PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
SEPTEMBER 19, 2005**

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board of Directors or Board) of Atlas Air Worldwide Holdings, Inc., a Delaware corporation (the Company or AAWW), for use at the Annual Meeting of Stockholders to be held on Monday, September 19, 2005, at the Omni Berkshire Hotel, 21 East 52nd Street, New York, New York, 10022 at 10:00 a.m., local time, and at any adjournments or postponements of the meeting (Annual Meeting). It is expected that this Proxy Statement and the accompanying proxy will first be mailed or delivered to stockholders beginning on or about August 22, 2005. Proxies may be solicited in person, by telephone or by mail, and the costs of such solicitation will be borne by the Company.

AAWW is a holding company with two principal wholly owned operating subsidiaries Atlas Air, Inc. (Atlas) and Polar Air Cargo, Inc. (Polar). AAWW was incorporated in Delaware in 2000. AAWW adopted its holding company structure in February 2001, whereby AAWW became the parent holding company of Atlas, which was incorporated in Delaware in 1992. Late in November 2001, AAWW expanded its product line by acquiring Polar from General Electric Capital Aviation Services. On January 30, 2004, AAWW and a number of its subsidiaries (collectively, Debtors) each filed voluntary bankruptcy petitions for relief under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. § 101 et seq., in the United States Bankruptcy Court for the Southern District of Florida (the Bankruptcy Court). The Bankruptcy Court entered an order

Edgar Filing: ATLAS AIR WORLDWIDE HOLDINGS INC - Form DEF 14A

confirming the Final Modified Second Amended Joint Plan of Reorganization of the Debtors dated July 14, 2004 (the Plan of Reorganization) and the Debtors emerged from bankruptcy on July 27, 2004. On July 27, 2004, all then outstanding shares of AAWW's common stock (Old Common Stock) were cancelled and extinguished in accordance with the Plan of Reorganization, including equity securities, securities exercisable or convertible into equity securities, debt securities and other instruments or documents evidencing or creating any indebtedness or obligation of or ownership interest in the Company or its subsidiaries, Atlas and Polar. Holders of Old Common Stock received no distributions or other consideration. On July 12, 2005, the Company began a pro rata distribution of 16,095,776 shares of AAWW's Common Stock, par value \$.01 per share (Common Stock) to holders of allowed general unsecured claims against the Company and certain of its subsidiaries. Including the July distribution, AAWW has issued 18,893,110 shares of Common Stock pursuant to the Plan of Reorganization, or about 94.5% of the 20,000,000 new shares originally allocated by the Plan of Reorganization. Except as otherwise noted herein, references in this Proxy Statement to AAWW, the Company, we, our and us refer to the Company that emerged after bankruptcy.

1

ABOUT THE ANNUAL MEETING

At our Annual Meeting, the holders of shares of Common Stock of the Company will act upon the matters outlined in the notice of meeting on the cover page of this Proxy Statement, in addition to transacting such other business, if any, as may properly come before the meeting or any adjournments thereof. The shares represented by your proxy will be voted as indicated on your properly executed proxy. If no directions are given on the proxy, the shares represented by your proxy will be voted:

FOR the election of director nominees named herein, to serve until the 2006 Annual Meeting or until their successors are elected and qualified (Proposal No.1), unless you specifically withhold authority to vote for one or more of the director nominees.

FOR approving the Company's 2005 Annual Incentive Plan for Senior Executives in conformance with Section 162(m) of the Internal Revenue Code (Proposal No. 2), unless you designate otherwise.

In addition, if any other matters are properly submitted to a vote of stockholders at the Annual Meeting, the accompanying form of proxy gives the proxy holders the discretionary authority to vote your shares in accordance with their best judgment on that matter. Unless you specify otherwise, it is expected that your shares will be voted on those matters as recommended by the Company's Board of Directors, or if no recommendation is given, in the proxy holders' own discretion.

Record Date and Voting Securities

All of our stockholders of record at the close of business on August 5, 2005 (the Record Date) are entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. As of the Record Date, there were 19,685,544 shares of Common Stock issued and outstanding. Each outstanding share of Common Stock will be entitled to one vote on each matter considered at the Annual Meeting. Stockholders are not entitled to cumulate their votes in the election of directors. Additional Information Limited Voting by Foreign Owners at the end of this Proxy Statement contains a description of certain restrictions on voting by stockholders who are not U.S. citizens, as defined by applicable laws and regulations.

Quorum, Abstentions and Broker Non-votes

A majority of the outstanding shares of Common Stock as of the Record Date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the number of shares of Common Stock present, in person and by proxy, at the Annual Meeting does not constitute the required quorum, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Shares of Common Stock that are voted FOR, AGAINST, or ABSTAIN are treated as being present at the Annual Meeting for purposes of establishing a quorum. A properly executed proxy marked ABSTAIN with respect to any matter will not be voted, although it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to a particular matter to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on that matter and will not be counted in determining the number of shares necessary for approval. However, if the broker or nominee does not receive voting instructions from you, your broker or nominee will be permitted to vote your shares for the election of directors. To the extent there are shares represented by such broker non-votes, they will be counted in determining whether there is a quorum present at the Annual Meeting.

Vote Required

Edgar Filing: ATLAS AIR WORLDWIDE HOLDINGS INC - Form DEF 14A

Proposal 1: Election of Directors. Each nominee must receive a plurality of the votes cast at the Annual Meeting in order to be elected as a director. This means the director nominee with the most votes for a particular slot is elected for that slot.

2

Proposal 2: Approval of the Company's 2005 Annual Incentive Plan for Senior Executives in conformance with Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). The affirmative vote of a majority of the shares represented at the Annual Meeting, either in person or by proxy and entitled to vote on this proposal, is required to approve the 2005 Annual Incentive Plan for Senior Executives.

