PROXY STATEMENT

2015 ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON

APRIL 28, 2015

This Proxy Statement will be first mailed to shareholders on or about April 7, 2015. It is furnished in connection with the solicitation of proxies by the Board of Directors of OptimumBank Holdings, Inc. (the Company) to be voted at the annual meeting of the shareholders of the Company, which will be held at 10:00 a.m. on Tuesday, April 28, 2015, at the executive offices of OptimumBank (the Bank), 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Shareholders who execute proxies retain the right to revoke them at any time before the shares are voted by proxy at the meeting. A shareholder may revoke a proxy by delivering a signed statement to the Secretary of the Company at or prior to the annual meeting or by executing and delivering another proxy dated as of a later date. The Company will pay the cost of solicitation of proxies.

Shareholders of record at the close of business on March 27, 2015 will be entitled to vote at the meeting on the basis of one vote for each share held. On the record date, there were 9,527,459 outstanding shares of common stock held of record by approximately 831 shareholders.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

The annual meeting will be held on April 28, 2015 at 10:00 a.m. (local time), at the executive offices of the Bank, 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308.

Why did I receive this proxy statement?

You received this proxy statement because you held shares of the Company's common stock on March 27, 2015 (the Record Date) and are entitled to vote at the annual meeting. The Board of Directors is soliciting your proxy to vote at the meeting.

What am I voting on?

You are being asked to vote on four items:

1. The election of two (2) Directors (see page 6);

How do I vote?

Shareholders of Record

If you are a shareholder of record, there are four ways to vote:

By toll free telephone at 1-866-894-0537.

By internet at <http://www.cstproxyvote.com>

If you request printed copies of the proxy materials, you may vote by proxy by completing and returning your proxy card in the postage-paid envelope provided by the Company; or

By voting in person at the meeting.

Street Name Holders

Shares which are held in a brokerage account in the name of the broker are said to be held in street name.

If your shares are held in street name, you should follow the voting instructions provided by your broker. If you requested printed copies of the proxy materials, you may complete and return a voting instruction card to your broker, or, in many cases, your broker may also allow you to vote via the telephone or Internet. Check your notice from your broker for more information. If you hold your shares in street name and wish to vote at the meeting, you must obtain a legal proxy from your broker and bring that proxy to the meeting.

Regardless of how your shares are registered, if you request printed copies of the proxy materials, complete and properly sign the accompanying proxy card and return it to the address indicated, it will be voted as you direct.

What is the deadline for voting via Internet or telephone?

Internet and telephone voting is available through 11:59 p.m. (Eastern Daylight Time) on Monday, April 27, 2015 (the day before the annual meeting).

What are the voting recommendations of the Board of Directors?

The Board of Directors recommends that you vote in the following manner:

1. FOR each of the persons nominated by the Board of Directors to serve as Directors;

2. FOR the approval of the amendment to the Stock Purchase Agreement between the Company and Mr. Gubin in order to extend the outside closing date to April 15, 2016;
3. FOR the approval of an amendment to the Company's 2011 Equity Incentive Plan to increase the maximum number of shares that may be issued under the plan from 550,000 shares to 1,050,000 shares; and
4. FOR the ratification of the appointment of Hacker, Johnson & Smith, PA as independent registered public accounting firm for the 2015 fiscal year.

Unless you give contrary instructions in your proxy, the persons named as proxies will vote your shares in accordance with the recommendations of the Board of Directors.

Will any other matters be voted on?

We do not know of any other matters that will be brought before the shareholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your proxy would authorize Moishe Gubin and Joel Klein of the Company to vote on such matters in their discretion.

Who is entitled to vote at the meeting?

Only shareholders of record at the close of business on the Record Date are entitled to receive notice of and to vote at the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the annual meeting, or any postponement or adjournment of the meeting.

How many votes do I have?

You will have one vote for each share of the Company's common stock that you owned on the Record Date.

How many votes can be cast by all shareholders?

The Company had 9,527,459 outstanding shares of common stock on the Record Date. Each of these shares is entitled to one vote. There is no cumulative voting.

How many votes must be present to hold the meeting?

The holders of a majority of the Company's common stock outstanding on the Record Date must be present at the meeting in person or by proxy in order to fulfill the quorum requirement necessary to hold the meeting. This means at least 4,763,730 shares must be present in person or by proxy.

