Item 1. Security and Issuer.

This Schedule 13D relates to Common Stock (the “Common Stock”) of Iridex Corporation (“Iridex” or the “Company”) with its principal executive offices located at 1212 Terra Bella Avenue, Mountain View, CA 94043.

Item 2. Identity and Background.

This statement is filed on behalf of BlueLine Capital Partners, LP, BlueLine Capital Partners II, LP, BlueLine Capital Partners III, LP, BlueLine Partners, LLC, Meridian OHC Partners, LP, TSV Investment Partners, LLC and Scott Shuda (collectively, the “Reporting Entities”). BlueLine Partners, LLC is the sole general partner of BlueLine Capital Partners II, LP, BlueLine Capital Partners III, LP, and BlueLine Capital Partners III, LP, and TSV Investment Partners, LLC is the sole general partner of Meridian OHC Partners, LP. Scott Shuda is Managing Director of BlueLine Partners, LLC and TSV Investment Partners, LLC. Mr. Shuda disclaims beneficial ownership for purposes of Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the “Act”) of securities held by Reporting Entities other than himself. The address of BlueLine Partners, LLC is 3480 Buskirk Avenue Suite 214, Pleasant Hill, CA 94523, and the address of TSV Investment Partners, LLC is 425 Weed Street New Canaan, CT 06840. During the last five years, none of the Reporting Entities has been convicted in a criminal proceeding or been a party to a civil proceeding of a judicial or administrative body. Each of the Reporting Entities is a Delaware limited partnership or Delaware limited liability company. Mr. Shuda and Mr. Sapanski are U.S. citizens.

Item 3. Source or Amount of Funds or Other Consideration.

All of the funds used in making the purchase of the Shares described in Item 5 of this Schedule 13D came from the working capital of the Reporting Entities.

Item 4. Purpose of Transaction.

The Reporting Entities have purchased the Shares for investment purposes. Mr. Shuda was previously a director of the Company and is currently chairman of the board of directors of InfuSystem Holdings, Inc., a provider of services in the medical infusion space.

BlueLine’s History with the Company

BlueLine Partners has been a shareholder of the Company since 2005. The investment strategy of BlueLine Partners and Meridian OHC Partners is that of a friendly “activist” investor. Both firms, and Mr. Shuda as their Managing Director, seek to invest in and assist companies experiencing challenges and/or difficult periods in their business. This frequently involves taking seats on the board of directors of portfolio companies.

In 2007, BlueLine made a direct investment in the Company pursuant to which it acquired the right to nominate two designees to the Company’s board of directors. The right to one of these seats expired when BlueLine converted the preferred shares acquired in the direct investment to common stock. In October 2012, Mr. Shuda joined the Company’s board as the BlueLine nominee. At that time, Iridex’ shares traded in the \$3.70 range. Over the next several years, Mr. Shuda worked with the Company’s management and directors on various projects including share buybacks, the introduction of the Company’s 577nm “yellow” laser, the introduction of the Company’s TxCell scanning laser delivery system, and the introduction of the Company’s Cyclo G6™ and MicroPulse P3™ glaucoma device and probe.

In early 2017, following the Company's successful December 2016 direct offering at \$14.00 per share, Mr. Shuda resigned from the Company's board, in part, to facilitate BlueLine's plan to distribute Company shares held by its funds to certain limited partners in such funds. At that time, it was believed that Iridex was no longer a BlueLine-style turnaround investment, but rather an emerging and successful growth company. As any reader of this filing will know, the Company subsequently experienced difficulties, including missing its 2017 revenue targets and the 2018 voluntary recall of its laser indirect ophthalmoscope. Later in 2018, Iridex executed another direct offering at \$6.00 per share.

BlueLine's Right to Designate a Board Member

As disclosed by the Company in its Form 8-K filed on April 21, 2017, in 2017 BlueLine waived its right to designate a nominee for the Company's board until March 31, 2018. In addition, BlueLine and Company amended its agreement

concerning board nomination rights to provide that subsequent to March 31, 2018, BlueLine’s right to designate a nominee for nomination to the Company’s Board would terminate in the event that BlueLine and its affiliates no longer hold at least five percent (5%) of the number of shares of common stock of the Company issued and outstanding as of March 31, 2018. As of the date of this filing, BlueLine entities holds shares well in excess of such 5% threshold.

Accordingly, BlueLine is currently in possession of an exercisable right to nominate one director to the Company’s board.

Potential Exercise of BlueLine’s Right to Nominate Director

BlueLine is changing its filing that of a Schedule 13G (passive) filer to that of a Schedule 13D (active) filer because it is considering exercising its right to nominate a director to the Company’s board. BlueLine has not yet discussed this topic with the Company, but the topic has been raised in discussions with other shareholders of the Company.

BlueLine believes that certain recent discussions on this topic require a change in its filing status.

BlueLine believes that its representatives could be helpful to the Company, its management and board of directors given the current condition of the Company’s business and prevailing stock price. BlueLine intends to pursue this topic in the coming weeks with members of the Company’s management and board of directors. BlueLine would also invite the input of other shareholders, particularly on whether shareholders believe their interests would be benefited generally by adding additional shareholder representation to Iridex’ board of directors. Shareholders are invited to email Mr. Shuda at info@meridianohc.com to arrange for a telephone call on such topic.

Item 5. Interest in Securities of the Issuer.

As of the date of this Schedule 13D, each of the Reporting Entities may be deemed to own 999,802 shares of Common Stock (the “Shares”). The Shares represent approximately 7.4% of the shares of Common Stock outstanding based on 13,594,140 shares of the Company’s Common Stock outstanding at August 9, 2018 as reported in the Company’s Form 10-Q for the Company’s fiscal quarter ended October 25, 2018 as filed with the Securities and Exchange Commission on November 6, 2018.

The Reporting Entities are making this single, joint filing because they may be deemed to constitute a “group” within the meaning of Section 13(d)(3) of the Act. Each Reporting Entity expressly disclaims beneficial ownership of any of the shares of Common Stock other than those reported herein as being owned by it.

The transactions involving the Shares by the Reporting Entities over the past sixty days is provided below. The price reported for the transactions is a weighted average daily price for Shares purchased in multiple transactions. The Reporting Entities undertake to provide to the Company, any security holder of the Company, or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares purchased at each separate price.
