PROXY STATEMENT
for
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 23, 2018

INTRODUCTION

General

This Proxy Statement is being furnished to the stockholders of Papa Murphy's Holdings, Inc., a Delaware corporation ("Papa Murphy's" or the "Company"), as part of the solicitation of proxies by the Company's board of directors (the "Board of Directors" or the "Board") from holders of the outstanding shares of the Company's Common Stock, par value \$0.01 per share (the "Common Stock"), for use at the Company's annual meeting of stockholders (the "Annual Meeting") to be held at 9:00 a.m. Pacific Time, on May 23, 2018, and at any adjournments or postponements thereof. At the Annual Meeting, stockholders will be asked to vote on the following matters: the election of four Class I directors to serve until the 2021 annual meeting of stockholders and until their successors are elected and qualified, the ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018 and any other business that may properly come before the meeting or any adjournments, recesses or postponements of the meeting.

A Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our proxy materials, including this proxy statement and our 2017 Annual Report, is first being mailed to stockholders of Papa Murphy's on or about April 4, 2018. The Notice also provides instructions on how to vote over the Internet, by mail or by telephone. If you receive a Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you specifically request these materials.

Solicitation, Voting and Revocability of Proxies

The Board of Directors has fixed the close of business on March 26, 2018 as the record date for the determination of the stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). Accordingly, only holders of record of shares of Common Stock at the close of business on the Record Date will be entitled to vote at the Annual Meeting, with each such share entitling its owner to one vote on all matters properly presented at the Annual Meeting. On the Record Date, 16,971,461 shares of Common Stock were outstanding. The presence, in person (through online participation) or by proxy, of a majority of the total number of outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting.

All proxies properly submitted in time to be counted at the Annual Meeting will be voted in accordance with the instructions contained therein. The Board of Directors does not know of any matters other than those described in the Notice of Annual Meeting that are to come before the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the proxy will have discretion to vote the shares of Common Stock they represent in accordance with their own judgment on those matters.

Stockholders who execute proxies retain the right to revoke them at any time prior to the exercise of the powers conferred thereby by filing a written notice of revocation with, or by delivering a duly executed proxy bearing a later date to, Corporate Secretary, Papa Murphy's Holdings, Inc., 8000 NE Parkway Drive, Suite 350,

Vancouver, Washington 98662, or by participating in the Annual Meeting and voting their shares electronically at the Annual Meeting. All valid, unrevoked proxies will be voted at the Annual Meeting.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Although we encourage you to read the enclosed Proxy Statement in its entirety, we include this question and answer section to provide some background information and brief answers to several questions you might have about the Annual Meeting.

Q: Why are we providing these materials?

A: Our Board of Directors is providing these proxy materials to you in connection with our Annual Meeting, which will take place on May 23, 2018. Stockholders are invited to participate in the Annual Meeting and are requested to vote on the proposals described in this Proxy Statement.

Q: What information is contained in these materials?

A: The information included in this Proxy Statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of directors and our most highly paid officers, and other required information.

Q: What proposals will be voted on at the Annual Meeting?

A: There are two proposals scheduled to be voted on at the Annual Meeting:

the election of four Class I directors to serve until the 2021 annual meeting of stockholders and until their successors are elected and qualified (Proposal No. 1); and
the ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018 (Proposal No. 2).

We will also consider other business that properly comes before the Annual Meeting.

Q: How does the Board of Directors recommend that I vote?

A: Our Board of Directors recommends that you vote your shares **"FOR"** the election of the Board's nominees for election to the Board of Directors as Class I directors and **"FOR"** the ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018.

Q: What shares owned by me can be voted?

