Item 1.01 Entry into a Material Definitive Agreement.

On September 25, 2017, Invitae Corporation (Invitae) and its wholly-owned subsidiary Good Start Genetics, Inc. (together with Invitae, the Company) entered into a Marketing and Laboratory Services Agreement (the Marketing Agreement) with CombiMatrix Molecular Diagnostics, Inc. (CMDX), a wholly-owned subsidiary of CombiMatrix Corporation (NASDAQ: CBMX) (CombiMatrix). Pursuant to the terms of the Marketing Agreement, the Company will promote and market certain CMDX diagnostic tests, including miscarriage analysis tests (the Tests), to physicians and other healthcare providers in the same channels in which the Company markets its own diagnostic tests. The Company will also coordinate logistics, customer service and support for the Tests.

In consideration for the services provided by the Company under the Marketing Agreement, CMDX will pay the Company a \$200 fee for each Test the Company markets and which CMDX processes, reports and bills to a patient, ordering physician or other healthcare provider and/or third party payer program, subject to all applicable federal, state and local laws, rules, and regulations, including, without limitation, the federal Anti-Kickback Statute and similar state anti-kickback laws and regulations. CMDX has also agreed to assist the Company in promoting and marketing the Tests by providing training and support and sharing educational materials and scientific publications. In addition, CMDX will remain responsible for Test performance, reporting and billing.

Under the terms of the Marketing Agreement, the parties will jointly own all data and results from Tests performed as a result of the Company s promotional activities, and CMDX will retain ownership of the Tests and related intellectual property.

The term of the Marketing Agreement commenced on September 25, 2017 and continues until December 31, 2019, with automatic renewals for successive 12-month periods. The Marketing Agreement may be terminated by either party upon (a) 60 days notice prior to the end of the then-current term, (b) a material breach by the other party (subject to a 60-day cure period, or 10 days with respect to a breach of such party s payment obligations) and (c) 60 days notice after the filing of bankruptcy, reorganization, liquidation or receivership proceedings by or against the other party. CMDX may also terminate the Marketing Agreement upon 30 days notice if the Company enters into an agreement with a third party for, or decides to internally develop, invasive prenatal diagnostic tests, pediatric array tests or miscarriage analysis tests.

The foregoing summary description of the Marketing Agreement does not purport to be complete and is qualified in its entirety by reference to the Marketing Agreement which is attached as Exhibit 10.1 hereto and incorporated herein by reference.

Pursuant to the Merger Agreement, Merger Sub will merge with and into CombiMatrix, with CombiMatrix becoming a wholly-owned subsidiary of Invitae and the surviving corporation in the merger (the Merger).
