This Amendment No. 2 to Schedule 13D ("Amendment No. 2") amends the Schedule 13D filed on September 27, 1999 (the "Initial Schedule 13D"), as amended by Amendment No. 1 filed on February 14, 2003 (together with the Initial Schedule 13D, the "Schedule 13D"), which relate to shares of Class A Common Stock ("Class A Common Stock"), par value \$0.001 per share, of Paxson Communications Corporation (the "Company"). Capitalized terms used but not defined herein shall have the meanings attributed to them in the Schedule 13D. All items or responses not described herein remain as previously reported in the Schedule 13D.

Item 2. Identity and Background.

Paragraph 1 of Item 2 is hereby amended by adding the following paragraph immediately following the last sentence thereof:

"This Amendment is being filed by NBC Palm Beach Investment I, Inc. ("NBC Palm Beach I"), and NBC Palm Beach Investment II, Inc. ("NBC Palm Beach II"), for and on behalf of themselves, NBC Universal, Inc. (f/k/a National Broadcasting Company, Inc.) ("NBCU"), NBC Holding and GE. The transactions disclosed in the Schedule 13D are herein referred to as the "Investment" and the transactions described in Amendment No. 2 are referred to herein as the "Amended Investment." NBC Palm Beach I and NBC Palm Beach II are wholly owned subsidiaries of NBCU. NBCU is an 80% owned subsidiary of NBC Holding, and NBC Holding is a wholly owned subsidiary of GE. NBC Palm Beach I, NBC Palm Beach II, NBCU are referred to herein as the "NBCU Entities" and the NBCU Entities, NBC Holding and GE are referred to herein as the "Reporting Persons." An agreement among the Reporting Persons with respect to the filing of Amendment No. 2 is attached hereto as Exhibit 19."

Paragraph 5 of Item 2 is hereby amended and restated in its entirety to read as follows:

"As of the date hereof, the name, business address, present principal occupation or employment, and citizenship of each director and executive officer of NBC Palm Beach I, NBC Palm Beach II, NBCU, NBC Holding and GE are set forth on Schedules A, B, C, D and E attached hereto, respectively."

Item 3. Source and Amount of Funds or Other Considerations.

Item 3 is hereby amended by adding the following paragraph immediately after the last sentence thereof:

"On November 7, 2005, in connection with the Amended Investment, the Shares of 8% Series B Convertible Exchangeable Preferred Stock ("Original Preferred Stock") issued to NBC Palm Beach I in 1999, as well as accrued dividends thereon declared and paid in the form of Original Preferred Stock,

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form SC 13D/A

have been redesignated as 11% Series B Convertible Exchangeable Preferred Stock of the Company ("Preferred Stock"), par value \$0.001 per share. In addition, NBC Palm Beach I agreed to acquire 250 shares (the "New Shares") of Preferred Stock, convertible into 1,250,000 shares of Class A Common Stock (subject to adjustment under the terms of the Certificate of Designation). Preferred Stock, consisting of the New Shares, the Shares and all accrued stock dividends on the Shares, may be convertible into 303,035,000 shares of Class A Common Stock in the aggregate. However, shares of Preferred Stock are not currently convertible and the right to convert is subject to material conditions, including, without limitation, those contained in the Agreements (as defined below) and the applicable Federal Communications Commission ("FCC") regulations. An aggregate purchase price of \$2.5 million for the New Shares was paid by NBC Palm Beach I. NBC Palm Beach I received the funds necessary to pay the purchase price as a capital contribution from NBCU. NBCU made such capital contribution out of its working capital."

Item 4. Purpose of Transaction.

Item 4 is hereby amended and supplemented to read as follows:

"Since the Investment in 1999, certain disputes have arisen among Mr. Lowell W. Paxson, Second Crystal Diamond Limited Partnership, Paxson Enterprises Inc. (collectively, the "Paxson Stockholders"), the NBCU Entities and the Company as to the rights and obligations under the Investment. The NBCU Entities, the Paxson Stockholders and the Company have agreed to modify the terms of the Investment, engage in the Amended

Page 7 of 26 Pages

Investment and settle all outstanding disputes. On November 7, 2005, the parties entered into a Master Transaction Agreement (the "Master Transaction Agreement") to amend and restate certain agreements dated as of September 15, 1999, which were described in and filed as exhibits to the Initial Schedule 13D, and to effectuate the transactions contemplated by the various transaction agreements, including the agreements described herein (the "Agreements"). This description is not complete and is subject to the terms of the Master Transaction Agreement, attached as Exhibit 11. Each of the Agreements is filed as an exhibit hereto (as indicated below) and incorporated by reference herein.

