Item 8.01. Other Events.

On February 11, 2014, Netlist, Inc. (the Company) completed its previously announced registered firm commitment underwritten public offering (the Offering) of shares of the Company's common stock, par value \$0.001 per share (Common Stock). In the Offering, the Company issued and sold to Craig-Hallum Capital Group LLC (the Underwriter) 8,680,775 shares of Common Stock pursuant to an underwriting agreement (the Underwriting Agreement), dated as of February 6, 2014, by and between the Company and the Underwriter, at a price of \$1.2115 per share, including 1,132,275 shares resulting from the Underwriter's exercise in full of its option to purchase additional shares of Common Stock to cover over-allotments. The price per share to the public in the offering was \$1.30 per share. The Company estimates net proceeds from the Offering to be approximately \$10.2 million, after deducting underwriting discounts and commissions and estimated offering expenses.

As previously reported, on August 15, 2013, the Company received a notice from the Nasdaq Stock Market LLC (NASDAQ), indicating that the Company no longer complies with the requirements of NASDAQ Marketplace Rule 5450(b)(1)(A) for continued listing on the NASDAQ Global Market. Such rule requires that the Company maintain minimum stockholders' equity of \$10 million (the Stockholders' Equity Rule). As reported in the Company's Quarterly Report on Form 10-Q for the period ended June 29, 2013, the Company's stockholders' equity was approximately \$8.5 million. As explained in the notice, the Company was required to provide a plan to regain compliance with NASDAQ Global Market listing requirements by September 30, 2013.

Following the Company's submission to NASDAQ, NASDAQ granted the Company an extension to December 31, 2013 to regain compliance with the Stockholders' Equity Rule, which NASDAQ subsequently extended to February 11, 2014. Such subsequent extension was contingent in part on consummation of an offering on or prior to February 11, 2014 resulting in an increase in the Company's stockholders' equity to above the \$10 million required to demonstrate compliance with the Stockholders' Equity Rule.

As of the date of this Current Report, the Company believes it has regained compliance with the Stockholders' Equity Rule based upon the completion of the Offering. NASDAQ will continue to monitor the Company's ongoing compliance with the Stockholders' Equity Rule and, if at the time of the Company's next periodic report the Company does not evidence compliance, the Company may be subject to delisting from the NASDAQ Global Market. In such event, the Company would evaluate various actions to pursue, including a request to transfer to the NASDAQ Capital Market.

On February 11, 2014, the Company issued a press release announcing the completion of the Offering. A copy of the press release is filed as Exhibit 99.1 to this report and is incorporated herein by reference.
