**Item 1.01. Entry into a Material Definitive Agreement.**

On March 25, 2019 (the Closing Date ), Aldeyra Therapeutics, Inc. (the Company ) entered into a Loan and Security Agreement (the Loan Agreement ) by and among the Company, certain subsidiaries of the Company from time to time party thereto, the several banks and other financial institutions or entities from time to time parties thereto (collectively, referred to as Lender ) and Hercules Capital, Inc., in its capacity as administrative agent and collateral agent for itself and the Lender (in such capacity, the Agent ), pursuant to which a term loan of up to an aggregate principal amount of \$60.0 million may be made available to the Company. The Loan Agreement provides for an initial term loan advance of up to \$5.0 million at the Company's option, commencing on the Closing Date through and including April 15, 2019; three additional term loan advances of up to \$15.0 million, at the Company's option, each available to the Company upon the occurrence of certain funding conditions prior to September 30, 2019, March 31, 2020 and March 31, 2021, respectively; and a final additional term loan advance of up to \$10.0 million, at the Company's option, subject to approval by Lender's investment committee.

The term loan bears interest at an annual rate equal to the greater of (i) 9.10% and (ii) the prime rate (as reported in the Wall Street Journal or any successor publication thereto) plus 3.10%. The Loan Agreement provides for interest-only payments for twenty-four months, with an option to extend the interest-only period to thirty-six months based upon the achievement of certain milestones and repayment of the aggregate outstanding principal balance of the term loan in monthly installments starting upon expiration of the interest only period and continuing through October 1, 2023 (the Maturity Date ). In addition, the Company paid a fee of \$375,000 upon closing and is required to pay a fee of 6.95% multiplied by the aggregate amount of advances under the Loan Agreement at maturity. At the Company's option, the Company may elect to prepay all, but not less than all, of the outstanding term loan by paying the entire principal balance and all accrued and unpaid interest thereon plus all fees and other amounts due under the Loan Agreement, including a prepayment charge equal to the following percentage of the principal amount being prepaid: 3% if the term loan is prepaid during the first 24 months following the initial closing and 1.5% if the term loan is prepaid any time thereafter but prior to 36 months.

In connection with the Loan Agreement, the Company granted Agent a security interest in all of the Company's personal property now owned or hereafter acquired, excluding intellectual property, and a negative pledge on intellectual property. The Loan Agreement also contains certain events of default, representations, warranties and non-financial covenants of the Company. In addition, the Company granted Lender an option to purchase up to an aggregate of \$2.0 million of the Company's equity securities, or instruments exercisable for or convertible into equity securities, sold to investors in financings upon the same terms and conditions afforded to such other investors.

The foregoing description of the Loan Agreement does not purport to be complete and is qualified in its entirety by reference to the Loan Agreement filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**
