Voting

Only holders of record of common shares at the close of business on March 31, 2010 are entitled to vote at the Annual General Meeting or at any adjournment or postponement of the meeting.

If I am a shareholder of record of common shares, how do I vote?

If you are a shareholder of record, you may vote by mailing a completed proxy card. To vote by mailing a proxy card, please sign and return the enclosed proxy card in the enclosed prepaid and self-addressed envelope and your shares will be voted at the Annual General Meeting in the manner you directed. You may also vote your shares in person at the Annual General Meeting. If you are a shareholder of record, you may request a ballot at the Annual General Meeting.

If I am a beneficial owner of shares held in street name, how do I vote?

If you are the beneficial owner of shares held in street name, you will receive instructions from your bank or broker that must be followed for such bank or broker to vote your shares per your instructions. Your bank or broker will not have discretion to vote uninstructed shares on the election of directors of the Company, the authorization of the election of directors of Maiden Insurance or the approval of the amendment of

the 2007 Share Incentive Plan. Thus, if you hold your shares in street name and do not instruct your bank or broker how to vote in any of these matters, no votes will be cast on your behalf with respect to such matter (a broker non-vote). Your bank or broker will, however, have discretion to vote uninstructed shares on the appointment of BDO Seidman, LLP and Arthur Morris and Company as the independent auditors of the Company and Maiden Insurance, respectively. Please ensure that you complete the voting instruction card sent by your bank or broker. If your shares are held in street name and you wish to vote in person at the Annual General Meeting, you must obtain a proxy issued in your name from your bank or broker and bring it with you to the meeting. We recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual General Meeting.

May I change my vote?

All proxies delivered pursuant to this solicitation are revocable at any time before they are exercised at the option of the persons submitting them by giving written notice to the Corporate Secretary at c/o Office of the General Counsel, 131 Front Street, Hamilton HM12, Bermuda by submitting a later-dated proxy by mail or by voting in person at the Annual General Meeting. If your shares are held in a brokerage account, you must make arrangements with your broker or bank to revoke your proxy.

What constitutes a quorum?

Two or more persons present in person or representing in person or by proxy in excess of 50% of the total issued voting shares of the Company will constitute a quorum for the transaction of business at the Annual General Meeting. Shareholder abstentions and broker non-votes will be included in the number of shareholders present at the Annual General Meeting for the purpose of determining the presence of a quorum.

What if a quorum is not represented at the Annual General Meeting?

If within half an hour from the time appointed for the meeting a quorum is not present, the meeting shall stand adjourned to the same day one week later, at the same time and place or to such other day, time or place as the Corporate Secretary may determine. Unless the meeting is adjourned to a specific date, place and time announced at the meeting being adjourned, fresh notice of the date, place and time for the resumption of the adjourned meeting shall be given to each shareholder entitled to attend and vote thereat.

How many votes are required to approve a proposal?

Under our bye-laws, any question proposed for the consideration of the shareholders at any general meeting shall be decided by the affirmative votes of a majority of the votes cast For and Against the proposal by the holders of the common shares of the Company.

How will my shares be voted and how are votes counted?

All common shares represented by properly executed proxies received pursuant to this solicitation will be voted in accordance with the shareholder's directions specified on the proxy. In voting by proxy with regard to the election of directors, shareholders may vote in favor of each nominee or withhold their votes as to each nominee. Should any nominee become unable to accept nomination or election, the proxy holders named in the proxy card will vote for the election of such other person as a director as the present directors may recommend in the place of such nominee. With regard to the approval of the amendments to the Plan, and the ratification of the appointment of the independent

- (1) FOR the election of all the nominees named in this Proxy Statement as director;
- (2) FOR the authorization of the election of the four directors of Maiden Insurance to serve until the next annual general meeting of the shareholders of Maiden Insurance;
- (3) FOR the amendment to the Plan to, among other things, increase the number of common shares reserved for issuance under the Plan from two million eight hundred thousand (2,800,000) shares to ten million (10,000,000) shares; and

In connection with any other business that may properly come before the Annual General Meeting, all properly executed proxies delivered pursuant to this solicitation and not revoked will be voted for you in the discretion of the proxy holders named in the proxy card.

A shareholder signing and returning the accompanying proxy has the power to revoke it at any time prior to its exercise by giving written notice of revocation to our Corporate Secretary, by submitting a proxy bearing a later date, or by attending the Annual General Meeting and voting in person. Attendance at the Annual General Meeting will not constitute, in itself, revocation of a proxy. Mr. Nigro began his career with Arthur Young and Co. and is a Certified Public Accountant in New York.

In selecting Mr. Nigro as a director nominee, our Nominating and Corporate Governance Committee and Board considered Mr. Nigro's extensive experience in the finance sector and his deep understanding of the insurance industry. Mr. Nigro is also a certified public accountant and an investment banker specializing in the insurance industry.

CORPORATE GOVERNANCE

Board Independence

Messrs. Lyons, Neff and Nigro are independent under the rules of the NASDAQ Global Select Market. NASDAQ rules require that a majority of the Board of Directors be independent, and we are in compliance with this requirement. The independent directors held separate executive sessions without senior management on three occasions in 2009, and neither the chairman, chief executive officer nor any member of management, at any level, attend the executive sessions of the independent directors.

Board Meetings and Committees; Attendance at Annual General Meeting

The Board of Directors held five meetings in 2009. Each director attended at least 75% of the aggregate of the total number of meetings held in 2009 of the Board and any committee on which he served. All directors are expected to make every effort to attend the 2010 Annual General Meeting, and the majority of directors (three of five) attended the 2009 Annual General Meeting.

Board Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each comprised entirely of independent directors within the meaning of the rules of the NASDAQ Global Market.

Audit Committee

We have a separately-designated standing Audit Committee. The Audit Committee assists our Board of Directors in monitoring the integrity of our financial statements, the independent auditor's qualifications and independence, performance of our independent auditors and our internal audit function, the establishment and maintenance of proper internal accounting controls and procedures, the treatment of employees' concerns regarding accounting and auditing matters as reported to our whistleblower hotline, and our compliance with legal and regulatory requirements. The Audit Committee's responsibilities also include appointing (subject to shareholder ratification), reviewing, determining funding for and overseeing our independent auditors and their services. Further, the Audit Committee, to the extent it deems necessary or appropriate, among its several other responsibilities, shall:

review and approve all related party transactions, including those with AmTrust and our Founding Shareholders, as well as any subsequent modifications thereto, for actual or potential conflict of interest situations on an ongoing basis; review and discuss with appropriate members of our management and the independent auditors our audited financial statements, related accounting and auditing principles, practices and disclosures; review and discuss our audited annual and unaudited quarterly financial statements prior to the filing of such statements;

establish procedures for the receipt, retention and treatment of complaints we receive regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding our financial statements or accounting policies;

review reports from the independent auditors on all critical accounting policies and practices to be used for our financial statements and discuss with the independent auditor the critical accounting policies and practices used in the financial statements;

obtain reports from our management and internal auditors that we, our subsidiary and affiliated entities are in compliance with the applicable legal requirements and our Code of Business Conduct and Ethics, and advise our Board of Directors about these matters; and

monitor the adequacy of our operating and internal controls as reported by management and the independent or internal auditors.

Mr. Neff is the chairman of our Audit Committee and the other members are Messrs. Lyons and Nigro. All the members of the Audit Committee are independent both under Securities and Exchange Commission rules and as that term is defined in the listing standards of the NASDAQ Global Select Market. The Board of Directors has determined that Messrs. Lyons and Nigro are Audit Committee financial experts.

The Audit Committee has adopted a charter, which is currently available on our website at www.maiden.bm.

During 2009, the Audit Committee met five times.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed and discussed the audited consolidated financial statements of Maiden Holdings, Ltd. with management and the independent auditors for the year ended December 31, 2009. The Audit Committee has discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU Section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee has received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board in Rule 3526 regarding the independent auditors' communications with the Audit Committee concerning independence. The Audit Committee has discussed with the independent auditors the independent auditors' independence. The independent auditors and the Company's internal auditors had full access to the Audit Committee, including meetings without management present as needed.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2009 filed with the Securities and Exchange Commission on March 16, 2010.

