PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 24, 2001

This Proxy Statement is being furnished to the stockholders of BancFirst Corporation (the "Company") in connection with the solicitation of proxies by the Board of Directors of such corporation for use at its Annual Meeting of Stockholders to be held May 24, 2001, and any and all adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting dated April 30, 2001. This Proxy Statement and the accompanying form of proxy are first being mailed to stockholders of the Company on or about April 30, 2001. THE SOLICITATION OF THE ACCOMPANYING PROXY IS MADE BY AND ON BEHALF OF THE BOARD OF DIRECTORS.

The cost of soliciting proxies will be borne by the Company, including expenses in connection with the preparation, printing and mailing of this Proxy Statement and all proxy soliciting material which now accompany or may hereafter

Edgar Filing: BANCFIRST CORP /OK/ - Form DEF 14A

supplement it. The solicitation will be made by mail; however, proxies also may be solicited by personal interview, telephone and telegram by directors, officers or employees of the Company. The Company will also supply brokers or persons holding stock in their names or in the names of their nominees with the number of proxies, proxy material and annual reports as they may require for mailing to beneficial owners, and will reimburse them for their reasonable expenses in connection therewith.

The date of this Proxy Statement is April 30, 2001.

VOTING AND REVOCABILITY OF PROXIES

The close of business on April 16, 2001 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the meeting or any adjournment thereof. On the record date, there were outstanding and entitled to vote 8,322,169 shares of the Company's common stock, par value \$1.00 per share (the "Common Stock"). Each share of Common Stock is entitled to one vote. There is no cumulative voting with respect to the election of directors.

Under the provisions of the Oklahoma General Corporation Act and the Company's Bylaws, a majority of the shares of outstanding Common Stock, present in person or represented by proxy, shall constitute a quorum for purposes of the Annual Meeting. Except as may be specifically required by the Oklahoma General Corporation Act, the Company's Certificate of Incorporation or its Bylaws, and other than the election of directors, the affirmative vote of the majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the subject matter (a "Majority Vote") shall be the act of the stockholders. For purposes of determining whether a proposal has received a Majority Vote, abstentions will be included in the vote total, with the result that an abstention will have the same effect as a negative vote. For purposes of determining whether a proposal has received a Majority Vote, in instances where brokers are prohibited from exercising discretionary authority for beneficial holders of Common Stock who have not returned a proxy (so-called "broker non-votes"), those shares will not be included in the vote totals and, therefore, will have no effect on the outcome of the vote.

Common shares represented by properly executed proxies, unless previously revoked, will be voted at the Annual Meeting of Stockholders in accordance with the instructions thereon. If no direction is indicated, such shares will be voted for approval of the matters submitted, and, in connection with any other business that properly may come before such special meeting, such shares shall be voted according to the discretion of the persons named as proxies.

Any holder of the Common Stock of the Company who executes a proxy has the continuing right to revoke the proxy at any time before it has been voted. Such right may be exercised (i) by delivering written notice of revocation, bearing a later date than the proxy card, to the corporate secretary of the Company; (ii) by delivering to such corporate secretary a duly executed proxy bearing a later date; or (iii) by attending the Annual Meeting and voting in person. Any holder of the Common Stock of the Company may appear and vote at the Annual Meeting, irrespective of whether he has previously given a proxy.

ELECTION OF DIRECTORS (PROPOSAL NO. 1)

Pursuant to provisions of the Company's Certificate of Incorporation and Bylaws, the number of directors shall not be less than three nor more than 25; currently, the Board of Directors consists of 18 directors. The Company's Certificate of Incorporation and Bylaws provide for three classes of directors serving staggered three-year terms, with each class to be as nearly equal in number as possible. The Board of Directors has nominated Dennis L. Brand and David E. Ragland for election as Class I directors, with terms expiring at the Annual Meeting of Stockholders to be held in 2002, or until their successors are elected and qualified. The Board of Directors has also nominated Marion C. Bauman, William H. Crawford, K. Gordon Greer, William O. Johnstone, Melvin Moran, and David E. Rainbolt, for election as Class III directors, with terms expiring at the Annual Meeting of Stockholders to be held in 2004, or until their successors are elected and qualified. All of the nominees, with the exception of Mr. Brand, Mr. Ragland and Mr. Crawford, are incumbents whose current terms commenced upon their election by the stockholders of the Company on June 15, 1998. Mr. Crawford was elected to the Board of Directors in October 2000 as a result of the merger of First Southwest Corporation (of which he was then a director) with and into the Company. Mr. Ragland was elected to the Board of Directors in May 2000. Mr. Brand was elected to the Board of Directors in October 2000. Proxies cannot be voted for a greater number of persons than the number of nominees named. Other directors who are remaining on the Board will continue in office in accordance with their previous elections until the expiration of their terms at the 2002 or 2003 annual meeting, as the case may be.

