**Matav Confirms Discussions with MIRS Regarding a  
Potential Investment**

**NETANYA, Israel, October 19, 2004. Matav-Cable Systems Media Ltd. (Nasdaq: MATV)** today confirmed that it is currently discussing with MIRS, Israel's fourth wireless operator, an investment by the Israeli cable television operators in MIRS. The details of such potential deal, including the valuation of MIRS, have not been determined at this stage.

**Matav is one of Israel's three cable television providers, serving roughly 25 percent of the population. Matav's investments include approximately 5.3 percent of Partner Communications Ltd., a GSM mobile phone company, and 10 percent of Barak I.T.C. (1995), one of the three international telephony-service providers in Israel.**

*(This press release contains forward-looking statements with respect to the Company's business, financial condition and results of operations. These forward-looking statements are based on the current expectations of the management of Matav Cable only, and are subject to risk and uncertainties, including but not limited to changes in technology and market requirements, decline in demand for the company's products, inability to timely develop and introduce new technologies, products and applications, loss of market share and pressure on pricing resulting from competition, which could cause the actual results or performance of the Company to differ materially from those contemplated in such forward-looking statements. The Company undertakes no obligation to publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events. For a more detailed description of the risk and uncertainties affecting the company, reference is made to the Company's reports filed from time to time with the Securities and Exchange Commission.)*