The Compensation Committee has adopted a charter. The charter is currently available on our website at www.maiden.bm.

During 2009, the Compensation Committee met four times.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee's responsibilities with respect to assisting our Board of Directors include, among other responsibilities:

- establishing the criteria for membership on our Board of Directors;
- reviewing periodically the structure, size and composition of our Board of Directors and making recommendations to the board as to any necessary adjustments;
- identifying individuals qualified to become directors for recommendation to our Board of Directors;
- identifying and recommending for appointment to our Board of Directors, directors qualified to fill vacancies on any committee of our Board of Directors;
- having sole authority to select, retain and terminate any consultant or search firm to identify director candidates and having sole authority to approve the consultant or search firm's fees and other retention terms;
- considering matters of corporate governance, developing and recommending to the board a set of corporate governance principles and our code of business conduct and ethics, as well as recommending to the board any modifications thereto;
- considering questions of actual or possible conflicts of interest, including related party transactions, of members of our Board of Directors and of senior executives of our Company;
- developing and recommending to our Board of Directors for its approval an annual board and committee self-evaluation process to determine the effectiveness of their functioning; and
- exercising oversight of the evaluation of the board, its committees and management.

Mr. Lyons is the chairman of our Nominating and Corporate Governance Committee and the other members are Messrs. Neff and Nigro. All the members of the Nominating and Corporate Governance Committee are independent both under Securities and Exchange Commission rules and as that term is defined in the listing standards of the NASDAQ Global Market.

In carrying out its function to nominate candidates for election to our Board of Directors, the Nominating and Corporate Governance Committee considers the mix of skills, experience, character, commitment, and diversity of background, all in the context of the requirements of our Board of Directors at that point in time. The Nominating and

Corporate Governance Committee interprets diversity to include viewpoints, background, expertise, industry knowledge and geography, as well as more traditional characteristics of diversity, such as race and gender. We believe that the commitment of the Board and the Committee to diversity is demonstrated by the current structure of the Board and the varied skills sets of our directors. The Nominating and Corporate Governance Committee believes that each

candidate should be an individual who has demonstrated integrity and ethics in such candidate's personal and professional life, has an understanding of elements relevant to the success of a publicly-traded company and has established a record of professional accomplishment in such candidate's chosen field. Each candidate should be prepared to participate fully in Board of Directors activities, including attendance at, and active participation in, meetings of the Board of Directors, and not have other personal or professional commitments that would, in the Nominating and Corporate Governance Committee's judgment, interfere with or limit such candidate's ability to do so.

Each candidate should also be prepared to represent the best interests of all of our shareholders and not just one particular constituency. Additionally, in determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at Board of Directors and committee meetings and participation in and contributions to the activities of our Board of Directors.

The Nominating and Corporate Governance Committee considers recommendations for director candidates submitted by shareholders. In order for an individual recommended by a shareholder to be eligible for election as a director and considered by the Nominating and Corporate Governance Committee for the 2011 Annual Meeting of Shareholders, the Corporate Secretary must receive the shareholder's recommendation not earlier than January 4, 2011, nor later than

A shareholder recommending an individual for election as a director must provide the Nominating and Corporate Governance Committee with the candidate's name, age, principal occupation or employment, background and relationship with the proposing shareholder, share ownership, a brief statement outlining the reasons the candidate would be an effective director and information relevant to the considerations described above. Shareholders should send the required information to the Corporate Secretary, c/o Office of the General Counsel, 131 Front Street, Hamilton HM 12, Bermuda. The Committee may require further information. Such recommendations must be sent via registered, certified or express mail (or other means that allows the shareholder to determine when the recommendation was received by us). The Corporate Secretary will send any shareholder recommendations to the Nominating and Corporate Governance Committee for consideration at a future committee meeting. Individuals recommended by shareholders in accordance with these procedures will receive the same consideration as other individuals evaluated by the Nominating and Corporate Governance Committee.

On March 3, 2010, the Nominating and Corporate Governance Committee agreed to recommend the present five directors for re-nomination to the Board as well as the present composition of the various committees of the Board.

The Nominating and Corporate Governance Committee has adopted a charter. The charter is currently available on our website at www.maiden.bm.

During 2009, the Nominating and Corporate Governance Committee met one time.

Corporate Governance Guidelines and Code of Business Conduct and Ethics

We have adopted corporate governance guidelines and a code of business conduct and ethics that apply to all of our directors, officers and employees. These documents will be made available in print, free of charge, to any shareholder requesting a copy in writing to the Corporate Secretary, c/o Office of the General Counsel, 131 Front Street, Hamilton HM12, Bermuda. A copy of our code of business conduct and ethics is available on our website at www.maiden.bm.

Communications with the Board of Directors and Audit Committee

Shareholders and other interested parties may communicate with members of the Board of Directors (either individually or as a body) by addressing the correspondence to that individual or body to The Board of Directors, c/o Chief Financial Officer, Maiden Holdings, Ltd., 131 Front Street, Hamilton HM 12, Bermuda or by calling (441) 298-4900.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires officers, directors and persons who own more than ten (10) percent of a class of equity securities registered pursuant to Section 12 of the Exchange Act to file reports of ownership and changes in ownership with both the SEC and the principal exchange upon which such securities are traded or quoted. Officers, directors and persons holding greater than ten (10) percent of the outstanding shares of a class of Section 12-registered equity securities (Reporting Persons) are also required to furnish copies of any such reports filed pursuant to Section 16(a) of the Exchange Act with the Company. Based solely on a review of the copies of such forms furnished to the Company and written representations that no other reports were required, the Company believes that from January 1, 2009 to December 31, 2009 all Section 16(a) filing requirements applicable to its

Reporting Persons were complied with in a timely manner.

Risk Oversight

The Board of Directors has the ultimate oversight responsibility for the risk management function of the Company.

The Company has implemented an enterprise-wide approach to risk management and has established a Risk Management Committee (the RMC). The members of the RMC include senior executives in the finance, legal, internal audit and IT departments, including our Chief Executive Officer, Chief Financial Officer, Executive Vice President and General Counsel. It also includes senior representatives from our other main operating units in Bermuda and the United States. The RMC oversees the Company's framework for the identification, assessment, measurement, and reporting of and management exposure to the Company's risk on

an enterprise-wide basis. Starting with our most recent Board meeting in March 2010, the full Board received an enterprise risk management overview from executive management, and future meetings will focus on areas including operational/strategic risk, financial risk, and legal/compliance risk.

The Audit Committee assists the RMC in its responsibility for oversight of risk management. In particular, the Audit Committee focuses on major financial risk exposures and the steps management has taken to monitor and control such risks, and discusses with our independent auditor the policies governing the process by which senior management and the various units of the Company assess and manage our financial risk exposure and operational/strategic risk.

The Company has separated the positions of Chief Executive Officer and Chairman of the Board. This separation allows the Chief Executive Officer to focus on managing the Company, enhances Board administration and communication, and allows for consistent Board leadership.

COMPENSATION DISCUSSION AND ANALYSIS

The material elements of our compensation philosophy, strategy and plans as of the date of this Proxy Statement are discussed below. The Compensation Committee is responsible for establishing, implementing and monitoring our compensation programs, philosophy and objectives.

Overview

At this stage in our history, the objectives of our executive compensation policy will be to retain those executives whom we believe will be essential to our growth, to attract other talented and dedicated executives and to motivate each of our executives to develop our overall profitability. To achieve these goals, we intend to offer each executive an overall compensation package that is simple but competitive, and a substantial portion of which will be tied to the achievement of specific performance objectives. Our overall strategy is to compensate our named executive officers with a simple mix of cash compensation, in the form of base salary and bonus, and equity compensation, in the form of stock options and restricted share awards.

On October 31, 2008, we acquired the reinsurance operations of GMAC Insurance from GMACI Holdings, LLC, which included the following components, the sum of which are referred to as the GMAC Acquisition :

GMAC RE LLC (GMAC RE), a reinsurance managing general agent writing business on behalf of Motors Insurance Corporation (Motors) and the renewal rights for the business written through GMAC RE (which was subsequently renamed Maiden Re Insurance Services, LLC (Maiden Re));
GMAC Direct Insurance Company (which closed on December 23, 2008 and was subsequently renamed Maiden Reinsurance Company); and
Integon Specialty Insurance Company (which closed on September 1, 2009 and was subsequently renamed Maiden Specialty Insurance Company).