The Board of Directors recommends a vote "FOR" the nominees for election to the Board of Directors for the terms so specified.

Subject to a quorum, the affirmative vote of a plurality of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote is required for the election of directors. Abstentions and broker non-votes have no effect on determination of plurality except to the extent that they affect the total votes received by any particular candidate.

It is the intention of the persons named in the enclosed form of proxy to vote such proxy for the election of the nominees. The Board of Directors expects that the nominees will be available for election but, in the event that any nominees are not so available, proxies received will be voted for substitute nominees to be designated by the Board of Directors or, in the event no such designation is made by the Board, proxies will be voted for a lesser number of nominees.

4

The information below and the section entitled "Security Ownership of Certain Beneficial Owners and Management" provide certain information about each nominee based on data submitted by such persons, including the principal occupation of such person for at least the last five years and any public company directorships held by such person:

Compensation of Directors

Each member of the Board of Directors receives a fee of \$500 per quarter.

Compensation Committee Interlocks and Insider Participation

During 2000, the Compensation Committee shared responsibility with the Board of Directors for the development and implementation of the Company's executive compensation policies. The Board of Directors delegated to the Chief Executive Officer and the Chairman of the Board the responsibility for determining the compensation of all executive officers other than the members of the Executive Committee, the compensation for whom is determined by the Compensation Committee. During 2000, the Executive Committee was composed of Dennis L. Brand, Jim Daniel, K. Gordon Greer (Chairman), Robert A. Gregory, David E. Rainbolt and H. E. Rainbolt, all of whom are directors and executive officers of the Company. During such period, the Compensation Committee was composed of J. R. Hutchens, Jr. and Melvin Moran, neither of whom are officers or employees of the Company or its subsidiaries; H. E. Rainbolt, Chairman of the Board of Directors of the Company; and William O. Johnstone, Vice Chairman.

The Company purchases supplies and services from certain companies owned by Pickard Limited Partnership, a family partnership of which David E. Rainbolt is the general partner, and H. E. Rainbolt is a limited partner. During 2000, the Company's purchases of supplies, furniture and equipment from such entities totaled approximately \$130,000. The Company also sold credit life and credit accident and health insurance policies for one of these companies. The Company retained a 40% commission for such sales, which is the maximum amount permitted by law, and remitted net premiums totaling approximately \$852,000 for 2000.

Report of the Compensation Committee and the Chief Executive Officer and the Chairman on Executive Compensation

The report of the Compensation Committee and the Chief Executive Officer and the Chairman of the Board of Directors appearing below and the information herein under "Company Performance" shall not be deemed "soliciting material" or to be "filed" with the Commission or subject to the Commission's proxy rules, except for the required disclosure herein, or to the liabilities of Section 18 of the Exchange Act, and such information shall not be deemed to be incorporated by reference into any filing made by the Company under the Act or the Exchange Act.

To our Stockholders:

The Compensation Committee has primary responsibility for determining the compensation of those executive officers who are members of the Executive Committee, which includes the Chief Executive Officer and the Chairman of the Board. The Chief Executive Officer and the Chairman do not participate in discussions about their compensation or in the determination by the Compensation Committee of such compensation. During 2000 the Compensation Committee of the Board of Directors was comprised of J. R. Hutchens, Jr., Melvin Moran, William

Edgar Filing: BANCFIRST CORP /OK/ - Form DEF 14A

O. Johnstone and H. E. Rainbolt (Chairman). Messrs. Hutchens and Moran are nonemployee directors of the Company. The compensation of all other executive officers is determined by the Chief Executive Officer and the Chairman of the Board, pursuant to authority delegated to them by the Board of Directors, and in consultation with the budget committee for the relevant operational area, together with appropriate supervisory personnel.

General Executive Compensation Policies

The executive compensation policy of the Company is to provide a compensation program that will attract, motivate and retain the high-caliber executives necessary to achieve the Company's business strategies, while at the same time ensuring that an appropriate relationship exists between executive compensation and the creation of stockholder values. Each of the Compensation Committee and the Chief Executive Officer and the Chairman applies this philosophy in determining the compensation of the respective executive officers over whom such committee or officers have responsibility with respect to salary, bonuses and stock options.

