The independent directors are able to and generally meet in executive session without the Company’s management at each regularly scheduled quarterly Board meeting.

The Board of Directors does not have a policy regarding director attendance at the annual meeting of stockholders. The Company provides notice of the meeting to the Board of Directors. No current independent director attended the 2018 annual meeting.

The Board of Directors currently has a Nominating, Audit, Compensation and Technology and Cybersecurity Committee.

The Nominating Committee is responsible for identifying and evaluating individuals qualified to become Board members and recommending to the Board candidates to stand for election or re-election as directors. The Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, experience and expertise to oversee the Company's business. responsibilities by reviewing and reporting to the Board on the integrity of the financial reports and other financial information provided by the Company to its stockholders. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of any independent auditor employed by the Company (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company. The Company's auditors report directly to the Audit Committee.

Code of Ethics

The Board has approved a code of business conduct and ethics in accordance with rules of the SEC and NASD listing standards applicable to all directors, officers and employees, including the chief executive officer, senior financial officers and the principal accounting officer. The code is intended to provide guidance to directors and management to assure compliance with law and promote ethical behavior. Copies of the Company's code of business conduct and ethics may be found on the Company's website at www.corporate.pfsweb.com, along with any amendments thereto or waivers of its requirements.

Board Leadership Structure

Currently, the Company has separated the roles of Chief Executive Officer and Chairman in order to permit the Chief Executive Officer to focus his efforts in improving the Company's operations. In addition, to assure effective independent oversight of the Company management, all of the other Board members are currently independent directors who may meet in executive session without management present. Similarly, each committee of the Board is comprised entirely of independent directors. The Company's Bylaws further permit the appointment of a lead

independent director by the other independent directors. The lead director is authorized to prepare the agendas for executive sessions of the independent directors and chair those sessions, facilitate communications between the Chairman and other members of the Board, and act as a liaison to shareholders who request direct communication with the Board. Prior to his being appointed as Chairman, Mr. Reilly served as the lead director.

Risk Management

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks more fully described in our annual and quarterly filings with the SEC, including risks relating to dependence on clients and suppliers, competition, cybersecurity and data breaches, product development, credit and liquidity, acquisitions and foreign expansion and other business risks. Management is responsible for the day-to-day management of risks we face, while our Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role,

our Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. The Board of Directors, together with its committees, provides company-wide oversight of our management and handling of risk. At meetings of the Board of Directors and its committees, directors receive regular updates from management regarding risk management. Outside of formal meetings, the Board, its committees and individual Board members have regular access to the executive officers of the Company and are often consulted by management in respect of Company operations.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act require our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Our officers, directors and greater than 10% shareholders are required by the SEC to furnish us with copies of all Section 16(a) forms they file. Based on a review of the copies of such reports furnished to us and written representations and information provided to us from such officers and directors, we believe that, during the fiscal year ended December 31, 2018, all our officer, directors and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them, other than reporting the exercise of one option award exercised by Mr. Madden and the receipt of one performance share award granted to Mr. Willoughby, Mr. Madden, Mr. Thomann, Mr. Fuentes and Mr. Hess, which were due to an administrative error on the part of the Company.

Salary and Other Benefits

We provide our Named Executive Officers and other employees with a base salary as a component of compensation for services rendered during the year. Additionally, they are provided a variable compensation package that is comprised of short and long term incentive pay. Short-term incentives can be comprised of cash, service-based stock awards, performance-based stock awards or market-based stock awards. Executive officers are eligible to participate in our 401(k) plan and other benefit programs.

2018 Say-on Pay Vote

At our last three annual meetings, a non-binding, advisory resolution approving the compensation paid to our named executive officers, as disclosed in our proxy statement or on Form 10-K/A for each such annual meeting, including the Compensation Discussion and Analysis, compensation tables and narrative discussions, was approved by our stockholders. In designing an executive compensation program for 2018, the Compensation Committee recognized the support previously received by the Company's stockholders for its historical compensation practices and has used these same methodologies and practices for 2018.

Awards consist of Performance Share Awards (“Performance Shares”) and Restricted Stock Units (“RSUs” and collectively “the Awards”) at the maximum Awards shares under the Plan. The RSUs are subject to three-year vesting and the Performance Shares are subject to three-year vesting and certain additional criteria, depending upon Award grant, including continued employment, the comparative performance (on an annual and cumulative basis) of the Company’s common stock on NASDAQ as compared to the Russell Micro Cap Index.

