting Persons") to file initial statements of beneficial ownership of securities and statements of changes in beneficial ownership of securities with respect to our equity securities with the SEC. All Reporting Persons are required by SEC regulation to furnish us with copies of all reports that such Reporting Persons file with the SEC pursuant to Section 16(a). Based solely on our review of the copies of such forms received by us and upon written representations of the Reporting Persons received by us, we believe that there has been compliance with all Section 16(a) filing requirements applicable to such Reporting Persons with respect to the fiscal year ended February 28, 2015.