Shares Registered in the Name of a Broker

Brokerage firms and banks holding shares in street name for customers are required to vote such shares in the manner directed by their customers. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote and are also invited to attend the meeting. Your broker, bank or nominee has enclosed or provided a voting instruction card for you to use in directing the broker, bank or nominee how to vote your shares. However, since you are not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the record holder giving you the right to vote these shares.

Revocability of Proxies

If you hold your shares registered in your name, you may revoke your proxy at any time before its use by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

If your shares are held in street name and you wish to revoke your proxy and vote at the Annual Meeting, you must contact your broker, bank or other nominee and follow the requirements set by your broker, bank or nominee. We cannot guarantee you that you will be able to revoke your proxy or attend and vote at the Annual Meeting.

Proxy Solicitation

This proxy solicitation is being made by the Board and the cost of soliciting proxies will be borne by the Company. The Company expects to reimburse brokerage firms, banks, custodians and other persons representing beneficial owners of shares of Common Stock for their reasonable out-of-pocket expenses in forwarding solicitation material to such beneficial owners. Proxies may be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, in person or by telephone, e-mail or facsimile. The Company has retained Morrow & Co., Inc., 445 Park Avenue, New York, New York, 10022, to assist in the solicitation of proxies and will pay that firm a fee estimated not to exceed \$4,500, plus out-of-pocket expenses.

Proxy Tabulation

Proxies and ballots will be received and tabulated by an independent entity that is not affiliated with the Company. The inspectors of election will also be independent of the Company. Comments on written proxy cards will be provided to the Secretary of the Company without disclosing the vote unless the vote is necessary to understand the comment.

Certain Relationships and Related Party Transactions

All of our non-employee directors of the Company who served on the Board prior to July 27, 2004, namely Brian H. Rowe, Lawrence W. Clarkson, Richard A. Galbraith, Joseph J. Steuert, Stephen A. Greene, John S. Blue and Linda Chowdry, resigned from the Board at or prior to July 27, 2004.

We were party to two separate consulting agreements with one of these former directors, Joseph J. Steuert, who is chairman and chief executive officer of The Transportation Group, an investment bank focused on the aviation industry. Effective March 1, 2003, we entered into a consultancy agreement (the "First Agreement"), whereby Mr. Steuert agreed to provide us with consultancy services in connection with the restructuring of financial obligations with our debt holders and aircraft lessors. Pursuant to the terms of the First Agreement, we were required to pay a monthly fee of \$95,000, as well as a success fee in an amount not less than \$500,000 nor more than \$800,000, which amount was determined at the sole discretion of the Company's Board of Directors. The First Agreement had an initial four-month term and was automatically renewable for additional one-month terms unless either party provided notice of non-renewal of the First Agreement by the 20th day of the preceding month. We incurred consulting fees (including a success fee) and expenses to Mr. Steuert of \$0.8 million for the year ended December 31, 2004. The First Agreement was rejected in bankruptcy and we are no longer subject to the First Agreement or its automatic renewal.

Effective October 1, 2003, we entered into a second consultancy agreement (the "Second Agreement"), whereby Mr. Steuert agreed to provide us with consultancy services in connection with the arrangement of investments in our equity or convertible debt securities (each such investment, an "Equity Investment") in conjunction with the restructuring of our debt and lease obligations. The Second Agreement provided for a success fee of 0.75% of the funded amount of each consummated Equity Investment. The Second Agreement had an initial term expiring upon the later of February 1, 2004 or the date of confirmation of the Plan of Reorganization. The Second Agreement was terminated on January 29, 2004, and we did not incur any consulting fees under the Second Agreement.

Another of our former directors, Stephen A. Greene, is a partner in the law firm of Cahill, Gordon & Reindel, which acted as our outside counsel. We paid legal fees and expenses to this law firm of approximately \$4.9 million for the year ended December 31, 2004.

A new Board was appointed on July 27, 2004 pursuant to the Plan of Reorganization. The new Board includes James S. Gilmore III, a non-employee director of ours who is a partner in the law firm of Kelley Drye & Warren LLP, and Robert F. Agnew, also a non-employee

director, who is an executive officer of the consulting firm of Morten Beyer & Agnew. Neither Mr. Gilmore nor Mr. Agnew serves on the Audit and Governance Committee. The Company paid legal fees to the firm of Kelley Drye & Warren LLP of \$1.2 million for the period January 1, 2004 through July 27, 2004 and \$2.7 million for the period July 28, 2004 through December 31, 2004. The Company did not pay any fees and expenses to Morten Beyer & Agnew for the period January 1, 2004 through July 27, 2004, but paid that firm fees and expenses of \$100,000 for the period July 28, 2004 through December 31, 2004.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (Exchange Act) requires certain of our executive officers, as well as our directors and persons who own more than ten percent (10%) of a registered class of AAWW s equity securities to file reports of ownership and changes in ownership with the SEC. Based solely on our review of the copies of such forms received by us or written representations from reporting persons, we believe that all executive officers and directors complied with their filing requirements under Section 16(a) for all reportable transactions for our fiscal year ended December 31, 2004.

Board Committees

The Board has a standing Audit and Governance Committee and a standing Compensation Committee. Each committee consists exclusively of non-employee directors.

