Independent Auditors' Report -----

To the Retirement Committee of the
Hartco Flooring Company
Bargaining Employees' Retirement Savings Plan:

We have audited the accompanying statements of net assets available for benefits of the Hartco Flooring Company Bargaining Employees' Retirement Savings Plan as of December 31, 2000 and 1999, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Hartco Flooring Company Bargaining Employees' Retirement Savings Plan as of December 31, 2000 and 1999, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for

Edgar Filing: ARMSTRONG WORLD INDUSTRIES INC - Form 11-K

Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

HARTCO FLOORING COMPANY

BARGAINING EMPLOYEES' RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2000 and 1999

(1) General Information

The Hartco Flooring Company Bargaining Employees' Retirement Savings Plan (the Plan) was established on January 1, 1985. On June 28, 1996, Triangle Pacific Corp. (the Company or Plan Administrator) acquired all of the stock of Hartco Flooring Company from Premark International, Inc. The Company assumed responsibility for administering and sponsoring the Plan effective June 30, 1996, and to continue the Plan without interruption by amending and restating the Plan in its entirety effective June 28, 1996, to change the sponsoring employer.

On July 22, 1998, Triangle Pacific Corp. was acquired by Armstrong World

Edgar Filing: ARMSTRONG WORLD INDUSTRIES INC - Form 11-K

Industries, Inc. (a subsidiary of Armstrong Holdings, Inc.). The Board of Directors of Triangle Pacific Corp. intends to continue providing retirement benefits through the Company's defined contribution plans.

(2) Description of the Plan

The following description of the Plan provides only general information. Participants should refer to the Plan documents for more detailed information.

(a) General

The Plan is a defined contribution plan which provides retirement benefits to employees of Hartco Flooring Company, a division of Triangle Pacific Corp., who are members of a collective bargaining agreement and whose customary employment is for at least 1,000 hours during a 12 month period. Employees are eligible to participate in the Plan on the first day of the month coincident with or following the completion of six months of service. All eligible employees whose customary employment is not for at least 1,000 hours during a year participate in the Plan on the first day of the month coincident with or following the 12 month period after their employment or any plan year thereafter, provided 1,000 hours of service are completed during this time period. However, employees must not be active participants in any other defined contribution plan to which the Company or any subsidiary contributes on their behalf. The Plan is administered by Triangle Pacific Corp. and advised by the Retirement Committee appointed by the Board of Directors. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Participants are permitted to contribute from 1% to 16% of their eligible compensation to the Plan, as defined by the Plan documents. Participants may elect to invest their contributions in any of the available investment funds offered by Fidelity Management Trust Company, the Trustee. The Company will provide a 50% match of active participants' contributions, up to 6% of the participant's eligible compensation. Effective January 1, 2000, the Plan was amended to include an annual Company profit sharing contribution of 1% of a participant's eligible compensation.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of the Company's contributions, Plan earnings and forfeitures of terminated participants' nonvested accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Edgar Filing: ARMSTRONG WORLD INDUSTRIES INC - Form 11-K

(d) Vesting

Participants are fully vested in the current value of their own contributions and earnings thereon, and become fully vested in Company contributions and related earnings credited to their accounts based upon their years of vesting service as shown in the following table:

Years of vesting service -----	Vested percentage -----
Less than 1	0%
1 but less than 2	20
2 but less than 3	40
3 but less than 4	60
4 but less than 5	80
5 or more	100

Participants who are age 65 or over or become permanently disabled are automatically 100% vested in the value of Company contributions and related earnings credited to their account.

(e) Investment Options

Elective and nondeductible contributions may be invested in guaranteed income funds, fixed income funds, equity funds or a money market fund at the option of the participating employee. The Plan has investment options available to which participants may allocate their contributions as follows:

[X] Armstrong Holdings, Inc. Common Stock - Effective April 1, 1999, the Plan was amended to include Armstrong World Industries, Inc. common stock as one of the investment options. On May 1, 2000, Armstrong Holdings, Inc. acquired the stock of Armstrong World Industries, Inc. An indirect holding in Armstrong World Industries, Inc. makes up substantially all of the assets of Armstrong Holdings, Inc. Armstrong Holdings, Inc. is publicly traded on the New York Stock Exchange. On December 6, 2000, Armstrong World Industries, Inc. filed a voluntary petition for relief under Chapter 11 of the U.S. Bankruptcy Code in Wilmington, DE in order to use the court-supervised reorganization process to achieve a resolution of its asbestos liability. Triangle Pacific Corp. was not included in the filing. As of December 19, 2000, the Plan was amended to eliminate the Armstrong Holdings, Inc. Common Stock fund as an investment option effective with contributions made on or after December 27, 2000 and transfers processed on or after January 1, 2001.
