ITEM 7.01. Regulation FD Disclosure.

Cogent Communications Group, Inc. (Cogent), a wholly owned subsidiary of Cogent Communications Holdings, Inc. (the Company), has priced its offering of \$250 million of 5.375% Senior Secured Notes due 2022 (the Notes) for issuance at par. The amount offered represents an increase of \$5 million from the amount previously announced. The Notes are being offered and sold only to qualified institutional buyers in an unregistered offering pursuant to Rule 144A under the Securities Act of 1933, as amended (the Act), and to certain non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Act. The offering is expected to close on February 20, 2015, subject to customary closing conditions.

Following the pricing of the offering of the Notes, Cogent issued a notice of conditional full redemption (the Notice) with respect to its 8.375% Senior Secured Notes due 2018 (the Existing Secured Notes). Pursuant to the Notice, Cogent gave holders of the Existing Secured Notes notice that, subject to the conditions precedent stated therein, it will redeem (the Redemption) all of the outstanding Existing Secured Notes on March 12, 2015 (the Redemption Date). The Existing Secured Notes, which have an outstanding principal balance of \$240.0 million, will be redeemed in full at a redemption price equal to 104.188% of the outstanding principal amount plus accrued and unpaid interest thereon, if any, to but not including the Redemption Date.

As permitted by the terms of the Existing Secured Notes, the Notice and the Redemption are conditioned upon the consummation (as and when determined by Cogent in its sole and absolute discretion) of the offering of the Notes. Cogent expects to use the proceeds from the offering, plus cash on hand, to finance the redemption of the Existing Secured Notes.

The information in this Current Report does not constitute an offer to sell or a solicitation of an offer to buy any of the Notes. The Notes offering is not being made to any person in any jurisdiction in which the offer, solicitation or sale is unlawful. The Notes offered have not been registered under the Act, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

This information set forth herein shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated by reference in any filing under the Act or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

favorable terms; our reliance on an equipment vendor, Cisco Systems Inc., and the potential for hardware or software problems associated with such equipment; the dependence of our network on the quality and dependability of third-party fiber providers; our ability to

retain certain customers that comprise a significant portion of our revenue base; the management of network failures and/or disruptions; and outcomes in litigation as well as other risks discussed from time to time in our filings with the Securities and Exchange Commission, including, without limitation, our annual report on Form 10-K for the fiscal year ended December 31, 2013 and our Quarterly Report on Form 10-Q for the quarter ended September 30, 2014 filed with the Securities and Exchange Commission.