Audit and Governance Committee Report

The Audit and Governance Committee of the Company's Board of Directors consists of five outside directors, each of whom is required by the terms of the Audit and Governance Committee's charter to be independent, as defined by applicable rules and regulations of the SEC and Nasdaq or any other primary trading market or securities exchange on which the Company's securities are then traded. The Board has determined that Mr. Cocroft, the Chairman of the Audit and Governance Committee, is an independent audit committee financial expert within the meaning of the federal securities laws. The Audit and Governance Committee's primary function, as set forth in its written charter, is to assist the Board in overseeing the Company's accounting, auditing and financial reporting processes. The Audit and Governance Committee was appointed on July 28, 2004, following the Company's emergence from bankruptcy. The Audit and Governance Committee met six times in 2004 since we emerged from bankruptcy on July 27, 2004. The Audit and Governance Committee has had a written charter

in effect since August 24, 2004, the date of its first meeting following emergence. The charter of the Audit and Governance Committee is available on our website at www.atlasair.com and is also attached as [Appendix A](#) to this Proxy Statement.

The Audit and Governance Committee is also responsible for overseeing the Company's Corporate Governance Principles and performing or overseeing an annual review of the Company's Chief Executive Officer and the Board, among other things. The Company's Corporate Governance Principles are further discussed under the section [Corporate Governance Principles](#) below.

Management is responsible for the Company's financial statements and financial reporting process, including the Company's systems of internal controls. The Company's independent registered public accounting firm, Ernst & Young LLP (E&Y), is responsible for performing an

Edgar Filing: ATLAS AIR WORLDWIDE HOLDINGS INC - Form DEF 14A

independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report relating to their audit. In the 2004 period following July 28, 2004, the Audit and Governance Committee held meetings with E&Y in private without members of management present.

In this context, the Audit and Governance Committee (1) reviewed and discussed the Company's audited consolidated financial statements with management and E&Y; (2) discussed with E&Y the matters required to be discussed under Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications); and (3) received the written disclosures and the letter from E&Y regarding their independence required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees). The Audit and Governance Committee has also discussed with E&Y the firm's independence from the Company and its management.

Based upon such reviews and discussions, the Audit and Governance Committee recommended, and the Board of Directors approved, that the Company's audited consolidated financial statements be included in the annual report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the SEC. The Audit and Governance Committee also selected E&Y as the independent registered public accounting firm for fiscal year ending December 31, 2005. It is expected that representatives of E&Y will be present at the Annual Meeting to respond to appropriate questions of stockholders and will have the opportunity to make a statement if they desire to do so.

Compensation Committee

Committee Responsibility

Edgar Filing: ATLAS AIR WORLDWIDE HOLDINGS INC - Form DEF 14A

The Compensation Committee of the Company's Board of Directors (the Committee) is currently composed of six outside directors. The Committee acts within the scope of a written charter that was approved by the Committee and the Board in November 2004 and in December 2004, respectively. The charter of the Committee is available on our website at www.atlasair.com and is also attached as Appendix B to this Proxy Statement.

The Committee is responsible for reviewing, evaluating and establishing compensation policies for officers of the Company.

In fulfilling its responsibilities, the Committee has the authority to conduct any and all investigations it deems necessary or appropriate, to retain counsel and other consultants, to contact directly the Company's human resources department and other employees and advisors and require them to provide any and all information and advice it deems necessary or appropriate.

Report of the Compensation Committee

The Compensation Committee has furnished the following report on executive compensation:

The current Committee was constituted on July 28, 2004, immediately upon the Company's emergence from bankruptcy. The Committee met six times during the period July 28, 2004 through December 31, 2004 with a quorum in attendance at each such meeting.

Each year, the Committee reviews and approves the total compensation of the CEO and the other executive officers. The Committee also monitors the general compensation practices for all of our and our subsidiaries' other non-executive officers and employees.

Compensation Philosophy

In connection with the Company's emergence from bankruptcy in 2004, a number of compensation practices and actions were in place as the result of agreements with the Company's creditors and orders of the Bankruptcy Court.

Once the mandates of the Bankruptcy Court have been fulfilled, the Committee will continue to pursue its philosophy of performance-based compensation. This philosophy applies to all of our employees, with a more significant level of variable compensation as an employee's level of responsibility increases. The Committee believes that this philosophy takes into account the following goals:

Enhancing stockholder value;

Providing a competitive and performance-oriented environment that motivates executive officers to achieve a high level of individual and corporate results in the business environment in which they operate;

Linking incentive-based compensation to the performance of each executive officer as compared with pre-established individual objectives;

Emphasizing performance-based programs versus guaranteed perquisites and fringe benefits; and

Enhancing the Company's ability to attract and retain top quality management.

The Company compensates its CEO and other executive officers through a combination of base salary, annual incentive opportunity, and long-term incentives. The Committee conducts annual reviews of the compensation levels of the executive officers which are evaluated based upon a peer group analysis prepared by a national compensation consulting firm, which looks at, among other things, industry surveys, proprietary airline surveys, and proxy analyses of similar companies. The Summary Compensation Table in this Proxy Statement details the salaries and other annual compensation and long-term compensation awards paid to the Named Executive Officers for 2004.

Compensation Elements

Base Salary

Base salary is designed to compensate executives for their responsibility, experience, sustained performance and contribution to Company performance. In 2004 base salaries were adjusted primarily to reflect increased roles and responsibilities.

Annual Incentives

Edgar Filing: ATLAS AIR WORLDWIDE HOLDINGS INC - Form DEF 14A

Pursuant to the order of the Bankruptcy Court, approximately 65 executives participated in a Key Employee Retention Program (KERP). The KERP provided incentive payments to be paid in August 2004 based on emergence from bankruptcy. The KERP payments made in August 2004 ranged between 10% and 50% of base salary depending on the level of the position.

For 2004 the Committee determined that no other executive annual incentives would be paid to the Company s executives or any other employees participating in the Company s profit-sharing plan because the Company did not show a profit.