(2) Market value is computed by multiplying the number of Performance Share Awards by \$5.13, which was the closing price per share of the Company’s common stock on December 31, 2018, on NASDAQ.

EMPLOYMENT, CHANGE OF CONTROL AND TERMINATION ARRANGEMENTS FOR EXECUTIVES

The Company and each of Mr. Willoughby and Mr. Madden have entered into Change in Control and Severance Agreements. Under these agreements, and in consideration of certain commitments of the officer to continue employment, upon the occurrence of a change in control, all unvested options held by the officer immediately vest and become exercisable. During the two year period following a change in control (whenever occurring), if the employment of the officer is terminated (other than for cause, death, disability or retirement), or if there is a material adverse change in the officer's responsibilities, compensation or benefits to which the officer does not consent, then, in each case, the officer is entitled to receive from the Company (1) all salary and bonus amounts accrued through the date of termination, (2) a severance payment equal to twice the officer's salary and bonus amount (which is defined as the greater of (i) the highest annual incentive bonus earned by the executive during the last three completed fiscal years or (ii) the executive's then target bonus, if any) and (3) continuation for two years of all employee benefits (unless otherwise provided by a subsequent employer). If applicable, the officer is also entitled to receive an additional payment to compensate the officer for any additional excise tax liability arising by reason of the receipt of such severance or bonus payment. The agreement terminates upon the voluntary resignation or termination of employment by the officer.

In addition, upon a change in control, certain unvested Performance Shares and all Restricted Stock Units issued to the Named Executive Officers immediately vest and each recipient is entitled to receive an additional payment to compensate the officer for any additional excise tax liability arising by reason of the receipt of such shares.

The Company and each of Mr. Willoughby and Mr. Madden have also entered into Executive Severance Agreements. Under these agreements, and in consideration for, among other things, the agreement by the executive to be bound by a restrictive covenant, in the event of the termination of the employment of the executive other than for cause (including termination following a reduction in the executive's base salary unless such reduction is part of, and proportionate with, a general reduction in officer compensation), the executive is entitled to a severance payment, based on the executive's years of service, up to a maximum of twice the executive's salary and the bonus, if any, that the executive would have received for such fiscal year (based upon the executive's targeted bonus amount and the Company's actual results for such fiscal year), payable in monthly installments over a period not to exceed two years (based on the executive's years of service). In addition, in the event of termination without cause, the executive is entitled during the severance period to a continuation of benefits and to the accelerated vesting of all options then held by the executive, and the executive is considered a continuing employee of the Company for all purposes for which the executive's status as an employee of the Company would entitle the executive to some benefit, including the vesting of Performance Shares and Restricted Stock Units. The severance payment and benefits are reduced by any compensation or benefits received by the executive from any subsequent employer.

Effective as of December 31, 2008, the Company and Mr. Willoughby and Mr. Madden entered into an amendment to the existing Executive Severance Agreements and Change in Control Severance Agreements between the Company and such persons. The primary purpose of such amendment was to modify such agreements so that they conform to Section 409A of the Internal Revenue Code. In addition, the amendment to the Executive Severance Agreement modified the calculation of the severance amount thereunder so that it is based on the highest annual rate of base salary during the 12-month period immediately prior to the qualifying termination.

For purposes of providing quantitative disclosure of the foregoing, assuming that a qualifying triggering event occurred as of December 31, 2018: (i) Mr. Willoughby would have been entitled to receive aggregate cash payments of approximately \$1,030,000 (payable over 24 months), other benefits with an estimated value of approximately \$95,000, and up to 366,993 shares of the Company's stock valued at \$1,882,674 based on the \$5.13 closing price of the Company's stock on December 31, 2018, (and, in the event of a change in control, an additional amount of up to 57,036 shares of the Company's stock valued at \$292,595 based on the \$5.13 closing price of the Company's stock on December 31, 2018, plus, if applicable, an additional payment to cover any excise tax liability) and (ii) Mr. Madden would have been entitled to receive aggregate cash payments of approximately \$710,000 (payable over 24 months), other benefits with an estimated value of approximately \$95,000, and up to 173,625 shares of the Company's stock valued at \$890,696 based on the \$5.13 closing price of the Company's stock on December 31, 2018 (and, in the event

of a change in control, an additional amount of up to 33,272 shares of the Company's stock valued at \$170,685 based on the \$5.13 closing price of the Company's stock on December 31, 2018, plus, if applicable, an additional payment to cover any excise tax liability).

