**Prior Program Liquidity Events**

The following is hereby inserted into the prospectus under the heading Prior Performance :

**Prior Program Liquidity Events**

Our sponsor, Wells Capital, or one of its affiliates, has previously sponsored 17 public programs, including two REITs. Each of these programs stated in its prospectus filed with the SEC a date by which the program might be liquidated. Of these 17 prior programs, four liquidated ahead of their expected liquidity date, 12 have not yet reached their respective liquidity dates, and one has delayed its liquidity date, as described below.

---

The four programs that liquidated prior to their anticipated liquidity date did so after the disposition of all their interests in real property and other assets and after a distribution to the holders of their securities of the proceeds of the liquidation, pursuant to the agreements governing each program.

The earliest liquidation date for the 12 offerings that have not yet reached their anticipated liquidity date is December 31, 2014, and none of these 12 offerings have determined to extend its liquidation date.

Piedmont REIT sought and has received stockholder approval to extend the date by which it must commence an orderly process of liquidation if its shares were not listed on a securities exchange from January 30, 2008 to July 30, 2009. Piedmont REIT also received stockholder approval to grant to its board of directors the sole discretion to further extend the liquidation date to January 30, 2011. Piedmont REIT has reported that its board of directors made the recommendation to its stockholders to extend its liquidity date based on its assessment of volatility in the public real estate securities market, fundamentals of the office real estate market, the prices that could be obtained in a sales transaction for Piedmont REIT and discussions with its financial advisor regarding the long-term potential values of Piedmont REIT.

### **Clarification Regarding Our Share Redemption Plan**

The following is hereby inserted into the prospectus under the heading Description of Shares Share Redemption Plan :

A stockholder that is a trust may only redeem on the terms available in connection with the death or disability of a stockholder if the deceased or disabled was the sole primary beneficiary of the trust or if the only other primary beneficiary of the trust was the spouse of the deceased or disabled.