To make executive compensation more performance based, the Committee has terminated the automatic profit-sharing plan as it applied to executives. The Plan had provided a portion of an executive s incentive pay based solely on Company profits. For coming years, the Committee has restructured the annual incentive plans for executives to require that the Company meet certain pre-determined earnings goals as a trigger before any executive is entitled to a bonus. If the earnings targets are met, executives are entitled to 50% of their bonus, with the remaining 50% payable based on meeting individual objectives appropriate for their positions and responsibilities.

The incentive plan which covers senior executive officers, including the CEO, is being submitted to the stockholders for approval at the Annual Meeting. See Proposal 2 Adoption of Atlas Air Worldwide Holdings, Inc. 2005 Annual Incentive Plan for Senior Executives.

Long-term Incentives

Pursuant to the order of the Bankruptcy Court, 10% of the Company s 22,752,878 fully-diluted shares were to be allocated to management under a long-term management incentive plan. An additional 2.175% of the Company s shares were allocated for non-management employees, including crewmembers. With respect to the management shares, the Bankruptcy Court order required that one-half of the 10% pool be allocated to approximately 66 key management employees, and that one-half of this particular allocation be in the form of stock options and the other one-half in the form of restricted stock. This grant was made as of August 11, 2004, and totaled approximately 1.136 million shares. The Bankruptcy Court order further required 30% of the 10% management share pool be awarded within six months of the Company s emergence from bankruptcy. For the purpose of this allocation, the eligible pool of employees was expanded by the Committee to approximately 115 employees. This grant was briefly delayed, but was made as of March 22, 2005, with an appropriate adjustment to the vesting provisions to neutralize the impact of the delayed grant; it consisted of approximately 850,000 shares, almost exclusively in the form of stock options. In addition, a portion of this pool was utilized for restricted stock grants to members of the Board of Directors, which are reflected in the Beneficial Ownership Table. In September 2004, 299,963 shares were granted to the Company s Atlas crewmembers, with an additional 195,340 shares remaining for future awards to non-management employees. Having allocated approximately 8% of the Company s shares as compensation for management and members of the Board of Directors, and 2% to crewmembers, there remains 2% to be allocated in future years.

Executive Benefits

There were a number of employment agreements in place for executives, which were all approved by the Bankruptcy Court, each providing a number of non-cash perquisites in addition to cash compensation. In 2004 and concluding in 2005, the Committee, with the executives consent, eliminated many employment agreements and revised others, reducing severance commitments and discontinuing policies that allowed many of the perquisites, including, but not limited to, certain travel subsidies, mortgage subsidies and automobile allowances.

13

2004 Chief Executive Officer Compensation

Mr. Erickson s total compensation is comprised of the same elements as other executive officers. In accordance with his employment agreement, dated March 8, 2004, Mr. Erickson s annual base salary for 2004 was \$510,000 with a target short-term incentive bonus opportunity of 50% of base salary. After evaluating the Company s financial performance for 2004, the Committee determined that no annual incentive bonus was payable to Mr. Erickson for 2004. Pursuant to the KERP referenced above, Mr. Erickson received a key employee retention bonus of \$255,000 in August 2004 after the Company emerged from bankruptcy.

As part of the 5% equity grant mandated by the Bankruptcy Court, Mr. Erickson received 126,700 stock options and 176,200 shares of restricted stock in 2004.

Other compensation paid to Mr. Erickson in 2004 consisted of Company matching contributions under the Company s 401(k) Plan available to all employees, perquisites including automobile lease/allowance and commuting and temporary housing subsidies, which have since been eliminated by agreement with Mr. Erickson.

Million Dollar Cap on Deductibility

Section 162(m) of the Code limits the U.S. federal income tax deductibility of certain annual compensation payments in excess of \$1 million to a company's chief executive officer or to any of its four other most highly compensated executive officers. Compensation which can be characterized as performance based can generally be excluded from this cap. It is the objective of the Committee to administer compensation plans in compliance with the provisions of Section 162(m) where feasible (including the 2005 Annual Incentive Plan for Senior Executives) and where consistent with our compensation philosophy as stated above, to maximize the Company's ability to deduct compensation paid to its executive officers.

Compensation Committee Interlocks and Insider Participation

No member of our Compensation Committee serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as members of our Board or Compensation Committee.

Nominating Procedures

In lieu of a Nominating Committee and as permitted pursuant to the Company's By-laws, the Board has adopted resolutions setting forth its procedures regarding identification and recommendation to the full Board of individuals qualified to become or continue as directors (Nominating Resolutions). Directors will be identified and recommended to the Board either by the Company's Audit and Governance Committee or a majority of the Company's independent directors, as defined in applicable rules and regulations promulgated by the SEC and Nasdaq or any other primary trading market or securities exchange on which the Company's securities are then traded (such directors being hereinafter referred to as the Nominating Directors). The directors that presently comprise the Nominating Directors include Messrs. Butler, Cocroft, Davis, Kerber, Lanese and McCorkle. A copy of the Nominating Resolutions is available on our website at www.atlasair.com.

With the Nominating Resolutions in effect and the independent directors serving as Nominating Directors, the Board believes that it is not necessary for the Company to have a separate standing Nominating Committee of the Board. The Nominating Directors will (1) identify, state and review with the Board, at least annually, among other things, the skills and characteristics for the election of new, and the continuation of existing, directors, (2) review candidates for nomination as directors submitted by directors, officers, employees and stockholders, (3) recommend to the Board nominees for election as directors at each annual meeting of stockholders, to fill a

vacancy on the Board or to increase the size of the Board, (4) select, retain, evaluate and, as appropriate, terminate and replace any executive search firm with respect to the identification of candidates for nomination for election as directors, (5) periodically review whether to adopt a policy with regard to the consideration of any director candidates recommended by stockholders and (6) maintain records regarding the process of identifying and evaluation candidates for election as directors.