Each compensation element supports the Company's mission, values and culture. The compensation principles that link the individual elements into an integrated compensation strategy are as follows: (i) competitive compensation within industry and peer companies; (ii) individual compensation correlated with personal performance and stockholder value creation; and (iii) a compensation structure that directly aligns the executives with the interests and concerns of stockholders. Additionally, each executive officer's level of responsibility is considered in setting executive compensation, meaning that the Company generally pays greater compensation to persons having higher levels of responsibility.

The Company's executive officers are paid base salaries that the Compensation Committee and the Chief Executive Officer and the Chairman have determined to be fair for their assigned responsibilities in comparison with similar positions in other public companies in the banking industry. The Compensation Committee and the Chief Executive Officer and the Chairman periodically use surveys to assist them in establishing the base salaries of the executives over which such committee or officers have responsibility for setting compensation. The Compensation Committee and the Chief Executive Officer and the Chairman make these comparisons in an effort to determine whether the Company's executive compensation is reasonable and remains competitive enough to allow the Company to retain skilled executives. The Compensation Committee and the Chief Executive Officer and the Chairman of the Board believe that the compensation paid to the Company's executive officers is in the median range of compensation of executive officers of companies to which these comparisons are made. In addition to making such comparisons and considering levels of responsibility, the Compensation Committee and the Chief Executive Officer and the Chairman consider individual performance and the Company's performance in terms of stock price, earnings and cash flow. However, the determination of base salaries is not strictly tied to performance criteria, and, in determining base salary levels, the Compensation Committee and the Chief Executive Officer and the Chairman believe that they afford approximately equal weight to each of the factors described herein.

The Company's executive officers, including the Chief Executive Officer, participate in an Incentive Bonus Program. Bonus amounts earned are based on the attainment of budgeted earnings and asset quality goals, and can

be in amounts of up to 20% of the executive officer's base salary, depending upon an objective review of the degree of attainment of such goals, as well as

Edgar Filing: BANCFIRST CORP /OK/ - Form DEF 14A

both an objective and subjective review of the respective executive officer's contribution thereto. Individual goals in each case are established by the Compensation Committee or the Chief Executive Officer and the Chairman, as appropriate.

The Company's executive officers also are eligible to participate in the BancFirst Corporation Stock Option Plan. Stock options provide executives the opportunity to acquire an equity interest in the Company and to share in the appreciation of the stock's value, thereby aligning their interests with those of the stockholders. The Plan currently is administered by the Board of Directors. In determining option grants, the Board does not take into account the amount and value of options currently held, and the Company does not have a target ownership level of equity holdings by its executives. During 2000, stock options for 62,750 shares were granted to employees of the Company, at varying exercise prices equal to the fair market value of the Common Stock on the date of grant. No stock options were granted to any of the Named Executive Officers in 2000.

Compensation of the Chief Executive Officer

In general, the Chief Executive Officer's compensation is determined by the Compensation Committee in the same manner as that of the other senior executives who are members of the Executive Committee, as described above. The Compensation Committee believes that the compensation paid to David E. Rainbolt, the Company's President and Chief Executive Officer, is in the median range of compensation of the chief executive officers of companies to which the comparisons are made. For 2000, the base salary of the Chief Executive Officer was set at \$190,000, an increase of \$10,000 over his 1999 base salary. Mr. Rainbolt also received a bonus of \$38,000 in 2000. In making decisions regarding CEO compensation, the Compensation Committee took into account results of operations of the Company, conditions in the banking industry as a whole and Mr. Rainbolt's contributions to the Company.

The Internal Revenue Code limits the deductibility of certain compensation expenses in excess of \$1 million. This was not applicable to the Company for the fiscal year ended December 31, 2000. However, the Compensation Committee and the Board of Directors intend to monitor executive compensation levels and adopt policies, as necessary, to obtain maximum deductibility of executive compensation while providing motivational and competitive performance-based compensation. The Compensation Committee and the Board of Directors will continue to monitor the tax regulations to determine if any executive compensation program changes are necessary.

This report is respectfully submitted by the members of the Compensation Committee, as well as by its Chief Executive Officer and the Chairman of the Board:

COMMON STOCK ISSUABLE UNDER, THE BANCFIRST CORPORATION STOCK OPTION PLAN (PROPOSAL NO. 2)

Subject to stockholder approval, the Board of Directors has amended the BancFirst Corporation Stock Option Plan (the "Plan") to (i) increase the aggregate number of shares of the Company's Common Stock which may be issued upon the exercise of options ("Plan Options") granted under the Plan from 850,000 to 1,100,000; and (ii) extend the term of the Plan by ten years to December 31, 2011.