If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will also be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved.

What vote is required to approve each proposal?

For the election of Directors (Proposal No. 1), the affirmative vote of a plurality of the votes present in person or by proxy and entitled to vote at the meeting is required. A proxy that has properly withheld authority with respect to the election of one or more Directors will not be voted with respect to the Director or Directors indicated, although it will be counted for the purposes of determining whether there is a quorum.

For the approval of the amendment to the Stock Purchase Agreement between the Company and Mr. Gubin (Proposal No. 2), the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote at the meeting will be required for approval. An abstention with respect to this proposal will not be voted with respect to the amendment, although it will be counted for the purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

For the approval of the amendment to the 2011 Equity Incentive Plan (Proposal No. 3), the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote at the meeting will be required for approval. An abstention with respect to this proposal will not be voted with respect to the amendment, although it will be counted for the purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

For the ratification of the appointment of Hacker, Johnson & Smith, PA (Proposal No. 4), the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote at the meeting will be required for approval. An abstention with respect to this proposal will be counted for the purposes of determining the number of shares entitled to vote that are present in person or by proxy. Accordingly, an abstention will have the effect of a negative vote.

Can I change my vote?

Yes. If you are a shareholder of record, you may change your vote at any time before your proxy is voted at the annual meeting. You can do this in one of three ways. First, you can send a written notice stating that you would like to revoke your proxy. Second, you can submit new proxy instructions either on a new proxy card, by telephone or via the Internet. Third, you can attend the meeting, and vote in person. Your attendance alone will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow directions received from your broker to change those instructions.

Who can attend the annual meeting?

Any person who was a shareholder of the Company on March 27, 2015 may attend the meeting. If you own shares in street name, you should ask your broker or bank for a legal proxy to bring with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement so that we can verify your ownership of the Company's stock and admit you to the meeting. However, you will not be able to vote your shares at the meeting without a legal proxy.

What happens if I sign and return the proxy card but do not indicate how to vote on an issue?

If you return a proxy card without indicating your vote, your shares will be voted as follows:

FOR each of the nominees for Director named in this proxy statement;

FOR the approval of the amendment to the Stock Purchase Agreement between the Company and Mr. Gubin in order to extend the outside closing date to April 15, 2016;

FOR the approval of the amendment to the Company's 2011 Equity Incentive Plan to increase the maximum number of shares that may be issued under the plan from 550,000 shares to 1,050,000 shares; and

FOR ratification of the appointment of Hacker, Johnson & Smith, PA as the independent registered public accounting firm for the Company for the 2015 fiscal year.

Who can help answer my questions?

If you are a shareholder, and would like additional copies, without charge, of this proxy statement or if you have questions about the annual meeting, including the procedures for voting your shares, you should contact:

The election of the Company's Directors requires a plurality of the votes cast in person or by proxy at the meeting. THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR ALL DIRECTOR NOMINEES.

CORPORATE GOVERNANCE

Director Independence

The Board of Directors analyzed the independence of each director and determined that Moishe Gubin, and Joel Klein both meet the standards of independence under the listing standards of NASDAQ Stock Market (NASDAQ).

The Board of Directors Meetings and Committees

OptimumBank Holdings Board of Directors met 16 times during 2014. The independent directors did not meet in executive session without management during 2014. Each of the current members of the Board of Directors attended at least 75% of the meetings of the Board and committees on which he served. The Company s Board of Directors has established several standing committees, including the following:

Compensation Committee

The Compensation Committee currently consists of Moishe Gubin (Chairman) and Joel Klein, each of whom is independent under the NASDAQ listing standards. The Compensation Committee reviews and recommends to the Board of Directors the compensation arrangements for executive management and non-employee directors. The Compensation Committee met once during 2014 and operates under a written charter. A copy of the current Compensation Committee Charter can be viewed on the Company s website at www.optimumbank.com/information-center/corporate-governance/.

In 2014, no executive officer had a role in determining or recommending the amount or form of outside director compensation. The Compensation Committee does not delegate its authority to any other persons. The Compensation Committee does not use consultants to determine or recommend the amount or form of compensation arrangements.