Director Qualifications

The Nominating Directors are responsible for reviewing and developing the Board's criteria for evaluating and selecting new directors based on the needs of the Company from time to time. Pursuant to the Nominating Resolutions, the Board should possess core competencies in accounting, finance and disclosure, business judgment, management, crisis response, industry knowledge, international markets, leadership and strategy and vision. In addition, the Nominating Directors will consider, among other things, whether such individuals have the aforementioned skills and characteristics and are independent, as defined in applicable rules and regulations promulgated by the SEC and Nasdaq or any other primary trading market or securities exchange on which the Company's securities are then traded. The Board will nominate new directors only from candidates identified, screened and approved by the Nominating Directors. The Board will take into account the nature of and time involved in a director's service on other boards in evaluating the suitability of individual directors and making its recommendation to the Company's stockholders. Service on boards of other organizations must be consistent with the Company's conflict of interest policies applicable to directors and other legal requirements.

Evaluation of Stockholder Nominees

While the Nominating Directors currently do not have a formal procedure presently in place under the Nominating Resolutions regarding the consideration of director candidates recommended by stockholders, Nominating Directors will consider director candidates recommended by stockholders, provided that such recommendations are made in accordance with the procedures required under our By-laws and as described in this Proxy Statement under "Advance Notice Procedures" below. In evaluating such nominees, the Board and the Nominating Directors seek to achieve a balance of knowledge, experience and capability on the Board and to address the membership criteria set forth above under "Director Qualifications." The Nominating Resolutions provide for a periodic review of whether to adopt a formal policy with regard to the consideration of any director candidates recommended by stockholders, including whether there will be differences in the manner in which the Board evaluates director nominees based on whether a stockholder made the recommendation, and whether there will be differences in procedures to be followed for nominees of stockholders who beneficially owned more than 5% of the Company's Common Stock for at least one year as of the date the recommendation was made.

Corporate Governance Principles

The Company adopted a set of amended and restated Corporate Governance Principles in June 2005, believing that sound corporate governance practices provide an important framework to assist the Board in fulfilling its responsibilities. The business and affairs of the Company are managed under the direction of the Company's Board, which has responsibility for establishing broad corporate policies, setting strategic direction and overseeing management. An informed, independent and involved Board is essential for ensuring the Company's integrity, transparency and long-term strength, and maximizing stockholder value. The Corporate Governance Principles, along with certain Board Efficiencies and Protocols adopted by the Board, address such topics as director nominations and qualifications, Board committees, director compensation, conflicts and waivers of compliance, powers and responsibilities of the Board, Board independence, serving on other boards, meetings, director access and communication with third parties, annual Board evaluations, financial statements and disclosure matters, delegation of power and oversight and indemnification. A copy of the Corporate Governance Principles is available on our website at www.atlasair.com.

Code of Ethics Applicable to the CEO, Senior Financial Officers and Members of the Board of Directors

We have adopted a Code of Ethics that applies to all of our employees, along with a revised and restated Code of Ethics applicable to our Chief Executive Officer, Senior Financial Officers, and members of the Board of Directors (the "Code of Ethics"). In addition to adding members of the Board as "covered parties" under the

15

Code, the Code was amended to include certain provisions dealing with disclosure of violations and waivers of, and amendments to, the Code of Ethics by covered parties. The Code of Ethics was filed as Exhibit 14.1 to the Company's Current Report on Form 8-K dated May 23, 2005. Any person who wishes to obtain a copy of the Code of Ethics may do so by writing to Atlas Air Worldwide Holdings, Inc., Attn: Secretary, 2000 Westchester Avenue, Purchase, NY 10577. A copy of the Code of Ethics is available on our website at www.atlasair.com.

Employee Compliance Manual

The Company has adopted an Employee Compliance Manual that includes a code of conduct for conducting business that sets forth the policies and business practices that apply to all of the Company's employees and directors. The code of conduct in the Employee Compliance Manual addresses such topics as compliance with laws, moral and ethical conduct, equal employment opportunity, promoting a work environment free from harassment or discrimination and the protection of intellectual property and proprietary information, among other things.

Executive Sessions

The non-employee members of the Board and its respective committees meet in executive session (with no management directors or management present) on a regular basis and upon the request of one or more independent directors. The sessions are generally scheduled and chaired by the Chairman of the Board or by the respective committee chairman, as applicable, each such person being a non-employee director. The executive sessions include whatever topics the independent directors deem appropriate.

Communications with the Board

Stockholders and other interested parties who wish to communicate with the Board may do so by writing to Eugene I. Davis, our Chairman, in care of Atlas Air Worldwide Holdings, Inc., 2000 Westchester Avenue, Purchase, New York 10577. All communications received by Board members from third parties that relate to matters within the scope of the Board's responsibilities will be forwarded to the Chairman of the Board. All communications received by Board members from third parties that relate to matters within the responsibility of one of the Board

committees will be forwarded to the Chairman of the appropriate committee, as well as to the Chairman of the Board. All communications received by Board members from third parties that relate to ordinary business matters that are not within the scope of the Board's responsibilities are forwarded to the Company's General Counsel. The General Counsel will act as agent in processing communications received by non-management directors from stockholders and from other interested parties, unless otherwise required pursuant to the Audit and Governance Committee's charter and any other committee protocols or rules, applicable laws and regulations or the rules of such other primary trading market or securities exchange on which the Company's securities are then traded.

Board Attendance at the Annual Meeting

Pursuant to Board policy, directors are expected to attend Board meetings, as well as the Annual Meetings of Stockholders. All of the members of the Board are currently expected to attend the Annual Meeting. Prior to this meeting, the Company has not held an annual meeting of stockholders since 2002.