In connection with the Amended Investment, the NBCU Entities have agreed, among other things, to cancel the Warrants held by NBC Palm Beach I and enter into the Agreements on November 7, 2005.

NBCU and the Company entered into an Amended and Restated Investment Agreement amending and restating the original Investment Agreement dated as of September 15, 1999, previously filed as Exhibit 2 to the Initial Schedule 13D, whereby the parties agreed to amend certain provisions and redefine the rights of NBCU as an investor. The Company is required to obtain the consent of NBCU or its permitted transferee with respect to certain corporate actions and NBCU has a right of first refusal, which terminates upon the earlier of the closing of the Call Right (as defined below) or the date the Call Right expires unexercised, to purchase any Company television station serving a top 50 market that the Company proposes to sell. This description is not complete and is subject to the terms of the Amended and Restated Investment Agreement, attached as Exhibit 12.

NBCU, the Company and the Paxson Stockholders entered into an Amended and Restated Stockholder Agreement (the "Stockholder Agreement"), amending and restating the original Stockholder Agreement dated as of September 15, 1999, previously filed as Exhibit 3 to the Initial Schedule 13D. The Stockholder Agreement provides, in part, that the Company will use reasonable best efforts

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form SC 13D/A

to fill the existing four vacancies on the board of directors with independent directors. In connection with the selection and appointment of new directors, the Company also amended its by-laws with respect to the chairman of the board of directors. The Paxson Stockholders have agreed to vote (or cause to be voted) all shares beneficially owned by them (A) in favor of, among other matters, the following proposals: (i) an amendment to the Company's certificate of incorporation to increase the number of authorized shares of Class A and non-voting Class C Common Stock; (ii) an amendment to the stock-based compensation plan to increase the number of shares of Class A Common Stock authorized for issuance thereunder; (iii) the issuance of shares of Common Stock if and to the extent necessary to satisfy the listing thereof under applicable rules of the American Stock Exchange; and (iv) any other matters necessary to consummate the transactions contemplated by the various transaction agreements, including the Agreements listed as exhibits hereto, (B) against any proposal that would result in a change of control and (C) in the same proportion as the public stockholders on the election of the directors to the board. The Paxson Stockholders granted an irrevocable proxy to a grantee to vote in favor of the stockholder approvals numbered (i), (ii) and (iii) above.

The Stockholder Agreement further provides that upon the earliest to occur of (a) the exercise of the Call Right by NBC Palm Beach II or a permitted transferee, (b) the transfer of the Call Right by NBC Palm Beach II and (c) the transfer by NBC Palm Beach I of Preferred Stock which would constitute a change of control of the Company, NBCU or such permitted transferee will commence a cash tender offer (the "Tender Offer") for all of the outstanding shares of Class A Common Stock. The Tender Offer price is \$1.25 per share of Class A Common Stock, which increases at an annual rate equal to 10% starting from October 1, 2005 through the date of the commencement of the Tender Offer. The Paxson Stockholders acknowledged that they would be unable to tender 15,455,062 shares of Class A Common Stock owned by them in the Tender Offer because these shares are subject to the Call Right.

In the event NBC Palm Beach II chooses not to exercise or transfer the Call Right, or NBCU or a permitted transferee, as applicable, fails to commence the Tender Offer within the time period specified in the Stockholder Agreement, (i) NBCU is required to surrender to the Company shares of Preferred Stock with an aggregate liquidation preference plus accrued and unpaid dividends equal to \$105 million plus accretion of 10% per year from October 1, 2005 (the "Investor Call Right Termination Amount"), and (ii) if, at the time of such surrender, there are any holders of Class A Common Stock who would have been eligible to participate in the Tender Offer, the Company will distribute to such holders, shares of Preferred Stock (or, at the Company's option, another class or series of preferred stock of the Company with substantially identical economic rights) with an aggregate liquidation preference equal to the Investor Call Right Termination Amount.

Page 8 of 26 Pages

Pursuant to the Stockholder Agreement, NBCU and its affiliates may facilitate the commencement of an early tender offer by a third party (an "Early Tender Offer") at any time prior to the occurrence of an event as described above that would trigger a Tender Offer. In the event of an Early Tender Offer, if NBC Palm Beach II or a permitted transferee, as applicable, fails to exercise the Call Right within a certain specified time period, NBCU will pay to the Company \$2,410,375.30 as liquidated damages. In addition, NBCU has agreed to restrict its ability to freely transfer the shares of Preferred Stock prior to the earlier of the exercise or termination of the Call Right and the Company has agreed to limit its ability to issue additional shares of Class A Common Stock or other securities which are exchangeable or exercisable for or convertible into shares of Class A Common Stock prior to the earlier of the consummation of

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form SC 13D/A

the Tender Offer or an Early Tender Offer, as the case may be, or the closing or termination of the Call Right. This description of the Stockholder Agreement is not complete and is subject to the terms of the Stockholder Agreement, attached as Exhibit 13.