The Board of Directors believes that the approval of the foregoing amendments to the Plan is in the best interests of the Company and its stockholders, as the availability of an adequate number of shares reserved for issuance under the Plan and the ability to grant stock options is an important factor in attracting, motivating and retaining qualified personnel essential to the success of the Company. As of April 30, 2001, no shares of Common Stock were available for future option grants under the Plan, which, absent amendment, will expire on December 31, 2001.

Summary of the Provisions of the Plan

The essential features of the Plan are summarized below. This summary does not purport to be a complete description of all the provisions of the Plan. Any shareholder of the Company who wishes to obtain a copy of the actual Plan document may do so upon written request to the Secretary at the Company's principal executive offices.

The Plan, which is not subject to the provisions of the Employee Retirement Income Security Act of 1974, provides for the grant of non-qualified stock options. The Plan is administered by the Board of Directors of the Company, certain members of which includes principal stockholders and employees of the Company or its affiliates, and may also include participants in the Plan. Pursuant to the Plan, the Board may delegate administration of the Plan to a committee of the Board consisting of three or more members, at least a majority of which must be "Non-Employee Directors" as such term is used in Rule 16b-3.

The maximum number of shares of Common Stock that which may be issued upon the exercise of options granted pursuant to the Plan is proposed to be increased from 850,000 to 1,100,000 (subject to adjustment in the event of stock dividends, stock splits, reverse stock splits, combinations, reclassifications, or like changes in the capital structure of the Company). All Plan Options must be granted, if at all, no later than December 31, 2001.

Options may be granted only to employees (including officers) of the Company or its subsidiaries. All Plan Options must have an exercise price equal to the fair market value of the Common Stock on the date of grant. As defined in the Plan, "fair market value" is stated to be equal to the closing price of the Common Stock as reported on the Nasdaq Stock Market, Inc. ("Nasdaq") on the date of grant or, if no closing price is so reported, the closing price of the Common Stock as reported by Nasdaq on the most recent date next preceding the date of grant. As of April 23, 2001, the closing price of the Common Stock, as reported on the Nasdaq National Market System, was \$38.82 per share.

The exercise price is payable on exercise of the Plan Option and is payable in cash, certified check, bank draft or money order, unless otherwise determined by the Board of Directors. Unless otherwise determined by the Board of Directors at the time of granting an option, Plan Options vest 25% per year commencing on the fourth year after grant, until the Plan Option is 100% vested. Except for termination of employment as a result of retirement or death, if an optionee ceases to be an employee of the Company for any reason, other than as a result of embezzlement, theft or other violation of law, the optionee may exercise his

Edgar Filing: BANCFIRST CORP /OK/ - Form DEF 14A

or her option (to the extent exercisable at the time of termination) at any time within 30 days after termination. If an optionee ceases to be an employee of the Company due to retirement, the optionee may exercise the option (to the extent exercisable at the time of termination) at any time within three months after such retirement. If an optionee ceases to be an employee of the Company due to death, the optionee's estate, personal representative, or beneficiary shall have the right to exercise the option (to the extent exercisable at the time of death) at any time within 12 months from the date of the optionee's death.

15

During the lifetime of the optionee, an option may be exercised only by the optionee. Unless otherwise provided by the Committee, no option may be assignable except (i) by will, (ii) by the laws of descent and distribution, (iii) for the purpose of making a charitable gift, or (iv) to a revocable trust of which the optionee is a trustee.

Except as described above, Plan Options may not have a term in excess of 15 years.

The Board of Directors may terminate or amend the Plan at any time; provided, however, that without the approval of the stockholders of the Company, the Board may not amend the Plan to materially increase the total number of shares of Common Stock covered thereby, materially increase the benefits accruing to participants under the Plan, or materially modify the requirements as to eligibility for participation in the Plan.

Summary of Federal Income Tax Consequences of the Plan

The federal tax consequences of stock options are complex and subject to change. Furthermore, the following summary is intended only as a general guide to the United States federal income tax consequences of options granted under the Plan under current law, and does not attempt to describe all potential tax consequences.