PROPOSAL 2

APPROVAL OF ATLAS AIR WORLDWIDE HOLDINGS, INC. 2005 ANNUAL INCENTIVE PLAN FOR SENIOR EXECUTIVES IN CONFORMANCE WITH SECTION 162(m) OF THE INTERNAL REVENUE CODE

General

We are asking stockholders to approve the Atlas Air Worldwide Holdings, Inc. 2005 Annual Incentive Plan for Senior Executives (the 2005 Plan). The 2005 Plan includes, among other things, the requirement to pay incentive awards primarily in the form of cash and provisions that protect the Company's ability to take a tax deduction for performance-based awards made under the 2005 Plan, in conformance with Section 162(m) of the Code and related regulations, in case certain executive officers who are awardees individually have more than \$1 million of compensation in any one year.

Section 162(m) of the Code limits the deductibility of certain compensation in excess of \$1 million per year paid to covered employees, defined as the Company's Chief Executive Officer and its other four most highly-compensated executive officers. In accordance with Section 162(m) of the Code, if the 2005 Plan is not approved, no awards would be made to the individuals listed in the preceding sentence. The 2005 Plan is intended to address the limitation on deductibility by providing for compensation that qualifies as performance-based compensation, which is not subject to the limitation.

Compensation paid under the 2005 Plan will qualify as performance-based compensation within the meaning of Section 162(m) if:

it is payable on account of the attainment of the pre-established, objective performance goals and subject to the limitations on award amounts as set forth within the 2005 Plan;

the Annual Incentive Sub-Committee of the Compensation Committee of the Board (the Sub-Committee), which is comprised solely of non-employee directors, approves the maximum individual awards at or near the beginning of

each performance period;

the 2005 Plan, which sets forth the material terms of the compensation and the various performance goals, is disclosed to and approved by stockholders before payment; and

the Sub-Committee certifies that the performance goals have been satisfied before payment.

The Board believes that you should approve the new 2005 Plan because it encourages eligible participants to increase their efforts to help make the Company more successful and to remain in our employ by providing them the opportunity to earn incentive payments upon the achievement of established performance goals.

Summary of the 2005 Plan

The following paragraphs provide a summary of the principal features of the 2005 Plan. This summary does not purport to be complete and is subject to, and qualified in its entirety by, the provisions of the 2005 Plan, which is set forth in [Appendix C](#) to this Proxy Statement.

Eligibility

The Plan's participants include the CEO, President, Executive Vice Presidents and Senior Vice Presidents of the Company (currently 5 persons). All eligible employees will be eligible to participate in the 2005 Plan if they are employed as eligible employees as of the first day of the plan year. An individual who becomes an eligible employee during a plan year will participate immediately, but only with respect to base salary earned on and after the date he or she first becomes an eligible employee, except as determined by the Sub-Committee in its sole discretion to allow exceptions (e.g., the consideration of base salary on an annualized basis).

Administration

The Plan will be administered by the Sub-Committee.

Determination of Awards

For each plan year, each participant will be entitled to receive a cash payment based upon the Company's achievement of its financial goal and the participant's individual performance. The Company meeting its financial goal is a prerequisite to any payment being made under the 2005 Plan.

There will be two performance measures to determine payments in respect of a plan year: (i) the financial goal for the Company, which may be based on pre-tax income, earnings per share, return on equity or such other factors as determined by the Sub-Committee and (ii) the participant's individual performance, which will be measured against five or more objectives approved by the Sub-Committee and communicated to the participant. If the financial goal is met, a participant is automatically entitled to one-half of his or her bonus, with payment of the remaining half dependent upon the participant's individual performance. The results with respect to achieving each will be applied toward earning a percentage of the target bonus. The target bonus is fifty percent (50%) of the base salary for each participant.

Payment of Awards

Any award payable in respect of a plan year will be paid by the Company within two weeks following the completion of the year-end audit by the Company's independent accountants for the applicable plan year. All amounts payable for an award will be paid in cash or the Company's stock as determined by the Sub-Committee, but the Company's stock may be used, if at all, only for the portion of an award that exceeds fifty percent (50%) of a participant's base salary.

Amendment and Termination

In any plan year for which the Board determines in good faith that exigent circumstances exist which could have a material adverse impact on the Company if awards were paid, the Board will have the authority, in its absolute and sole discretion, to determine that (i) no awards will be paid for that plan year; (ii) awards for that plan year will be reduced, (iii) payment of awards for that plan year will be deferred for possible

payment at a future date, or (iv) other adjustments will be made to the awards otherwise payable for that plan year.

New Plan Benefits

The actual amount of compensation to be paid to participants under the 2005 Plan is not determinable in advance because specific performance criteria and targets will be selected each year by the Sub-Committee and it is substantially uncertain what levels of performance will be realized against such criteria and targets. Awards paid in prior years were made pursuant to a bonus and incentive plan that was cancelled under the Plan of Reorganization and are not necessarily indicative of awards that the Company may make in the future.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE 2005 ANNUAL INCENTIVE PLAN FOR SENIOR EXECUTIVES IN CONFORMANCE WITH SECTION 162(m) OF THE CODE.

ADDITIONAL INFORMATION

Separate Voting Materials

Some banks, brokers and other record holders have begun the practice of "householding" proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of proxy statements and annual reports to any household at which two or more stockholders reside if a company reasonably believes the stockholders are members of the same family. This procedure would reduce the volume of duplicate information stockholders receive and would also reduce a company's printing and mailing costs. The Company will promptly deliver an additional copy of either document to any stockholder who writes or calls the Company at the following address or phone number: the Secretary, Atlas Air Worldwide Holdings, Inc., 2000 Westchester Avenue, Purchase, New York, 10577, (914) 701-8000.