With the GMAC Acquisition, we hired Mr. Raschbaum as our President and Chief Executive Officer, Mr. Marshaleck, who now serves as Chief Financial Officer, and Ms. Schmitt, who serves as President of Maiden Reinsurance Company and Maiden Specialty Insurance Company.

The Company utilized Mercer, a compensation consultant, in 2009, to (1) assist our review of executive compensation, (2) research competitive long term incentive market data and provide recommendations for a long term plan, (3) provide competitive research data on chief executive officer pay, and (4) provide information on employee stock purchase plans. Compensation decisions, including those relating to the employment agreements to be offered to certain of our named executive officers, will be made by our Board of Directors upon the recommendation of the Compensation Committee. Mr. Raschbaum will be involved in making recommendations to the Board of Directors regarding the compensation arrangements for other executives. Mercer's research directly assisted the Compensation Committee to determine fair compensation for the Chief Executive Officer.

We have entered into employment agreements with Messrs. Raschbaum, Marshaleck and Schmitt.

Executive Compensation

Our executive compensation policy includes the following elements:

Salary. The base salaries we provide to our named executive officers are designed to provide an annual salary at a level consistent with individual experience, skills and contributions to our business, and direct and indirect

competitors of comparable financial size in the marketplace. The Compensation Committee generally sets an executive officer's base salary around the 50th percentile, and bonus around the 75th percentile, of compensation paid to similarly-situated executives of our peer group companies (such as Caitlin, Inc., Everest Reinsurance, General Reinsurance Corporation, Munich Re-America, Partner Reinsurance Company of the US, Platinum Underwriters Reinsurance, Inc., Swiss Reinsurance, Transatlantic Holdings, and White Mountains Re Services). The annual base salary of each of the named executive officers except for Mr. Haveron is set in each of their employment agreements and will be reviewed on an annual basis.

For a discussion on the salaries of Mr. Raschbaum, Mr. Marshaleck and Ms. Schmitt, please see the Employment Agreements section below.

Annual Incentive Compensation. We believe that bonuses should be dependent on, and strictly tied to, the Company's performance and should only be paid in the event of superior performance. Our bonus policy awards each named executive officer for his individual contribution to our profits for the fiscal year. The Compensation Committee, acting without participation by the affected executives, approves bonus payments for the named executive officers based on each executive's personal contribution to the Company's profits during the fiscal year. We believe that the policy of paying a bonus helps us attract qualified employees and provides an additional incentive for them to join a company with a limited track record. The definitive employment agreements for each of our named executive officers do not specify a maximum bonus that can be awarded. In March 2010, the Compensation Committee approved fiscal year 2009 bonus payments of \$1,000,000 for Mr. Raschbaum, \$600,000 for Mr. Marshaleck, \$433,125 for Ms. Schmitt and \$50,000 for Mr. Haveron.

Long-Term Incentive Program. We believe that the use of common shares and share-based awards offers the best approach to achieving our compensation goals as equity ownership ties a considerable portion of a named executive officer's compensation to the performance of our common shares. While we intend to in the future, we have not as of yet adopted share ownership guidelines for our named executive officers. We have adopted the Plan, as described in this Proxy Statement, which provides the principal method for our named executive officers to acquire equity interests in the Company.

2007 Share Incentive Plan. The Plan is intended to award our employees and named executive officers with proprietary interests in the Company and to provide an additional incentive to promote our success and to remain in our service. The Plan authorizes us to grant incentive stock options, non-qualified stock options and restricted share awards to our employees, officers, directors and consultants. Our Compensation Committee oversees the administration of the Plan. 2,800,000 of our common shares are reserved for issuance under the Plan, of which no more than 700,000 (25% of the total number of shares currently authorized for issuance under the Plan) may be used for restricted share awards, and we are asking our shareholders to approve an increase in the number of shares authorized for issuance under the Plan in this Proxy Statement and a corresponding increase in the number of such shares that may be used for restricted share awards. As of March 31, 2010, we have granted options to purchase 2,664,159 shares in the aggregate to our senior executives, non-employee directors, employees and other persons.

Stock Options. Mr. Raschbaum was granted 333,334 options in November 2008 and 333,333 options in November 2009. Mr. Marshaleck was granted 25,000 options in November 2008, 75,000 options in February 2009, and 50,000 options in March 2010. Ms. Schmitt was granted 25,000 options in November 2008, 75,000 options in February 2009, and 50,000 options in March 2010. Mr. Haveron was granted 40,000 options in March 2010.

Restricted Shares. The Compensation Committee may in the future elect to make grants of restricted shares to our named executive officers.

Retirement Plan. We do not provide either a qualified or non-qualified pension plan for our named executive officers. However, it is intended that all of our employees will be eligible to participate in pension plans which will be established on their behalf.

Change in Control and Severance Arrangements. We do not maintain change in control agreements with any of our named executive officers. We do not provide any other severance benefits, other than as may be provided from time to time in an executive's employment agreement. Currently, none of the employment agreements with our named executive officers provide for a change in control or severance payments.

Perquisites and Other Benefits. As a general matter, we limit the use of perquisites in compensating our senior management. We maintain health and welfare programs to provide life, 401(k), health and disability benefits to our employees. Our named executive officers participate in these plans on the same terms as other employees. Under the

terms of the employment agreements, we reimburse Messrs. Raschbaum, Marshaleck and Schmitt for reasonable travel and out-of-pocket expenses that they incur in the performance of their functions, duties and responsibilities.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on its review, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Founding Shareholders and Related Agreements

We were formed in June 2007. In connection with our formation and capitalization, we issued 7,800,000 of our common shares, then representing 100% of our outstanding common shares, to our Founding Shareholders in consideration of their collective investment of \$50 million. In connection with our formation and capitalization, we also issued 10-year warrants to the Founding Shareholders to purchase up to an additional 4,050,000 common shares. In addition, certain trusts controlled by George Karfunkel and Michael Karfunkel acquired an aggregate of 7,155,000 common shares in the Trust Preferred Securities financing completed on January 20, 2009. The shares held or controlled by the Founding Shareholders, together with the shares issuable upon exercise of the Founding Shareholders' warrants, represent 30.1% of our outstanding common shares assuming the exercise of all warrants. All of the Founding Shareholders' warrants will expire 10 years from the date of issuance. To the extent the Founding Shareholders exercise all or part of their warrants, our common shares issued upon such exercise will be subject to lock-up restrictions preventing transfer by the Founding Shareholders of any such shares until June 2010. The warrants were issued to our Founding Shareholders in recognition of the value received from them, which included the development of our business strategy, the development of the private offering to raise initial funds for our operations, and the recruitment of certain executives to us. The 4,050,000 common shares issuable upon exercise of the warrants is based on what we believed would be an acceptable percentage of common shares to grant to our Founding Shareholders upon exercise of the warrants to compensate them for their contributions to us.

We have granted registration rights to the Founding Shareholders for their benefit and the benefit of their direct and indirect transferees of shares.

Our Founding Shareholders, Michael Karfunkel, George Karfunkel and Barry Zyskind, are the Chairman of the Board of Directors, a Director, and the President and Chief Executive Officer of AmTrust, respectively. The Founding Shareholders own or control approximately 59% of the outstanding shares of AmTrust. In addition, the Michael Karfunkel 2005 Grantor Retained Annuity Trust, which is controlled by Michael Karfunkel, currently owns 72.4% of the issued and outstanding common stock of American Capital Acquisition Corporation (ACAC), Michael Karfunkel currently owns 27.6% of ACAC's issued and outstanding common stock, and AmTrust owns preferred shares convertible into 21.25% of the issued and outstanding common stock of ACAC (see below for a description of our common business arrangements with AmTrust and ACAC).

