### **Item 7.01 Regulation FD Disclosure.**

On March 11, 2019, our management discussed our financial results for the fourth quarter and full year ended December 31, 2018 and our business plan, strategy and outlook on an earnings conference call with analysts and investors. A transcript of the conference call is furnished herewith as Exhibit 99.1.

The information contained in Item 7.01 to this Current Report on Form 8-K, including the exhibit, is being “furnished” and, as such, shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

### **Forward-Looking Statements**

Except for the historical information, this Current Report on Form 8-K and the exhibit to this Current Report on Form 8-K include forward-looking statements that involve a number of risks and uncertainties, including but not limited to those discussed in the “Risk Factors” section contained in our latest Annual Report on Form 10-K and Quarterly Reports on Forms 10-Q and the following risks and uncertainties: the Company’s ability to expand its revenue streams, potential interruptions of supplier relationships or higher prices charged by suppliers, the Company’s ability to successfully compete and introduce enhancements and new features that achieve market acceptance and that keep pace with technological developments, the Company’s ability to successfully execute its capital allocation strategy, the Company’s ability to retain or replace its significant customers, the impact of a challenging global economic environment or a downturn in the markets, economic and political risks of selling products in foreign countries, risks of non-compliance with U.S. and foreign laws and regulations, cybersecurity risks and risks of damage and interruptions of information technology systems, the Company’s ability to retain key members of management and successfully integrate new executives, the Company’s ability to complete acquisitions, strategic investments, entry into new lines of business, divestitures, mergers or other transactions on acceptable terms or at all, the Company’s ability to assert its intellectual property rights, the impact of natural disasters and other catastrophic events, the adequacy of insurance and the impact of having a controlling stockholder. Given the risks and uncertainties, readers should not place undue reliance on any forward-looking statement and should recognize that the statements are predictions of future results which may not occur as anticipated. Actual results could differ materially from those anticipated in the forward-looking statements and from historical results, due to the risks and uncertainties described herein, as well as others not now anticipated. New risk factors emerge from time to time and it is not possible for management to predict all such risk factors, nor can it assess the impact of all such factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements. Except where required by law, the Company assumes no obligation to update forward-looking statements to reflect actual results or changes in factors or assumptions affecting such forward-looking statements.