List of Stockholders

The names of stockholders entitled to vote at the Annual Meeting will be available for inspection at the Annual Meeting and for 10 days prior to the meeting for any purpose germane to the meeting, between the hours of 9 a.m. and 5 p.m., at our principal executive offices at 2000 Westchester Avenue Purchase, New York 10577, by contacting the Secretary of the Company.

25

Limited Voting by Foreign Owners

To comply with restrictions imposed by federal aviation law on foreign ownership of U.S. airlines, our Certificate of Incorporation and By-laws restrict foreign ownership of shares of our Common Stock. The restrictions imposed by federal aviation law (49 U.S.C. 41102) currently include a requirement that no more than 25% of our voting stock be owned or controlled, directly or indirectly, by persons who are not Citizens of the United States. There is a separate requirement that the Company be under the actual control of Citizens of the United States.

Pursuant to the Company's By-laws, there is a separate stock record, designated the Foreign Stock Record for the registration of Voting Stock that is Beneficially Owned by aliens. "Voting Stock" means all outstanding shares of capital stock of the Company issued from time to time by the Company which, by their terms, may vote. "Beneficially Owned" refers to owners of securities who, directly or indirectly, have or share voting power and/or investment power.

At no time will ownership of shares representing more than the Maximum Percentage be registered in the Foreign Stock Record. "Maximum Percentage" refers to the maximum percentage of voting power of Voting Stock which may be voted by, or at the direction of, aliens without violating applicable statutory, regulatory or interpretative restrictions or adversely affecting the Company's operating certificates or authorities. If the Company finds that the combined voting power of Voting Stock then registered in the Foreign Stock Record exceeds the Maximum Percentage, the registration of such shares will be removed from the foreign stock record sufficient to reduce the combined voting power of the shares so registered to an amount not in excess of the Maximum Percentage.

The enclosed proxy card contains a certification that by signing the proxy card the stockholder certifies that such stockholder is a Citizen of the United States as defined by 49 U.S.C. §40102(a)(15) or that the shares represented by the proxy card have been registered on our Foreign Stock Record.

The Company will promptly deliver a copy of the Company's By-laws to any stockholder who writes or calls the Company at the following address or phone number: the Secretary, Atlas Air Worldwide Holdings, Inc., 2000 Westchester Avenue, Purchase, New York, 10577, (914) 701-8000.

Extent of Incorporation by Reference of Certain Materials

The Audit and Governance Committee Report, the Compensation Committee Report on Executive Compensation and the Comparative Performance Graph included in this Proxy Statement do not constitute soliciting materials and should not be deemed filed or incorporated by reference into any other filing made by us under the Securities Act of 1933 or the Securities Exchange Act, except to the extent we specifically incorporate such report or performance graph by reference therein.

OTHER MATTERS

As of the date of this Proxy Statement, we know of no business that will be presented for consideration at the Annual Meeting other than the election of directors and the approval of the 2005 Annual Incentive Plan for Senior Executives, as referred to above. If any other matter is properly brought before the meeting for action by stockholders, all proxies (in the enclosed form) returned to the Company will be voted in accordance with the recommendation of the Board of Directors or, in the absence of such a recommendation, in accordance with the judgment of the proxy holder.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY AND THAT YOUR SHARES BE REPRESENTED. STOCKHOLDERS ARE URGED TO FILL IN, SIGN AND PROMPTLY RETURN THE ACCOMPANYING FORM OF PROXY IN THE ENCLOSED ENVELOPE.

Section 1: Purpose.

The purpose of the Plan, which shall be known as the Atlas Air Worldwide Holdings, Inc. Annual Incentive Plan for Senior Executives, is to (a) provide incentives and rewards to certain management employees of Atlas Air Worldwide Holdings, Inc. (Atlas) by allowing them to earn cash awards based upon the financial performance of Atlas and upon their individual achievement of established personal goals; (b) assist Atlas in attracting, retaining, and motivating employees of high ability and experience; and (c) promote the long term interests of Atlas and its shareholders. The Plan is intended to provide performance based awards which are exempt from the limitations on tax deductibility imposed by section 162(m) of the Internal Revenue Code of 1986, as amended.

Section 2: Definitions.

Section 3: Administration.

- 3.1 The Plan shall be administered by the Committee.
- (a) The Committee shall have full power and authority to construe and interpret the Plan, establish and amend administrative regulations to further the purpose of the Plan, determine the extent to which Awards have been earned by virtue of satisfying the criteria described in Section 5, determine whether to pay a portion of the Award in Atlas stock and take any other action necessary to administer the Plan. All decisions, actions or interpretations of the Committee shall be final, conclusive, and binding upon all Participants.
- (b) If any Participant or Beneficiary objects to any such interpretation or action, formally or informally, the expenses of the Board, the Committee, Atlas and their agents and counsel in responding to such objection shall be chargeable against any amounts otherwise payable under the Plan to such Participant or Beneficiary if such objection is ultimately unsuccessful.

Section 4: Participation.

Edgar Filing: ATLAS AIR WORLDWIDE HOLDINGS INC - Form DEF 14A

All Eligible Employees shall be eligible to participate in the Plan if they are employed as Eligible Employees as of the first day of the Plan Year. An individual who becomes an Eligible Employee during a Plan Year will participate immediately, but only with respect to Base Salary earned on and after the date he or she first becomes an Eligible Employee except to the extent the Committee determines in its sole discretion to allow exceptions, such as the consideration of Base Salary on an annualized basis.

Section 5: Determination of Awards.