A: All shares of the Company's Common Stock owned by you as of the close of business on March 26, 2018, which is the Record Date, may be voted by you. You may cast one vote per share of Common Stock that you held on the Record Date. These shares include shares that are: (1) held directly in your name as the stockholder of record, and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Most stockholders of the Company hold their shares through a stockbroker, bank or other nominee rather than directly in their own names. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company as described below under "How can I vote my shares without participating in the Annual Meeting?" or to vote electronically at the Annual Meeting.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker how to vote and you are also invited to participate in the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares at the Annual Meeting unless you obtain a legal proxy from your broker or other nominee authorizing you to vote your shares at the Annual Meeting. Your broker or nominee has sent you instructions describing how you can direct the broker or nominee to vote your shares. You may vote your shares by Internet or by telephone as described below under “How can I vote my shares without participating in the Annual Meeting?”

Q: How can I vote my shares during the Annual Meeting?

A: This year’s annual meeting will be held entirely online to allow greater participation. Stockholders may participate in the Annual Meeting by visiting the following website: <http://www.virtualshareholdermeeting.com/FRSH2018>. To participate in the Annual Meeting, you will need the 16-digit control number included on your Notice, on your proxy card or on the instructions that accompanied your proxy materials. Shares held in your name as the stockholder of record may be voted electronically during the Annual Meeting. Shares for which you are the beneficial owner but not the stockholder of record also may be voted electronically during the Annual Meeting.

However, even if you plan to participate in the Annual Meeting, the Company recommends that you vote your shares in advance (as described below) so that your vote will be counted if you later decide not to participate in the Annual Meeting.

Q: How can I vote my shares without participating in the Annual Meeting?

A: To vote your shares without participating in the Annual Meeting, please follow the instructions for Internet or telephone voting on the Notice. If you request printed copies of the proxy materials by mail, you may also vote by signing and submitting your proxy card and returning it by mail, if you are the stockholder of record, or by signing the voter instruction form provided by your bank or broker and returning it by mail, if you are the beneficial owner but not the stockholder of record. This way your shares will be represented whether or not you are able to participate in the meeting.

Q: Can I change my vote?

A: Participating in the Annual Meeting alone will not cause your previously granted proxy to be revoked. You may change your proxy instructions at any time prior to the vote at the Annual Meeting. You may accomplish this by entering a new vote by Internet, by telephone, by delivering a written notice of revocation to the Corporate Secretary of the Company, by granting a new proxy card or new voting instruction card bearing a later date (which automatically revokes the earlier proxy instructions), or by participating in the Annual Meeting and voting your shares electronically at the Annual Meeting.

Q: How are votes counted?

A: You may vote “**FOR**” or “**WITHHOLD**” authority to vote for each nominee for election as a director. If you vote your shares without providing specific instructions, your shares will be voted “**FOR**” each nominee for election to the Board of Directors. If you vote to “**WITHHOLD**” authority to vote for any nominee for election as a director, the shares represented will be counted as present for the purpose of determining a quorum, but they will not be counted and will have no effect in determining whether the nominee is elected. If a quorum is present, our Amended and Restated Bylaws, as amended to date (the “Bylaws”), provide that directors are elected by a plurality of the votes cast by the shares entitled to vote. Abstentions and broker non-votes (as described below) are counted for purposes of determining whether a quorum exists at the Annual Meeting, but are not counted and have no effect on the determination of whether a plurality exists with respect to a given nominee.

You may vote “**FOR**” or “**AGAINST**” or “**ABSTAIN**” from voting when voting on the ratification of the appointment of Moss Adams LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2018. If you vote your shares without providing specific instructions, your shares will be voted in accordance with the recommendations of the Board of Directors. If you choose to “**ABSTAIN**” from voting

on the ratification of the appointment of Moss Adams LLP, your abstention will have the effect of a vote “**AGAINST**” the proposal.

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute “broker non-votes.” Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, brokers have discretion to vote these shares on routine matters but not on non-routine matters. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given.

