Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

After ongoing consultation with the Board of Directors (the “Board”) of HealthSouth Corporation (“HealthSouth” or the “Company”) as part of its succession plan in development for some time, on October 25, 2016, Mr. Jay Grinney, age 65, notified the Company that he intends to retire as President and Chief Executive Officer effective December 31, 2016.

In accordance with the succession plan, the Board has unanimously elected Mr. Mark J. Tarr to serve as President and Chief Executive Officer upon Mr. Grinney’s retirement. Additionally, at the time of his retirement, Mr. Grinney intends to step down from the Board. The Board voted to appoint Mr. Tarr to fill the to-be-vacated seat. Following his retirement, Mr. Grinney will serve in a consulting role with the Company until March 31, 2017.

Mr. Tarr, age 55, has held a number of leadership positions with HealthSouth during his 23-year career with the Company. Mr. Tarr was named Executive Vice President and Chief Operating Officer on February 24, 2011, having served as Executive Vice President of Operations since October 1, 2007 and as President of the Inpatient Division from 2004 to 2007. Mr. Tarr serves on the boards of directors of the Federation of American Hospitals and the American Medical Rehabilitation Providers Association.

With the promotion of Mr. Tarr, the Board has elected Ms. Barb Jacobsmeyer, the current President of the Company’s Central Region, to serve as Executive Vice President of Operations effective January 1, 2017. Ms. Jacobsmeyer joined HealthSouth in April 30, 2007 as the Chief Executive Officer of the Rehabilitation Institute of St. Louis. In 2010, she was promoted to Regional Vice President, and in 2012, she was promoted again to her current role as Regional President.

On October 27, 2016, the Company issued a press release announcing the retirement of Mr. Grinney and the appointment of Mr. Tarr as President and Chief Executive Officer and Ms. Jacobsmeyer as Executive Vice President of Operations, a copy of which is attached hereto as Exhibit 99.1.

The Company has not entered into a written employment agreement with either Mr. Tarr or Ms. Jacobsmeyer.

On October 27, 2016, the Board, or its compensation committee in the case of Ms. Jacobsmeyer, has approved the following compensation arrangements effective as of January 1, 2017:

	Title	Annual Base Salary	Annual Cash Incentive Opportunity	Long-Term Equity Incentive Opportunity
Mark Tarr	President and Chief Executive Officer	\$900,000	100% of base	\$2,700,000
Barb Jacobsmeyer	Executive Vice President of Operations	\$450,000	70% of base	150% of base

Additionally, it is expected that Mr. Tarr and Ms. Jacobsmeyer will participate in the executive severance and change in control benefits plans under the same terms their respective predecessors did, as discussed in more detail in the Executive Compensation section of the Company’s Definitive Proxy Statement on Schedule 14A filed with the Securities and Exchange Commission on April 5, 2016 (the “2016 Proxy”). Otherwise, the structure of the incentive awards and other benefits are expected to be subject to substantially the same terms and conditions as the Company’s other executive officers, which are also discussed in more detail in the 2016 Proxy.

In connection with the implementation of the succession plan and in recognition of expanded responsibilities, Mr. Douglas E. Coltharp, Executive Vice President and Chief Financial Officer, will receive on October 28, 2016 retention incentive grants of nonqualified stock options and shares of time-based restricted stock. The number of shares underlying the restricted stock grant will be determined by dividing \$500,000 by the average closing price of the Company's common stock over the 20 trading days preceding that date. The number of shares underlying the stock option grant will be determined by dividing \$500,000 by the Black-Scholes option-pricing value as of the grant date. The stock options will have an exercise price equal to the closing price on the grant date and expire on the tenth anniversary of the grant date. The stock options and restricted stock will vest on the third anniversary of the grant date. The Board also approved the following changes to Mr. Coltharp's annual compensation effective as of January 1, 2017:

	Title	Annual Base Salary	Annual Cash Incentive Opportunity	Long-Term Equity Incentive Opportunity
Douglas Coltharp	Executive Vice President and Chief Financial Officer	\$700,000	85% of base	200% of base