Nominating Committee

Prior to March 27, 2014, the Company had no formal nominating committee. Prior to that time, the independent directors of the Company performed the functions of a nominating committee. The Company established a formal nominating committee and adopted a charter on March 28, 2014. The current members of the committee are Messrs. Gubin and Klein.

The new charter provides for the independent directors to evaluate new candidates and current directors, and recommend candidates to the Board to fill vacancies occurring between annual shareholder meetings. A copy of the charter for the Nominating Committee can be viewed on the Company s website at www.optimumbank.com/information-center/corporate-governance.

All of the director nominees of the Company set forth in the Proposal entitled Election of Directors were recommended by a majority of the independent directors of the Company. The independent directors, acting in their capacity as the nominating committee, held one meeting during 2014.

The Nominating Committee will initially consider nominating the Company s existing directors for re-election to the Board as appropriate or to other director nominees proposed, as appropriate, by the directors, and in doing so considers each director s independence, if required, share ownership, skills, performance and attendance at a minimum of 75% of the Board and

respective committee meetings. In evaluating any candidates for potential director nomination, the Nominating Committee will consider candidates that are independent, if required, who possess personal and professional integrity, have good business judgment, relevant experience and skills, including banking, financial, real estate and/or legal expertise, who would be effective as a director in conjunction with the full Board, who would commit to attend Board and committee meetings, and whose interests are aligned with the long-term interests of the Company's shareholders.

The Nominating Committee will consider director candidates recommended by shareholders, provided the recommendation is in writing and delivered to the Corporate Secretary of the Company at the principal executive offices of the Company not later than the close of business on the 120th day prior to the first anniversary of the date on which the Company first mailed its proxy materials to shareholders for the preceding year's annual meeting of shareholders. For the 2016 annual meeting, recommendations must be received by December 9, 2015. The nomination and notification must contain the nominee's name, address, principal occupation, total number of shares owned, consent to serve as a director, and all information relating to the nominee and the nominating shareholder as would be required to be disclosed in solicitation of proxies for the election of such nominee as a director pursuant to the SEC's proxy rules.

Audit Committee

The Audit Committee of the Board of Directors is responsible for the oversight of the Company's financial and accounting reporting processes and the audits of the Company's financial statements. The Audit Committee is currently composed of two non-employee directors consisting of Joel Klein (Chairman) and Moishe Gubin. The Audit Committee operates under a written charter adopted and approved by the Board of Directors. A copy of the current **Audit Committee Charter** can be viewed on the Company's website at www.optimumbank.com/information-center/corporate-governance.

The Board has determined that each member of the Audit Committee is financially literate and independent in accordance with the more stringent NASDAQ listing standards applicable to audit committee members. The Board also has determined that both Moishe Gubin and Joel Klein are audit committee financial experts as defined by SEC rules. The Audit Committee met 13 times during 2014. A Report from the Audit Committee is included on page 19.

Attendance by Directors at Annual Shareholders Meetings

The Company expects its directors to attend the annual meeting. All of the directors attended the 2014 annual meeting.

The Board of Directors has adopted a formal process by which shareholders may communicate with the Board. Shareholders who wish to communicate with the Board may do so by sending written communications addressed to: Board of Directors, OptimumBank Holdings, Inc. at 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308, Attention: Anya Broadhurst. All communications will be compiled by the Corporate Secretary and submitted to the members of the Board. Our **Whistleblower Policy** is available on the Company's website at www.optimumbank.com/information-center/corporate-governance.

Board Leadership Structure and Role in Risk Oversight

The Company's policy is to separate the roles of chairman and chief executive officer of the Company. At the present time, the Company does not have any person serving as the Chairman of the Board.

The Board believes that risk management is an important component of the Company's corporate strategy. While we assess specific risks at the Company's committee levels, the Board, as a whole, oversees the Company's risk management process, and discusses and reviews with management major policies with respect to risk assessment and risk management. The Board is regularly informed through committee reports about the Company's risks. The Audit Committee reviews and assesses the Company's processes to manage financial reporting risk. It also reviews the Company's policies for risk assessment and assesses steps management has taken to control significant risks. The Compensation Committee oversees risks relating to compensation practices and policies.