Thus, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares “**FOR**” routine matters while expressly noting that the broker is not voting on non-routine matters. A broker non-vote occurs when a broker expressly instructs on a proxy card that the broker is not voting on a matter, whether routine or non-routine. The ratification of the appointment of Moss Adams LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2018 is considered a routine matter, so unless you have provided otherwise, your broker will have discretionary authority to vote your shares on that proposal. However, the election of four Class I directors to serve until the 2021 annual meeting of stockholders and until their successors are elected and qualified is considered a non-routine matter, so unless you have provided instructions to your broker with respect to such proposal, your broker will not have authority to vote your shares on that proposal and your shares will constitute broker non-votes. Broker non-votes are counted for the purpose of determining the presence or absence of a quorum but are not counted for purposes of determining the number of votes cast for, or entitled to vote on, a proposal.

Q: What is the quorum requirement for the Annual Meeting?

A: The quorum requirement for holding the Annual Meeting and transacting business is a majority of the outstanding shares entitled to be voted. The shares may be present in person (through online participation) or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum.

Q: What is the voting requirement to approve the proposals?

A: In the election of the directors, the four persons receiving the highest number of “**FOR**” votes at the Annual Meeting will be elected. However, if any incumbent director (other than a director designated by LEP Papa Murphy’s Holdings, LLC or its permitted transferees) does not receive a majority of the votes cast in an uncontested election of directors, that director is required to tender his or her resignation, subject to the Board of Directors’ right to reject such resignation. Any other proposal requires the affirmative “**FOR**” vote of a majority of the total voting power of those shares of Common Stock present in person (through online participation) or represented by proxy and entitled to vote on that proposal at the Annual Meeting.

Q: Who are the proxyholders and what do they do?

A: The two persons named as proxyholders on the proxy card, Weldon Spangler, our President and Chief Executive Officer, and Mark Hutchens, our Executive Vice President, Chief Operating Officer and Chief Financial Officer, were

designated by our Board of Directors. The proxyholders will vote all properly tendered proxies (except to the extent that authority to vote has been withheld) and where a choice has been specified by you as provided in the proxy card, it will be voted in accordance with the instructions you indicate on the proxy card. If you vote your shares without providing specific instructions regarding each of the proposals, your shares will be voted “**FOR**” each proposal.

Q: What does it mean if I receive more than one Notice?

A: You may receive more than one Notice. For example, if you hold your shares in more than one brokerage account, you may receive a separate Notice for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one Notice. To ensure that all of your shares in each account are voted, you must vote in accordance with the Notice you receive for each account.

Q: How can I revoke my proxy?

A: You may revoke your proxy at any time before it is voted at the Annual Meeting. In order to do this, you may do any of the following:

enter a new vote by Internet or by telephone following the instructions in the Notice;
sign and return another proxy card bearing a later date;
provide written notice of the revocation to the Company's Corporate Secretary, Papa Murphy's Holdings, Inc., 8000 NE Parkway Drive, Suite 350, Vancouver, Washington 98662, prior to the vote at the Annual Meeting; or
participate in the meeting and vote your shares electronically at the meeting.

Q: Where can I find the voting results of the Annual Meeting?

A: We will announce preliminary voting results at the Annual Meeting and publish final results in the Company's Current Report on Form 8-K within four business days after the Annual Meeting.

Q: What happens if additional proposals are presented at the Annual Meeting?

A: Other than the proposals described in this Proxy Statement, Papa Murphy's does not expect any additional matters to be presented for a vote at the Annual Meeting. If you grant a proxy, the persons named as proxy holders will vote your shares on any additional matters properly presented for a vote at the Annual Meeting in the manner directed by a majority of the Board of Directors.

Q: Who will count the vote?

A: Broadridge Financial Solutions, Inc. has been appointed to act as the inspector of elections and will tabulate the votes.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed, either within the Company or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, or (3) to facilitate a successful proxy solicitation by the Board of Directors.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: The Company will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. The solicitation of proxies or votes may be made in person, by telephone or by electronic communication by the Company's directors, officers and employees, who will not receive any additional compensation for these solicitation activities. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to the beneficial owners.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

A: *Stockholder Proposals*

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2019 annual meeting of stockholders, our Corporate Secretary must receive the written proposal at our principal executive offices not later than December 5, 2018. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to:

Papa Murphy's Holdings, Inc.,
Attention: Corporate Secretary
8000 NE Parkway Drive, Suite 350
Vancouver, Washington 98662 (360) 260-7272

Our Bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement.

