**Item 1.01 Entry into a Material Definitive Agreement.**

On August 10, 2017, Aclaris Therapeutics, Inc. (the *Company*) entered into an underwriting agreement (the *Underwriting Agreement*) with Jefferies LLC and Leerink Partners LLC, as representatives of the underwriters (the *Underwriters*), to issue and sell 3,260,000 shares of common stock of the Company (*Common Stock*) in an underwritten public offering pursuant to a Registration Statement on Form S-3 (File No. 333-214384) and a related prospectus and prospectus supplement, in each case filed with the Securities and Exchange Commission (the *Offering*). The offering price to the public is \$23.02 per share of Common Stock. In addition, the Company granted the Underwriters an option to purchase, for a period of 30 days, up to an additional 489,000 shares of Common Stock. The Company estimates that the net proceeds from the Offering will be approximately \$70.3 million, or approximately \$80.9 million if the Underwriters exercise in full their option to purchase additional shares of Common Stock, in each case after deducting underwriting discounts and commissions and estimated offering expenses.

The Underwriting Agreement contains customary representations, warranties, covenants and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties.