PROPOSAL NO. 2

APPROVAL OF AMENDMENT TO THE STOCK PURCHASE AGREEMENT BETWEEN THE COMPANY AND MR. GUBIN IN ORDER TO EXTEND THE OUTSIDE CLOSING DATE TO APRIL 15, 2016

Summary of the Gubin Transaction

On March 22, 2013, the Company and Moishe Gubin entered into an amended and restated stock purchase agreement (the "Stock Purchase Agreement"), which provided for the issuance and sale of 1,833,333 shares of Company's common stock to Mr. Gubin at a price of \$1.20 per share (the "Gubin Transaction"). This agreement provided for an outside closing date of April 30, 2014, which was subsequently extended to April 30, 2015.

The Company and Mr. Gubin have agreed to enter into an amendment to the Stock Purchase Agreement to extend the outside closing date until April 15, 2016 (the "Amendment").

The purpose of the Amendment is to provide Mr. Gubin with additional time to obtain regulatory approvals of his purchase of shares under the Stock Purchase Agreement. Mr. Gubin previously filed applications with the Federal Reserve and the State of Florida Office of Financial Regulation in order to obtain the required approvals. At the request of these agencies, the applications were withdrawn. Mr. Gubin plans to file amended applications later in 2015. There can be no assurance that such applications will be approved.

If the Gubin transaction is consummated, the Company would receive proceeds from the transaction of \$2,200,000. The Company would also grant Mr. Gubin certain registration rights in connection with the purchase of the shares pursuant to the terms of a registration rights agreement to be entered into at the closing. Substantially all the proceeds from the Gubin Transaction will be utilized by the Company to increase the capital of the Bank.

As of March 27, 2015, the Company had 9,527,459 outstanding shares of common stock, including 769,340 shares that were owned by Mr. Gubin. Upon the issuance of 1,833,333 additional shares of Company's common stock to Gubin, and assuming no other issuance of shares of Company common stock, Gubin would own approximately 2,602,673 shares of the Company's common stock, or 22.91% of the total shares then outstanding.

Why We Are Seeking Shareholder Approval

The Amendment is being submitted to the shareholders at the annual meeting to comply with the shareholder approval requirements of NASDAQ Rule 5635.

Under NASDAQ Rule 5635(b), companies that have securities listed on NASDAQ must obtain shareholder approval prior to the issuance of common stock when the issuance or potential issuance would result in a "change of control" as defined by NASDAQ (the "Change of Control Rule"). NASDAQ generally characterizes a transaction whereby an investor or group of investors acquires, or obtains the right to acquire, 20% or more of the voting power of an issuer on a post-transaction basis as a "change of control" for purposes of Rule 5635(b).

Under NASDAQ Rule 5635(d), companies that have securities listed on NASDAQ must obtain shareholder approval prior to the issuance of common stock in a private offering at a price less than the greater of the book and market value per share of such common stock, if the issuance amounts to twenty percent (20%) or more of the common stock or twenty percent (20%) or more of the voting power of a company outstanding before the issuance (the "20% Rule").

The Company's Board of Directors has submitted this Proposal No. 2 to the Company's shareholders for approval because the Change of Control Rule and the 20% Rule apply to issuance of the Company's common stock in the Gubin Transaction. The extension of the outside closing date represents a material amendment to the Gubin Transaction which requires additional shareholder approval.

The Change of Control Rule applies because the number of shares to be purchased by Mr. Gubin exceeds 20% of the outstanding shares of the Company.

The 20% Rule applies because the shares to be sold to Mr. Gubin exceed twenty percent (20%) of the common stock of the shares of the Company outstanding before the issuance. The current closing price of the Company's common stock is lower than the offering price of \$1.20 per share in the Gubin Transaction.

The approval sought under this Proposal No. 2 will be effective to satisfy the shareholder approval required by the Change of Control Rule and the 20% Rule. Under the NASDAQ Rule 5635, the minimum vote which will constitute shareholder approval of this Proposal No. 2 is a majority of the total votes cast on the proposal in person or by proxy at the special meeting.

Background of the Transaction with Mr. Gubin

The principal reason for the issuance of shares under the Stock Purchase Agreement is to increase the capital of OptimumBank in order to assist it in meeting its regulatory capital requirements.