Our Bylaws provide that the only business that may be conducted at an annual meeting is business that is (i) specified in our notice of meeting (or any supplement thereto), (ii) otherwise brought before the annual meeting by or at the direction of our Board of Directors, or (iii) brought before the annual meeting by a stockholder of record entitled to vote at the annual meeting who has delivered timely written notice to our Corporate Secretary, which notice must contain the information specified in our Bylaws. To be timely for our 2018 annual meeting of stockholders, our Corporate Secretary must receive the written notice at our principal executive offices:

- not earlier than January 23, 2019; and
- not later than February 22, 2019.

If we hold our 2019 annual meeting of stockholders more than 30 days before or more than 70 days after the one-year anniversary of the Annual Meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before such annual meeting and no later than the close of business on the later of the following two dates:

- the 90th day prior to such annual meeting; or
- the 10th day following the day on which public announcement of the date of such annual meeting is first made by the Company.

Nomination of Director Candidates

You may propose director candidates for consideration by our Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and appropriate background and biographical information and should be directed to our Corporate Secretary in writing at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see "Board of Directors and Corporate Governance—Director Nomination Procedures."

In addition, our Bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information and documentation required by our Bylaws. In addition, the stockholder must give timely notice to our Corporate Secretary in accordance with our Bylaws, which, in general, require that the notice be received by our Corporate Secretary within the time period described above under "Stockholder Proposals" for stockholder proposals that are not intended to be included in a proxy statement.

Availability of Bylaws

A copy of our Bylaws may be obtained by accessing our filings on the website of the Securities and Exchange Commission (the "SEC") at www.sec.gov. You may also contact our Corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Director Independence

Our Common Stock is listed on the Nasdaq Stock Market. Under the rules of the Nasdaq Stock Market, independent directors must comprise a majority of a listed company's board of directors, subject to specified exceptions. In addition, the rules of the Nasdaq Stock Market require that, subject to specified exceptions, each member of a listed company's Audit, Compensation and Nominating and Corporate Governance committees be independent. Under the rules of the Nasdaq Stock Market, a director will only qualify as an "independent director" if, in the opinion of the listed company's board of directors, the director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act, and the listing requirements of the Nasdaq Stock Market. In addition, compensation committee members must satisfy the independence criteria set forth in Rule 10C-1 under the Exchange Act and the listing requirements of the Nasdaq Stock Market.

Our Board of Directors has undertaken a review of the independence of each director and nominee and considered whether any director or nominee has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board of Directors has determined that each of Jean Birch, John Shafer, L. David Mounts, Rob Weisberg, Katherine L. Scherping, Alexander C. Matina and Noah A. Elbogen is, and Jeffrey B. Welch until his resignation on December 21, 2017 was, an "independent director" as defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the Nasdaq Stock Market.

Board Leadership Structure and Oversight of Risk Management

Our Bylaws do not dictate whether the roles of Chair of the Board and Chief Executive Officer should be separate or combined. The Board currently maintains a separation between the roles of Chief Executive Officer and Chairman of the Board. Mr. Spangler has served as the Company's President and Chief Executive Officer since June 2017, and Ms. Birch has served as the Chair of the Board of Directors since September 2016. Prior to Mr. Spangler's appointment as the Company's President and Chief Executive Officer, Ms. Birch served as both the Chair of the Board and the interim Chief Executive Officer of the Company. The Board believes that although it was beneficial to the Company to have Ms. Birch serve as both the Chair of the Board and the interim Chief Executive Officer of the Company while the Company looked for a permanent Chief Executive Officer, the separation of the Chair and Chief Executive Officer roles promotes more active participation in establishing priorities of the Board, while affording the Chief Executive Officer the ability to focus more clearly on the day-to-day operational aspects and requirements of the Company's

business.