Non-qualified stock options have no special tax status. An optionee generally recognizes no taxable income as the result of the grant of such an option. Upon exercise of the option, the optionee normally recognizes ordinary income with respect to the acquired shares in the amount of the difference between the option price and the fair market value of the shares on the date of exercise. Such ordinary income generally is subject to withholding of income and employment taxes. Upon the sale of stock acquired by the exercise of a non-qualified stock option, any gain or loss, based on the difference between the sale price and the fair market value of the shares on the date of recognition of income, will be taxed as long-term or short-term capital gain or loss, depending upon the length of time the optionee has held the stock from the date of recognition of income. No tax deduction is available to the Company with respect to the grant of the option or the sale of stock acquired pursuant to such grant. Provided certain withholding requirements are met, the Company should be entitled to a deduction equal to the amount of ordinary income recognized by the optionee as a result of the exercise of the option.

Stockholder Approval

The affirmative vote of a majority of the shares outstanding and eligible to vote at the Annual Meeting is required for the adoption of the proposed amendment.

The Board of Directors recommends a vote "FOR" the proposed amendments to the BancFirst Corporation Stock Option Plan.

RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS (PROPOSAL NO. 3)

Andersen, formerly Arthur Andersen LLP, has been the company's independent accountants since 1998 and at the recommendation of the Audit Committee of the Board has been selected by the Board of Directors as the Company's independent accountants for the fiscal year ending December 31, 2001. Representatives of Andersen are expected to attend the Annual Meeting and will have an opportunity to make a statement or to respond to appropriate questions from stockholders.

The Audit Committee reviews audit and, if applicable, non-audit services performed by Andersen, as well as the fees charged by Andersen for such services. In its review of any non-audit service fees, the Audit Committee considers, among other things, the possible effect of the performance of such services on the auditor's independence. No non-audit services were performed by Andersen during 2000. Additional information concerning the Audit Committee and its activities with Andersen can be found in the following sections of this proxy statement: "Board of Directors and Committees," "Report of the Audit Committee," and Exhibit A.

16

The Board of Directors recommends a vote "FOR" the ratification of the selection of Andersen as independent accountants for the ensuing year.

REPORT OF THE AUDIT COMMITTEE

The Securities and Exchange Commission rules now require the Company to include in its proxy statement a report from the Audit Committee of the Board. The following report concerns the Audit Committee's activities regarding oversight of the Company's financial reporting and auditing process.

The Audit Committee is comprised solely of independent directors, as defined in the Marketplace Rules of The Nasdaq Stock Market, and it operates under a written charter adopted by the Board of Directors, a copy of which is attached to this proxy statement as Exhibit A. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Committee reviews and assesses the adequacy of its charter on an annual basis.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in its general oversight of the Company's financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The Company's independent accountants are

Edgar Filing: BANCFIRST CORP /OK/ - Form DEF 14A

responsible for expressing an opinion on the conformity of the Company's audited financial statements to generally accepted accounting principles.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent accountants, nor can the Audit Committee certify that the independent accountants are "independent" under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the independent accountants on the basis of the information it receives, discussions with management and the auditors and the experience of the Committee's members in business, financial and accounting matters.

Among other matters, the Audit Committee monitors the activities and performance of the Company's internal and external auditors, including the audit scope, external audit fees, auditor independence matters and the extent to which the independent accountants may be retained to perform non-audit services. The Audit Committee and the Board have ultimate authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent accountants. The Audit Committee also reviews the results of the internal and external audit work with regard to the adequacy and appropriateness of the Company's financial, accounting and internal controls. Management's and independent accountants' presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent auditor. In addition, the Audit Committee generally oversees the Company's internal compliance programs.

The Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the independent accountants represented that its presentations to the Audit Committee included the matters required to be discussed

17

with the independent accountants by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees."

The Company's independent accountants also provided the Audit Committee with the written disclosures required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee discussed with the independent accountants that firm's independence.

Following the Audit Committee's discussions with management and the independent accountants, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's annual report on Form 10-K for the year ended December 31, 2000.

FIFTH AMENDMENT TO AND RESTATEMENT
OF THE
BANCFIRST CORPORATION STOCK OPTION PLAN

1. PURPOSE. This Fifth Amendment to and Restatement of the BancFirst

Corporation Stock Option Plan (the "Plan") incorporates amendments adopted by the Board of Directors on April 26, 2001, and intended to be effective at such date subject to the ratification of such amendments by the stockholders of BancFirst Corporation (together with its "Subsidiaries," as defined below, the "Corporation") at the next annual meeting of stockholders following such adoption by the Board of Directors. The Plan is intended as an incentive and to encourage stock ownership by certain key employees and officers of the Corporation in order to increase their proprietary interest in the Corporation's success.