Our Arrangements with AmTrust and Its Subsidiaries

Quota Share Agreement and Master Agreement

In July 2007, we entered into master agreement with AmTrust (the Master Agreement), by which AmTrust's Bermuda affiliate, AmTrust International Insurance, Ltd. (AII) and Maiden Insurance entered into a quota share reinsurance agreement (the Reinsurance Agreement) by which (a) AII retrocedes to Maiden Insurance an amount equal to 40% of the premium written by AmTrust's U.S., Irish and U.K. insurance companies (the AmTrust Ceding Insurers), net of the cost of unaffiliated inuring reinsurance (and in the case of AmTrust's U.K. insurance subsidiary IGI, net of commissions) and 40% of losses and (b) AII transferred to Maiden Insurance 40% of the AmTrust Ceding Insurer's unearned premium reserves, effective as of July 1, 2007, with respect to current lines of business, excluding risks for which the AmTrust Ceding Insurers' net retention exceeds \$5 million (Covered Business). AmTrust also has agreed to

cause AII, subject to regulatory requirements, to reinsure any insurance company which writes Covered Business in which AmTrust acquires a majority interest to the extent required to enable AII to retrocede to Maiden Insurance 40% of the premiums and losses related to such Covered Business. The Reinsurance Agreement further provides that AII receives a ceding commission of 31% of retroceded written premiums. The Reinsurance Agreement had an initial term of three years, which has been extended for three years through June 30, 2013, and will automatically renew for successive three year terms thereafter unless either AII or Maiden Insurance notifies the other of its election not to renew not less than nine months prior to the end of any such three year term. In addition, either party is entitled to terminate on thirty day s notice or less upon the occurrence of certain early termination events, which include a default in payment, insolvency, change in control of AII or

Maiden Insurance, run-off, or a reduction of 50% or more of the shareholders' equity of Maiden Insurance or the combined shareholders' equity of AII and the AmTrust Ceding Insurers.

Effective June 1, 2008, the Master Agreement was amended such that AII agreed to retrocede and Maiden Insurance agreed to accept and reinsure Retail Commercial Package Business, which AmTrust, through its affiliates, commenced writing effective June 1, 2008, in connection with its acquisition of Unitrin Business Insurance. AII assumed 100% of the unearned premium related to in-force Retail Commercial Package Business and losses related thereto at the effective date and 40% of AmTrust's net written premium and losses on Retail Commercial Package Business written or renewed on or after the effective date. The \$2 million maximum liability for a single loss provided in the Reinsurance Agreement shall not be applicable to Retail Commercial Package Business. AmTrust receives a ceding commission of 34.375% for Retail Commercial Package Business. AmTrust recognized approximately \$111 million and \$106 million of ceding commissions from Maiden Insurance during 2009 and 2008, respectively, as a result of the Master Agreement.

On February 9, 2009, AII and Maiden Insurance amended the Reinsurance Agreement to clarify that (i) AII would offer Maiden Insurance the opportunity to reinsure Excess Retention Business, which is defined as a policy issued by an AmTrust insurance subsidiary with respect to which the insurance subsidiary's retention is greater than \$5 million and (ii) the deduction for the cost of inuring reinsurance from Affiliate Subject Premium (as defined in the Reinsurance Agreement) retroceded to Maiden Insurance is net of ceding commission. In addition, the Reinsurance Agreement has been amended by deleting the limitation on Maiden Insurance's maximum liability in respect of a single loss, which, under certain circumstances, was \$2 million. Pursuant to the Reinsurance Agreement, as amended, AII and Maiden Insurance share, proportionally, in all premium and losses ceded thereunder.

Loans and Other Collateral. In order to provide AmTrust's insurance subsidiaries with credit for reinsurance on their statutory financial statements, AII, as the direct reinsurer of the AmTrust Ceding Insurers, has established trust accounts (Trust Accounts) for their benefit. Maiden Insurance has agreed to provide appropriate collateral to secure its proportional share under the Quota Share Agreement of AII's obligations to the AmTrust Ceding Insurers to whom AII is required to provide collateral.

This collateral may be in the form of (a) funds (which may include cash and investments) loaned by Maiden Insurance to AII on an unsecured basis, for deposit into the Trust Accounts, pursuant to a loan agreement between those parties, (b) assets transferred by Maiden Insurance, for deposit into the Trust Accounts, (c) a letter of credit obtained by Maiden Insurance and delivered to an AmTrust Ceding Insurer on AII's behalf, or (d) premiums withheld by an AmTrust Ceding Insurer at Maiden Insurance's request in lieu of remitting such premiums to AII.

Excess of Loss Reinsurance

Effective January 1, 2008 through January 1, 2010, we had a 45% participation in the working layer of AmTrust's workers' compensation excess of loss reinsurance program. The working layer of AmTrust's excess of loss reinsurance program is the layer immediately above AmTrust's retention, and in this case, the working layer was \$9 million per occurrence in excess of AmTrust's \$1 million per occurrence retention, subject to an annual aggregate deductible in the amount of \$1.25 million. This participation was sourced through a reinsurance intermediary via open market placement in which competitive bids were solicited by an independent broker. The remaining 55% participation was placed with another reinsurer.

Reinsurance of AmTrust Specialty Transportation Program

As of January 1, 2008, we had a 50% participation in a \$4 million in excess of \$1 million specialty transportation program written by AmTrust. Starting January 1, 2009, we had a 30% participation in a \$4 million in excess of \$1 million specialty transportation program written by AmTrust. This program provides primarily commercial auto coverage and, to a lesser extent, general liability coverage to private non-emergency para-transit and school bus service operators. This participation was sourced through a reinsurance intermediary via open market placement in which competitive bids were solicited by an independent broker. Several other broker market reinsurers hold the other 50% participation. The agreement was terminated as of January 1, 2010.

Asset Management Agreement

Maiden Insurance has entered into an asset management agreement with All Insurance Management Limited (AIIM), an AmTrust subsidiary, pursuant to which AIIM has agreed to provide investment management services to Maiden Insurance. Pursuant to the asset management agreement, AIIM provides investment management services for an annual fee equal to 0.20% if the average value of the account is less than \$1 billion and 0.15% if the average value of the account is greater than \$1 billion. The asset management agreement has an initial term of one year and is automatically renewable for additional one-year terms unless either party elects not to renew the agreement. Following the initial one-year term, the agreement may be terminated upon 30 days written notice by either party.

Reinsurance Brokerage Agreement

We have entered into a reinsurance brokerage agreement with AII Reinsurance Broker Ltd., a subsidiary of AmTrust. Pursuant to the brokerage agreement, AII Reinsurance Broker Ltd. provides brokerage services relating to the Reinsurance Agreement for a fee equal to 1.25% of the premium reinsured from AII. The brokerage fee is payable in consideration of AII Reinsurance Broker Ltd. s brokerage services. AII Reinsurance Broker Ltd. is not our exclusive broker. AII Reinsurance Broker Ltd. may, if mutually agreed, also produce reinsurance for us from other ceding companies, and in such cases we will negotiate a mutually acceptable commission rate.

IGI Intermediaries Limited Brokerage Services Agreement

We have entered into a brokerage services agreement with IGI Intermediaries Limited (IGI Limited), a subsidiary of AmTrust. Pursuant to the brokerage services agreement, IGI Limited provides marketing services to Maiden Insurance which includes providing marketing material to potential policyholders and ceding insurers, providing Maiden Insurance with market information on new trends and business opportunities and referring new brokers and potential policyholders and ceding insurers to us. A fee equal to IGI Limited s costs in setting up to provide and in providing such services plus 8% is payable in consideration of IGI Limited s marketing services. IGI Limited is not our exclusive broker.

IGI Intermediaries, Inc. Brokerage Services Agreement

We have entered into a brokerage services agreement with IGI Intermediaries, Inc. (IGI Inc.), a subsidiary of AmTrust. Pursuant to the brokerage services agreement, IGI Inc. solicits and submits proposals to Maiden Insurance for reinsurance of specialized property and casualty programs underwritten by small insurers and managing general agents and refers and introduces brokers and potential insurance company cedents to us. A fee equal to IGI Inc. s costs in setting up to provide and in providing such services plus 8% is payable in consideration of IGI Inc. s marketing services. IGI Inc. is not our exclusive broker.