Starting in 2008 and continuing through 2013, the Bank has incurred substantial losses, primarily due to a high level of non-performing loans. The Company sustained net losses of \$11.5 million in 2009, \$8.5 million in 2010, \$3.7 million in 2011, \$4.7 million in 2012 and \$7.1 million in 2013, and had a net income of \$1.6 million in 2014. The prior net losses significantly reduced shareholders' equity and the regulatory capital ratios for the Company and the Bank.

As a result of the losses incurred by the Bank and related operating issues, on April 14, 2010 the Bank consented to the issuance of an order (the Consent Order) by the Federal Deposit Insurance Corporation (the FDIC) and the State of Florida Office of Financial Regulation. On February 28, 2014, the Bank agreed to the issuance of an Amended Consent Order by the FDIC and the OFR. On June 22, 2010 the Company entered into a written agreement with the Board of Governors of the Federal Reserve System (the Federal Reserve).

The Amended Consent Order requires, among other things, that the Bank to achieve and maintain a tier 1 leverage capital ratio of at least 8.0% of the Bank's total average assets and a total risk-based capital ratio of at least 12.0% of its total risk-weighted assets. At December 31, 2014 the Bank's tier 1 leverage and total risk-based capital ratios were 6.95% and 10.67%, respectively. At December 31, 2014, the Bank would have needed approximately \$1.2 million in additional regulatory capital to meet the total risk-based capital ratio required by the Amended Consent Order.

On October 25, 2011, the Company and Mr. Gubin entered into a Stock Purchase Agreement for the purchase of 1,687,500 shares (calculated on a post split basis) for a price of \$1.60 per share. On March 22, 2013, the Company and Gubin agreed to amend this agreement by

entering into the current Stock Purchase Agreement. The current Stock Purchase Agreement reduced the purchase price from \$1.60 per share to \$1.20 per share, increased the number of shares to be purchased from 1,687,500 to 1,833,333, and to extend the outside closing date to September 30, 2013. On April 4, 2014, 2014, the Company and Gubin agreed to amend the current Stock Purchase Agreement and to extend the outside closing date to April 30, 2015. This extension was approved by shareholders at the 2014 annual meeting.

Reason for the Gubin Transaction

The Company is seeking to complete the Gubin Transaction in order to assist the Bank in meeting the capital requirements of the Consent Order and to increase its lending and investment portfolio.

If the \$2.2 million proceeds of the Gubin Transaction had been contributed to the Bank as of December 31, 2014, the Bank's Tier 1 leverage and total risk-based capital ratios (on a pro forma basis) would have improved to 8.73% and 11.94%, respectively.

The actual improvement in the Bank's capital ratios after the Gubin Transaction is completed will depend on the closing date of the Gubin Transaction, the amount of the Bank's gains and/or losses between December 31, 2014 and the date of the closing, and the amount of any additional capital received from other sources.

The additional \$2.2 million in capital from Mr. Gubin is expected to provide the Company and the Bank with additional working capital to implement the Bank's business plan, including addressing non-performing loans and funding expanded lending and investment activities.

Reason for the Amendment

The Board has agreed to extend the outside closing date for the Gubin Transaction to April 15, 2016 in order to provide Mr. Gubin with additional time in which to obtain the regulatory approvals required for his purchase.

Registration Rights

Under the terms of the Stock Purchase Agreement, the Company has agreed to provide Gubin with certain limited registration rights. The Company has agreed to file a registration statement on Form S-3 as soon as practicable after the closing with respect to the shares sold to Mr. Gubin, and to use reasonable best efforts to make such registration statement become effective. The Company is required to maintain this registration statement continuously in effect until all such shares have been sold or become eligible for sale without restrictions under Rule 144 promulgated under the Securities Act of 1933, as amended. The registration rights are subject to the right of the Company to delay registration to avoid disclosure of material nonpublic information. The holder of registrable securities must comply with certain standard provisions facilitating the filing and effectiveness of the registration statement as well.

Purchase Price of the Gubin Transaction

In approving the Amendment to the Stock Purchase Agreement, the Board considered the fairness, from a financial point of view, the price of \$1.20 per share. The Board determined that the price was fair in light of the following factors:

The book value of the Company's common stock at December 31, 2014, which was \$.32 per share.