2. DEFINITIONS. As used herein, the following terms shall have the

corresponding meanings:
 - 2.1. "Committee" shall mean the Board of Directors of the Corporation, or a duly constituted committee of the Board consisting of three or more members, at least a majority of which shall be "Non-Employee Directors" as such term is used in Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act").
 - 2.2. "Common Stock" shall mean the common stock, par value \$1.00 per share, of the Corporation.
 - 2.3. "Date of Grant" shall mean the date of grant of a Stock Option granted hereunder as set forth in the Stock Option Agreement. In the event of a grant conditioned, among other things, upon stockholder ratification of this Plan, the date of such conditional grant shall be the Date of Grant for purposes of this Plan.
 - 2.4. "Employee" shall mean any common-law employee of the Corporation. The determination of whether or not a person is an Employee of the Corporation with respect to the grant or exercise of an Incentive Stock Option shall be made in accordance with the rule of Income Tax Regulation Section 1.421-7(h) (or successor regulation).
 - 2.5. "Fair Market Value" shall mean, with respect to the exercise of an option under the Plan, (a) if the Common Stock is listed on a national securities exchange or the NASDAQ National Market System, the closing price of the Common Stock for the business day immediately preceding the day for which the determination is being made, or (b) if the Common Stock is not then listed on an exchange, the

average of the closing bid and asked prices per share for the Common Stock in the over-the-counter market as quoted on NASDAQ for the business day immediately preceding the day for which the determination is being made, or (c) if the Common Stock is not then listed on any exchange or quoted on NASDAQ, an amount determined in good faith by the Committee to be the fair market value of the Common Stock, after consideration of all relevant factors.
 - 2.6. "Nonqualified Stock Option" shall mean a Stock Option which is not

Edgar Filing: BANCFIRST CORP /OK/ - Form DEF 14A

intended to qualify for tax treatment as an "incentive stock option" under Section 422 of the Code.

- 2.7. "Option Exercise Price" shall mean the price paid for Shares upon the exercise of a Stock Option granted hereunder.
- 2.8. "Optionee" shall mean any person entitled to exercise a Stock Option pursuant to the terms of the Plan.
- 2.9. "Stock Option" shall mean a stock option giving an Optionee the right to purchase shares of the Corporation's Common Stock. Stock Options granted under the Plan shall be Nonqualified Stock Options.

3. ADMINISTRATION.

- 3.1 AUTHORITY; INDEMNIFICATION. Within the limitations described herein, the Committee shall administer the Plan, select the Employees of the Corporation, including officers of the Corporation, to whom Stock Options shall be granted, determine the number of Shares to be subject to each grant, determine the method of payment upon exercise of each Stock Option, determine all other terms of Stock Options granted hereunder and interpret, construe and implement the provisions of the Plan. All questions of interpretation of the Plan or any Stock Option granted under the Plan shall be determined by the Committee, and such decisions shall be binding upon all persons having an interest in the Plan and/or any Stock Option. No member of the Committee shall be liable for any action or determination made in good faith, and the members shall be entitled to indemnification and reimbursement in the manner provided in the Corporation's Certificate of Incorporation, or as otherwise permitted by law.
- 3.2 RULE 16B-3 COMPLIANCE. With respect to the participation of eligible participants who are subject to Section 16(b) of the Exchange Act, the Plan shall be administered in compliance with the requirements of Rule 16b-3.
- 3.3 SECTION 162(M) COMPLIANCE. In the event the Corporation is a "publicly held corporation" as defined in paragraph (2) of section 162(m) of the Code, as

2

amended by the Revenue Reconciliation Act of 1993 (P.L. 103-66), and the regulations promulgated thereunder ("Section 162(m)"), the Corporation shall establish a committee of outside directors meeting the requirements of Section 162(m) to approve the grant of Stock Options which might reasonably be anticipated to result in the payment of employee remuneration that would otherwise exceed the limit on employee remuneration deductible for income tax purposes pursuant to Section 162(m).

4. ELIGIBILITY. The individuals who shall be eligible to participate in the -----

Plan shall be such key Employees (including officers) of BancFirst Corporation, or of any corporation ("Subsidiary") in which the Corporation has proprietary interest by reason of stock ownership or otherwise, including any corporation in which the Corporation acquires a proprietary interest after the adoption of this Plan (but only if the Corporation owns, directly or indirectly, stock possessing not less than 50% of the total combined voting power of all classes of stock in the corporation), as the

Edgar Filing: BANCFIRST CORP /OK/ - Form DEF 14A

Committee shall determine from time to time.