NBC Palm Beach II and the Paxson Stockholders also entered into a Call Agreement (the "Call Agreement"), which supersedes the original 1999 call agreement which was described in and previously filed as Exhibit 5 to the Initial Schedule 13D. The Call Agreement gives NBC Palm Beach II the right (the "Call Right") to purchase, in whole but not in part, (i) 8,311,639 shares of Class B Common Stock and (ii) 15,455,062 shares of Class A Common Stock owned and held by the Paxson Stockholders (and any other shares received by the Paxson Stockholders as a result of a stock dividend, stock split, merger, recapitalization, combination or other transaction involving the Company). In consideration for the grant of the Call Right, NBC Palm Beach II paid to the Paxson Stockholders \$25,013,446.85, equal to (1) \$1.15 per share for 8,311,639 share of Class B Common Stock and (2) \$1.00 per share for 15,455,062 shares of Class A Common Stock. The Call Right is exercisable at a price of \$0.29 per share of Class B Common Stock and \$0.25 per share of Class A Common Stock and expires on the earlier of May 6, 2007 or 75 days after consummation of an Early Tender Offer, subject to certain exceptions.

Under the Call Agreement, NBC Palm Beach II may transfer the Call Right to a permitted transferee who meets the requirements specified in the Call Agreement and is approved by the board of directors of the Company in the reasonable exercise of its business judgment rule. Under existing FCC regulations, NBC Palm Beach II cannot exercise the Call Right. As a result, NBC Palm Beach II intends to seek a permitted transferee of the Call Right, who will then exercise the Call Right. In addition, NBCU agreed to place in escrow \$3,863,765.50, the exercise price of the Call Right with respect to 15,455,062 shares of Class A Common Stock, and the Paxson Stockholders agreed to deposit all such shares of Class A Common Stock into escrow pursuant to the Escrow Agreement. This description is not complete and is subject to the terms of the Call Agreement the Escrow Agreement, attached as Exhibits 14 and 17, respectively.

The Company amended and restated the Certificate of Designation (the "Certificate of Designation") with respect to the Original Preferred Stock and redesignated the Original Preferred Stock as Preferred Stock. As of September 30, 2005, the aggregate liquidation preference plus accrued and unpaid dividends on 41,500 shares of Original Preferred Stock was \$703,572,555, based on a 28.3% dividend rate that was reset on September 15, 2004. Such reset 28.3% dividend rate was the subject of litigation between the Company and NBCU, which was settled pursuant to the Settlement Agreement between the Company and NBCU. This description is not complete and is subject to the terms of the Settlement Agreement, attached as Exhibit 18.

In connection with the Amended Investment, the Company declared and paid a stock dividend of an additional 18,857 shares of Original Preferred Stock to NBC Palm Beach I, which NBC Palm Beach I and NBCU have agreed to accept in full satisfaction of the accrued and unpaid dividends on the Original Preferred Stock through and including September 30, 2005, with the result that the aggregate liquidation preference of the Original Preferred Stock outstanding as of September 30, 2005 was \$603,570,000. Those 60,357 shares of Original Preferred have been redesignated as 60,375 shares of Preferred Stock, with a liquidation preference of \$10,000 per share. Starting from October 1, 2005, Preferred Stock accrues cumulative, non-compounded dividends at the rate of 11% per year.

Pursuant to the Certificate of Designation, NBC Palm Beach I may, at any time after the closing of the Call Right, convert the shares of Preferred Stock into shares of Class A Common Stock. The initial conversion price is \$2

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form SC 13D/A

per share, increasing at a rate equal to the dividend rate on Preferred Stock. If NBC Palm Beach I determines that FCC regulations prohibit it from holding shares of Class A Common Stock, NBC Palm Beach I may convert the shares of Preferred Stock into an equal number of shares of non-voting Class C Common Stock of the Company.