The Company's need to raise capital to allow the Bank to meet the requirements of the Consent Order and implement its business plan.

The limited ability of the Company to obtain additional capital from other sources. The Board did not engage any third parties to assist the Board in its review of the offering price due to the Company's limited resources.

Vote Required and Recommendation of Board of Directors

Assuming the presence of a quorum, this Proposal will require the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote at the meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF AMENDMENT TO THE STOCK PURCHASE AGREEMENT BETWEEN THE COMPANY AND MR. GUBIN IN ORDER TO EXTEND THE OUTSIDE CLOSING DATE TO APRIL 15, 2016.

PROPOSAL NO. 3

APPROVAL OF AN AMENDMENT TO THE COMPANY'S 2011 EQUITY INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES THAT MAY BE ISSUED UNDER THE PLAN

The Company has adopted the 2011 Equity Incentive Plan. The plan allows the Company to provide equity compensation to employees and directors, under a shareholder-approved plan, and enables the Company to attract and retain qualified persons to serve as directors and officers.

As of the date of this proxy statement, the Company has issued 465,684 shares under the plan. As a result, there are only 84,316 additional shares available for issuance under the plan.

The Board of Directors of the Company believes that equity compensation is a key aspect of the Company's ability to attract and retain qualified directors and officers. During 2014, the Company issued 13,070 shares to Moishe Gubin, 9,603 shares to Joel Klein, and 7,603 shares to Sam Borek as part of their compensation for their services as Directors. Norman Ginsparg, a Director of the Bank, who is pending regulatory approval to be a Director of the Company, was issued 4,497 shares for his service as Director of the Bank. The Company expects to issue a similar number of shares in 2015.

The Board has approved an amendment to increase the aggregate number of shares of common stock authorized for issuance under the plan from 550,000 to 1,050,000 shares, subject to shareholder approval, in order to ensure that the Company is able to continue to grant equity compensation at levels determined appropriate by the Board.

Summary of the Plan

The principal features of the plan are summarized below. The summary does not contain all information that may be important to you. The complete text of the plan is set forth in **Appendix A** to this proxy statement.

Plan Administration

The plan is administered by our Board of Directors, a majority of whom meet the NASDAQ standard for director independence, and/or our Board's Compensation Committee, which consists of at least two members of the Board, each of whom meets the NASDAQ standard for director independence. The Board through its Compensation Committee, has the sole authority, among other things, to:

Select participants and grant awards,

Determine the number of shares to be subject to the types of awards,

Determine the terms and conditions upon which awards will be granted under the plan, including the vesting requirements of awards,

Prescribe the form and terms of award agreements,

Establish procedures and regulations for the administration of the plan,

Interpret the plan, and

Make all determinations necessary or advisable for administration of the plan.

Eligibility

The directors and employees of the Company and its subsidiaries are eligible to participate in the plan.

Awards

The plan provides for the grant of incentive and non-statutory options, bonus shares, restricted shares, and performance shares, as such terms are defined in the plan.

Shares Subject to the Plan

The plan currently authorizes the issuance of up to 550,000 shares of the Company common stock. If any shares are subject to an award under the plan that is forfeited, cancelled, expires, lapses or otherwise terminates without the issuance of such shares, those shares will again be available for grant under the plan. Likewise, shares that are tendered to the Company by a participant as full or partial payment of the exercise price of any stock option granted under the plan or in payment of any withholding tax incurred in connection with any award under the plan will be available for issuance under the plan. The shares issued under the plan may consist, in whole or in part, of authorized but unissued shares or treasury shares.

Adjustments

In the event of a merger or consolidation (in each case where the shares of the Company are converted into stock and/or cash of another entity), or any corporate structure affecting Company common stock, adjustments and other substitutions will be made to the plan, including adjustments in the maximum number of shares subject to the plan and other numerical limitations. Adjustments will also be made to awards under the plan as the Board in its sole discretion deems equitable or appropriate.

