Item 1.01 Entry into a Material Definitive Agreement.

On December 19, 2006, Western Alliance Bancorporation ("Western" or the "Company") and First Independent Capital of Nevada ("FICN") entered into an Agreement and Plan of Merger (the "Agreement"), pursuant to which the Company will acquire FICN and its wholly owned subsidiary, First Independent Bank of Nevada ("FIBN"). Under the terms of the agreement, FICN shareholders may elect to receive either \$93.60 in cash or \$93.60 in Western common stock for each share of FICN common stock, subject to proration and allocation procedures, so long as Western's average stock price (as defined in the agreement) is between \$32.91 and \$39.13 per share. If Western's average stock price is below \$32.91, the exchange ratio will be fixed at 2.84412. If Western's average stock price is above \$39.13, the exchange ratio will be fixed at 2.39203. The parties have established an additional \$3 million reserve which may be released to the FICN shareholders following closing, in whole or in part, depending upon the performance of certain credits in the FIBN loan portfolio.

It is anticipated that John Sande III will join Western's Board of Directors following consummation of the transaction.

The Agreement contains customary representations and warranties of the parties. The Agreement contains certain termination rights for both the Company and FICN, and further provides that, upon termination of the Agreement upon specified circumstances, FICN may be required to pay the Company a termination fee of \$4.8 million plus up to \$300,000 in expenses. The transaction is subject to customary closing conditions, including approval from shareholders of FICN and banking regulators, and is expected to be completed in the first half of 2007.

The description of the Agreement set forth above is qualified in its entirety by reference to the actual terms of the Agreement, which will be filed by the Company as an exhibit to its Annual Report on Form 10-K for the year ended December 31, 2006 and its Registration Statement on Form S-4 related to the proposed merger.

A copy of the related press release is filed as Exhibit 99.1.

Item 8.01 Other Events.

On December 19, 2006, Western Alliance announced plans to sell up to 25 percent of its securities portfolio, resulting in an aggregate after-tax loss in the fourth quarter of 2006 of up to \$3.0 million, or \$0.10 per share. The proceeds from the sale will be reinvested or utilized to reduce wholesale borrowings.

Item 9.01 Financial Statements and Exhibits.