- 5.1 General. For each Plan Year, each Participant shall be entitled to receive a cash payment based upon Atlas' achievement of the Financial Goal and the Participant's individual performance.
- 5.2 Performance Measures. There shall be two performance measures: (i) the Financial Goal and (ii) the Participant's individual performance which will be measured against five or more Objectives approved by the Committee and communicated to the Participant; and the results with respect to achieving each will be applied toward earning a percentage of the target bonus.
- 5.3 Target Bonus. A target bonus is hereby established at fifty percent (50%) of Base Salary for each Participant.
- 5.4 Self-Funded Awards. The calculation of bonuses under the Plan shall be self-funded, i.e., the Financial Goal threshold for the Eligible Employees as a group to earn bonuses must be reached net of the amount of the bonuses.
- 5.5 Individual Performance. Fifty percent (50%) of the bonus calculated under Sections 5.3 and 5.4 will be payable based solely on the satisfaction of the Financial Goal. The remaining fifty percent (50%) will be payable to the Participant based upon the Participant's satisfaction of his or her Objectives. There shall be a number of such Objectives for each Participant, and the remaining fifty percent (50%) shall be allocated evenly among the Objectives. For example, if there are five (5) Objectives, each one would be worth ten percent (10%) of the bonus. The determination of whether a Participant has satisfied an Objective shall be made by the Committee in consultation with management where appropriate.
- 5.6 Effect of Corporate Exigencies. Notwithstanding anything in this Plan to the contrary, in any Plan Year for which the Board determines in good faith that exigent circumstances exist which could have a material adverse impact on Atlas if Awards were paid, the Board shall have the authority, in its absolute and sole discretion, to determine that (i) no Awards will be paid for that Plan Year; (ii) Awards for that Plan Year will be reduced, (iii) payment of Awards for that Plan Year will be deferred for possible payment at a future date, or (iv) other adjustments will be made to the awards otherwise payable for that Plan Year.
- 5.7 Effect of Corporate Transactions. In the event of a corporate transaction, such as a divestiture, sale of assets or acquisition, which could have a material effect on Atlas, the Committee shall have the discretion to make equitable adjustments in the Performance Goals.

Section 6: Payment of Awards.

- 6.1 General. A Participant may receive an Award in each Plan Year in accordance with Section 5 and will be entitled to receive such Award if the Participant is still employed by Atlas as of the date the Awards are paid, except as described in Section 6.4. A Participant will receive an Award in the manner and at the times set forth in Sections 6.2, 6.3 and 6.4.
- 6.2 Time of Payment. Any amount payable for an Award for a Plan Year shall be paid by Atlas within two weeks following the completion of the year-end audit for the applicable Plan Year.
- 6.3 Form of Payment. All amounts payable for an Award shall be paid in cash, or Atlas stock, but Atlas stock may be used, if at all, only for the portion of the Award that exceeds fifty percent (50%) of Base Salary.

C-2

6.4 Termination of Employment.

- (a) If a Participant terminates employment because of death, disability or retirement after attaining age 62 with five years of continuous Atlas employment, such Participant's will remain eligible to participate in the Plan for that Plan Year, based on Base Salary earned prior to the termination.

Edgar Filing: ATLAS AIR WORLDWIDE HOLDINGS INC - Form DEF 14A

- (b) If a Participant terminates employment during the Plan Year, or after the end of the Plan Year but before the Awards are paid out, for reasons other than those described in Section 6.4(a), such Participant will not be eligible to receive any portion of the Award.
- (c) A Participant's termination of employment after the completion of the Plan Year, but before Awards are paid out, for of any of the reasons described in section 6.4(a) will not affect the right of the Participant to receive payment of an Award.

Section 7: Change in Control.

In the event of a change in control of Atlas during a Plan Year, Awards shall become payable as if the date of the change in control was the last day of a Plan Year, with the Financial Goal adjusted accordingly. (For example, if the change in control occurred on September 1, the Financial Goals would be 2/3 of the amount described in Section 5.4.) For this purpose, change in control shall mean any person (as such term is defined in Section 3(a)(9) of the Securities Exchange Act of 1934) (the Exchange Act) and as used in Sections 13(d)(3) and 14(d)(2) of the Exchange Act) is or becomes a beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Corporation representing more than 50% of the combined voting power of Atlas's then outstanding securities eligible to vote for the election of the Board; provided, however, that the event described above shall not be deemed to be a change in control by virtue of any of the following acquisitions: (i) by any employee benefit plan sponsored or maintained by Atlas of any subsidiary, or (ii) by any underwriter temporarily holding securities pursuant to an offering of such securities.

Section 8: Beneficiary Designation.

- 8.1 Designation and Change of Designation. Each Participant shall file with Atlas a written designation of one or more persons as the Beneficiary who shall be entitled to receive the Award, if any, payable under the Plan upon the Participant's death. A Participant may, from time to time, revoke or change his Beneficiary designation without the consent of any prior Beneficiary by filing a new designation with Atlas. The last such designation received by Atlas shall be controlling; provided, however, that no designation, or change or revocation thereof, shall be effective unless received by Atlas prior to the Participant's death, and in no event shall it be effective as of any date prior to such receipt.
- 8.2 Absence of Valid Designation. If no such Beneficiary designation is in effect at the time of a Participant's death, or if no designated Beneficiary survives the Participant, or if such designation conflicts with law, the Participant's estate shall be deemed to have been designated as the Participant's Beneficiary and shall receive the payment of the amount, if any, payable under the Plan upon his death. If Atlas is in doubt as to the right of any person to receive such amount, Atlas may retain such amount, without liability for any interest thereon, until the rights thereto are determined, or Atlas may pay such amount into any court of appropriate jurisdiction and such payment shall be a complete discharge of the liability of the Plan and Atlas therefor.

Section 9: General Provisions.