Options

Incentive and non-statutory options to purchase shares of Company common stock may be granted under the plan, either alone or in addition to other awards and for no consideration or for such consideration as the Board and/or Compensation Committee may determine or as may be required by applicable law. The price at which a share may be purchased under an option may not be less than the market value of a share on the date the option is granted. The plan permits the Board and/or Compensation Committee to establish the term of each option, but its term may not exceed ten years. Options may be exercised for whole shares only. If an option would otherwise be exercisable for fractional shares, the option is rounded down to the nearest whole share amount. Options may vest and become fully exercisable in the event a change in control occurs as described below. The plan contains various provisions governing the participant's right to exercise an option upon the termination of the participant's employment with the Company.

Restricted Stock

Restricted stock awards may be issued to participants for no cash consideration, or for such minimum consideration as may be required by applicable law, either alone or in addition to other awards granted under the plan. Restricted stock vests and becomes fully exercisable as determined by the Board. Restricted stock vests and becomes fully exercisable in the event: (i) a change in control occurs, as described below, and service is terminated within 12 months thereafter; or (ii) of the death or disability of the participant. If a participant's service with the Company is terminated, the participant will forfeit any unvested restricted stock (except in certain cases following a change in control).

Performance Share Awards

Other awards of Company common stock that are valued in whole or in part by reference to, or are otherwise based on, Company common stock or the attainment by the Company of certain performance goals, may be granted to participants, either alone or in addition to other awards. Stock awards are paid in shares of Company common stock. Shares granted as stock awards may be issued for no cash consideration or for such minimum consideration as may be required by applicable law. At the time the performance goals established have been attained or otherwise satisfied within the performance cycle, the payment of the performance shares in the name of the participant will be made at the end of the performance cycle.

Bonus Shares and Awards in Lieu of Obligations

Bonus share awards may be issued to participants as a bonus or in consideration for past services actually rendered for the Company, or in lieu of obligations of the Company to pay cash or deliver other property under the plan or under other plans or compensation arrangements. The bonus shares can be awarded under terms and agreements that are determined by the Compensation Committee and/or the Board.

Change in Control

Unless otherwise determined by the Board and/or Compensation Committee at the time of the grant of an award, in the event of a change in control of the Company, all outstanding stock options will become fully vested. If a participant's service with the Company is involuntarily terminated at any time within twelve months after a change in control, and unless otherwise determined by the Board and/or Compensation Committee at the time of the grant of an award, any restricted period with respect to restricted shares will lapse and all such shares will become fully vested.

A change in control means, with certain exceptions: (i) an acquisition of beneficial ownership of 50% or more of the outstanding common stock; (ii) a merger in which the Company is not the surviving entity, or a sale by the Company or the Bank of all or substantially all of its assets; or (iii) the acquisition by any person or group by means of a merger, consolidation or purchase of 80% or more of its outstanding shares.

Effective Date, Term, Amendment and, Termination

The plan became effective in 2011 and will remain in effect until the earlier of (a) the date that no additional shares are available for issuance, (b) the date the plan is terminated by the Board of Directors in accordance with its terms or (c) the tenth anniversary of such shareholder approval.

Termination will not affect grants and awards then outstanding under the plan. The Board of Directors may terminate or amend the plan at any time without shareholder approval, unless such approval is necessary to comply with the Securities Exchange Act of 1934, the Internal Revenue Code, NASDAQ rules, or other applicable law. No termination, amendment or modification of the plan may in any manner affect any award previously granted under the plan without the consent of the participant to whom the award was granted or the transferee of the award.

Restriction on Transfer

Awards granted under the plan are generally non-transferable, except by will or the laws of descent and distribution. The Board may permit participants to transfer awards (other than stock options) to members of their immediate family, to one or more trusts solely for the benefit of such immediate family members, and to partnerships into which such family members or trusts are the only trusts.

Other Provisions

The Board may establish procedures providing for the delivery of shares of Company common stock, in satisfaction of withholding tax obligations.

Federal Income Tax Consequences

Under present law, the following are the U.S. federal income tax consequences generally arising with respect to stock options, restricted stock, bonus shares and performance share awards:

Upon exercising a non-statutory option, a participant must recognize ordinary compensation income equal to the difference between the fair market value of the shares on the date of exercise and the exercise price. The Company will be entitled to a deduction for the same amount. Upon sale of such shares by the optionee, any difference between the sales price and fair market value on the date of exercise will be treated as a long-term capital gain (loss) if the stock has been held for at least 12 months.