Page 9 of 26 Pages

Such non-voting common stock will be immediately convertible into Class A Common Stock upon transfer by NBC Palm Beach I to a permitted transferee. Shares of Preferred Stock may also be exchanged for New Exchange Debentures (as defined in the Certificate of Designation), in whole or in part, on a pro rata basis, at the option of NBC Palm Beach I or its transferee (the "Exchange Right"). The exchange rate shall be \$1.00 principal amount of New Exchange Debentures for each \$1.00 of liquidation preference and accumulated and unpaid dividends of the shares of Preferred Stock. Certain limitations and qualifications of the Exchange Right are set forth in the Certificate of Designation and the Form of Indenture. This description is not complete and is subject to the terms of the Certificate of Designation, attached as Exhibit 15, and the Form of Indenture, filed as Exhibit 9 to the Initial Schedule 13D and incorporated herein by reference.

The Company and NBCU also amended (the "Registration Rights Amendment") certain provisions of the Registration Rights Agreement entered into between the parties in 1999, a copy of which was filed as Exhibit 4 to the Initial Schedule 13D and is incorporated herein by reference. The Registration Rights Amendment provides that the Company must register, under certain circumstances, shares of Class A Common Stock issuable upon the conversion of (i) the shares of Preferred Stock, including any shares of Preferred Stock deliverable by the NBCU as a result of NBC Palm Beach II's failure to exercise or transfer the Call Right or NBCU or a permitted transferee's failure to timely consummate the Tender Offer as described above in the summary of the Stockholder Agreement, (ii) New Exchange Debentures for which any of the shares of Preferred Stock have been exchanged, or (iii) the shares of Class B Common Stock purchased under the Call Agreement. The Registration Rights Amendment also lowers the minimum market value thresholds for shares eligible to demand registration. This description is not complete and is subject to the terms of the Registration Rights Amendment, attached as Exhibit 16.

Except as set forth above, none of the Reporting Persons have any present plans or proposals which relate to or would result in any actions described in Item 4 of the Schedule 13D."

Item 5. Interest in Securities of the Issuer.

Item 5 is amended and restated in its entirety to read as follows:

"(a) The responses of the Reporting Persons to Rows (7) through (13) of the cover page of this statement on Amendment No. 2 are incorporated herein by reference. After giving effect to the Amended Investment, NBC Palm Beach I holds 60,607 shares of Preferred Stock convertible into 303,035,000 shares of Class A Common Stock and NBC Palm Beach II has the Call Right to purchase 15,455,062 shares of Class A Common Stock and 8,311,639 shares of Class B Common Stock. The NBCU Entities would hold, in the aggregate, 318,490,062 shares of Class A Common Stock upon conversion of Preferred Stock and upon the exercise of the Call Right, which represent beneficial ownership of 86.6% of the outstanding Class A Common Stock of the Company, and 8,311,639 shares of Class B Common Stock, which represent beneficial ownership of 100% of the outstanding Class B Common Stock. However, the right to acquire such shares of Class A Common Stock or Class B Common Stock upon conversion or exercise is subject to material conditions,

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form SC 13D/A

including, without limitation, those contained in the Agreements and the applicable FCC regulations.

Except as disclosed in this Item 5(a), none of the Reporting Persons, nor, to the best of their knowledge, any of their directors or executive officers, beneficially owns any shares of Class A Common Stock or Class B Common Stock.

(b) The responses of the Reporting Persons to (i) Rows (7) through (13) of the cover pages of this statement on Amendment No. 2 and (ii) Item 5(a) hereof are incorporated herein by reference. Upon conversion of all of the shares of Preferred Stock, NBC Palm Beach I would have the sole power to dispose of 303,035,000 shares of Class A Common Stock. Upon exercise of the Call Right by NBC Palm Beach II, NBC Palm Beach II would have the sole power to dispose of 15,455,062 shares of Class A Common Stock and 8,311,639 shares of Class B Common Stock. However, neither the shares of Preferred Stock are currently convertible nor is the Call Right currently exercisable. The right to acquire such shares of Class A Common Stock or Class B Common Stock upon conversion or exercise is subject to material conditions, including, without limitation, those contained in the Agreements and the applicable FCC regulations.

Page 10 of 26 Pages

Except as disclosed in this Item 5(b), none of the Reporting Persons, nor to the best of their knowledge, any of their directors or executive officers, presently has the power to vote or to direct the vote or to dispose or direct the disposition of any of the shares of Class A Common Stock or other securities of the Company which they may be deemed to beneficially own.

(c) Except as disclosed in Items 3 and 4 hereof, none of the Reporting Persons, nor, to the best of their knowledge, any of their directors or executive officers, has effected any transaction in the Class A Common Stock of the Company during the past 60 days.

(d) Not applicable.

(e) Not applicable.

Neither the filing of this Schedule 13D or any amendment thereto, nor anything contained herein is intended as, or should be construed as, an admission that NBC Holding or GE is the "beneficial owner" of any shares of Class A Common Stock or other securities of the Company."