5. STOCK. The stock subject to Stock Options and other provisions of the Plan ----- shall be shares of the Corporation's authorized but unissued Common Stock or treasury stock, as determined by the Committee. Subject to adjustment in accordance with the provisions of Subparagraph 6.7 hereof, the total number of shares of Common Stock of the Corporation on which Stock Options may be granted under the Plan shall not exceed in the aggregate 1,100,000 shares. In the event that any outstanding Stock Option under the Plan for any reason expires or is terminated prior to the end of the period during which Stock Options may be granted, the shares of the Common Stock allocable to the unexercised portion of such Stock Option may again be subject to a Stock Option under the Plan.

6. TERMS AND CONDITIONS OF STOCK OPTIONS. Stock Options granted pursuant to ----- the Plan shall be evidenced by agreements in such form as the Committee shall, from time to time, approve. Agreements shall comply with and be subject to the following terms and conditions:

6.1 MEDIUM AND TIME OF PAYMENT. The Option Exercise Price shall be payable in United States Dollars upon the exercise of the Stock Option and may be paid in cash or by certified check, bank draft or money order payable to the order of the Corporation, unless otherwise determined by the Committee.

6.2 NUMBER OF SHARES. The Stock Option shall state the total number of shares to which it pertains.

3

6.3 OPTION EXERCISE PRICE. The Option Exercise Price shall be equal to the Fair Market Value of the Common Stock on the Date of Grant.

6.4 TERM OF STOCK OPTIONS. Any Stock Option granted must be exercised within fifteen (15) years of the date of such grant. Additionally, any Stock Option with an eleven (11) year term previously granted under this Plan, prior to its amendment, may also be exercised within fifteen (15) years of the date of such prior issuance.

6.5 DATE OF EXERCISE. Unless otherwise determined by the Committee at the time of granting a Stock Option, Stock Options shall be exercisable at the rate set forth below beginning four years from the Date of Grant. After becoming exercisable, the Stock Option may be exercised at any time and from time to time in whole or in part until termination of the Stock Option as set forth in Sections 6.4 or 6.6.

Elapsed Years from Date of Grant -----	Percent of Shares -----	Cumulative Percent of Shares -----
less than 4 years	0%	0%
4 to 5 years	25%	25%
5 to 6 years	25%	50%
6 to 7 years	25%	75%
more than 7 years	25%	100%

Edgar Filing: BANCFIRST CORP /OK/ - Form DEF 14A

- 6.6 TERMINATION OF EMPLOYMENT. In the event that an Optionee's employment by the Corporation shall terminate, his Stock Option whether or not then exercisable shall terminate immediately; provided, however, that if the termination is not as a result of embezzlement, theft or other violation of the law, the Optionee shall have the right to exercise his option (to the extent exercisable at the time of termination) at any time within 30 days after such termination; provided, further, that if any termination of employment is related to the Optionee's retirement with the consent of the Corporation, the Optionee shall have the right to exercise his Stock Option (to the extent exercisable up to the date of retirement) at any time within three months after such retirement; and provided, further, that if the Optionee shall die while in the employment of the Corporation or within the period of time after termination of employment or retirement during which he was entitled to exercise his option as hereinabove provided, his estate, personal representative, or beneficiary shall have the right to exercise his Stock

4

Option (to the extent exercisable at the date of death) at any time within twelve (12) months from the date of his death.

- 6.7 RECAPITALIZATION. The aggregate number of shares of Common Stock on which Stock Options may be granted to persons participating under the Plan, the number of shares thereof covered by each outstanding Stock Option, and the price per share thereof in each such Stock Option, shall all be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock of the Corporation resulting from a subdivision or consolidation of shares or other capital adjustment, or the payment of a stock dividend or other increase or decrease in such shares, effected without receipt of consideration by the Corporation; provided, however, that any fractional shares resulting from such adjustment shall be eliminated. In the event of a change in the Corporation's Common Stock which is limited to a change in the designation thereof to "Capital Stock" or other similar designation, or a change in the par value thereof, or from par value to no par value, without increase in the number of issued shares, the shares resulting from any such change shall be deemed to be Common Stock within the meaning of the Plan.
- 6.8 REORGANIZATION OF CORPORATION. Subject to any required action by the stockholders, if the Corporation shall be the surviving or resulting corporation in any merger or consolidation which does not result in change of control of the Corporation, any Stock Option granted hereunder shall pertain to and apply to the securities to which a holder of the number of shares of Common Stock subject to the Stock Option would have been entitled. In the event of a dissolution or liquidation of the Corporation or a merger or consolidation in which the Corporation is not the surviving or resulting corporation or which results in a change in control of the Corporation, or a tender or exchange offer which results in a change in control of the Corporation, the Committee shall determine: (i) whether all or any part of the unexercisable portion (as set forth in section 6.5) of any Stock Option outstanding under the Plan shall terminate; (ii) whether the Stock Options shall become immediately exercisable; or (iii) whether such Stock Options may be exchanged for options covering securities of any such surviving or resulting corporation, subject to the agreement of any such surviving or resulting corporation, on terms and conditions substantially similar to a Stock Option hereunder.