For an incentive stock option, the optionee generally will recognize no taxable income upon grant or exercise of the option. If the acquired stock is held for at least two years from date of grant and one year from date of exercise, any gain or loss realized upon disposition of the shares will be treated as long-term capital gain (loss). If the acquired stock is sold prior to the satisfaction of these holding period requirements, the difference between the option price and the fair market value of the shares on the date of exercise will be treated as ordinary compensation income. The Company will be entitled to a deduction for the same amount. If compensation is recognized and the stock is sold, any difference between fair market value on date of exercise and the sales price will be recognized as either short or long term capital gain or loss, depending upon the amount of time the acquired stock was held. For alternative minimum tax purposes, the exercise of an incentive stock option will create an adjustment item in the year of exercise equal to the difference between the option price and fair market value on date of exercise. This adjustment item will create an adjusted tax basis for alternative minimum tax purposes different from regular tax purposes in the stock equal to the fair market value on date of exercise.

Recipients of restricted stock awards will recognize ordinary income in an amount equal to the fair market value of the shares of Company common stock granted to them at the time that the shares vest and become transferable. A recipient of a restricted stock award may, however, elect to accelerate the recognition of income with respect to his or her grant to the time when shares of

common stock are first transferred to him or her, notwithstanding the vesting schedule of such awards. The Company will be entitled to deduct as a compensation expense for tax purposes the same amounts recognized as income by recipients of restricted stock awards in the year in which such amounts are included in income.

Performance share and bonus share awards result in the recognition of ordinary income in an amount equal to the fair market value of shares of Company common stock paid to participants. The Company will be entitled to deduct as a compensation expense for tax purposes the same amounts recognized as income by plan participants. The Internal Revenue Code generally limits the deduction for certain compensation in excess of \$1.0 million per year paid by a publicly-traded corporation to its covered executives. Certain types of compensation, including compensation based on performance goals, are excluded from the \$1.0 million deduction limitation. In order for compensation to qualify for this exception: (i) it must be paid solely on account of the attainment of one or more pre-established, objective performance goals; (ii) the performance goal must be established by a compensation committee consisting solely of two or more outside directors; (iii) the material terms under which the compensation is to be paid, including performance goals, must be disclosed to and approved by shareholders in a separate vote prior to payment; and (iv) prior to payment, the compensation committee must certify that the performance goals and any other material terms were in fact satisfied.

Other Information

The Board has not made any determination as to the allocation of benefits or amounts under the plan if approved by shareholders. If the plan is not approved by shareholders, the Board of Directors will consider other alternatives for performance-based compensation. The plan is not exclusive and does not limit the authority of the Board or its Committees to grant awards or authorize any other compensation, with or without reference to shares, under any other plan or authority.

Vote Required and Recommendation of Board of Directors

Assuming the presence of a quorum, this Proposal will require the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote at the meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE INCREASE IN THE NUMBER OF SHARES THAT MAY BE ISSUED UNDER COMPANY S 2011 EQUITY INCENTIVE PLAN.

Chabad failed to make full payment of the Loan on the maturity date. In an effort to remove a troubled loan from the Bank, the Loan was sold to SAVE COFLL, LLC (COFLL) in December 2013. The purchase price of the Loan was \$77,765.18, which was the amount due and payable on the Loan on the date of closing. Director, Moishe Gubin, Director, Joel

The interest rate is an adjustable rate tied to the Bank's Prime Rate with a current rate of 3.25%. Regulation O is applicable to this loan as Mr. Gubin is Chairman of the Board of the Bank. This loan was approved by the full Board in accordance with Florida Statute Section 655.0386 since Mr. Gubin is a financial institution-affiliated party under F.S. 655.0386. In addition, this loan is subject to SOX Section 402 as a loan to a director and Mr. Gubin has independently qualified for the loan and it was made in the ordinary course of the bank's business; of a type generally made available by the issuer to the public; and made by the issuer on market terms, or terms that are no more favorable than those offered to the general public for such extensions of credit.

Regulation O is applicable to this loan as Mr. Gubin is a director of the Bank. This loan was approved by the full Board in accordance with Florida Statute Section 655.0386 since Mr. Gubin is a financial institution-affiliated party under F.S. 655.0386. This loan was found to be in violation of Regulation O by the regulators.