No independent director serves as the lead independent director. We believe that each of our independent directors brings valuable experience, oversight and expertise from outside of our Company.

The Board believes that overseeing how management manages the various risks we face is one of its most important responsibilities to our stakeholders. The material risks we face relate to, among other things, business strategy, financial condition, product development, competition for talent, operational efficiency, quality assurance, supply chain management, reputation, intellectual property and trade secrets, among others. The Board believes that, in light of the diverse and often interrelated nature of the risks the Company faces, oversight of risk management is ultimately the responsibility of the full Board, which provides oversight of the Company's risk assessment and monitoring processes. Although our Board is ultimately responsible for risk oversight, our Board committees assist our Board in fulfilling its oversight responsibilities in certain areas of risk. Our Audit Committee assists our Board in fulfilling its oversight responsibilities with respect to risk management in the areas of internal control over financial reporting and disclosure controls and procedures and legal and regulatory matters that may have a material impact on the Company's financial statements. Our Audit Committee also discusses with our management, the head of our internal audit function and our independent auditor any significant risks or exposures and the Company's policies and processes with respect to risk assessment and risk management, and assesses the steps management has

10

taken to monitor and control such risks. Our Nominating and Corporate Governance Committee assists our Board in fulfilling its oversight responsibilities with respect to corporate governance. Our Compensation Committee reviews the Company's compensation policies and practices for executives, management employees and employees generally to assess whether such policies and practices could lead to excessive risk taking behavior and the manner in which any risks arising out of the Company's compensation policies and practices are monitored and mitigated. To facilitate oversight of risk management by the Board and its committees, our executive officers who are responsible for risk management work directly with the Board or the relevant committee of the Board responsible for particular types of risks.

Board Meetings and Committees

During the fiscal year ended January 1, 2018, our Board held nine meetings (including regularly scheduled and special meetings). Each director attended at least 75% of the aggregate of (i) the total number of meetings of our Board held during the period for which he or she has been a director and (ii) the total number of meetings held by all committees of our Board on which he or she served during the periods that he or she served.

Although we do not have a formal policy regarding attendance by members of our Board at annual meetings of stockholders, we encourage, but do not require, our directors to attend. Seven of our directors attended last year's annual meeting of stockholders.

Our Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The composition and responsibilities of each of the committees of our Board of Directors are described below. Members will serve on these committees until their resignation or until otherwise determined by our Board of Directors.

Audit Committee

Our Audit Committee consists of L. David Mounts, John Shafer, Katherine L. Scherping and Noah A. Elbogen. Katherine L. Scherping is the chair of our Audit Committee. Our Board has affirmatively determined that each member of the Audit Committee meets the definition of an "independent director" for the purposes of serving on the Audit Committee under applicable Nasdaq rules and Rule 10A-3 under the Exchange Act, and that Katherine L. Scherping qualifies as an "audit committee financial expert" as such term has been defined by the SEC in Item 407(d)(5) of Regulation S-K.

Our Audit Committee is responsible for, among other things, assisting the Board's oversight of:

- the integrity of our financial statements;
- our internal financial reporting and compliance with our disclosure controls and procedures;
- the qualifications, engagement, compensation, independence and performance of our independent registered public accounting firm;
- our independent registered public accounting firm's annual audit of our financial statements and any engagement to provide other services;
- the performance of our internal audit function;
- our legal and regulatory compliance; and
- the application of our codes of business conduct and ethics as established by management and the Board.

Our Audit Committee operates under a written charter that satisfies the applicable rules and regulations of the SEC and the listing requirements of the Nasdaq Stock Market. A copy of the charter of our Audit Committee is

available on our website at www.PapaMurphys.com in the Corporate Governance section of our Investor Relations webpage. During 2017, our Audit Committee held eight meetings.