Our Quota Share Agreement with ACAC

Maiden Reinsurance, subject to all required regulatory approval, effective March 1, 2010, shall reinsure 25% of the net premiums of the GMAC personal lines business acquired by ACAC, pursuant to a 50% quota share reinsurance agreement (Personal Lines Quota Share) with the GMAC personal lines insurance companies, as cedents, and Maiden Reinsurance, MK Re, Ltd., a Bermuda reinsurer which is a wholly-owned subsidiary of the Michael Karfunkel 2005 Grantor Retained Annuity Trust, and Technology Insurance Company, a wholly owned subsidiary of AmTrust (TIC), as reinsurers. TIC has a 20% participation in the Personal Lines Quota Share, by which it receives 10% of net premiums of the personal lines business. The Personal Lines Quota Share provides that the reinsurers, severally, in

accordance with their participation percentages, shall receive 50% of the net premium of the GMAC personal lines insurance companies and assume 50% of the related net losses. The Personal Lines Quota Share has an initial term of three years and shall renew automatically for successive three year terms unless terminated by written notice not less than nine months prior to the expiration of the current term. Notwithstanding the foregoing, our participation in the Personal Lines Quota Share may be terminated by the personal lines insurance companies on 60 days written notice in the event we become insolvent, are placed into receivership, our financial condition is impaired by 50% of the amount of our surplus at the inception of the Personal Lines Quota Share or latest anniversary, whichever is greater, is subject to a change of control, or ceases writing new and renewal business. The

personal lines insurance companies also may terminate the agreement on nine months written notice following the effective date of initial public offering or private placement of stock by ACAC or a subsidiary. Maiden Insurance may terminate its participation in the Personal Lines Quota Share on 60 days written notice in the event the personal lines companies are subject to a change of control, cease writing new and renewal business, effects a reduction in their net retention without Maiden Insurance's consent or fails to remit premium as required by the terms of the Personal Lines Quota Share. The Personal Lines Quota Share provides that the reinsurers pay a provisional ceding commission equal to 32.5% of ceded earned premium, net of premiums ceded by the personal lines companies for inuring reinsurance, subject to adjustment. The ceding commission is subject to adjustment to a maximum of 34.5% if the loss ratio for the reinsured business is 60.5% or less and a minimum of 30.5% if the loss ratio is 64.5% or higher. We believe that the terms, conditions and pricing of the Personal Lines Quota Share have been determined by arm's length negotiations and reflect current market terms and conditions.

Family Employment Relationships

In January 2009, Barry Karfunkel was hired as a managing director of capital investments of Maiden Re, earning \$319,039. Barry Karfunkel is the son of Michael Karfunkel and the brother-in-law of Barry D. Zyskind. Barry Karfunkel's employment ended in March 2010.

Potential Conflicts of Interest with Respect to Future Transactions

Barry D. Zyskind, our non-executive Chairman of the Board of Directors, is the President, Chief Executive Officer and director of AmTrust and, together with George Karfunkel and Michael Karfunkel, owns approximately 59% of the outstanding common stock of AmTrust. Mr. Zyskind is also the son-in-law of Michael Karfunkel, who is a major shareholder and the non-executive Chairman of the board of directors of AmTrust. One of our directors, Yehuda L. Neuberger, is the son-in-law of George Karfunkel, who is a major shareholder and director of AmTrust, and Mr. Neuberger is employed by our transfer agent, American Stock Transfer & Trust Company, a company formerly controlled by George Karfunkel and Michael Karfunkel. Finally, the Michael Karfunkel 2005 Grantor Retained Annuity Trust, which is controlled by Michael Karfunkel, currently owns 72.4% of ACAC's issued and outstanding common stock, Michael Karfunkel currently owns 27.6% of ACAC's issued and outstanding common stock, and AmTrust owns preferred shares convertible into 21.25% of the issued and outstanding common stock of ACAC.

Conflicts of interest could arise with respect to business opportunities that could be advantageous to any or all of AmTrust or its subsidiaries, ACAC or its subsidiaries, and the Company or our subsidiaries. In addition, potential conflicts of interest may arise should the interests of AmTrust and/or ACAC and/or Maiden Holdings diverge. From time to time, AmTrust and/or ACAC and/or Maiden Holdings may both be presented with opportunities to insure, reinsure or acquire the same book of business. Because of the overlaps between our and AmTrust's shareholders and management, the Company and AmTrust have agreed that in such cases, the opportunities will be referred to a committee of independent directors of each company to decide whether that company wishes to pursue the opportunity. Our Audit Committee must review and approve in advance or ratify any transaction or relationship in which we and any related party has a direct or indirect material interest. The Audit Committee will consider all of the relevant facts and circumstances including (if applicable), but not limited to, (i) the benefits to us; (ii) the impact on a director's independence in the event the related person is a director, a director's immediately family member or an entity controlled of which a director is a partner, shareholder or executive officer; (iii) the availability of other sources for comparable products or services; (iv) the terms of the transaction; and (v) the terms available to unrelated third parties or to employees generally. When considering these factors, the Audit Committee will apply their business judgment based upon all relevant facts and circumstances known at that time, in accordance with their fiduciary duties

to our shareholders.

PROPOSAL 3:

AMENDMENTS TO 2007 SHARE INCENTIVE PLAN

We are requesting shareholder approval of an amendment to our 2007 Share Incentive Plan to increase the number of common shares reserved for issuance pursuant to the Plan to 10,000,000 shares and (ii) maintain the percentage (25%) of Plan shares that may be issued as restricted share awards by increasing the number of Plan shares that may be issued as restricted share awards under the Plan to 2,500,000 shares (the Plan Amendment). The Plan is presently authorized to issue 2,800,000 common shares, of which options to purchase 2,664,159 common shares have been issued as of March 31, 2010, leaving only approximately 135,841 authorized shares available to be issued or reserved for issuance upon the granting of new awards as allowed under the Plan as of that date. Currently, only 700,000 shares (25% of the total number of Plan shares) may be issued as restricted share awards. The Board of Directors has unanimously approved the Plan Amendment and declared that it is advisable for the shareholders to approve such amendment.

The full text of the proposed amended and restated Plan is set forth in the attached Appendix A, which is marked to show changes to the current Plan.

General

The Plan was approved at a special meeting of the Company's shareholders in July 2007. The Plan authorizes the Company to issue 2,800,000 common shares upon exercise of options, and such shares have been reserved. It also authorizes the issuance of restricted share awards up to a maximum of 700,000 shares, or 25% of the total reserved under the Plan.

The Plan may be amended, terminated or modified by the Board of Directors or the Compensation Committee at any time, subject to shareholder approval as required by law, rule or regulation. No such termination, modification or amendment may affect the rights of an optionee under an outstanding option or the grantee of an award.

The closing price of our common shares on the NASDAQ Global Select Market on March 31, 2010 was \$7.39 per share.

Objectives

The objective of the Plan is to provide incentives to the Company's officers, other key employees, consultants, professionals and non-employee directors to achieve financial results aimed at increasing shareholder value and attracting talented individuals to the Company. Persons eligible to be granted incentive stock options under the Plan will be those employees, consultants, professionals and non-employee directors whose performance, in the judgment of the Compensation Committee, can have a significant effect on our success.

Oversight

The Compensation Committee, consisting of independent directors Steven H. Nigro (chairman), Simcha G. Lyons and Raymond M. Neff, administer the Plan by making determinations regarding the persons to whom options should be granted and the amount, terms, conditions and restrictions of the awards. The Board or the Compensation Committee

also has the authority to interpret the provisions of the Plan and to establish and amend rules for its administration subject to the Plan's limitations.

Types of Grants

The Plan allows the Company to grant incentive stock options, non-qualified stock options and shares of restricted stock. Only 700,000 shares may be issued as restricted share awards, or 25% of the total reserved under the Plan. The

Plan otherwise does not specify what portion of the awards may be in the form of any of the foregoing. Incentive stock options awarded to our employees are qualified stock options under the Internal Revenue Code. As of March 31, 2010, approximately 139 employees were eligible to participate in the Plan.

Eligibility

Under the Plan, the Company may grant incentive stock options only to officers and employees, and the Company may grant non-qualified options to officers and employees, as well as directors, independent contractors and agents.

Statutory Conditions on Stock Options

Exercise Price. To the extent that options designated as incentive stock options become exercisable by an optionee for the first time during any calendar year for common shares having a fair market value greater than one hundred thousand dollars (\$100,000), the portions of such options which exceed such amount shall be treated as nonqualified stock options.

