Item 1.01 Entry into a Material Definitive Agreement.

On May 12, 2010, Mylan Inc. (the Company) and the guarantors named therein entered into a Purchase Agreement (the Purchase Agreement) with Goldman, Sachs & Co., as representative of the initial purchasers named therein, relating to the sale by the Company of \$550 million aggregate principal amount of the Company's 7.625% Senior Notes due 2017 at an issue price of 99.972% and \$700 million aggregate principal amount of the Company's 7.875% Senior Notes due 2020 at an issue price of 99.970% (together, the Notes).

The Notes will be issued in a private offering that is exempt from the registration requirements of the Securities Act of 1933 (the Securities Act) to qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act. The Notes will be the Company's senior unsecured obligations and will be guaranteed on a senior unsecured basis by certain of the Company's domestic subsidiaries. Subject to customary closing conditions, the sale of the Notes is expected to close on or about May 19, 2010.

The purchase agreement contains customary representations, warranties and agreements by the Company and the guarantors. In addition, the Company and the guarantors have agreed to indemnify the initial purchasers against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the initial purchasers may be required to make in respect of those liabilities. Furthermore, the Company and the guarantors have agreed with the initial purchasers not to offer or sell any substantially similar debt securities for a period of 90 days after the closing date without the prior written consent of the representative of the initial purchasers.

The Company intends to use approximately \$1.0 billion of the net proceeds of the offering to repay a portion of its U.S. dollar-denominated Tranche B Term Loans under its senior credit facility with the remainder to be used for general corporate purposes, which may include repayment of indebtedness or business development opportunities. The weighted average interest rate applicable to the borrowings being repaid, after giving effect to any interest rate hedging, was 5.6% as of March 31, 2010.

Item 8.01. Other Events.

On May 12, 2010, the Company issued a press release announcing the pricing of the Notes. A copy of the press release is attached hereto as Exhibit 99.1.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.