Compensation Committee

Our Compensation Committee consists of L. David Mounts, Rob Weisberg and Alexander C. Matina. Rob Weisberg is the chair of our Compensation Committee. Our Board has affirmatively determined that each member of our Compensation Committee (i) meets the definition of an “independent director” for the purposes of serving on the Compensation Committee under applicable Nasdaq and Exchange Act rules, (ii) is a “non-employee director,” as defined by Rule 16b-3 promulgated under the Exchange Act, and (iii) is an “outside director,” as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended.

Our Compensation Committee is responsible for, among other things:

- assisting the Board in discharging its responsibilities regarding compensation of our executive officers;
- reviewing and approving corporate goals and objectives relevant to the compensation of our Chief Executive Officer and evaluating our Chief Executive Officer’s performance in light of those goals and objectives;
- reviewing and determining the compensation of our Chief Executive Officer and other executive officers;
- making recommendations to the Board with respect to our incentive and equity-based compensation plans;
- providing oversight of our compensation policies, plans and benefit programs including reviewing compensation and employee benefit plans, policies and programs; and
- producing, approving and recommending to the Board, reports on compensation matters required to be included in our annual proxy statement or annual report, if applicable.

Our Compensation Committee operates under a written charter that satisfies the applicable rules and regulations of the SEC and the listing requirements of the Nasdaq Stock Market. A copy of the charter of our Compensation Committee is available on our website at www.PapaMurphys.com in the Corporate Governance section of our Investor Relations webpage. During 2017, our Compensation Committee held eight meetings.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of John Shafer, Rob Weisberg and Katherine L. Scherping. John Shafer is the chair of our Nominating and Corporate Governance Committee. Our Board has affirmatively determined that each member of our Nominating and Corporate Governance Committee meets the definition of an “independent director” for the purposes of serving on the Nominating and Corporate Governance Committee under applicable Nasdaq rules.

Our Nominating and Corporate Governance Committee is responsible for, among other things:

- recommending to the Board for approval the qualifications, qualities, skills and expertise required for Board membership;
- identifying potential members of the Board consistent with the criteria approved by the Board and selecting and
- recommending to the Board the director nominees for election at the next annual meeting of stockholders or to otherwise fill vacancies;
- evaluating and making recommendations regarding the structure, membership and governance of the committees of the Board;

- developing and making recommendations to the Board with regard to the Company's corporate governance policies and principles; and
- overseeing the annual review of the Board's performance.

Our Nominating and Corporate Governance Committee operates under a written charter that satisfies the applicable rules and regulations of the SEC and the listing requirements of the Nasdaq Stock Market. A copy of the charter of our Nominating and Corporate Governance Committee is available on our website at www.PapaMurphys.com in the Corporate Governance section of our Investor Relations webpage. During 2017, our Nominating and Corporate Governance Committee held six meetings.

Corporate Governance Guidelines and Code of Business Ethics and Conduct

Our Board has adopted Corporate Governance Guidelines. These guidelines address items such as the qualifications and responsibilities of our directors and director candidates and corporate governance policies and standards applicable to us in general. In addition, our Board has adopted a written Code of Business Conduct and Ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, and any persons performing similar functions. Current copies of the Code of Business Conduct and Ethics and Corporate Governance Guidelines are posted on our website at www.PapaMurphys.com in the Corporate Governance section of our Investor Relations webpage. Any amendments to our Code of Business Conduct and Ethics, or any waivers of its requirements for which disclosure is required, will be disclosed on our website promptly following the date of such amendment or waiver.