Expiration Date. Any option granted under the Plan will expire at the time fixed by the Compensation Committee, which cannot be more than ten (10) years after the date it is granted.

Exercisability. The Compensation Committee may also specify when all or part of an option becomes exercisable. However, the Compensation Committee may accelerate the exercisability of any option at its discretion.

Assignability. Options granted under the Plan are not assignable, except by the laws of descent and distribution or as may be otherwise provided by the Compensation Committee.

Shareholder Rights

No participant will have any rights as a shareholder with respect to the common shares underlying his or her option until the common shares are actually purchased via exercise of any part of the option. No adjustment will be made for dividends, distributions or other rights for which the record date is prior to the date of such exercise.

Payment Upon Exercise of Options

Payment of the exercise price for any option may be in cash or by broker assisted exercise.

U.S. Federal Income Tax Consequences Relating to Awards under the Plan

The following discussion summarizes certain U.S. federal income tax consequences of awards under the Plan based on the law as in effect on the date of this proxy statement. It does not purport to cover federal employment taxes or other federal tax consequences that may be associated with awards, nor does it cover state, local or non-U.S. taxes.

Incentive Share Options. A participant does not realize taxable income upon the grant or exercise of an incentive share option (an ISO) under the Plan. If a participant does not dispose of shares received upon exercise of an ISO for at least two years from the date of grant and one year from the date of exercise, then (1) upon sale of the shares, any amount realized in excess of the exercise price is taxed to the participant as long-term capital gain and any loss sustained will be a long-term capital loss and (2) the Company may not take a deduction for federal income tax purposes. The exercise of ISOs gives rise to an adjustment in computing alternative minimum taxable income that may result in alternative minimum tax liability for the participant.

If shares acquired upon the exercise of an ISO are disposed of before the end of the one and two-year periods described above (a disqualifying disposition), the participant realizes ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of the shares at exercise (or, if less, the amount realized on a sale of such shares) over the exercise price. The Company would be entitled to a tax deduction for the same amount. Any further gain realized by the participant would be taxed as a short-term or long-term capital gain and would not

result in any deduction for the Company. A disqualifying disposition in the year of exercise will generally avoid the alternative minimum tax consequences of the exercise of an ISO.

Nonstatutory Share Options. No income is realized by the participant at the time a nonstatutory option is granted. Upon exercise, the participant realizes ordinary income in an amount equal to the difference between the exercise price and the fair market value of the shares on the date of exercise. the Company would receive a tax deduction for the same amount. Upon disposition of the shares, appreciation or depreciation after the date of exercise is treated as a short-term or long-term capital gain or loss and will not result in any further tax deduction by the Company. The ordinary income recognized with respect to the receipt of shares upon exercise of a nonstatutory option will be subject to applicable wage withholding and other employment taxes.

Restricted Shares. Generally, a participant will be taxed at the time the restrictions on the shares lapse without a forfeiture. The excess of the fair market value of the shares at that time over the amount paid, if any, by the participant for the shares will be treated as ordinary income. The participant may instead elect under Section 83(b) of the U.S. tax code within 30 days after the date of the grant to be taxed (as ordinary income) on the date of grant on the excess of the then fair market value of the shares over the amount paid, if any, for the shares. If the shares subject to the Section 83(b) election are subsequently forfeited, the recipient will not be entitled to any deduction, refund or loss for tax purposes. In either case, the Company would receive a tax deduction for the amount reported as ordinary income to the participant. Upon the participant's disposition of the shares, any subsequent appreciation or depreciation is treated as a short or long-term capital gain or loss and will not result in any further tax deduction by the Company.

Other Tax Matters. Section 162(m). United States tax laws generally do not allow publicly-held companies to obtain tax deductions for compensation of more than \$1 million paid in any year to any of the Chief Executive Officer or three most highly paid executive officers other than the Chief Financial Officer (each, a covered person) unless the compensation is performance-based as defined in Section 162(m) of the U.S. tax code. Share options granted under the Plan are performance-based compensation if they have exercise prices not less than the fair value of the underlying Ordinary Shares on the date of grant.

Parachute Payment Tax. A participant who receives any accelerated vesting or exercise of options or accelerated lapse of restrictions on restricted shares in connection with a change in control might be deemed to have received an excess parachute payment under federal tax law. In such cases, the participant may be subject to an excise tax and the Company may be denied a tax deduction.

As of March 31, 2010, options to purchase a total of 2,664,159 common shares were outstanding at exercise prices ranging from \$3.28 to \$10.00 per share. Generally, one-quarter of the options granted vest on the first anniversary, and the remainder vest 6.25% per quarter until fully vested on the fourth anniversary of grant. All options expire on the ten (10) year anniversary of their grant date.

All options described above have been issued pursuant to the Plan described above.

Vote Required

To effectuate the Plan Amendment to increase the number of shares reserved for issuance from 2,800,000 shares to 10,000,000 shares (and the corresponding increase in the number of shares that may be used for restricted share awards to 25% of the total of 10,000,000 shares reserved, or 2,500,000), an affirmative vote of the majority of shares voting on the proposal must be obtained. Abstentions and brokers non-votes will have no effect on the outcome. If the proposal is not approved by the shareholders, the Plan Amendment will not be effective and the proposal will not be implemented.

Reasons for the Plan Amendment

The purpose of the Plan Amendment is to enable the Company to obtain and retain competent personnel who will contribute to the Company's success by their ability, ingenuity and industry knowledge, and to provide incentives to such personnel and members that are linked directly to increases in shareholder value, and will therefore, inure to the benefit of all shareholders of the Company. Eligible recipients of awards under the Plan include employees, directors, consultants and advisors of the Company.

The Board of Directors determined to increase the number of common shares reserved for issuance under the Plan because it believes that the current number is insufficient for the purposes of the Plan as stated above. The market for

quality personnel is competitive, and the ability to obtain and retain competent personnel is of great importance to the Company's business operations.

Interests of Certain Persons in the Plan Amendment

No director, executive officer, associate of any director or executive officer or any other person has any substantial interest, direct or indirect, by security holdings or otherwise, in the proposals to amend the Plan to increase the number of shares available for issuance thereunder that are not shared by all other holders of the common shares. See Security Ownership of Certain Beneficial Owners and Security Ownership of Management.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE AMENDMENTS TO THE 2007 SHARE INCENTIVE PLAN.

PROPOSAL 4:

APPOINTMENT OF INDEPENDENT AUDITORS OF MAIDEN HOLDINGS, LTD. AND MAIDEN INSURANCE COMPANY LTD.

APPOINTMENT OF INDEPENDENT AUDITORS OF MAIDEN HOLDINGS

Under Bermuda law, the appointment of our auditors is a decision to be made by the shareholders. The Audit Committee has recommended that the shareholders reappoint the firm of BDO Seidman, LLP to be our independent registered public accounting firm for the fiscal year ending December 31, 2010.

A representative from BDO Seidman, LLP will be present at the Annual General Meeting and will have the opportunity to make a statement if he or she desires to do so and to respond to appropriate questions from shareholders.

Changes in Accountants

On May 12, 2008 (the dismissal date), we dismissed PricewaterhouseCoopers, the independent registered public accounting firm that audited our financial statements for the period from May 31, 2007 (the date of our incorporation) through December 31, 2007 (the reporting period), as our independent registered public accounting firm. Our Audit Committee participated in and approved the decision to change our independent registered public accounting firm.

PricewaterhouseCoopers's report on our financial statements for the reporting period did not contain an adverse opinion or disclaimer and was not qualified or modified as to uncertainty, audit scope, or accounting principles. During the reporting period and up to the dismissal date, there were no disagreements with PricewaterhouseCoopers on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PricewaterhouseCoopers would have caused them to make reference thereto in their report of the financial statements for such reporting period.

In addition, during the reporting period and up to the dismissal date, there have been no reportable events (as defined in Item 304(a)(1)(v) of the SEC's Regulation S-K), except that the following deficiencies which aggregate to a material weakness in internal control over financial reporting (the reportable event) were identified:

Failure to give appropriate consideration to U.S. GAAP accounting rules or to have documentation of the basis for our opinion and conclusion regarding the application of U.S. GAAP;

Lack of an independent preparer and reviewer for various accounting tasks, including the preparation of the financial statements and disclosures; and

Lack of formality regarding certain controls surrounding the control environment.