The Company and Mr. Hess entered into an agreement under which, and in consideration for, among other things, the agreement of such individual to be bound by a restrictive covenant, in the event of the termination of his employment other than for cause (including termination following a reduction in his or her base salary unless such reduction is part of, and proportionate with, a general reduction in officer compensation), he is entitled to a severance benefit of continuation of base salary, Restricted Stock Units and Performance Shares vesting and employee benefits for the twelve month period following termination. In addition, upon a change in control, certain unvested Performance Shares and all unvested Restricted Stock Units held by such individual immediately vest.

For purposes of providing quantitative disclosure of the foregoing, assuming that a qualifying triggering event occurred as of December 31, 2018: (i) Mr. Hess would have been entitled to receive aggregate cash payments of approximately \$325,000 (payable over twelve months) and other benefits with an estimated value of approximately \$35,000, and up to 31,048 shares of the Company's stock valued at \$159,276 based on the \$5.13 closing price of the Company's stock on December 31, 2018 (and, in the event of a change in control, an additional amount of up to 13,278 shares of the Company's stock valued at \$68,116 based on the \$5.13 closing price of the Company's stock on December 31, 2018).

Effective April 1, 2019, Mr. Hess' and the Company agreed to a separation with Mr. Hess seeking new opportunities. The Company and Mr. Hess are in negotiations on the terms of his Separation Agreement.

Mr. Nagakura is eligible to participate in the Company's compensation programs for non-employee Directors; (7) however as a representative of TCI Mr. Nagakura is not permitted to receive remuneration for serving as a director of the Company. Accordingly, Mr. Nagakura received no compensation as a Director during 2018.

For the first quarter of 2018, each non-employee Director received a quarterly retainer ("Retainer") equal to \$25,000. Effective as of April 2018, the quarterly Retainer was increased to \$30,000. Each quarterly Retainer is effected through the issuance of a Deferred Stock Unit (a "DSU") under the Plan. The DSU represents the right to receive a number of shares of Common Stock equal to the Retainer divided by the closing price of the Common Stock immediately preceding the DSU grant date. Shares are not issuable under the DSU until the Director no longer serves on the Board. In addition, effective as of April 2018, the Chairman of the Board and the chairpersons of the Audit, Compensation and Technology and Cybersecurity committees are entitled to receive an annual payment of \$7,500. Directors who are also employees of the Company or any of its subsidiaries receive no remuneration for serving as directors or Committee members.

Compensation Committee Interlocks and Insider Participation

During 2018, Mr. Reilly, Mr. Nagakura and Mr. Beatson served on the Compensation Committee. None of the members of the Compensation Committee has had a relationship with the Company or any subsidiary other than as a director or stockholder. No executive officer of the Company served or serves on the Compensation Committee or board of any company that employed or employs any member of Company's Compensation Committee or Board of Directors.

Item 13. Certain Relationships and Related Transactions, and Director Independence

The Board of Directors evaluate the independence of each director in accordance with applicable laws and regulations and the Nasdaq Listing Rules. The Board of Directors consider all relevant facts and circumstances in making an independence determination, including among other things, making an affirmative determination that the director has no material relationship with the Company directly or as an officer, stockholder, or partner of an entity that has a material relationship with the Company. The Board of Directors has determined that, other than Mr. Willoughby, each director, and each member of each committee of the Board of Directors, is independent within the meaning of applicable SEC rules and NASDAQ Listing Rules. The independent directors are able to and generally meet in executive session without the Company’s management at each regularly scheduled Board meeting.

Indemnification of Officers and Directors

We have entered into, and intend to enter into, separate indemnification agreements with our directors and certain qualifying officers, in addition to the indemnification provided for in our Amended and Restated Bylaws. These agreements, among other things, require us to indemnify our directors and officers for certain expenses, including attorneys’ fees, judgments, fines and settlement amounts incurred by a director or officer or any other company to which the director or officer provides services at our request. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers.

Other Transactions

We entered into various employment related agreements and compensatory arrangements with our executive officers and directors that among other things, provide for compensatory and certain severance and change of control benefits. For a description of these see sections above in Item 11 – Executive Compensation titled “Employment, Change of Control and Termination Arrangements for Executives” and “Director Compensation.”