Considerations in Evaluating Director Nominees

Our Nominating and Corporate Governance Committee is responsible for reviewing with the Board, on an annual basis, the appropriate criteria that directors are required to fulfill (including experience, qualifications, attributes, skills and other characteristics) in the context of the current make-up of the Board and the needs of the Board given the circumstances of the Company. In identifying and screening director candidates, the Nominating and Corporate Governance Committee considers whether the candidates fulfill the criteria for directors approved by the Board, including integrity, objectivity, independence, sound judgment, leadership, courage and diversity of experience (for example, in relation to finance and accounting, international operations, strategy, risk, technical expertise, or policy-making). Directors must be prepared to devote the time required to prepare for and attend Board meetings, and fulfill their responsibilities effectively. Other than the foregoing, our Board has not approved other stated minimum criteria for director nominees, although our Nominating and Corporate Governance Committee may also consider such other factors as it may deem, from time to time, to be in our and our stockholders' best interests. The Nominating and Corporate Governance Committee reviews each candidate's qualifications, including whether a candidate possesses any unique skills or competencies not already represented on the Board, as well as general qualities and skills desirable in members of the Board, including factors relating to diversity, skills, occupation, experience in the context of the Company's various businesses, products and technologies, the needs of the Board and perceived chemistry in working with incumbent members of the Board. Share ownership is viewed as beneficial, as is prior

public company board service and CEO experience. A knowledge of the pizza business and marketing, sales, strategy and other corporate management skills are perceived positively. All nominees for the Board of Directors must have a reputation for integrity, honesty and adherence to high ethical standards and be prepared to commit significant time to Board and committee responsibilities.

The Company does not have a formal policy with respect to the consideration of diversity (broadly construed) in identifying director candidates. However, the Nominating and Corporate Governance Committee does consider diversity in identifying and reviewing director nominee candidates, which reflects the Committee's goal of achieving a balanced and diverse Board of Directors with members whose skills, occupation, background, identity and experience complement each other and, together, contribute to the Board's effectiveness as a whole.

Director Nomination Procedures

The Nominating and Corporate Governance Committee serves as the nominating committee responsible for seeking qualified candidates to serve on the Board and recommending them for the Board's consideration. In recommending candidates for election to the Board, the Nominating and Corporate Governance Committee will consider nominees recommended by directors, officers, employees and stockholders, using the same criteria to evaluate all candidates. Evaluations of candidates generally involve a review of background materials and internal discussions as well as interviews with potential nominees. Upon selection of a qualified candidate, the Nominating and Corporate Governance Committee recommends the candidate for consideration by the full Board.

The Nominating and Corporate Governance Committee values the input of stockholders in identifying director candidates. The Nominating and Corporate Governance Committee considers recommendations for Board candidates submitted by stockholders using the same criteria it applies to recommendations from its own committee members, directors and members of management.

Stockholders wishing to propose director candidates for consideration by the Nominating and Corporate Governance Committee may do so by writing to the Corporate Secretary of the Company and providing the information and documentation specified in Article I, Section 1.10 of the Bylaws, including the candidate's name, biographical information and qualifications. The Bylaws also permit stockholders to make nominations for the election of directors, if such nominations are made pursuant to timely notice in writing to the Company's Secretary. To be timely for our 2019 annual meeting of stockholders, notice must be delivered to the Company's Secretary at the principal executive offices of the Company not earlier than January 23, 2019 and not later than February 22, 2019. If we hold our 2019 annual meeting of stockholders more than 30 days before or more than 70 days after the one-year anniversary of the Annual Meeting, then notice of a director nomination that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before such annual meeting and no later than the close of business on the later of the following two dates:

- the 90th day prior to such annual meeting; or
- the 10th day following the day on which public announcement of the date of such annual meeting is first made by the Company.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

Our Board is composed of ten (10) members and is divided into three (3) classes with staggered three-year terms. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the same class whose term is then expiring. At the Annual Meeting, four (4) Class I directors will be elected for a three-year term to succeed the four members of the same class whose term is then expiring. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Each director's term continues until the election and qualification of the director's successor, or the director's earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three (3) classes so that, as nearly as possible, each class will consist of one-third (1/3) of our directors. This classification of our Board of Directors may have the effect of delaying or preventing changes in control of the Company.