Our Audit Committee had discussed the reportable event with PricewaterhouseCoopers.

Edgar Filing: Maiden Holdings, Ltd. - Form DEF 14A

We have authorized PricewaterhouseCoopers to respond fully to the inquiries of the successor accountant, BDO Seidman, LLP, concerning the subject matter of the reportable event.

PricewaterhouseCoopers furnished us with a letter dated June 23, 2008 addressed to the SEC stating that it agrees with the above statements.

We engaged BDO Seidman, LLP on May 12, 2008 as our new independent registered public accounting firm. From the date of our incorporation and through to May 12, 2008, we did not consult with BDO Seidman, LLP on any matters described in Item 304(a)(2)(i) or Item 304(a)(2)(ii) of Regulation S-K.

Pursuant to its charter, the Audit Committee pre-approves all audit and permitted non-audit services, including engagement fees and terms thereof, to be performed for us by the independent auditors, subject to the exceptions for certain non-audit services approved by the Audit Committee prior to the completion of the audit in accordance with Section 10A of the Securities Exchange Act of 1934, as amended. The Audit Committee must also pre-approve all internal control-related services to be provided by the independent auditors. The Audit Committee will generally pre-approve a list of specific services and categories of services, including audit, audit-related and other services, for the upcoming or current fiscal year, subject to a specified cost level. The Audit Committee may form and delegate to a subcommittee consisting of one or more members (provided that such person(s) are Independent Directors) its authority to grant pre-approvals of audit, permitted non-audit services and internal control-related services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

The Audit Committee pre-approved all fees in the period from January 1, 2009 through December 31, 2009.

The Board of Directors also proposes that the shareholders reappoint of Arthur Morris and Company to serve as the independent registered public accounting firm of Maiden Insurance for the 2010 fiscal year, who also served as the auditors for 2009 fiscal year.

A representative from Arthur Morris and Company will be present at the Annual General Meeting and will have the opportunity to make a statement if he or she desires to do so and to respond to appropriate questions from shareholders.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPOINTMENT OF BDO SEIDMAN, LLP AS THE INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2010, AND FOR THE APPOINTMENT OF ARTHUR MORRIS AND COMPANY AS THE INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM OF MAIDEN INSURANCE FOR THE FISCAL YEAR ENDING DECEMBER 31, 2010.

Notwithstanding the foregoing provisions granting discretion to the Committee to determine the terms and conditions of ISOs, such terms and conditions shall meet the requirements set forth in section 422 of the Code or any successor thereto.

7.02 Option Price and Expiration. The Option Price of any ISO shall be determined by the Committee at the time an ISO is granted, and shall be no less than 100% of the Fair Market Value of the Ordinary Shares subject to the ISO on the Award Date; provided, however, that if an ISO is granted to a Participant who, immediately before the grant of the ISO, beneficially owns shares representing more than 10% of the total combined voting power of all classes of shares of the Company or its parent or subsidiary corporations, the Option Price shall be at least 110% of the Fair Market Value of the Ordinary Shares subject to the ISO on the Award Date and in such cases, the exercise period specified in the Option agreement shall not exceed five years from the Award Date.

7.03 Vesting. Unless otherwise determined by the Committee and set forth in the agreement evidencing an Award, ISO Awards shall vest in accordance with Section 10.1.

7.04 Other Option Provisions. The form of ISO authorized by the Plan may contain such other provisions as the Committee may, from time to time, determine; provided, however, that such other provisions may not be inconsistent with any requirements imposed on incentive stock options under Code section 422 and the regulations thereunder.

8. Terms and Conditions of Restricted Share Awards.

Subject to the terms of the Plan, the Committee, in its discretion, may award Restricted Shares to any Participant at no additional cost to the Participant. Each Restricted Share Award shall be evidenced by an agreement, in such form as is approved by the Committee, and all Ordinary Shares awarded to Participants under the Plan as Restricted Shares shall be subject to the following express terms and conditions and to such other terms and conditions, not inconsistent with the Plan, as the Committee shall deem appropriate:

- (a) **Restricted Period.** Restricted Shares awarded under this Section 8 may not be sold, assigned, transferred, pledged or otherwise encumbered before they vest.
- (b) **Vesting.** Unless otherwise determined by the Committee and set forth in the agreement evidencing an Award, Restricted Share Awards under this Section 8 shall vest in accordance with Section 10.2.
- (c) **Certificate Legend.** Each certificate issued in respect of Restricted Shares awarded under this Section 8 shall be registered in the name of the Participant and shall bear the following (or a similar) legend until such shares have vested:

The transferability of this certificate and the shares represented hereby are subject to the terms and conditions (including forfeiture) relating to Restricted Shares contained in Section 8 of the Maiden Holdings, Ltd. 2007 Share Incentive Plan and an Agreement entered into between the registered owner and Maiden Holdings, Ltd. Copies of such Plan and Agreement are on file at the principal office of Maiden Holdings, Ltd.

- (d) **Escrow.** Any Restricted Shares issued pursuant to this Section 8 shall be held by the Company in escrow for the benefit of the Participant to whom the Restricted Shares are awarded. Upon vesting, a certificate for the vested shares shall be issued to the participant free of the restrictive legend required by Section 8(c).

9. Manner of Exercise of Options.

To exercise an Option in whole or in part, a Participant (or, after his death, his executor or administrator) must give written notice to the Committee on a form acceptable to the Committee, stating the number of shares with respect to which he intends to exercise the Option. The Company will issue the shares with respect to which the Option is exercised upon payment in full of the Option Price. The Committee may permit the Option Price to be paid in cash or Ordinary Shares held by the Participant having an aggregate Fair Market Value, as determined on the date of delivery, equal to the Option Price. The Committee may also permit the Option Price to be paid by any other method permitted by law, including by delivery to the Committee from the Participant of an election directing the Company to withhold the number of Ordinary Shares from the Ordinary Shares otherwise due upon exercise of the Option having an aggregate Fair Market Value on that date equal to the Option Price. If a Participant pays the Option Price with Ordinary Shares which were received by the Participant upon exercise of one or more ISOs, and such Ordinary Shares have not been held by the Participant for at least the greater of:

- (a) two years from the date the ISOs were granted; or
 - (b) one year after the transfer of the Ordinary Shares to the Participant;
- the use of the shares shall constitute a disqualifying disposition and the ISO underlying the shares used to pay the Option Price shall no longer satisfy all of the requirements of Code section 422.

To the extent that an Option is not exercised by a Participant when it becomes initially exercisable, it shall not expire but shall be carried forward and shall be exercisable, on a cumulative basis, until the expiration of the exercise period. No partial exercise may be for less than 100 full Ordinary Shares.

Notwithstanding any other term or provision of the Plan, no Option granted hereunder may be exercised and no Award of Restricted Shares shall take effect, in whole or in part, unless at the time that the Option or Award has vested (i) the Ordinary Shares are quoted or listed on the NASDAQ Stock Market System or other national securities exchange, (ii) there has been a sale of in excess of twenty percent (20%) of its outstanding shares of the Company to persons not affiliated with the Company as the date of the adoption of the Plan, or (iii) all or substantially all of the Company's assets and business have been acquired by another corporation or the Company has been merged or consolidated with another corporation and the Company is not the surviving corporation of such transaction.

10. Vesting.

10.1 Options. A Participant may not exercise an Option until it has become vested. The portion of an Award of Options that is vested depends upon the period that has elapsed since the Award Date. The following schedule applies to any Award of Options under this Plan unless the Committee establishes a different vesting schedule on the Award Date:

Number of Months Since Award Date	Vested Percentage
fewer than 12 months	0.0 %
12 months	25.00 %
15 months	31.25 %
18 months	37.50 %
21 months	43.75 %
24 months	50.00 %
27 months	56.25 %
30 months	62.50 %

Edgar Filing: Maiden Holdings, Ltd. - Form DEF 14A

33 months	68.75	%
36 months	75.00	%

Notwithstanding the above schedule, unless otherwise determined by the Committee and set forth in the agreement evidencing an Award, a Participant's Awards shall become fully vested if a Participant's employment with the Company and its Subsidiaries or service on the board of directors of the Company or a Subsidiary is terminated due to: (i) retirement on or after his sixty-fifth birthday; (ii) retirement on or after his fifty-fifth birthday with consent of the Company; (iii) retirement at any age on account of total and permanent disability as determined by the Company; or (iv) death. Unless the Committee otherwise provides in the applicable agreement evidencing an Award or Section 10.3 applies, if a Participant's employment with or service to the Company or a Subsidiary terminates for any other reason, any Awards that are not yet vested are immediately and automatically forfeited.