Edgar Filing: BANCFIRST CORP /OK/ - Form DEF 14A

6.9 ASSIGNABILITY. Except as provided in this Section, no Stock Option shall be assignable or transferable except as follows:

(a) by will or by the laws of descent and distribution.

5

(b) for the purpose of making a charitable gift.

(c) to the Optionee as trustee of a revocable trust which allows the Optionee to amend or revoke the trust at any time. If the Optionee relinquishes his power to amend or revoke the trust or appoints a trustee other than the Optionee, the Optionee shall withdraw the Stock Option from the trust prior to the relinquishment of such power or appointment and re-vest title to the Stock Option in the Optionee's individual name. If the trust becomes irrevocable due to the death of the Optionee, the successor trustee shall have the same power to exercise the Stock Option under Section 6.6 as the personal representative. If there is a successor trustee under the trust due to the incapacity of the Optionee, the date of incapacity shall be treated as termination of employment under Section 6.6, and the successor trustee shall have the same right to exercise the option as the Optionee has under Section 6.6. The trustee or any successor trustee shall be bound by all the terms and conditions of the Plan and the Stock Option Agreement entered into by the Plan and Optionee under this Plan.

(d) to the extent set forth in the Stock Option Agreement governing such Stock Option.

6.10 OPTIONEE'S AGREEMENT. If, at the time of the exercise of any Stock Option, it is necessary or desirable, in order to comply with any applicable laws or regulations relating to the sale of securities, that the Optionee exercising the Stock Option shall agree that he will purchase the shares that are subject to the Stock Option for investment and not with any present intention to resell the same, the Optionee will, upon the request of the Corporation, execute and deliver to the Corporation an agreement to such effect.

6.11 RIGHTS AS A STOCKHOLDER. An Optionee shall have no rights as a stockholder with respect to shares covered by his Stock Option until the date of issuance of the shares to him and only after such shares are fully paid.

6.12 OTHER PROVISIONS. The option agreements authorized under the Plan may contain such other provisions as the Committee shall deem advisable.

7. MARKETABILITY OF SHARES. The Common Stock is currently traded on the NASDAQ

National Market System. As a result, its liquidity varies widely in response to supply and demand. Consequently, the Corporation can give no assurances as to the marketability of shares acquired under the Plan.

6

8. TAX IMPLICATIONS. It is anticipated that Stock Options granted under the

Plan will be treated as Nonqualified Stock Options by the Internal Revenue

Edgar Filing: BANCFIRST CORP /OK/ - Form DEF 14A

Service. As such, exercise of the Stock Option would generate a taxable event with the difference between the original Option Exercise Price and the Fair Market Value of the Common Stock at the time of exercise being treated as ordinary income.

- 9. TERM OF PLAN. No Stock Option may be granted after December 31, 2011.

- 10. NO OBLIGATION TO EXERCISE OPTION. The granting of a Stock Option shall

impose no obligation upon the Optionee to exercise such Stock Option.
- 11. AMENDMENTS. The Board of Directors may from time to time amend, alter,

suspend, or discontinue the Plan or alter or amend (including decrease of the Option Exercise Price by cancellation and substitution of options or otherwise) any and all option agreements granted thereunder; provided, however, that after the first registration of the Common Stock under Section 12 of the Securities Exchange Act of 1934, no such action of the Board of Directors may, without approval of the stockholders of the Corporation, alter the provisions of the Plan so as to (a) materially increase the benefits accruing to participants under the Plan; (b) materially increase the number of securities which may be issued under the Plan; or (c) materially modify the requirements as to eligibility for participation in the Plan; and provided, further, that no amendment may, without the consent of the Optionee, affect any then outstanding Stock Options or unexercised portions thereof. In addition, the approval of the Corporation's stockholders shall be sought for any amendment to the Plan or a Stock Option for which the Committee deems stockholder approval necessary in order to comply with Rule 16b-3.