Nominees

Our Nominating and Corporate Governance Committee has recommended, and our Board has approved, Jean M. Birch, Rob Weisberg, Alexander C. Matina and Noah A. Elbogen as nominees for election as Class I directors at the Annual Meeting. If elected, each of Jean M. Birch, Rob Weisberg, Alexander C. Matina and Noah A. Elbogen will serve as a Class I director until the 2021 annual meeting of stockholders or until his or her successor is duly elected and qualified. For information concerning the nominees, please see the section entitled "Board of Directors and Corporate Governance."

If you are a stockholder of record and you sign your proxy card or vote over the Internet or by telephone but do not give instructions with respect to the voting of directors, your shares will be voted "**FOR**" the election of Jean M. Birch, Rob Weisberg, Alexander C. Matina and Noah A. Elbogen. We expect that Jean M. Birch, Rob Weisberg, Alexander C. Matina and Noah A. Elbogen will each accept his or her nomination to the Board; however, if a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by our Board to fill the vacancy. If you are a beneficial owner of shares of our Common Stock and you do not give voting instructions to your broker, bank or other nominee, then your broker, bank or other nominee will not vote your shares on this matter.

Vote Required

The election of Class I directors requires a plurality vote of the shares of our Common Stock present in person, through online participation or by proxy at the Annual Meeting and entitled to vote thereon to be approved. However,

if any nominee for election as a Class I director does not receive a majority of the votes cast in the election, that director is required to tender his or her resignation, subject to the Board's right to reject such resignation. Broker non-votes will have no effect on this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE FOUR DIRECTORS NOMINATED BY OUR BOARD OF DIRECTORS AND NAMED IN THIS PROXY STATEMENT AS A CLASS I DIRECTOR TO SERVE FOR A THREE-YEAR TERM.

The Audit Committee annually appoints the Company's independent registered public accounting firm.

- discussed with Moss Adams LLP that the provision of non-audit services was compatible with Moss Adams LLP maintaining its independence.

Based on the above discussions and review with management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended January 1, 2018 for filing with the SEC.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of our Common Stock, file reports of ownership and changes of ownership with the SEC. These directors, executive officers and 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

SEC regulations require us to identify in this proxy statement anyone who filed a required report late during the most recent fiscal year. Based on our review of forms we received, or written representations from reporting persons stating that they were not required to file these forms, we believe that during our fiscal year ended January 1, 2018, all Section 16(a) filing requirements were satisfied on a timely basis, except for one report on Form 4 filed by Mark Hutchens to report one transaction, and two reports on Form 4 filed jointly by MFP Partners, L.P. ("MFP"), MFP Investors LLC and Michael F. Price to report two transactions.

Our financial statements for our fiscal year ended January 1, 2018 are included in our 2017 Annual Report on Form 10-K, which is posted on our website at <http://investors.papamurphys.com> and is available from the SEC at its website at www.sec.gov. You may also obtain a copy of our 2017 Annual Report on Form 10-K without charge by sending a written request to Papa Murphy's Holdings, Inc., Attention: Investor Relations, 8000 NE Parkway Drive, Suite 350, Vancouver, Washington 98662.

Stockholders Sharing the Same Address

We have adopted a procedure called "householding," which has been approved by the SEC. Under this procedure, we will deliver only one copy of our Notice of Internet Availability of Proxy Materials, and for those stockholders that received a paper copy of proxy materials in the mail, one copy of our annual report to stockholders and this proxy statement, to multiple stockholders who share the same address (if they appear to be members of the same family) unless we have received contrary instructions from an affected stockholder. Stockholders who participate in householding will continue to receive separate proxy cards if they received a paper copy of proxy materials in the mail.

The annual report to stockholders and this proxy statement are available on our website at <http://investors.papamurphys.com>. We will deliver promptly upon written or oral request a separate copy of the annual report and this proxy statement to any stockholder at a shared address to which a single copy of either of

those documents was delivered. To receive a separate copy of the annual report or this proxy statement, contact us at:

You will be removed from the householding program within 30 days of receipt of the revocation of your consent.

A number of brokerage firms have instituted householding. If you are a beneficial owner, please contact your bank, broker or other holder of record to request information about householding.
