Item 1.01 Entry Into a Material Definitive Agreement.

On January 31, 2018, Artesian Water Company, Inc. (the "Company"), the principal subsidiary of Artesian Resources Corporation, and CoBank, ACB ("CoBank"), entered into a Bond Purchase Agreement (the "Agreement") relating to the issue and sale by the Company to CoBank of a \$25 million principal amount First Mortgage Bond, Series U (the "Bond"), due January 31, 2038 (the "Maturity Date"). The Bond was issued pursuant to the Company's Indenture of Mortgage dated as of July 1, 1961, as amended and supplemented by supplemental indentures, including the Twenty-Third Supplemental Indenture dated as of January 31, 2018 (the "Supplemental Indenture"), from the Company to Wilmington Trust Company, as Trustee (the "Indenture"). The Indenture is a first mortgage lien against substantially all of the Company's utility plant. The proceeds from the sale of the Bond together with other funds of the Company, will be used to pay in full at maturity indebtedness of the Company under those certain First Mortgage Bonds, Series U (the "Series U Bonds"). The Delaware Public Service Commission (the "DEPSC") approved the issuance of the Bond on December 21, 2017.

The Bond carries an annual interest rate of 4.71% through and including the Maturity Date. Interest is payable on January 30th, April 30th, July 30st and October 30th in each year and on the Maturity Date, beginning April 30, 2018 until the Company's obligation with respect to the payment of principal, premium (if any) and interest shall be discharged. Overdue payments shall bear interest as provided in the Supplemental Indenture. The term of the Bonds also include certain limitations on the Company's indebtedness.

The Agreement contains customary default provisions where the Bond will become due and payable no less than 30 days from notice received by CoBank, referred to as "Events of Redemption." In the event that any Event of Redemption below should occur and be continuing, CoBank shall have the right to require the Company, and the Company shall be obligated, to redeem all bonds then held by CoBank. The bonds shall be redeemed at a price equal to the sum of (i) the aggregate principal amount to be redeemed, (ii) the interest accrued thereon through the date of redemption and (iii) a make-whole amount as described in the Supplemental Indenture.

Events of Redemption are listed below:

- (a) Any representation or warranty made by the Company in the Agreement proves to be false or misleading in any material respect; or
- (b) Failure to comply with furnishing financial information, covenants, use of proceeds, payment of taxes and indemnification; or
- (c) Failure to perform or comply with providing notice of default, non-environmental litigation or environmental matters; or

- (e) Default under any bond, debenture, note or other evidence of indebtedness for any money borrowed by the Company in excess of \$500,000 or under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness of the Company in excess of \$500,000, whether such indebtedness exists or shall hereafter be created, which default has not been waived and shall constitute a failure to pay any portion of the interest accruing on or the principal of such indebtedness when due and payable after the expiration of any applicable grace period with respect thereto or shall have resulted in such indebtedness becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable, without such indebtedness having been discharged, or such acceleration having been rescinded or annulled; or
- (f) The rendering against the Company of a judgment for the payment of moneys in excess of \$500,000 and the continuance of such judgment unsatisfied and without stay of execution thereon for a period of 45 days after the