A Participant's employment shall not be considered to be terminated hereunder by reason of a transfer of his employment from the Company to a Subsidiary, or vice versa, or a leave of absence approved by the Participant's employer. A Participant's employment shall be considered to be terminated hereunder if, as a result of a sale or other transaction, the Participant's employer ceases to be a Subsidiary (and the Participant's employer is or becomes an entity that is separate from the Company and its Subsidiaries).

10.2 Restricted Shares. The Committee shall establish the vesting schedule to apply to any Award of Restricted Shares that is not associated with an ISO or NSO granted under the Plan to a Participant, and in the absence of such a vesting schedule, such Award shall vest in accordance with Section 10.1.

10.3 Effect of Change of Control. Notwithstanding Sections 10.1 and 10.2 above, if within 12 months following a Change of Control the employment of a Participant with the Company and its Subsidiaries is terminated, the Board of Directors may vest any Award issued to the Participant, and in the case of an Award other than a Restricted Share Award, such Award shall be fully exercisable for 90 days following the date on which the Participant's service with the Company and its Subsidiaries is terminated, but not beyond the date the Award would otherwise expire but for the Participant's termination of employment.

11. Adjustments to Reflect Changes in Capital Structure.

11.01 Adjustments. If there is any change in the corporate structure or shares of the Company, the Committee shall make any appropriate adjustments, including, but limited to, such adjustments deemed necessary to prevent accretion, or to protect against dilution, in the number and kind of Ordinary Shares with respect to which Awards may be granted under this Plan (including the maximum number of Ordinary Shares with respect to which Awards may be granted under this Plan in the aggregate and individually to any Participant during any calendar year as specified in Section 3) and, with respect to outstanding Awards, in the number and kind of shares covered thereby and in the applicable Option Price. For the purpose of this Section 11, a change in the corporate structure or shares of the Company includes, without limitation, any change resulting from a recapitalization, stock split, share dividend, consolidation, rights offering, separation, reorganization, or liquidation (including a partial liquidation) and any transaction in which Ordinary Shares are changed into or exchanged for a different number or kind of shares or other securities of the Company or another corporation.

11.02 Cashouts. In the event of an extraordinary dividend or other distribution, merger, reorganization, consolidation, combination, sale of assets, split up, exchange, or spin off, or other extraordinary corporate transaction, the Committee may, in such manner and to such extent (if any) as it deems appropriate and equitable make provision for a cash payment or for the substitution or exchange of any or all outstanding Awards or the cash, securities or property deliverable to the holder of any or all outstanding Awards based upon the distribution or consideration payable to holders of Ordinary Shares upon or in respect of such event; provided, however, in each case, that with respect to any ISO, no such adjustment may be made that would cause the Plan to violate section 422 of the Code (or any successor provision).

12. Nontransferability of Awards.

ISOs are not transferable, voluntarily or involuntarily, other than by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code. During a Participant's lifetime, his ISOs may be exercised only by him. All other Awards (other than an ISO) are transferable by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined in the Code. With the approval of the Committee, a Participant may transfer an Award (other than an ISO) for no consideration to or for the benefit of one or more Family Members of the Participant subject to such limits as

7

the Committee may establish, and the transferee shall remain subject to all the terms and conditions applicable to the Award prior to such transfer. The transfer of an Award pursuant to this Section 12 shall include a transfer of the right set forth in Section 16 hereof to consent to an amendment or revision of the Plan and, in the discretion of the Committee, shall also include transfer of ancillary rights associated with the Award. For purposes of this Section 12, Family Members mean with respect to a Participant, any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, any person sharing the Participant's household (other than a tenant or employee), a trust in which these persons have more than 50% of the beneficial interest, a foundation in which these persons (or the Participant) control the management of assets, and any other entity in which these persons (or the Participant) own more than 50% of the voting interests.

13. Rights as Shareholder.

No Ordinary Shares may be delivered upon the exercise of any Option until full payment has been made. A Participant has no rights whatsoever as a shareholder with respect to any shares covered by an Option until the date of the issuance of a share certificate for the shares.

14. Withholding Tax.

The Committee may, in its discretion and subject to such rules as it may adopt, permit or require a Participant to pay all or a portion of the federal, state and local taxes, including FICA and Medicare withholding tax, arising in connection with any Awards by (i) having the Company withhold Ordinary Shares at the minimum rate legally required, (ii) tendering back Ordinary Shares received in connection with such Award or (iii) delivering other previously acquired Ordinary Shares having a Fair Market Value approximately equal to the amount to be withheld.

15. No Right to Employment.

Participation in the Plan will not give any Participant a right to be retained as an employee or director of the Company or its parent or Subsidiaries, or any right or claim to any benefit under the Plan, unless the right or claim has specifically accrued under the Plan.

16. Amendment of the Plan.

The Board, at any time and from time to time, may modify or amend the Plan in any respect, except that without the approval of the shareholders of the Company, the Board may not (a) materially increase the benefits accruing to Participants, (b) increase the maximum number of shares which may be issued under the Plan (except for permissible adjustments provided in the Plan) or (c) materially modify the requirements as to eligibility for participation in the Plan or exercise of an Option. The termination or any modification or amendment of the Plan shall not, without the consent of the Participant, affect the Participant's rights under an Award previously granted to him or her. With the consent of the Participant affected, the Board may amend outstanding option agreements in a manner not inconsistent with the Plan. The Board hereby reserves the right to amend or modify the terms and provisions of the Plan and of any outstanding options under the Plan to the extent necessary to qualify any or all options under the Plan for such favorable United States federal income tax treatment (including deferral of taxation upon exercise) as may be afforded ISO's under Section 422A of the Code or any successor provision of the Code.

17. Conditions Upon Issuance of Shares.

An Option shall not be exercisable and a share of Ordinary Shares shall not be issued pursuant to the exercise of an Option, and Restricted Shares shall not be awarded until and unless the award of Restricted Shares, exercise of such

Option and the issuance and delivery of such share pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the United States Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or national securities association upon which the Ordinary Shares may then be listed or quoted, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Ordinary Shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned relevant provisions of law.

18. Substitution or Assumption of Awards by the Company.

The Company, from time to time, also may substitute or assume outstanding awards granted by another company, whether in connection with an acquisition of such other company or otherwise, by either (a) granting an Award under the Plan in substitution of such other company's award, or (b) assuming such award as if it had been granted under the Plan if the terms of such assumed award could be applied to an Award granted under the Plan. Such substitution or assumption shall be permissible if the holder of the substituted or assumed award would have been eligible to be granted an Award under the Plan if the other company had applied the rules of the Plan to such grant. In the event the Company assumes an award granted by another company, the terms and conditions of such award shall remain unchanged (except that the exercise price and the number and nature of shares issuable upon exercise of any such option will be adjusted appropriately pursuant to section 424(a) of the Code). In the event the Company elects to grant a new Award rather than assuming an existing option, such new Award may be granted with a similarly adjusted exercise price.

19. Effective Date and Termination of Plan.

19.01 Effective Date. This Plan is effective as of the date of its adoption by the Board of Directors, subject to subsequent approval by the Company's shareholders.

19.02 Termination of the Plan. Unless sooner terminated in accordance with Section 11.02 hereof, the Plan shall terminate upon the earlier of (i) the tenth anniversary of the date of its adoption by the Board or (ii) the date on which all shares available for issuance under the Plan shall have been issued pursuant to the exercise or cancellation of Options granted hereunder and/or the issuance of Restricted Shares. If the date of termination is determined under (i) above, then Options outstanding on such date shall continue to have force and effect in accordance with the provisions of the instruments evidencing such Options.
